Tonight's starting pitcher will be MARC BOMBARD. Last night's victory over the St. Petersburg Cardinals drew the Tarpons one game closer in the division race. It also marked the fifth win in a row over the Cardinals. Latest statistics show that Indianapolis AAA, the Reds #1 farm team, leads the American Association League and that Three Rivers, AA, has a 5-7 record, in the second half of the Eastern League season. Make note that on July 26th, Bob Feller, the former Cleveland great, will be at the ballpark.

This week Friday, July 11th, will be Florida Federal Savings & Loan Free Night at Al Lopez Field. The game will be versus division leading St. Petersburg, at 7:30 PM. Tickets are at the concession stand.

Saturday night will be another free night against St. Petersburg, hosted by Swift Meats. Swift hot dogs are sold exclusively at Al Lopez. Game time will be at 7:30 PM.

Sign up at the Tarpon office for the booster club road trip to Lakeland on July 29th. All Pinch Hitters will receive information this week.
