PRO SOFTBALL COMES TO CINCINNATI

Slo-pitch softball is an exciting game of fast paced action that has captured the hearts and interest of millions of Americans in recent years. Now you can enjoy watching the world's best players display their superlative batting, fielding and running skills in major league style.

Professional slo-pitch softball has come to Cincinnati, along with the thrills of America's largest team participation sport.

The Cincinnati Suds, as our team will be known, will open their schedule on May 29, 1977 and will play through the final weekend in August, concluding with a playoff series in September. Super squads from softball hotbeds like Chicago, Baltimore, Minnesota, Detroit, New Jersey, New York, Pittsburgh, Milwaukee, Cleveland and Louisville will be providing the finest pro sports entertainment in Cincinnati as they come to the Queen City to battle their way toward a \$100,000 playoff jackpot!

The Suds will be presenting a softball sports attraction in a major league atmosphere at moderate prices. Games will be played at Trechter Stadium on the Cincinnati Technical College campus located at Central Parkway and Ludlow Avenue. The season will consist of 14 home dates, each outing being a doubleheader. Individual game tickets will be sold at \$3.00, while season tickets may be purchased at a considerable savings.

Join us at Trechter Stadium and enjoy watching the pros. Come see the Cincinnati Suds and the best in major league softball.
