(**Jacksonville Sharks**, 2010-12; Orlando Predators 1998-2002)

CAREER RECORD IN AFL: 100-49

POSTSEASON RECORD: 14-5 (3-1 in ArenaBowl contests)

NOTES: Younger brother, Brett, owns the Orlando Predators

Jeff Bouchy continues his duties as the managing partner of the **Jacksonville Sharks** for the 2013 season, his ninth in the Arena Football League. Bouchy has overseen a budding franchise that in its inaugural 2010 season won a South Division title while setting an AFL record for wins in an expansion season (12). The Sharks followed that successful campaign by winning an AFL-record 13 consecutive regular-season games in 2011, capturing its second South Division title in as many years and continuing on to a dramatic victory in ArenaBowl XXIV. In 2012, the Sharks again finished atop the South Division, becoming the first team in AFL history to win a division title in each of their first three years as a franchise.

Bouchy is no stranger to success in the AFL. As a minority owner of the Orlando Predators, Bouchy served as General Manager and Vice President of Football Operations from 1998 to 2002. During that time, the Predators competed in post-season play all five seasons. With a record of 72-36 (10-4 during post-season play), the Predators appeared in three ArenaBowls winning two.

With the Sharks, Bouchy continued a tradition of excellence. Bouchy managed teams have consistently been at the top of league ranks in season ticket sales and corporate partnerships. His teams have won awards and received national acclaim for innovative and exciting marketing campaigns - including the famous "Fake Left, Fake Right" billboard campaign in 2000.

Bouchy has also managed the Peoria Pirates of the arenafootball2 (af2) league, a member of the Arena Football Family from 1999-2009. From 1992-1998, Bouchy was the Chief Financial Officer of Gum Tech International, a publicly held chewing gum manufacturer located in Phoenix, AZ. Prior to that, Bouchy was an event coordinator at the Charlotte Coliseum, then home of the Charlotte Hornets in North Carolina.

Bouchy also owns three companies, all serving the sports and entertainment markets, Destroyer Promotional Products (DPP), Destroyer Graphics (DG) and Destroyer Merchandising Company (DMC). DPP imports promotional and retail items for sports teams. Formed in 2002, DPP provides giveaway products for all professional sports teams across the country. DPP imports from China, India, Taiwan and Vietnam. DPP sells bobbleheads, headwear, bagwear, sporting goods and many different novelty products.

DMC operates retail outlets for sports teams in their arenas. Currently DMC operates the arena team shops for the Grand Rapids Griffins and the Rochester Americans of the American Hockey League, the Rochester Nighthawks of the National Lacrosse League, and the Orlando Predators of the Arena Football League.

Bouchy has a Master's of Science in Sports Management from West Virginia University and the Bachelor's of Science in Accounting from Arizona State University. After the team opened the 2012 season with a bye week, the Jacksonville Sharks' title defense finally got underway in their season-opening contest in Kansas City. Adjusting to life without quarterback Aaron Garcia, the Sharks' offense started slow in the first half. In his AFL debut, Chris Leak found Shamar Graves for an 8-yard, first-quarter touchdown for the Sharks' first score of the season. However, the team trailed 21-14 with time winding down at the end of the first half. Kicker Marco Capozzoli booted a 26-yard field goal as time expired in the second quarter, beginning a run of 38 consecutive points scored by Jacksonville. Included in this stretch were a 30-yard touchdown from Leak to Graves on 4th-and-26, a safety on the ensuing kickoff and a "pick-six" provided by JLB Bill Alford. Jacksonville used this outburst to pull away from the Command, leading 52-21 before a late Kansas City touchdown gave the game its final score.

## STORM - 71

Sharks - 69

March 30, 2012

Tampa, FL

Tampa Bay Times Forum

Attendance: 8,446

The Sharks and Storm entered this Week 4 divisional matchup with matching 1-1 records. The contest began in wild fashion, as the teams combined for four touchdowns on the first five plays of the game. This included a fumble returned by Tampa Bay for a touchdown on the opening kickoff, back-to-back kickoff returns for scores by Terrance Smith and a Storm touchdown pass on the team's first offensive play. The game remained close throughout, as the teams were tied 34-34 at halftime. Trailing by three in the final minute, Shark quarterback Bernard Morris hit Terrance Smith in double coverage for what appeared to be a game-winning, 42-yard touchdown pass with 4.5 seconds left. However, Smith was then flagged for intentional pass interference in the end zone on the Storm's hail mary attempt, giving Tampa Bay one last shot from the one yard line. Stephen Wasil hit Prechae Rodriguez as time expired to for the decisive touchdown, leading the Storm to a two-point victory.

