### SYMBOL OF GROWTH IN THE GREAT SOUTHWEST

Since Great Southwest Industrial District - the nation's largest planned industrial complex - opened in 1959, some 200 companies have joined our roster, which today reads like a "Who's Who" in American Industry. A unique industrial site in the heart of the Southwest, GSID offers a full range of services and facilities. . . the ideal location for today and for the future.

In GSID industry and entertainment flourish side by side. SIX FLAGS Over Texas, the Southwest's

outstanding family entertainment center, is Texas' number one tourist attraction. Also, located within the district are two major golf courses - Great Southwest Golf Club and the SIX FLAGS Nine. Great Southwest Corporation owns and operates these varied projects.

Great Southwest Corporation is ten years old this year and the history of this dynamic company is a story of continuing growth - a carefully planned program of progress.

GOOD GROOMING ENFORCES  
AND SUPPORTS SUCCESS IN BUSINESS

**Jack's**  
DALLAS

First - and foremost - is a HAIR  
STYLE created for, and suited to,  
you - your personality - your  
facial structure. Not just a haircut,  
but... STYLE CUTTING... the  
key to the art of good grooming.

Jack Pitts cannot afford to permit  
any patron to leave JACK'S of  
Dallas with a single flaw in his  
appearance.
