JEFF VINIK CHAIRMAN | TAMPA BAY STORM

Jeff Vinik became the owner of the Tampa Bay Lightning on March 3, 2010 and the Tampa Bay Storm on January 13, 2011. Vinik is the Chairman of the Lightning and the Storm, and serves as the Lightning's Governor on the NHL's Board of Governors.

Upon purchasing the two teams, Vinik, 52, pledged to make each organization "world-class," creating a first-rate fan experience while putting together teams that the Tampa Bay sports fans would be proud of in and outside the Times Forum. He promptly hired Steve Yzerman, Hall of Famer and four-time Stanley Cup Champion, as Vice President and General Manager of the Lightning, named lauded sports executive Tod Leiweke as the Chief Executive Officer of the two teams and Tampa Bay Times Forum and then hired future Hall of Famer and Super Bowl Champion Derrick Brooks as President of the Storm.

The transformation of the organization began to take shape shortly with a series of announcements off of the playing surface demonstrating Vinik's desire to create a world-class organization. Vinik detailed a vision that included teams inspired by championship values; an organization committed to Tampa Bay, giving back through leadership, mentoring and charitable contributions; and a state-of-the-art venue.

The Storm unveiled a new logo and uniform that debuts for the 2012 season Additionally fans will experience the recently renovated, publicly owned Tampa Bay Times Forum, that was privately-funded by more than \$40 million. Alongside the makeovers, Vinik, along with his wife Penny, made an impact in the Tampa Bay community to pledge \$10 million that would be donated through the Lightining Foundation over five years, while Tampa Bay Sports & Entertainment employees commit to 4,000 hours of community service each season through its employees.

Subsequently, the Viniks and the Lightning Foundation detailed the Lightning Community Heroes program; honoring a local hero and a representative charity with \$50,000 at each of the Lightning's 41 home games this 2011-12 NHL season. The employee volunteer program was named C.H.A.R.G.E: "Contributing Hours Across our Region through our Generous Employees."

Tampa Bay sports fans have embraced Vinik's vision as the Lightning's attendance increased an NHL best 11.3% during the 2010-11 season and the Tampa Bay Storm finished second in the AFL in overall attendance.

Vinik is the founder and chairman of Vinik Asset Management and a minority owner of the Boston Red Sox. Prior to forming Vinik Asset Management, he earned a reputation as one of the industry's finest money managers, managing Fidelity's Magellan Fund, at that time the world's largest equities mutual fund.

He grew up in New Jersey, and graduated from high school in New York City, before graduating from Duke University (1981) with a Bachelor of Science degree in Engineering and Economics and Phi Beta Kappa honors. Jeff went on to earn his Masters of Business Administration degree from the Harvard Business School, graduating in 1985.

Jeff was awarded Duke University's Distinguished Young Alumni Award in 1994. He was also named Morningstar Portfolio Manager of the Year in 1993 and Mutual Fund Magazine's Portfolio Manager of the Year in 1995.

He and his wife, Penny, strongly believe in the importance of "giving back," both in the local community and around the world. Penny just stepped down as President of the Board of the Meadowbrook School of Weston, MA and is on the Board of Directors of the Museum of Fine Arts, Boston. Jeff has been actively involved in a number of charitable organizations in the Boston area, and currently serves on the Duke University Board of Trustees. Jeff and Penny are also strong supporters of a number of local charities focused on children and basic human needs which they are continuing to do in the Tampa Bay community.

Jeff and Penny reside in South Tampa and have four children: Danny (22), Jared (20), Kyra (18) and Joshua (11,

TOD LEIWEKE CHIEF EXECUTIVE OFFICER

Tod Leiweke (LIGH-wih-kee) was named chief executive officer of Tampa Bay Sports and Entertainment, which includes the Tampa Bay Lightning, Tampa Bay Storm and the Tampa Bay Times Forum, on July 26, 2010. He also serves as an Alternate Governor for the Lightning. Leiweke is responsible for all business operations of the Lightning, Storm and the Times Forum.

Leiweke, who is in his 29th season in professional sports, helped rejuvenate the Lightning fan base during his first season in Tampa Bay. Spurred by an improved product on the ice which saw the Lightning tie the franchise record for wins in a season with 46 and advance to the Eastern Conference Final, Leiweke led the team's transformation off the ice which has resulted in the more than doubling of the team's season ticket base while vastly increasing

its footprint in the community.

In 2012, the Storm will don a new jersey and logo, with all season ticket members receiving their own revolutionary jersey with a chip implanted in the jersey that will grant them access to a variety of benefits. The Times Forum itself underwent a \$40 million, privately-funded renovation during the summer of 2011 and will be complete for the 2012 Arena Football season. Highlights of the project, spearheaded by Leiweke, include a signature stage with pipe organ, new seats throughout the arena, reconstructed executive suites, a paradise deck overlooking downtown and a grand entry with an open-air box office and merchandise store.

Under Leiweke the team continues to grow as a member of the community, committing 4,000 hours of community service through its employees and the distribution of \$10 million over five years to community heroes through the Lightning Foundation and the Vinik family.

Leiweke was previously CEO of the Seattle Seahawks and Vulcan Sports & Entertainment for seven years, also overseeing all aspects of the Portland Trail Blazers and Seattle Sounders FC. He was also president of First & Goal Inc., which operates Qwest Field and Qwest Field Event Center for the state of Washington. Leiweke was recognized for his efforts in 2009 being named a finalist by Street & Smith's Sports Business Journal as the 2009 Sports Executive of Year. Along with that nomination, he was named CEO of the Year by the Puget Sound Business Journal and also CEO of the Year by the Seattle Sports Commission.

