## INDOOR SOCCER The American Game

IN its first two seasons, the teams of the Major Indoor Soccer League have delivered exactly what sports fans want: high scoring, exciting, non-stop soccer action. Now, the Horizons, Chicagoland's own MISL team brings the same high pitched sports excitement to you.

INDOOR soccer is played in an area the size of a hockey rink. Dashers are an integral part of the playing surface, acting as an extra player for passing purposes. With only six players to a side, including the goal-keeper, the 60 minute, four period game is constant action.

### GREAT ACTION!

- ⚽ Penalty box
- ⚽ Power plays
- ⚽ Free substitution
- ⚽ 100 shots on goal
- ⚽ 12 goals per game
- ⚽ 4-15 minute periods
- ⚽ Ball played off the dashers

**JOIN THE SCENE—  
ACTION UNEXCELLED!**
