# THE SECOND SEASON

My heartfelt appreciation to all the loyal New York fans for their enthusiastic support last season. I was quite pleased to carry the first MISL Championship Trophy back to the Nassau Coliseum. The Arrows' inaugural season was exciting, but our second season promises even more soccer action and local talent. A fast paced college tournament featuring local, as well as national colleges should precede most Arrow home games.

Nine of our home games will be designated as International Festival Nights. Bands, food & music will be in the ethnic style for that particular night.

Special season packages including free parking; exclusive player meetings before our home contests; and even waiter and waitress service for some designated sections; will further highlight your comfort and enjoyment.

Bus transportation for groups should enable all to come and view the constantly growing and ever exciting MISL.

I cordially invite you to our games this season; and I anxiously await our quest for continued excellence in indoor soccer.

## Indoor Soccer... How it's Played

As members of the United States Soccer Federation (USSF), the MISL game will follow the basic rules of soccer as the great game is played throughout the world. There are certain modifications that make the MISL game a truly American sport.

The **FIELD** is approximately 200 feet long and 85 feet wide and is artificial MISL Turf. Dasher boards, topped by plexiglass, surround the field. Players' benches and penalty box are behind the dasher boards at mid-field.

The **BALL** is the standard leather ball, 27-28 inches in circumference, weighing 14-16 ounces and is colored MISL Rocket Red.

The **GOAL** is 6-feet, 6-inches high and 12-feet wide and is set into the boards at both ends of the field.

### THE PLAYERS AND OFFICIALS

A **GOALKEEPER** and **FIVE FIELD PLAYERS** for each team are usually on the field together.

**FREE SUBSTITUTION**—players change while the flow of the game continues. Any number of substitutions may be made during a match.

**PENALTIES**—A team will play one (or two) men short if the referee cites a player (or team) for ungentlemanly conduct, delay of game, or violent conduct. (More information under Basic Rules)

**ACTIVE ROSTER** will include 16 players (a maximum of four may be non-North Americans) who are available for play in a match.

One **REFEREE** will be on the field and have total jurisdiction. An **ALTERNATE** official will be stationed at the timers' bench to supervise the clock, penalty box, and team benches.

### THE BASIC RULES

The **GAME** is played in four 15-minute quarters. There are two three-minute intervals between the first-and-second and third-and-fourth quarters and a 15-minute halftime. The clock only stops when a goal is scored, the ball leaves the playing area, a penalty kick, penalty call, red line violation or an official timeout.

The visiting team will have first possession in the first and third quarters; the home team in the second and fourth.

Play restarts (after the ball leaves the playing area) with a kick-in at the touch line where the ball left the field area.

**GOALS** are scored when the entire ball crosses the goal line.

**PENALTIES** are called and time served in the penalty box for delay of game, ungentlemanly conduct (both two minute penalties) and violent conduct (five minutes and ejection).

**Minor Infractions** are penalized by an Indirect Kick (a goal can not be from an indirect. The ball must be touched by another player other than the kicker before entering the goal).

**Major Infractions** are penalized by a Direct Kick and—depending on how severe the infraction—time in the penalty box. A goal can be scored from a direct kick.

**Delay of Game** and the two-minute penalty is called if 1) a player deliberately puts the ball over the perimeter wall and out of play; 2) A field player returns a kick back to his goalkeeper and the goalkeeper handles the ball; 3) too many men on the field; 4) defending players line up closer than 10 feet for direct or indirect kicks and encroachment is called.

**Penalty Kick** is awarded to players when a defender **INTENTIONALLY** commits an offense against an attacker in the penalty area (25' x 30'). The penalty kick is taken from the penalty spot (24' directly in front of goal). All players except the designated kicker and goalkeeper must stay outside the penalty area and the arc.

**RED LINE VIOLATION** is called when a forward pass crosses both red lines (60 feet apart at mid-field) in the air without being touched by another player. Change of possession and an indirect kick from the first crossed red line restarts play.

**CORNER KICKS** are taken if ball leaves playing area between the two flags on the goal line.