In 2005, Qwest Field was named by The Sporting News as the finest venue in the NFL. That year the team won the NFC Championship and advanced to their first Super Bowl. The on-field success also helped spur an unprecedented string of sellouts. His leadership also helped Sounders FC set a MLS record for season ticket sales more than six months before the first home game. Leiweke chaired a 2008-09 United Way campaign that raised more than \$100 million to help fight family homelessness, capped with a climb of Mt. Rainier (14,410 ft) alongside Roger Goodell.

Leiweke was instrumental in forming the "Spirit of 12" Partnerships which has raised more than \$1.5 million. Before joining the Seahawks, Leiweke served as president of the Minnesota Wild and chief operating officer of Minnesota Sports & Entertainment. Under Leiweke's leadership the Sports Fans of America Association, Inc. awarded its 2003 NHL Sports Fans's Quality Award to the Wild as the league's "Fan Friendliest" team. In an ESPN survey conducted in 2003, the team was ranked number one for stadium experience and number two for fan relationships among 123 sports franchises. Leiweke has also held executive positions with the PGA Tour, the NHL's Vancouver Canucks and the NBA's Golden State Warriors.

Leiweke, 52, is a native of St. Louis, Missouri and is married to Tara. The couple has two children, Tyler and Tori, and the family resides on Davis Islands in Tampa.

STEVE GRIGGS CHIEF OPERATIONS OFFICER

Steve Griggs was named chief operating officer of the Tampa Bay Lightning, Tampa Bay Storm and Tampa Bay Times Forum on August 31, 2010. As chief operating officer, Mr. Griggs oversees the organization's broadcast and community relations, game presentation, and marketing departments; ticket sales and service, suite sales and service, and the sponsorship department, which includes corporate partnerships, service, and activation. He also oversees all concerts and events held at the Times Forum.

During Griggs' first season on the job, the Lightning saw a significant increase in attendance from the previous season, jumping nearly 12 percent from 15,497 per game in 2009-10 to 17,269 in 2010-11. That can be attributed to increases in brand management, increased value, enhanced customer service as well as overall fan experience. Under Griggs' guidance, the Bolts also saw a significant boost in corporate partnerships as well as higher renewal and

activation rates. The Lightning also posted a season ticket renewal rate of more than 90 percent during the summer of 2011 and nearly doubled the previous year's base with the addition of new sales.

Griggs was instrumental in generating the Bolts' "ALL IN" campaign that galvanized the fan base and served as a rallying cry during the 2010-11 season and the team's subsequent trip to within one game of the Stanley Cup Final. He played an integral role in the St. Pete Times Forum's \$40 million transformation which will enhance the experiences of fans, season ticket members, and corporate partners. In 2011 ESPN the Magazine named Tampa Bay the No. 2 team of 123 major sports franchises in their "Ultimate Standings", marking the second consecutive year a team with Griggs as an executive had ranked second, after he helped the NBA's Orlando Magic earn the distinction the previous year.

Before coming to Tampa Bay, he spent nearly three years serving as executive vice president of sales and marketing for the Magic. During his time in Orlando, Griggs oversaw the Orlando Magic's corporate partnerships, premium sales and services, season ticket services and operations, brand management, event presentation, and ticket sales departments. Griggs also directed strategic sales and marketing efforts for the new Amway Center, which opened in October 2010.

Griggs was instrumental in growing the Orlando season ticket base to over 14,000, sporting 75 consecutive sellouts and ranking second overall in the ESPN Ultimate Standing. Griggs also established the Champions of the Community partnership program for the team's founding partners of the new Amway Center. He led all digital signage platforms that made the Amway Center one of the most technologically advanced buildings in North America. Griggs re-engineered the Magic brand while introducing a new primary logo, new third jersey and establishing the BeMagic and EnterLegend campaigns.

Prior to joining the Magic, Griggs served for eight years as the vice president of sales and service for the Minnesota Wild of the National Hockey League and its parent company, Minnesota Sports & Entertainment (MSE). At Minnesota, Griggs' responsibilities included overseeing all Minnesota Wild and MSE ticket sales and service, corporate sales and service, suite sales and service, retail operations as well as group and event suite sales. Under his leadership, the club entered its seventh NHL season having sold out every home game in franchise history, posting 284 consecutive sellouts.

Prior to joining the Wild, Griggs served as the vice president of corporate sales and service for Sportsco International, LP and SkyDome. The Aurora, Ontario native also worked for both the NBA's Toronto Raptors (1994-99) and the NHL's Toronto Maple Leafs (1998-99) as the director of ticket sales and service, where he led the sales and relocation efforts from historic Maple Leaf Gardens into Air Canada Centre in Toronto.

Griggs, and his wife, Janell, have a daughter, Madeline, and a son, Jack.

ELMER STRAUB MEMBER AFL BOARD OF DIRECTORS

Elmer Straub is Vice President, Event Booking for the Tampa Bay Times Forum and sits on the Board of Directors for the Arena Football League. In his role as V.P. of Event Booking, Straub is responsible for filling the 21,500 seat arena on a regular basis. In addition to facilitating scheduling for the 2003 ArenaBowl champion Tampa Bay Storm of the AFL and 2004 Stanley Cup champion Tampa Bay Lightning of the National Hockey League, Straub is credited with maintaining the Times Forum as one of the nation's busiest arenas on an annual basis.

