1980 L.A. AZTECS SEASON RECAP

- RECORD:** Aztecs finish with 20-12 record, the most successful season in the seven-year history of the club and following another record-setting season (18-12) in 1979. Aztecs establish club records for most wins (20), home wins (11), road wins (9), total points (174), home points (93), shots (688) and most consecutive games without being shut out (27). They also tie club marks for most road points (81), fewest times shut out (2), most consecutive games allowing two goals or less (10) and most consecutive road wins (3).
- OFFENSE:** Aztecs finish with 61 goals, third most in the club's history, falling shy of the club-record of 65 set in 1977. The Aztecs were shut out only twice (San Diego, 2-0; Tulsa, 1-0), and ended the season with a streak of 27 straight games without being shut out. In the Aztecs first 11 games (6-5 record) the team scored just 13 goals. In the next 10 games (8-2 record) the Aztecs scored 27 goals, with Luis Fernando scoring 14 of them. The team was involved in 21 one-goal games with a 14-7 record. In fact, nine of the Aztecs first 10 games were decided by one goal with the team recording a 6-4 record.
- DEFENSE:** Aztecs allow just 52 goals. Team records seven shutouts, second most in club history, including four times in the first 12 games of the regular season. Most goals allowed was five against Edmonton and San Diego. Most goals allowed in a half was four to those same two teams.
