Well, here is the latest. We started off real well. Newton in Mexico City 11-1 and then lost the last 4. The 4th one was on National T.V. here. There were about 28,000 people at the 1st game. We had about 12,000 here in Puebla. I wasn't doing too well before last nite when I went 3-4 and had a single with bases loaded in the 8th to win the game. Mexico City was great because there was a Senny's restaurant there and you could get hamburgers and Milk Shakes. I went out a couple of times with Oliver + Blue Moon Odom (Oakland A's) He plays with the Mexico City Sigres now. Mike is here with Durango + so is Jerry Hairston. We've had a pretty good time,

He had a real good year in Puerto Rico. He
hit .361 and plays first now. He likes
playing here but doesn't like Durango.
It's way up in the ~~hills~~ mountains and
I guess they film all sorts of cowboy
movies there because it's so desolate.

We go on a 4 day road trip to Aguascalientes
tomorrow. The bus ride is about 11 hrs.
It won't be too bad. Hope you had fun in
Florida. What's up with the Sox? -

Fill you in later.