After working for three seasons in Van Andel Arena in his native Grand Rapids, Michigan, Straub joined the staff in Tampa as Event Coordinator in 2000. In that role, he served as the building's lead liaison for events, concerts and family shows, ensuring smooth conversion and event production. Three years later, Straub was elevated to Director of Event Booking, becoming responsible for driving people into the Tampa Bay Times Forum, which is

considered the economic engine of downtown Tampa.

In his current position, Straub maintains business relationships and negotiates contracts with the nation's biggest booking agents, talent managers and promoters including Live Nation, AEG Live, Feld Entertainment, WWE and more, booking the nation's top musical acts, events and family shows into the Times Forum. Straub also directs the internal execution of those contracts, working with the arena's marketing, ticketing, accounting and event services department, ensuring each event's success.

Under his leadership, the arena has earned kudos as one of North America's busiest venues of its size, continually being cited by publications like Billboard, Pollstar and Venues Today for concert and event ticket sales and grosses.

Straub, 40, resides with his girlfriend Amanda and their English Bulldog Russell in Tampa. He graduated from Grand Rapids' Aquinas College in 1994 with a B.A. in Communication, having also played four years of collegiate men's basketball. Straub went on to earn his Masters of Sport Administration from Central Michigan University in 1998.

BILL WICKETT EXECUTIVE VICE PRESIDENT | COMMUNICATIONS

Executive vice president of communications, Bill Wickett, enters his 14th season with the Tampa Bay Lightning and the Tampa Bay Times Forum. Prior to coming to Tampa, Wickett worked in Detroit, Michigan, where he was director of media relations for the Detroit Pistons of the NBA for six seasons. In his current role, Wickett oversees all communications and community relations efforts and strategies for the Lightning, the Tampa Bay Times Forum and the Tampa Bay Storm of the Arena Football League, including media relations, publications, game operations and broadcasting for the hockey team.

Wickett, 45, began his public relations career as Assistant Director of Athletic Media Relations for the University of Michigan in 1991, where his responsibilities included publications and media relations for the Michigan men's basketball program. The 1989 Michigan graduate worked in his alma mater's athletic department for three seasons before he joined the Pistons in 1993

While with the Lightning, Wickett also served in a separate capacity as Chairman of the Tampa Bay Sports Commission. He represents the Lightning ownership on the Florida Sports Foundation.

The Detroit native resides in Oldsmar with his wife, Mikki, and their sons, Sean and Jake, and daughter Jane.

DERRICK BROOKS TEAM PRESIDENT

Derrick joined the Tampa Bay Storm as team president in April of 2011. This is his third season as President of the Storm. He is responsible for the overall day-to-day operations of the team. Brooks has led the charge to remold the team to fit in with the "world-class" vision of team chairman and owner Jeff Vinik. He has spearheaded the effort of the team to recast itself as the preeminent team of the AFL as the team will enter its 26th season with a new charge — Together We Storm!

A long-time fixture in the Tampa Bay community Brooks brings a wealth of football experience as well as keen business acumen to the Storm. Recognized for his hard work in the community as much as he is for his hard hits on the football field, Brooks remains one of the most community-minded players in the NFL and has parlayed that into a lasting impression on the

Tampa Bay community. Through his foundation, Derrick Brooks Charities, Inc., Brooks has made it his life's mission to positively impact the lives of youth in the Tampa Bay area and beyond.

The Brooks Bunch program served as the cornerstone of Derrick's community involvement leading the way for the formation of Derrick Brooks Charities, Inc. The Brooks Bunch was founded in 1997, and consisted of youth from the Wilbert Davis, Ybor City, and Brandon Boys & Girls Clubs. As a rookie, Brooks began to visit the Boys & Girls Clubs as a way to encourage and motivate the children to excel in the classroom. During one visit, Brooks realized through conversation with a young girl that the kids at the club had not experienced things that average Americans take for granted. Thus, the idea behind the Brooks Bunch was born

What started as a day trip on an airplane to Fort Lauderdale has blossomed into a program that incorporates a classroom element, a panel presentation, and behavior and grade assessments, all while leading up to trips around the country and around the globe. Brooks has accompanied his Bunch on seven educational journeys altogether, including a college tour to New York, Chicago, and Tallahassee, and trips to Atlanta, Washington, D.C., and the western United States. In 2000 and 2005, Brooks Bunch members who earned their way traveled with Brooks to South Africa where they visited Johannesburg, Cape Town. Robben Island, and Sabi Sabi safari camp.

In addition to the Brooks Bunch program, Derrick Brooks Charities, Inc., includes annual programs such as the college preparatory program "First and Goal" which prepares first-generation college attendees for their next step in life — post secondary education, something that never looked like a reality to them. The Brooks Bunch Scholarship Program provides Semester Stipends for the students that have successfully completed the First and Goal Program and qualify with program minimums of 12 credit hours and a minimum GPA of 2.5. Derrick's outreach also includes the Rites of Passage Program, a mentoring program for young ladies. Other initiatives include the annual Game Day Ticket Program, Thanksgiving Feeding and Christmas Party.