The Sharks entered their Week 6 contest against the Blaze looking to snap a two-game losing streak. Though both teams entered the game coming off a bye week, neither offense showed any rust, as the Sharks and Blaze combined to score touchdowns on each of the first 11 possessions of the game. The pace continued in the second half, as the teams continued to trade scores into the final minute. The Sharks had the ball in the final seconds, but several shots into the end zone fell incomplete as the Blaze held on for an eight-point win. In the loss, Omar Jacobs tied a Jacksonville franchise record with nine touchdown passes - five of which went to wide receiver Terrance Smith. Smith set a new season high with 309 all-purpose yards, topping his 259-yard performance against Tampa Bay in Week 4. Jeron Harvey chipped in with four touchdown catches of his own.

The Sharks headed to Cleveland on April 21 looking to snap a three-game losing streak. After an early turnover and already down 7-0, the Jacksonville defense stepped up to force a turnover on downs and keep the game within a score. The teams traded touchdowns through the first half, as the Sharks trailed at halftime, 28-21. In the third quarter, dynamic returner Terrence Smith ripped off his third kickoff return touchdown of the season. The Shark defense followed with another stand, allowing Jacksonville to get the ball back, score and take their first lead. The Sharks then trailed by one heading into the final minute, when Omar Jacobs hit Bobby Sewall for a 25-yard touchdown with 14 seconds remaining. The Shark defense again held Cleveland in check, as John Dutton's pass sailed incomplete as time expired, giving Jacksonville a 54-49 victory. Jacobs finished 20-of-33 for 300 yards and six touchdowns.

 April 28, 2012  
 Jacksonville, FL  
 Sea Best Field @ JVMA  
 Attendance: 10,470

The Sharks entered their Week 8 matchup with Spokane looking for a second consecutive win. Late in the first quarter, the Shock used a Freddie Harris pick-six to rattle off three consecutive touchdowns, taking a commanding 28-7 lead. Jacksonville battled back to within 35-28 early in the third, then cut a three-touchdown deficit to within one in the fourth, when Jamarko Simmons hauled in a five-yard touchdown to make the score 49-48. Spokane answered with a score in the final two minutes but left plenty of time on the clock for a potential game-tying drive. But in the final minute, Omar Jacobs' pass deflected off the rail below the rebound net and wound up in the hands of a Spokane defender, sealing the game. Jacobs finished with a season-high total of 371 passing yards but threw four interceptions for the second time this season. The loss dropped Jacksonville to 0-3 at home.

May 4, 2012

Jacksonville, FL

Attendance: 9,064

The Sharks took the field against the New Orleans VooDoo looking to avoid going 0-4 at home for the first time in franchise history. Jacksonville struck first - the first time they had scored first in 2012 - but stalled in the second quarter, falling behind 24-14 at halftime. Bernard Morris replaced an injured Omar Jacobs at quarterback to begin the third quarter and immediately threw a pick-six returned by the VooDoo's Demarcus Robinson. This made the score 37-14 early in the quarter. But after that, the Sharks reeled off 27 unanswered points to storm from behind and take a 41-37 lead in the final minutes. At one point, Morris scrambled for 14 yards on 4th-and-10 to keep a drive alive. The Sharks also recovered a fumble for a touchdown and recovered an onside kick. The VooDoo brought the ball into Jacksonville territory in the final minute but the Shark defense held, clinching the dramatic win.

 May 12, 2012  
 Philadelphia, PA  
 Wells Fargo Center  
 Attendance: 8,757

The Sharks took to the road in Week 10 with the goal of slowing down the league's highest-powered offense. Philadelphia entered this matchup averaging over 73 points per game, but early on, the Jacksonville defense stepped up. The Sharks intercepted Philadelphia quarterback Dan Raudabaugh three times in the first half to hold the Soul in check. However, Jacksonville could not turn those turnovers into an advantage on the scoreboard, as the Soul defense picked off Bernard Morris three times in the first half as well. After a field goal just before halftime, the Sharks received the second-half kickoff with a chance to take the lead, but the Philadelphia defense forced a turnover on downs - one of several stops by that Soul unit in the second half. On the flip side, Raudabaugh and the Soul offense played mistake-free football in the second half, pulling away with three straight touchdowns in the fourth quarter. Shamar Graves made the game a bit closer with a superhuman effort in the final minute, breaking at least five tackles on the way to the end zone to cap his best individual game of the season.

