SKIPJACKS VS ST. CATHARINES SAINTS
FRIDAY, JANUARY 25, 1985

Skipjacks Game #46
Home Game #26

The Skipjacks (20-18-7) are looking to break a two-game losing streak on Civic Center ice against a team that is tied for last place in the Southern Division. The Jacks should be hungry after a disappointing performance against the first place Binghamton Whalers on Wednesday night in which they produced only one goal against four Whaler tallies. In six previous meetings versus the Saints this season, the Jacks are 4-1-1, including an undefeated slate (3-0-0) here at the Civic Center.

The visiting Saints (15-26-4) from St. Catharines, Ontario, are playing their second game in a string of four straight in four days. They defeated Moncton last night 3-1, and after tonight's game will travel to Binghamton for a match tomorrow night before returning to St. Catharines to host Binghamton on Sunday....Saints have not won more than two in a row yet this season....Saints have been skating with a short roster all season. Unless BASIL MCRAE, BILL STEWART, or LEIGH VERSTRAETE are returned from Toronto for tonight's game, the Saints will be skating with 13 players and two goalies....Saints are 5-19-0 on the road (10-7-4 at home).

Skipjacks will travel to Glens Falls, NY for a contest with the ADIRONDACK RED WINGS tomorrow night. The Jacks will be back on Civic Center ice for a four-game homestand beginning TUESDAY night, JAN.29, in a battle for third place with the SPRINGFIELD INDIANS. It will also be "Two for One Night", with \$6.50 seats being available on a buy one-get one free basis.

ICING

ICING

- A Icing is called when a player shoots the puck from his own — or defensive — zone across the opponent's goal line (but not through the goal crease). Icing is not called when a team is shorthanded; when a player could have touched puck before it went across goal line; when a player from icing team touches puck first.
- B Icing does not occur when a player shoots the puck from the offensive zone side of center ice into the opposition's end of the rink.

OFFSIDE

OFFSIDE PASS

- C An offside pass occurs when a member of the attacking team passes the puck from behind his own blue line to a teammate across the center red line.
- D An attacking player may pass the puck over the center red line and the blue line to a teammate, as long as the teammate does not cross the blue line before the puck.

E OFFSIDE

A team is offside when a player crosses the blue line before the puck. The determining factor in an offside is the position of the skates; they must both be over the line ahead of the puck to be considered offside.