In August of 2007, Derrick realized one of his lifelong goals with the opening of the Brooks-DeBartolo Collegiate High School, a public charter school sponsored by Hillsborough County Public Schools. There are currently over 250 students enrolled with a three-year goal of reaching a total enrollment of 500. Through a partnership with the DeBartolo family, and a strong board of directors, Derrick was able to oversee the implementation of the only traditional charter high school in the Tampa Bay area. Brooks-DeBartolo's mission is to provide a rigorous and relevant academic environment where both students and teachers achieve excellence through high expectations, collaboration and support.

Brooks has been the recipient of several prestigious awards, including the 2000 Walter Payton/NFL Man of the Year award, the 2003 Bart Starr Award, and the 2004 Bryon "Whizzer" White Award, and the 2008 JB Award through the NFL Players association, all of which recognize an NFL player annually for their commitment to the communities in which they live.

From 2003 to 2011, Brooks occupied a seat on the board of trustees of Florida State University, a position to which he was appointed to by former Governor Jeb Bush. Brooks attended FSU where he was a four-year letterman on his way to becoming a First Team All-American, a First Team All-Atlantic Coast Conference selection, and a participant in the Senior Bowl during his senior season. Brooks graduated from FSU with a Bachelor's degree in business communications before adding his Master's in the same subject in 1999. In 2006, Derrick also received his Doctorate in Humane Letters from St. Leo's University.

Derrick has also joined the boards of the Florida Department of Education Foundation, St. Leo's University and Brooks-DeBartolo Charities, Inc. In 2007 he was appointed by Governor Charlie Christ as the Chairman for the Governor's Council on Physical Fitness, helping to address the issue of childhood obesity in the State of Florida.

In 2009, Derrick expanded his career as a football commentator on First Take for ESPN, and the Morning Drive with Bob Papas on the SIRIUS Satellite Radio NFL Station. He also hosted the Derrick Brooks Radio Show on AM 620 WDAE from 1997 to 2009 and currently he co-hosts the Legends Hour with Steve Duemig, a show they have done since 2009.

Derrick Brooks has long been one of the most respected players in the National Football League. A seasoned veteran of the NFL, Brooks holds the distinction of being the only Buccaneers player to be named to 11 Pro Bowls. He started over 200 consecutive games, at the time, most among active NFL defenders. His ability to run down some of the league's top playmakers led Brooks to become the most prolific tackler in Buccaneers history with over 1,900 career tackles.

DAVE EWART HEAD COACH 18TH AFL SEASON | 10TH WITH THE STORM

Ewart enters his third season as head coach of the Tampa Bay Storm. He spent the previous seven seasons as the director of player personnel and assistant head coach. This is his 17th season as a coach in the Arena Football League.

Last season, 2012, under Ewart's leadership, the Storm saw a dramatic improvement with the play on the field. Tampa Bay was much more competitive than the previous season as the team finished with a 7-2 record at home. Included in those wins were several exciting finishes as the Storm defeated South Division rival Sharks on the final play of the game at the home opener and then dropped the VooDoo in overtime at the home finale. For the fourth consecutive season under his quidance, the Storm had a lineman earn All-Arena honors.

2011, Ewart took over the reins less than a week before the start of training camp. After a 2-6 start, he orchestrated a mid-season turnaround that saw the Storm finish 5-5 through the final 10 games of the season, including impressive wins over ArenaBowl XXIII defending champion Spokane Shock and in-state rivals Orlando Predators prior to ending the season with a dramatic come from behind victory over the San Jose SaberCats in the final game of the season.

He guided a defense that set an AFL single-season record with 41 sacks. Over the past two seasons his defensive line has combined for 70 sacks, the second highest total in a two-season span in League history. Ewart's defense finished 2011 ranked third in the AFL, thanks in part to the pass rush that aided a passing defense that finished tied for first in the AFL.

In 2010, he guided a defensive line that collected the second most sacks (29) in the AFL as the team went on to play in ArenaBowl XXIII. He also guided one of the stingiest offensive lines in the AFL as the team allowed only 12 sacks the entire season, four less than the previous season.

In 2008 his offensive line did not yield a sack in seven games and finished as the sixth best line in the AFL yielding only 16 sacks. Additionally the offensive line paved the way for 32 rushing touchdowns, third most in the AFL and was efficient goal-line rushing attack that season with a league-high 28.8 percent touchdown conversion rate per attempt.

In 2007 Ewart fought through a revolving door on the offensive line early in the year due to injuries. His hard work resulted in a cohesive unit that helped protect a rookie quarterback to make the playoffs. In 2006 Ewart served as interim head coach for the Storm in the first three weeks of the season and won two games. Included among those games was a, 61-60, victory in the Storm home opener against the Georgia Force. The victory over the Force extended a Storm win streak to 12 consecutive victories at the St. Pete Times Forum. His overall record as head coach for the Storm is 3-2. He went 1-1 in 2005.

Ewart began his AFL coaching career in 1994 as the special teams coach and offensive line coach for the Cleveland Thunderbolts. In 1995 he moved on to the St. Louis Stampede where he served as the defensive coordinator. The following season the front office of the Stampede chose him to become the head coach for the 1996 campaign.

In 1997, Ewart moved on to his second head coaching position with the Texas Terror where he also was the general manager. The Terror, who finished 1996 with a 1-13 record, improved under Ewart's guidance and finished the 1997 season with a respectable 6-8 record.