The Sharks and Barnstormers squared off on Military Appreciation Night for the second time in as many seasons. In this year's meeting, Jacksonville scored on the game's first possession and then forced a turnover on downs and recorded an interception on Iowa's next two drives. Converting both of those stops into touchdowns, Jacksonville continued on to take a 31-0 lead late in the second quarter. Though Iowa scored a touchdown on their final possession of the first half, Jacksonville regained momentum in the third quarter on Jeff Littlejohn's fumble return for a touchdown. In the fourth, Shamar Graves got loose for a 41-yard touchdown, his second 40+ yard score in as many games. Rendrick Taylor set a new franchise mark for rushing yards in a single game (50), while Micheaux Robinson picked up a pair of interceptions and six pass breakups in his return to Jacksonville.

The Sharks made the day trip down to Orlando to battle the Predators in Week 12. Jacksonville got the ball first but was held to a field goal, taking a 3-0 lead. Orlando reponded to score three of the next four touchdowns, holding a 14-3 lead at the end of the first and a 21-10 lead early in the second. But from there, the next two quarters belonged to the Sharks. From that point until midway through the fourth, Jacksonville went on a 39-3 run that saw the team's lead climb to 49-24. Orlando scored a pair of late touchdowns but never got closer than 18 points as Jacksonville cruised to victory. The Shark defense turned in another impressive performance, holding an opponent under 40 points for the third time in four games. Scooter Berry and Aaron Robbins combined for three sacks as the team put constant pressure on Orlando QB Chris Leak. Bernard Morris had his second straight turnover-free contest.

## SHARKS - 71

Storm - 61

June 2, 2012

Jacksonville, FL

Sea Best Field @ JVMA

Attendance: 11,080

For the second straight home game, the Sharks jumped out to a big lead in the first quarter. This time, Jacksonville raced to a 20-0 edge thanks to two consecutive defensive stops to open the game. After those first two drives, the Storm inserted Nick Hill at quarterback in place of Stephen Wasil, and Hill provided an instant spark. Still, the Sharks offense kept up the momentum to build a 47-27 halftime lead. The Storm opened the third quarter with two straight scores, but the Sharks responded with two touchdowns of their own to extend the lead back to 21. In the fourth, Tampa Bay kicker Juan Bongarra recovered his own onside kick, and after Hill's ensuing touchdown run the Storm cut Jacksonville's lead to 64-61. In the final minute, Shark quarterback Bernard Morris broke through the line for a 13-yard touchdown run that clinched the game for Jacksonville.

**Force - 56**  
**SHARKS - 39**

June 9, 2012  
Duluth, GA

The Arena at Gwinnett Center  
Attendance: 3,826

In Week 14, the Sharks started fast in their rematch against the Georgia Force, as Terrance Smith returned the opening kickoff into the red zone and Bernard Morris connected with Jamarko Simmons for a 13-yard touchdown pass on the first play from scrimmage. In the middle of the second quarter, LaRoche Jackson picked off Georgia's R.J. Archer in the end zone and brought it back for a highlight-reel return touchdown that made the score 27-9, Sharks. But from that point on, the game turned. Georgia scored the final 10 points of the first half then found the end zone on the opening possession of the third quarter to make it a one-point game. On the final play of the third, Force NG Kris Cooke sacked Morris in the end zone for a safety that gave Georgia its first lead. Jacksonville trailed by three points at the one-minute warning, but was backed up deep in its own territory when Morris threw a pick-six that put the game out of reach. The Force added a touchdown on a reverse pass in the final seconds to give the game its final margin. The loss dropped Jacksonville a half-game behind Georgia at the top of the South Division.

The Sharks' Week 15 matchup against the Philadelphia Soul began with an ominous start, as quarterback Bernard Morris was intercepted on just the second play from scrimmage. Though the Sharks kept the game close late into the first quarter - trailing 14-13 at one point - the mistakes piled up from there. At the end of the first quarter, Jeff Hughley ran a kickoff back 58 yards for a touchdown, the first of a string of five consecutive Soul scores that eventually gave Philadelphia a 48-13 lead. Overall, Jacksonville turned the ball over seven times - three fumbles and four interceptions - while the Soul made just one mistake, a 47-yard interception return for a touchdown by Bill Alford with the Sharks well behind late in the fourth quarter. Philadelphia's Donovan Morgan led all players with eight catches for 114 yards and three touchdowns.

