Welcome to Greenville Municipal Stadium, home of the Greenville Braves, the Double A affiliate of the Atlanta Braves, in the Southern League.

Greenville Municipal Stadium is entering it's sixth year as home for the Greenville Braves since the team moved to the upstate of South Carolina in 1984. The stadium was built in just over a six month period at a cost of three million dollars.

The largest crowd ever to attend a game at Municipal Stadium was 10,500, on May 27, 1985 when Greenville played Atlanta in an exhibition game. Capacity for the park is 7,028. A crowd of about 9,000 is expected for todays game.

Park dimensions are 335 down the lines, 385 to the power alleys and 405 to center field.

MEDIA INFORMATION

Filing-Due to the limited space in our press box print writers who must file following the game are asked to be patient with our situation. Tables where you can write your story will be provided as will phones to transmit. The phones can be found in both radio booths, the main press box or the TV and scoreboard room. Tables are available in the TV room and the main press box.

Photographers-Photographers must work in foul territory as close to the stands as possible beyond either the first or third base dugout. All photographers must have press passes or they will not be allowed onto the field.

Field Admittance-Those holding credentials will be admitted onto the playing field for pregame interviews and photo sessions. The field and dugout areas must however be cleared 20 minutes prior to the game unless permission is granted by the Greenville Braves.

Clubhouses-Both clubhouses are located outside of the gates of the stadium. Entrance can be gained either by the field entrance which is located where the bullpens are or by exiting the stadium and entering through the players entrance. The Braves clubhouse is located down the first base line with Cleveland's on the third base side. There is no entry to the clubhouses through the dugouts. No admittance will be allowed without proper credentials.

Credentials-If you do not have credentials but wish to obtain them contact Jeff Phillips with the Greenville Braves.

Any questions regarding the operations of Greenville Municipal Stadium should be directed toward Jeff Phillips, PR Director for the Braves. Any questions regarding the Braves or Indians should be directed toward Jim Schultz of the Atlanta Braves or Rick Minch of the Cleveland Indians.

Thanks for your patience and cooperation. We hope you enjoy your stay in Greenville.