From there Ewart moved on to become defensive coordinator and line coach for the Florida Bobcats in 1998. He then moved on to the New England Sea Wolves where he spent a one year stint as the Sea Wolves defensive coordinator for the 1999 season.

In 2000, he re-joined the head coaching ranks once again. He served as head coach and director of football operations for the Florida Bobcats during the 2000 and 2001 seasons.

Ewart played offensive line for two seasons (1987-88) at Salem College (West Virginia) under Terry Bowden. He then transferred to East Tennessee State University (1989-90) where he enjoyed a productive two-year stint. During his time at ETSU, Ewart was a two-time All-Conference selection and named to the Division 1-AA All-America team. He coached with current Arizona University head coach Rich Rodriguez while at Glenville State.

RUSH Drops Storm in Season Opener, 70-48

CHICAGO, IL - The Tampa Bay Storm learned two things in the 2012 season opener at Chicago.

The first is that the Storm can go on the road and compete with the top teams in the Arena Football League. The second is that turnovers can be costly.

The Rush took advantage of five Storm turnovers in route to a 70-48 victory at Chicago.

Quarterback Russ Michna fired eight touchdown passes to lead Chicago, and three of those scoring strikes went to Marquez Hamilton who finished with 10 catches and 117 yards.

The Storm battled back from a 14-point, first half deficit to take a 35-28 lead just before the half. The Rush responded with a touchdown to tie the contest entering the intermission at 35.

The Rush then took advantage of two Prechae Rodriguez fumbles to jump out

Stephen Wasil, who started the game at quarterback over Matt Grothe, completed 26 of 44 passes for 328 yards and 4 touchdowns and scored three more times on the ground to lead Tampa Bay. Rodriguez brought down 12 receptions for 186 yards and three touchdowns.

STORM HOLDS OF FORCE, 50-47

TAMPA, FL – The Tampa Bay Storm, behind quarterback Stephen Wasil's four passing scores and one running, defeated the Georgia Force, 50-47, Friday night on the Amalie Motor Oil Field at the Tampa Bay Times Forum.

After an opening season loss at Chicago, the Storm (1-1) overcame a short-lived comeback by the Force (1-1) in a South Division, American Conference rivalry. A Force comeback in the fourth quarter fell short despite outscoring Tampa Bay, 27-13, in the final stanza.

Wasil, who was not at his best in the first half, completed 8-of-10 passes in the third quarter as the Storm took, a 37-20, lead going into the fourth quarter. He opened the 4th with a nine play drive ending with a 14-yard strike to Mark Jones at 7:53 of the period.

Wasil was 25-47 for 298 yards passing in the game, connected with his favorite receiver Prechae Rodriguez, who had 11 catches for 164 yards and one TD. Chandler Williams added two additional receiving scores. Rodriguez had 12 grabs and 186 yards and three touchdowns in his first AFL game at Chicago.

Despite a ragged first quarter by both teams, the Storm outscored the Force, 20-7, in the second quarter to take a 27-13 halftime margin. A 23-yard pass by Wasil to Chandler Williams with 10:32 on the clock and a fumble recovery off the net by Mark Jones at 8:57 provided a 20-6 difference for Tampa Bay.

RJ Archer relieved starting Georgia quarterback Darnell Kennedy late in the second and got the Force their second score on a 7-yard pass to veteran receiver Derek Lee before the half ended. Six-season AFL veteran CJ Johnson returned a first-quarter kickoff 57 yards for a score.

JACKSONVILLE SHARKS 69, TAMPA BAY STORM 71 JACKSONVILLE SHARKS (1-2) VS. TAMPA BAY STORM (2-1) MAR 30, 2012 • TAMPA, FL • TAMPA BAY TIMES FORUM • ATT: 8,446

STORM SINKS SHARKS ON FINAL PLAY. 71-69

TAMPA, FL – Tampa Bay's Prechae Rodriguez caught a one-yard touchdown pass as time expired and the Storm (2-1) defeated the Jacksonville Sharks (1-2), 71-69, Friday at the Tampa Bay Times Forum.

Bernard Morris had connected with Terrance Smith for 42-yard touchdown with 4.5 seconds left to give Jacksonville a 69-65 lead. However, after the ensuing kickoff, the Sharks were called for pass interference on a Storm quarterback Stephen Wasii hary attempt. The penalty gave the Storm the ball on the one-yard line. One untimed down play found Rodriguez collecting his fifth touchdown of the game from Wasil.

Wasil was 29-of-38 for 312 yards and seven touchdowns. Rodriguez had 11 catches for 101 yards and Chandler Williams added a game-high 14 receptions for 169 yards and two sores

The teams exchanged the lead four times in the final 40 seconds of the game. Sharks' backup quarterback Bernard Morris ran in from five yards out at 40.7 seconds to give

the Sharks a 62-58. Storm receiver Victor Williams returned an on-side kickoff 11 yards with 37.6 seconds putting the Storm back on top 65-62 lead.

The Storm took a 51-41 lead on Juan Bongarra's 18-yard field goal with 11:29 remaining in the fourth period, but Jacksonville raillied for a pair of scores. A Storm turnover allowed Rendrick Taylor to run his second touchdown of the game from two-yards out. This gave the Sharks a 55-51 lead with 5:12 left in the game.

