San Diego Nomads Club News

JUNE 19th 1988

We wellcome to San Diego our good friends from Seattle. Congratulations for a great start. They bring to San Diego an Unbeaton run of 5 straight wins. Our young team face a very stiff game and we hope you fans can help make up for our lack of experience. Sad news about Lucas Martin who has torn a ligament and is out for the season, he will be missed. Hope you enjoy the game and get behind the team.

Alliance League News

Seattle are the hot team, they not only are 5.0 but they beat Middlesborough a clas English team 2.1 last week. Bernie James and Peter Haatrup are only two of there experienced players from the M.I.S.L. San Jose have Tomas Boy for the rest of the season and are on a role of 3 games unbeaton. Arturo Velazco played once again for the U.S.A this week in Dallas. Marcelo Balboa is in Korea with the Olympic team, who's next? To-day you will see the smallest player in the Western Alliance, Eddie Henderson played with our Head coach in the World youth cup in Chile in 1987. Eddie will make his mark on this league and will be firm favourite with the fans. Our coach has the problem of stopping him this week. Marcelo and Lucas were his teammates in Chile. Seattle are to tour the U.K. in August, as champs?
