#### Tulsa Talons 73,

Wilkes-Barre/Scranton Pioneers 66 August 25, 2007 – Bossier City, La.

BOSSIER CITY, La. – For a man who weighs only 165 pounds and stands just 5'8", Tulsa Talons WR JEFF HUGHLEY sure did carry a heavy load on Saturday night as he helped his team to the second ArenaCup championship in franchise history, 73-66, over the Wilkes-Barre/Scranton Pioneers.

Hughley accounted for four Tulsa touchdowns, including two kickoff returns and was named the U.S. Army Strong Ironman of the Game. He caught nine passes for 143 yards and returned seven kickoffs for 203 yards. The 203 kickoff return yards and 346 all-purpose yards are both new ArenaCup records.

Another record set on Saturday night was that the two competing teams combined for 139 points, surpassing the old record of 127 total points set in the 2000 ArenaCup by Quad City (68) and Tennessee Valley (59).

The game went back and forth all night long. With 6:33 left to play in the fourth quarter, Pioneers' QB RYAN VENA hit Tyreak Saviour for the third time on the night to tie the game, 59-59. It was at that moment that Hughley put his exclamation point on ArenaCup8. Hughley caught the ensuing kickoff off the net and scampered 55 yards for his second kickoff return for a touchdown on the night, giving Tulsa a 66-59 lead.

The Talons defense made big plays all night long, but none was bigger than the fourth-down stop they made with 3:17 left to play in the game. Vena's pass attempt to WR BUCHIE IBEH fell incomplete and Tulsa had the ball deep in Pioneers' territory.

No defensive player for Tulsa had a bigger game than DB DELENELL REID. Reid was named the game's ADT Defensive Player of the Game for his outstanding effort. He collected four tackles, three pass breakups, one forced fumble and a 52-yard fumble return for a touchdown early in the fourth quarter to give his team the 59-52 lead.

Tulsa QB JUSTIN ALLGOOD capitalized and ran in his second rushing touchdown of the night, giving the Talons a 73-59 lead with one minute to play.

The Pioneers wouldn't give up without a fight. The reigning U.S. Army Ironman of the Week, Wilkes-Barre/Scranton WR/DB LARRY KENDRICK took K LUKE PHILLIPS' kick into the end zone, making the score 73-66, Tulsa, with 52.2 seconds to play.

Tulsa recovered the onside kick attempt, but then WR JERMAINE LANDRUM fumbled and the Pioneers' recovered with 44 seconds left. The Talons defense stood tall once again and the Pioneers last attempt with 3.8 seconds left fell incomplete, crowning Tulsa the champions of the af2.

Wilkes-Barre/Scranton's Vena did his absolute best to will the Pioneers to a victory. The veteran signal caller, playing in his first title game appearance in four years in the af2, set a new ArenaCup record by throwing seven touchdown passes in the championship game. Vena

finished the night 24-of-46 for 326 yards, seven touchdowns and one interception. He also added one rushing touchdown and was named the Schutt Offensive Player of the Game.

Vena's counterpart, Justin Allgood, had a great game as well. Allgood was 19-of-27 for 214 yards and three touchdowns. He also ran for two scores. FB/LB ODIE ARMSTRONG lead the rushing attack for Tulsa with four carries for 17 yards and two touchdowns.

With the victory, Tulsa Head Coach MITCH ALLNER becomes the first man in af2 history to hoist the ArenaCup as a player and as a head coach. Allner was a member of the 2003 Tulsa squad which defeated Macon, 58-40 in ArenaCup4. As a player, offensive coordinator and head coach, Allner has been a part of 85 Talons' victories throughout the team's eight-year history.

#### **AMARILLO DUSTERS 38, Tulsa Talons 53 (Attendance 2,700)**

AMARILLO, TX- Tulsa, the second-ranked team in af2, showed why it has earned that lofty ranking Friday before an announced crowd of 2,700 at Cal Farley Coliseum. The Talons intercepted three Steve Panella passes and turned them into touchdowns in a 53-38 victory against an Amarillo Dusters team that continues to be plagued by its own mistakes. Dusters head coach Steve Perdue couldn't have been more prophetic about this game. During the week he said in order for his team to win, it would have to eliminate mistakes and capitalize on the opportunities that happened during the game.

In the end, the Dusters did little of either as they lost their sixth straight game. Panella's three interceptions and a

fumble inside the Talons' 5-yard line by Jon Sessler kept the Talons ahead throughout. They never trailed after scoring on their first possession and led by as many as 16 points late in the second quarter. The Dusters closed within 33-31 late in the third period and 40-38 early in the final quarter before Tulsa scored the final two TDs to secure their seventh win in as many games.

#### **Glossary of Terms**

**BALL IN THE STANDS -** When a ball is thrown or bounces into the seats surrounding the playing field, the "lucky" fan that catches the ball keeps it.