What started out as a scoring barrage with the Storm leading 21-20 after one period, slowed a bit in the second stanza. The Sharks took a 34-27 lead after Jacobs connected with Smith and Jeron Harvey with 2-24 remaining in the second quarter.

The Storm cameback on an 8-play, 45-yard drive at the end of the second quarter as Wasil hit Rodriguez his third score of the night. Juan Bongarra's extra point tied the game at 34 as the teams entered the half.

Two electrifying kickoffs of 58 and 57 yards in a two-minute period of the first quarter by Sharks' Terrance Smith helped Jacksonville take an early lead, 14-13, at the end of the first quarter

STORM THUMPS GLADIATORS, 69-48

TAMPA, FL — The Tampa Bay Storm kept its undefeated record at home intact with a 69-48 victory over the Cleveland Gladiators on Friday night at the Tampa Bay Times Forum.

Storm quarterback Stephen Wasil completed 19 of 28 passes for 249 yards and six touchdowns and Amarri Jackson had six catches for 92 yards and a team-leading three touchdowns in the absence of the injured Prechae Rodriguez.

Gladiators quarterback John Dutton helped lead a comeback in which Cleveland scored three unanswered touchdowns to erase a 14-point deficit and take a 28-27 lead late in the first half. However it was not enough to

overcome the Storm as Tampa Bay went up by as much as 21 points to open the fourth quarter.

A rushing touchdown by backup quarterback Matt Grothe sealed the win for the Storm, who improved to 3-2 on the season, with each of those wins coming in front of the home crowd.

GAME OF ORLANDO PREDATORS 31, TAMPA BAY STORM 55 ORLANDO PREDATORS (1-7) VS. TAMPA BAY STORM (5-3) MAY 5, 2012 • TAMPA, FL • TAMPA BAY TIMES FORUM • ATT: 8,488

STORM SHUTS DOWN PREDATORS, 55-31

TAMPA, FL — Quarterback Stephen Wasil passed for six touchdowns and ran for another as Tampa Bay took the first game of a pair in the "War on I-4," defeating the Orlando Predators, 55-31, Saturday night on the Amalie Motor Oil Field at the Tampa Bay Times Forum.

The win was Tampa Bay's second in a row and gave the Storm a Southern Division-leading 5-3 record in the Arena Football League's American Conference. The Storm is 4-2 against Conference foes. Orlando (1-7), lost for 25th time to Tampa Bay in the 49th meeting of this AFL rivalry.

Former University of South Florida standout Amarri Jackson of the Storm led all receivers with 11 catches for 135 yards.

Four consecutive touchdowns from the 2nd quarter until 8:05 of the 3rd period gave Tampa Bay an insurmountable, 35-10, lead. Prechae Rodriguez had the team-leading three touchdowns in that run of 16, 11, and 12 yards. Wasil was 5-for-5 passing in the 3rd quarter, connecting on three of those for TDs. His final score came on a 39-yard pass Amarri Jackson.

Adding insult to injury in this central Florida rivalry, just-signed defensive lineman Frisner Nelson, out of Orlando's Central Florida University, recovered a fumble for a touchdown with 10:42 left in the game. It gave the Storm a commanding, 55-17, margin.

STORM LASSOS MUSTANGS, 63-55

TAMPA, FL — The Tampa Bay Storm rebounded from their first pair of back-to-back losses on Saturday night to return above the .500 mark and move into a tie atop the South Division, as they defeated the Milwaukee Mustangs 63-55 in front of a crowd of 10,405 on Amalie Motor Oil Field at the Tampa Bay Times Forum.

Despite surrendering two large leads, Tampa Bay was able to pull out the win which not only allowed them to stay undefeated at home this season, but just as well avoid a season-high three-game losing streak. A pair of fumble recoveries by the Storm's Lendy Holmes and Steve Octavien in the game's final minute all but sealed the victory for Tampa Bay, which improved to 6-5 on the year.

The Storm jumped out to a quick 16-0 lead in the first quarter thanks to a strong start by signal caller Stephen Wasil. A safety engineered by Pemell Phillips to open the game buoyed Wasil, who completed 18-of-31 passes for 210 yards and five touchdowns, in addition to two on the ground. Wasil, however, also committed three turnovers on the night, including two of which led to a pair of Milwaukee scores at the start of the third quarter that knotted the game at 35-35.

Amarri Jackson emerged as Tampa Bay's leading receiver on the night, as he reeled in six balls for 85 yards and three scores. Prechae Rodriguez also had a big night receiving for the Storm, catching five passes for 58 yards and two scores, while Chandler Williams returned seven kickoffs for 185 yards, including one to the house that earned the distinction of Spalding's Highlight of the Game.

Milwaukee quarterback Gino Guidugli overcame a sputtering start to finish with 294 yards and six touchdown passes on the night after connecting on 23-of-35 attempts. Like Wasil, however, he also threw two picks. Mustangs' receiver Andrae Thurman led the team in both receptions and receiving yards, catching eight passes for 125 yards. He hauled in a pair of scores, while his teammate Jared Jenkins proved to be Guidugli's favorite target on the night, as he caught a team-best four touchdown passes on the night

Tampa Bay defensive back Riley Swanson stood out defensively for the Storm, as he recorded an interception, fumble recovery, one pass break-up and a team-best seven total tackles in his first game back after missing five weeks due to injury. Deonte Bolden also registered an interception, but left the game in the fourth quarter after he was sidelined by injury. He did not return.