June 23, 2012

The Sharks hosted the Cleveland Gladiators in Week 16 for a rematch of the teams' contest in Week 7. The game started in typical fashion with a series of touchdowns both ways, highlighted by Maurice Williams' kickoff return for a touchdown for the Gladiators. The teams entered the locker room at halftime tied at 28. At that point, the Sharks scored on the opening drive of the third quarter and never trailed again. In the fourth, the Shark defense turned it up a notch, as the team grabbed three of its season-high four interceptions in that final frame. Micheaux Robinson and LaRoche Jackson each grabbed a couple of picks. Robinson's second interception came in the final minute, when Cleveland had the football in the red zone with a chance to tie the game. After the turnover, Bernard Morris sealed the victory with a 35-yard touchdown pass to Terrance Smith. The throw was Morris' seventh and final TD toss of the game.

The Jacksonville Sharks headed to New Orleans in Week 17 with a chance to strengthen their hold on first place in the South Division. Entering the game with a share of first, a win would have given the Sharks a full game lead over New Orleans and clinched the head-to-head tiebreaker. In the first quarter, Jacksonville got an early break, recovering a fumble inside the VooDoo 15 yard line. The ensuing touchdown gave the Sharks their first lead. Early in the second, Micheaux Robinson intercepted Kurt Rocco and returned it 15 yards for a touchdown. In the final minutes of the half, the teams traded several touchdowns as New Orleans took a 34-33 lead into the break. Jacksonville received the ball to open the third quarter but went four-and-out, giving New Orleans a short field which the VooDoo converted into a quick touchdown. In the fourth quarter, Jacksonville never had the ball with a chance to take the lead as New Orleans held on to the victory. In addition, an offensive pass interference penalty negated a Terrance Smith touchdown that could have reduced the margin of defeat to three. A three-point loss would have kept the head-to-head tiebreaker in the Sharks' favor, but instead the VooDoo clinched that as well.

Entering Week 18 as the No. 4 seed in the American Conference, the Sharks made a statement with an emphatic defensive performance against the Milwaukee Mustangs. Jacksonville did not allow the Mustangs to score a single touchdown in the first half, instead holding Milwaukee to four field goal attempts in the first two quarters. The last of those four attempts was blocked by defensive lineman Jason Holman, sending the Sharks into the break with a 20-9 lead. Though the Mustangs scored on the first possession of the second half to cut their deficit to four, the Sharks then rattled off three straight touchdowns to seize control of the contest. Rookie receiver Josh Philpart broke out in that second half, scoring a touchdown on each of his first three AFL catches. Jeron Harvey matched Philpart with three receiving touchdowns of his own in the Sharks' 50-32 victory.

The Sharks welcomed the rival Orlando Predators to Sea Best Field in Week 19. Jacksonville entered the contest looking for its second straight series sweep of the Predators and had its first chance to clinch a playoff spot. The Sharks led by four in the final minute of the first half when Jeron Harvey caught a swing pass behind the line and ran in for a four-yard touchdown that extended the lead to 20-9 at halftime. The Shark defense opened the third quarter by forcing a turnover on downs which the team converted into a quick touchdown. From that point on, Orlando never got within 11 points as the Sharks cruised to victory. Late in the fourth quarter, rookie defensive back Daylan Walker capped Jacksonville's scoring. After a kickoff went high off the net and bounced into the end zone, Walker scrambled to recover the loose ball and record his first career touchdown. The win gave the Sharks a chance to clinch the South Division title against Pittsburgh in Week 20.

July 20, 2012

Needing a win to lock up the team's third South Division title in as many seasons, the Sharks dominated the Power from the opening snap. Jacksonville's offense found the end zone on three of the team's first seven plays from scrimmage, as Bernard Morris connected on three of his season-high eight touchdown passes in that span. A relentless defense followed each of those early touchdowns with a stop, allowing the Sharks to build a 27-0 lead at the end of the first quarter. From there, the Sharks continued to pile up points, executing a successful onside kick in the final minute of the first half to take a 48-13 edge at halftime. In this game, Scooter Berry set a new franchise record with 12.5 sacks, while Jeron Harvey recorded a career-high 13 receptions and became the second player in team history with 100 or more catches in a single season. The Sharks became the first AFL team to win a division title in each of the franchise's first three seasons.

