The Zeniths and 'Jacks meet for the 31st time since both clubs entered the CBA for the '78-'79 season. Rochester leads the series, 24-6. Maine has never won here in the city after 13 tries- losing at an average of 17.3 points per game. The Z's tallied their biggest blowout in history against Maine- 44 points- three years ago, 132-88, at the Dome. The 88 points also remains as the fewest points scored for a Z opponent. The 'Jacks lost their final eight games of the season last year (4 of those to Rochester) to miss making the playoffs for the second time in their existence. Maine will visit us four times in regular season play in 1981-82, and, like the Z's, also embark on an extended road trip to play all four Western Division teams: Anchorage, Alberta, Billings and Montana.