GAME 13 TAMPA BAY STORM 40, ORLANDO PREDATORS, 64 TAMPA BAY STORM (6-7) VS. ORLANDO PREDATORS (2-11) JUN 15, 2012 • ORLANDO, FL • AMWAY CENTER • ATT: 12,441

PREDATORS RETURN THE FAVOR, 64-40

ORLANDO, FL - The Tampa Bay Storm (6-7) struggled in the return game mishandling five kickoffs, losing two, as the team remains winless on the road after falling to the Orlando Predators (2-11) Friday evening at the Amway Center in front of 12,441 fans. Orlando collected six turnovers in the game as the Predators scored its highest total of the season defeating the Storm

Despite the struggles in the return game former South Florida standout Amarri Jackson had a big night receiving as he caught 12 passes for 220 yards and four touchdowns. The receiving yards is the second highest singlegame total in franchise history and the second highest total during the 2012 season. Jackson finished the game with 297 all-purpose yards. Nick Hill, in his first start under center, completed 24-of-38 passes for 375 yards and five touchdowns; however he had two costly interceptions. He also added

a touchdown on the ground. Newcomers De'Cody Fagg and Joe Hills each got into the action as Fagg caught his first touchdown of the season and Hills finished second on the team with five catches for 50 yards.

Orlando capitalized on the Storm struggles in the return game providing quarterback Chris Leak with a short field on several occasions and Leak capitalized as he finished 28-of-36 for 293 yards and six touchdowns. But the playmaker of the game for the Predators was defensive back Simeon Castille who corralled both interceptions, had a forced fumble and added two pass breakups and four tackles. Receiver Glen Fox led all receivers with 16 catches as he finished with 138 yards receiving and 32 yards rushing. Fox scored three touchdowns in his second game of the season. Former Storm player and current Predator wide receiver T.T. Toliver recorded his 750th career reception; he now had 752 catches in his career, 13th all-time in the AFL, surpassing Gary Compton.

FAME 14 SAN ANTONIO TALONS 77, TAMPA BAY STORM, 56 SAN ANTONIO TALONS (11-3) VS. TAMPA BAY STORM (6-8) JUN 23, 2012 • TAMPA, FL • TAMPA BAY TIMES FORUM • ATT: 9,328

STORM FUMBLES AWAY GAME TO TALONS, 77-56

TAMPA, FL — Ageless quarterback Aaron Garcia, who entered his 17th Arena Football League season in 2012, passed for six first-half touchdowns and finished with eight as San Antonio built a 43-21 halftime lead and went on to a 77-56 victory over the Tampa Bay Storm (6-8) Saturday night on the Amalie Motor Oil Field at the Tampa Bay Times Forum. It was the eighth straight win for the Talons (11-3), leaders of the National Conference Central Division

Garcia, who will turn 42 in October, has passed for more than 50,000 yards and 1,000 TDs in his career. He was 18-of-23 passing in the first half and finished 27-of-35 for 259 yards.

Storm quarterback Nick Hill, 27, reached the 10,000 yards passing milestone Saturday, collecting 353 yards on 28-of-42 passing and 5 TDs. It was also his

third consecutive game with 300 or more yards passing. The former Southern Illinois standout, who began his AFL career with the Orlando Predators, missed much of this season with the Storm when he signed a contract with the Green Bay Packers and was released following an extensive stay with the team earlier this year.

Former Florida State player De'Cody Fagg led all receivers, collecting a seasonhigh 10 catches, 127 yards and one touchdown for the Storm and teammate Amarri Jackson had 109 yards and a team-leading three touchdowns. The Talons, second in the AFL with 30 sacks, failed to get a hand on Hill, as the Tampa Beyo Offensive line held off any pressure by the San Antonio defensive line. Steve Octavien sacked Garcia once for the Storm.

FAME 15 PHILADELPHIA SOUL 83, TAMPA BAY STORM, 79 PHILADELPHIA SOUL (13-3) VS. TAMPA BAY STORM (6-9) JUN 29, 2012 • TAMPA, FL • TAMPA BAY TIMES FORUM • ATT: 9,229

STORM FALLS TO SOUL IN BARNBURNER, 83-79

TAMPA, FL — Quarterback Dan Raudabaugh's four-yard pass to Donovan Morgan with 14 seconds remaining was enough to carry the Philadelphia Soul to an 83-79 shootout win over the Tampa Bay Storm on the Amalie Motor Oil Field at the Tampa Bay Times Forum. It was the sixth straight win for the Soul (13-3).

The Storm (6-9) held a 72-69 lead with 37 seconds left in the game, but Raudabaugh connected on a 40-yard pass to Tiger Jones to set up the winning score.

Tampa Bay built a 10-point margin, 65-55, when Nick Hill connected with De'Cody Fagg for seven-yards early in the fourth period, but the Soul rallied for back-to-back scores. Raudabaugh hit Tiger Jones from 22 yards out and

then a fumble gave the Soul the ball again and Larry Brackins hauled in a 10-yarder to give the Soul a 69-65 margin with 6:06 to go.

Hill, in only his third game this season -- second at home -- finished an eightplay drive at the end of the third quarter on a one-yard run that put the Storm ahead by three, 58-55.