## SHARKS - 58

Force - 56

July 28, 2012

Jacksonville, FL

Sea Best Field @ JVMA

Attendance: 7,489

For the third time in as many seasons, the Sharks began the postseason in front of their home crowd at Sea Best Field. Jacksonville came into this game having lost both regular-season meetings with the Force by an average of 23 points, but raced out to a 27-7 lead in the first half thanks to an interception and a pair of key defensive stops. The Sharks led 34-21 at halftime, then extended that edge to 48-21 early in the third quarter. But after starting quarterback Bryant Moniz went down with an injury, Georgia backup Darnell Kennedy sparked a furious rally that saw the Force pull within a score on a pair of occasions before taking a 56-55 lead just before the one-minute warning. Facing a fourth and long with just six seconds left, Sharks head coach Les Moss initially sent his offense on the field before calling a timeout and changing the plan. Place-kicker Marco Capozzoli came out and drilled a 51-yard field goal as time expired to send the Sharks into the next round.

**Soul - 89**  
**SHARKS - 34**  
 August 3, 2012  
 Philadelphia, PA  
 Wells Fargo Center  
 Attendance: 12,332

The Sharks headed north to take on the Philadelphia Soul in the American Conference Championship game, coming within one game of booking a second straight ArenaBowl trip. Jacksonville started off on top, as Bernard Morris connected with Jeron Harvey for a nine-yard touchdown pass on the game's opening possession. From there, though, the Soul took over, scoring five touchdowns and a field goal before the Sharks got on the board again. Philadelphia took a 47-12 lead into halftime and never looked back, outscoring the Sharks by a 44-22 count in the second half as well. Philadelphia receiver Larry Brackins was all over the scoresheet, finding the end zone a grand total of eight times (five receiving, two rushing, one kick return). With the win, the Soul officially ended the Sharks' title defense and advanced to ArenaBowl XXV, where Philadelphia fell to the Arizona Rattlers.

## LEAGUE INFORMATION

## AFL COVERAGE MAP

## Jerry Kurz AFL Commissioner

Jerry B. Kurz returns for his 27th season of Arena Football and fourth season as the AFL's Commissioner. Out-tenured only by the creator of Arena Football, Jim Foster, Kurz has dedicated his life to furthering the sport with a strong business ethic and core values meant to bring the highest quality product to the ever-growing fan base of Arena Football fans.

In his time as the president of the af2, the League saw extensive growth in small-to-mid-sized markets, building an extremely dedicated fan base across the country. That foundation helped to fuel the return of the Arena Football League in 2010 after a year on hiatus due to financial instability. Kurz and a group of enthusiastic investors arranged the acquisition of the AFL's assets in bankruptcy court in late 2009 and revived the League in early 2010, fulfilling the promise that Arena Football would be played in 2010.

Kurz has also served as the AFL's Vice President of International Development, where he was in charge of the League's international exposure. During his tenure, he was responsible for administering the H3 Visa program, allowing international players to play for AFL teams stateside. He also arranged and executed all internationally played games for the Arena Football League.

Arena Football isn't Kurz's only claim to fame. He is also a founding member of Gridiron Enterprises, Inc., a sports consulting firm based out of Chicago. Gridiron Enterprises, consisting of Kurz, Foster and attorney William Niro, is the original founder of the AFL. Kurz has been a player, coach, general manager and owner during his lifelong involvement with the game of football. He is also a member of four football Halls of Fame, including membership in the first class of the Arena Football Hall of Fame as well as membership in the arenafootball2 Hall of Fame.

Kurz attended the University of Oklahoma as an undergraduate and later earned his Juris Doctor Degree at Northern Illinois. Kurz is a licensed attorney in Illinois and operated a law firm with his wife, Kathryn Hall, for 20 years. Jerry and his wife, Kathryn, have one son named Matthew, who currently serves as the Director of Player Personnel for the AFL.

## RULES OF THE GAME

### AFL FIELD & RULES

### FIELD

- An indoor padded surface 85 feet wide and 50 yards long with eight-yard end zones.
- Goal posts are nine feet wide with a crossbar height of 15 feet (NFL goal posts are 18-1/2 feet wide with the crossbar at 10 feet).
- The goal-side rebound nets are 30 feet wide by 32 feet high. The bottoms of the nets are eight feet above the ground.
- Sideline barriers are 48 inches high and made of high-density foam rubber.

### EQUIPMENT

- The official football is the same size and weight as the National Football League ball. Each ball is manufactured by Spalding, a division of Russell Corporation.

