KANSAS CITY, Kansas 66103.

Dear Mr. Maurer;

Many thanks for your letter of the 2nd. KSL was most happy to learn that their signal was good into Kansas City.

The Salt Lake uniforms are different from any other uniforms in Hockey today. The stripes of the Golden Eagles' sweaters and stockings extend vertically. Normally, uniforms are such that the stripes are circular. The vertical stripes tend to make the player appear larger. On the road, our uniforms are a pretty deep blue with white trim and, of course, the Golden Eagle is perched on the front.

Since you mentioned Bob Heany, I thought you might appreciate one of our game programs with Bob featured on the cover.

Sincerely yours,

Jim