**DROP KICK** - A drop-kicked FG is worth 4 points. A drop-kicked extra point is worth 2 points. Former Milwaukee Mustangs kicker Kenny Stucker is the last man to have connected on a two-point dropkick (1997).

**FANS**– More than 22 million fans have experienced an AFL game in the League's 21-Year History. Last year, in 2007, the AFL drew a record 1,887,054 fans in the regular season, and including the postseason, more than 2 million fans attended games for the first time in League history.

**IRONMAN**– Signifies participants playing both offense and defense.

"MAC" AND "JACK" LINEBACKERS – "Mac" may rush the QB straight on without stunting, twisting or drop-back coverage. "Jack" must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end, but double-teaming is illegal.

**OFFENSIVE MOTION**— Unlike stadium-played football, one offensive back may go into forward motion prior to the snap of the ball.

**OVERTIME**– Arena Football has a unique overtime rule. If a contest is tied after regulation, teams will play a 15-minute

overtime. Each team will have one opportunity to score. If, after each team has had one chance to score, the game is tied, the first team to score is crowned the winner.

**REBOUND NETS**— Goal-side rebound nets extend outward from each upright. The nets are 30-feet wide, 32-feet high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight feet above the surface. The "scoring area" is nine-feet wide and 15-feet high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it's live.

**SIDELINE BARRIERS**— Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four inches thick.

**STUNTING OR TWISTING—** When a defensive lineman is rushing the passer, there's no "stunting" or "twisting". In other words, linemen are required to power past offensive linemen.

**TIGHT END**– One offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and "declaring" himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

**TWO-WAY PLAYERS** – One of the most "throwback" features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

#### af2 Rules of the Game

#### THE FIELD

- An indoor padded surface 85 feet wide and 50 yards long with eight-yard end zones.
- Goal posts are nine feet wide with a crossbar height of 15 feet (NFL goal posts are 18-1/2 feet wide with the crossbar at 10 feet).
- The goal-side rebound nets are 30 feet wide by 32 feet high. The bottoms of the nets are eight feet above the ground.
- Sideline barriers are 48 inches high and made of high-density foam rubber.

#### THE EQUIPMENT

• The official football is the same size and weight as the National Football League ball. Each ball is manufactured by Spalding a division of Russell Sporting Goods

#### THE PLAYERS AND FORMATIONS

- Eight players on the field; 20-man active roster; four-man inactive roster.
- Players may play both offense and defense.
- Substitution: Coaches are permitted to substitute players at will.
- Four (4) offensive players must line up on the line of scrimmage.
- Three (3) defensive players must be down linemen (in a three- or

- four-point stance). One linebacker may blitz on either side of the center. Alignment is two-or-more yards off the line of scrimmage. No stunting or twisting.
- Offensive motion: One receiver may go in forward motion before the snap.

#### **TIMING**

- Four 15-minute quarters with a 15-minute halftime.
- The clock stops for out-of-bounds plays or incomplete passes only in the last minute of each half or when the referee deems it necessary for penalties, injuries or timeouts.
- Each team is allowed three (3) time-outs per half.

#### MOVEMENT OF THE BALL AND SCORING

- Four (4) downs are allowed to advance the ball ten (10) yards for a first down, or to score.
- Six (6) points for a touchdown.
- One (1) point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for successful run or pass after a touchdown.
- Three (3) points for a field goal by placement or four (4) points for a field goal by drop kick.
- Two (2) points for a safety.

# af2 Rules of the Game

#### KICKING

- Kickoffs are from the goal line. Kickers may use a one-inch tee.
- Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.
- The receiving team may field any kickoff or missed field goal that rebounds off the net.
- Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

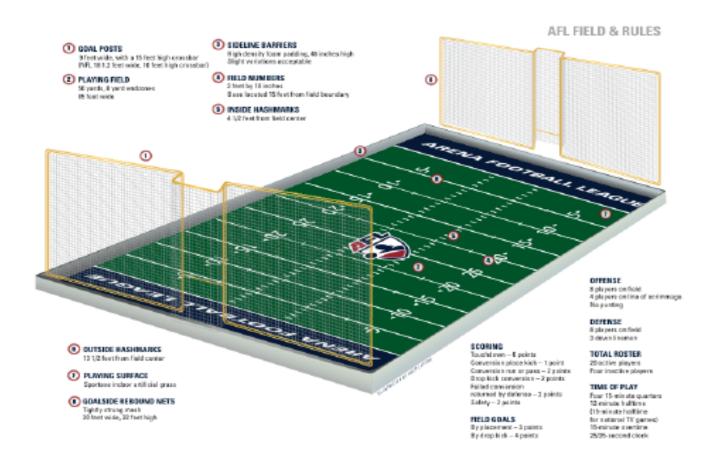

#### **PASSING**

• Receivers must have one foot inbounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

#### **OVERTIME RULES**

- Overtime periods are 15 minutes during the regular season and the playoffs.
- Each team gets one possession to score. If, after each team has had one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.