### PLAYERS AND FORMATIONS

- Eight players on the field; 21-man active roster; three-man inactive roster.
- Players may play both offense and defense.
- Substitution: Coaches are permitted to substitute players at will.
- Four (4) offensive players must line up on the line of scrimmage.
- Three (3) defensive players must be down linemen (in a three- or four-point stance). One linebacker may blitz on either side of the center. Alignment is two-or-more yards off the line of scrimmage. No stunting or twisting.
- Offensive motion: One receiver may go in forward motion before the snap.

### TIMING

- Four 15-minute quarters with a 15-minute halftime.
- The clock stops for out-of-bounds plays or incomplete passes only in the last minute of each half and when the referee deems it necessary for penalties, injuries or timeouts.
- Each team is allowed three (3) timeouts per half.

### MOVEMENT OF THE BALL AND SCORING

- Four downs are allowed to advance the ball 10 yards for a first down, or to score.
- Six points for a touchdown.
- One point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after a touchdown.
- Three points for a field goal by placement or four (4) points for a field goal by drop kick.
- Two (2) points for a safety.

### KICKING

- Kickoffs are from the goal line. Kickers may use a one-inch tee.
- Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.
- The receiving team may field any kickoff or missed field goal that rebounds off the net.
- Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

### PASSING

- Receivers must have one foot inbounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

### OVERTIME RULES

- Overtime periods are 15 minutes for both the regular season and the playoffs.
- Each team gets one possession to score. If, after each team has had one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.

## GLOSSARY OF TERMS

### BALL IN THE STANDS

When a ball is thrown or bounces into the seats surrounding the playing field, the "lucky" fan that catches the ball keeps it.

### DROP KICK

A drop-kicked FG is worth 4 points. A drop-kicked extra point is worth 2 points. Spokane Shock kicker Taylor Rowan was the last man to connect on a two-point dropkick (7/22/2011 vs. Jacksonville).

### FANS

More than 26 million fans have experienced an AFL game in the League's 24-year history. Last year, in 2011, the AFL drew 1,338,544 fans in the regular season.

### IRONMAN

Signifies participants playing both offense and defense.

### "MAC" AND "JACK" LINEBACKERS

"Mac" may rush the QB straight on without stunting, twisting or drop-back coverage. "Jack" must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end.

### OFFENSIVE MOTION

Unlike stadium-played football, one offensive back may go into forward motion prior to the snap of the ball.

### OVERTIME

Arena Football has a unique overtime rule. If a contest is tied after regulation, teams will play a 15-minute overtime. Each team will have one opportunity to score. If, after each team has had one chance to score, the game is tied, the first team to score is crowned the winner.

### REBOUND NETS

Goal-side rebound nets extend outward from each upright. The nets are 30-feet wide, 32-feet high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight feet above the surface. The "scoring area" is nine-feet wide and 15-feet high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it's live.

### SIDELINE BARRIERS

Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four inches thick.

### STUNTING OR TWISTING

When a defensive lineman is rushing the passer, there's no "stunting" or "twisting". In other words, linemen are required to power past offensive linemen.

### TIGHT END

One offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and "declaring" himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

### TWO-WAY PLAYERS

One of the most "throwback" features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

## MISCELLANEOUS INFORMATION

### ROSTER LIMITS

From the first day the League allows the signing of free-agent players until the first league-sanctioned cut-down date, teams are prohibited from having more than 35 players on their roster. Players listed on the active list or free-agent signees are considered eligible to be counted for the 35-man roster.

Teams will be required to reduce their active lists to 28 players by 5 p.m. CST 14 days before the first regular season game and to 24 players by 5 p.m. CST seven days before the first regular season game.

Each team may maintain a maximum 20-player roster and 4-player practice squad during the season. In a documented emergency, a team may add an emergency kicker to their roster, no later than one hour before kickoff.

### TRADES

The trading period began on November 5, 2012 and will end at 5 p.m. CST on Monday, June 10, 2013. Upon reporting to his new team, each traded player must pass the physical given by his new team. Failure to pass the physical and/or failure to report will nullify the trade.

### RESERVE LISTS

The reserve list of each team consists of the following categories; retired, refused to report, left squad, injured reserve, injured exempt, team suspended, league suspended, other league exempt and physically unable to perform.

### INJURED RESERVE

A player who is placed on injured reserve list must remain on injured reserve for a minimum of four weeks. Training camp weeks will not count against that total. Teams activating players from their injured reserve list must do so no less than 24 hours prior to that team's game.

## PLAYOFF QUALIFICATION, SELECTION OF TEAMS

Eight teams qualify for the playoffs, four from each conference-- American and National. The four qualifying teams in each conference consist of the two division champions and two Wild Cards, determined by best overall record. Seeding in each conference is based on overall record, with the top two seeds in each conference reserved for the division champions, regardless of record. In the **First Round, August 2-3**, the first two seeds in each conference are the two division winners. The next two teams are seeded by next best two overall records. Teams ranked 1 and 2 earn home playoff games with 1 hosting 4 and 2 hosting 3. In the **Conference Championship Round, August 9-10** the winner of the 1-4 game plays the winner of the 2-3 game. The home team is decided by the team with the higher seed. The winners of each Conference Championship Game will face off in ArenaBowl XXVI on August 17th in Orlando.

### Tie-breaking Procedures

If, at the end of the regular season, two or more clubs in the same division are tied with identical won-lost percentages, the following steps will be taken to determine rank.

### Division Champions

If two teams are tied for Division Champions...

- Record in Head to Head games
- Record within the Division
- Record against common opponents
- Point spread in Head to Head games
- Point spread in games against common opponents
- Coin toss

### Two Clubs

1. Head-to-head best won-lost percentage in games among clubs.
2. If teams split head-to-head games, the next tiebreaker will be the point differential in those two games.
3. Best won-lost percentage in common games, if applicable
4. Strength of schedule strength up.
5. Best net total touchdowns in all games
6. Coin toss

### Three or More Clubs

- If two clubs remain tied after a third club is eliminated during any step, tiebreaker reverts to step 1 of the two-club format
- If one team wins multiple-team tiebreaker to advance to playoff round, remaining teams revert to step 1 of the two-club format
- All teams must have played head-to-head for step 1 to be utilized in a multiple-team tie.
- Head-to-head best won-lost percentage in games among clubs.
- Best won-lost percentage in common games, if applicable
- Strength of schedule strength up.
- Best net total touchdowns in all games.
- Coin toss

## MORE ABOUT THE SHARKS

# 2013 PRESEASON MEDIA GUIDE

The three-time South Division Champion Jacksonville Sharks are dedicated not only to putting a championship-level product on the field, but also to serving the city of Jacksonville and the surrounding area. By teaming up with the local community, the Sharks look to effect and enrich the great people of Jacksonville. The Sharks have been achieving the goal of making Jacksonville a better place by developing resourceful programs that contribute directly to the Jacksonville community.

We have teamed up with a number of charitable organizations, including First Coast No More Homeless Pets and Second Harvest North Florida, providing these groups with an opportunity to raise awareness for and generate donations to their respective causes.

In addition, Military Appreciation Night has developed into an outstanding initiative that supports Jacksonville's strong military community. For a third consecutive year, the Sharks will hold a postgame jersey auction that is the centerpiece of a night completely dedicated to benefitting a local military organization. In 2012, the Sharks teamed up with Taco Bell to raise over \$31,000 for the Armed Forces Families Foundation. These donations were used in part to help with the construction of a new playground and pavilion at Naval Air Station Jacksonville for families to use on base.

Players, coaches and the Attack Dance members encourage Jacksonville's youths to exercise and stay healthy through our youth football camps and the Junior Attack Dance camps. Shark's Mascot Chum even gets in the mix by making appearances and heading up Chum's Reading Initiative.

The ArenaBowl XXIV Champion Jacksonville Sharks play their home games at Sea Best Field, in the Jacksonville Veterans Memorial Arena. The 15,000 seat venue is widely considered around the north Florida area as a top notch multi-purpose arena.

Nicknamed "The Vet," the state of the art sports/event venue, located in the heart of the Jacksonville Sports Complex near downtown Jacksonville, was built by HOK Sports Facility Group out of Kansas City, Mo. It was constructed as part of Mayor John Delaney's Better Jacksonville Plan, to replace the archaic Jacksonville Memorial Coliseum in 2003. It cost \$130 million at the time of construction and is owned by the city of Jacksonville.

The Arena provides the Sharks with a state-of-the-art facility that allows for a great game-day experience for both the teams and the fans. The Sharks ranked sixth in 2011 in average attendance, making for a home-field advantage that has helped the Sharks to a 17-3 record on Sea Best Field over the team's first two seasons (including playoffs). A recent Arena Football League fan poll ranked Sea Best Field as the fourth-rowdiest atmosphere in the 25-year history of the AFL.

In addition to being the home field of the Sharks for the past three AFL seasons, the arena plays host to the Jacksonville University men's and women's basketball teams, and the Jacksonville Giants of the American Basketball Association.

It also has hosted a number on big sporting events throughout its nine-year history. In 2004, the USA Men's Olympic basketball team played their only game in the United States at "The Vet."

The Venue has also brought March Madness to Jacksonville, hosting first and second-round NCAA Men's Division I Basketball Tournament games in 2006 and 2010. World Wrestling Entertainment Inc., and the Professional Bull Riders (PBR) Built Ford Tough Rodeo Series also have hosted events at the arena.

Sports are not the only thing going on inside the walls at Jacksonville Veterans Memorial Arena. The venue is a regular stop for headline musicians, bands, comedians and other entertainers. The state-of-the-art acoustics make it a great place to see a concert or show. The first artist to ever perform at "The Vet" was Elton John, in November 2003. It also plays host to the Annual Jacksonville Craft and Import Beer Festival.

Jacksonville Veterans Memorial Arena meets or exceeds all structural and service requirements set by the Americans with Disabilities Act (ADA). It is managed by SMG (property management), which is the world's leading company in managing public assembly facilities.

Restrooms, ATM machines, drinking fountains, four elevators, and phones are all easily accessible. Concession stands are available on each of the four levels and merchandise booths are also spread throughout the arena. The doors open one hour before games or events and the Box Office is open Monday through Friday from 10 a.m. to 4 p.m.

The **Jacksonville Sharks** Media Relations department welcomes you to the 2013 Arena Football League Season. It is our goal to provide a professional and productive working environment. To assist your coverage of the Sharks, please note the following:

## **CREDENTIALS**

You must have a **Jacksonville Sharks** credential (season or single-game) and/or AFL Media Pass to be admitted to Sea Best Field at Jacksonville Veterans Memorial Arena. Credentials must be visibly worn at all times. Credentials should be requested through the Sharks Media Relations department. Single-game credential requests must be submitted **no later than 36 hours prior to game time**. Credentials are for working media only. Your credential does not guarantee a seat. Single-game credentials can be picked up at the Media Entrance (employee entrance) located on the south side of the arena next to the security entrance. A photo ID is required to obtain your credential. Season and single-game credentials are non-transferable and any unauthorized use will subject the bearer to ejection from the arena and the forfeiture of the credential. No autographs are allowed during media access periods.

## **PHOTO LOCATIONS**

Photographers may shoot from photo pits located in section 106 and 117 during the game. It is also possible to shoot from elevated positions throughout the arena. As a reminder, it is imperative that all photographers be courteous to spectators and especially cognizant not to obstruct the view of paying customers. Photographers attempting to access either team bench or operations tunnel will be asked to leave the facility and forfeit future credentials.

## **GAME NOTES**

All members of the media will be provided with a game notes packet prior to kickoff. A preliminary edition of game notes will be available online at [jaxsharks.com](http://jaxsharks.com) the Wednesday morning before each game. Additional "flip cards" and statistics sheets will be available at the arena for each game.

## **POST-GAME INTERVIEWS**

Post-game interviews may take place following a 10-minute cooling-off period. To schedule a post-game interview, please contact a member of the media relations department. Interviews will be handled on a first-come, first-serve basis. Members of the media holding interviews without prior consent of the Sharks will be subject to loss of credentials.

## **PRACTICE ACCESS AND OTHER INTERVIEWS**

All team practices are open to the media, and players and coaches will be available to members of the media following the conclusion of each practice. Practice times and locations will be publicized at the beginning of each game week. Many Sharks practices are held at a private country club, and prior

arrangements must be made for media to access these practices. Therefore, media members wishing to attend a specific practice are asked to contact the Sharks' media relations department prior to the day of that practice.

## **OTHER INTERVIEWS**

Interviews outside of designated post-game or post-practice availability must be arranged through the media relations office by contacting Director of Media Relations Zander Kean. Interviews without prior notification and approval are prohibited.

## **GUESTS**

Media members will not be permitted to bring guests into Sea Best Field without prior approval by the media relations department. Media who do not adhere to this policy and bring guests into Sea Best Field without prior approval will have their credentials revoked.

## **PARKING**

Media may park in the south lot (loading dock) located on the south side of the arena. Media must check in with the attendant for access. Media members can be added to the parking list on a single-game basis, but parking spaces are limited. Requests must be made when requesting game credentials. Parking for media will open 3 hours prior to kickoff.