The Storm led for the first time, 34-28, following a two-yard run by Hill with 49 seconds left in the second quarter. The Soul came right back and scored a pair of touchdowns in the final 49 seconds on passes from Raudabaugh to Jones and Morgan. Tampa Bay had one last play in the half, following a Soul personal foul with no time on the clock. Juan Bongarra connected on a 42-yard field goal, his longest field goal of the season. It also tied his career long when he was a Tulsa last season.

The victory helped the Storm improve to 8-9 on the season, while New Orleans also moved to 8-9, creating a three-way tie for second place with the VooDoo and Georgia Force behind division-leader Jacksconville heading into next week's regular season finale. Tampa Bay will now head on the road to Spokane with destiny in its own hands to get into the playoffs.

With the Storm trailing 70-67 in the waning seconds, Juan Bongarra nailed a long field goal to tie the game and send the contest into overtine. In the extra period, New Orleans quarterback Kurt Rocco found his man in the back of the endzone on a key fourth-down play, setting stage

Led by Wasil, the Storm engineered a final drive that culminated with receiver Michael Lindsey reeling in the game-deciding two-point conversion, which gave Tampa Bay the victory.

"I don't know if anything can top this one," Wasil said. "I just knew I had to stay with my reads, keep the ball in our hands, and stay confident."

Despite the defeat, much of New Orleans' success on the night was credited to Rocco and Josh Bush, who helped thier club take an early lead, as well as a two-point advantage into the half. Rocco finished his night by completing 20-of-33 passes for 366 yards and nine scores.

Rocco's primary receiver on the night was Bush who had a big night as he caught nine passes for 256 yards and five touchdowns. LJ Castile also chipped in with three touchdowns and concluded the evening with five catches for 48 yards.

The duo was countered by the Storm's Joe Hills, who emerged as Tampa Bay's leading touchdown maker on the night, as he reeled in four touchdowns catches on six halls for 139 yards. Prechae Rodriguez also hauled in a game-high 12 receptions for the Storm for 170 yards and two touchdowns, while Lindsey contributed six catches for 49 yards and a touchdown.

"All the guys stuck with it," Wasil said. "Nobody gave up, so it was great to do it in front of our home fans one last time this season."

Following a first quarter in which the Storm never led, the game turned into a back and forth context beginning in the second quarter, when the two teams alternated eight touchdowns to culminate the first half with a 35-33 score in favor of the YooDoo.

It wasn't until the third quarter, however, that New Orleans began to pull away, as a number of

The key turning point proved to be a fumble by Lindsey on an attempted kickoff return, which led to a VooDoo score that put New Orleans in front 49-40. Wasil was then intercepted by the VooDoo's Alvin Ray Jackson, leading to another New Orleans touchdown, which gave the visitors

However, Wasil helped the Storm come roaring back, as he scored on two consecutive possessions that preceded an onside kick recovery to bring Tampa Bay to within three with just under four minutes left.

Wasil rushed for an additional score on the team's ensuing possession before New Orleans countered and Bongarra sent the game into overtime, setting up the climactic conclusion.

"Fortunately our guys battled it out," Storm head coach Dave Ewart said. "This game is what it's all about in Arena Football. You're never out of it, and even when we were down by a couple of possessions, the guys kept climbing back and making plays."

TAMPA BAY STORM 53, SPOKANE SHOCK, 63 TAMPA BAY STORM (8-10) VS. SPOKANE SHOCK (10-8) JUL 21, 2012 • SPOKANE, WA • VETERAN'S MEMORIAL • ATT: 10.750

STORM FALLS IN SPOKANE, 63-53

SPOKANE, WA — Stephen Wasil completed 23-of-37 passes and threw for 391 yards and four scores, in a valiant effort that fell just short as the Tampa Bay Storm dropped the regular season finale on Saturday night 63-53 to the Spokane Shock at Sonkane Arena

Had the Storm come away with a victory, the team would have qualified for the playoffs, but instead Tampa Bay concluded its season with a record of 8-10, while the Shock wrapped up the campaign at 10-8, while also failing to clinch a postseason berth.

Much of Spokane's success on the night was credited to signal caller Kyle Rowley, who connected on 24 of his 33 passes for 245 yards and six touchdowns. He also rushed for an additional score, while Wasil padded his performance through the air with three supplemental touchdowns on the ground.

Wasil got the Storm out to a fast start and an early lead, echoing the pre-game sentiments of head coach Dave Ewart, as he connected twice in the first quarter to give Tampa Bay a 13-7 lead after the first frame.

His primary target on the night again proved to be wide receiver Joe Hills, who led all receivers in the game with 215 yards and who also owned a team-best three touchdown receptions. His performance was complemented by teammate Prechae Rodriguez, who reelied in a team-leading 11 receptions for 134 yards.

The Storm duo was contested only by Shock receiver Adron Tennell, who had four touchdown catches in the game on 10 receptions for 140 yards. Steven Black also contributed offensively for Spokane, catching five passes for 45 yards and a pair of sprops

Despite the Storm taking a modest six-point lead into the second quarter, Tennell proved largely responsible for a pair of late scores in the first half which not only gave Spokane its largest lead of the game up until that point, but also shifted the momentum in the hosts' favor, that carried through throughout the remainder of the contest

The third quarter was much like the first in that it provided for little scoring, but was crucial due to two Storm turnovers that allowed the Shock to maintain control of the game heading into the final 15 minutes.

With the Storm down by 12 at the start of the fourth quarter, Spokane scored first to get the scoring started as the two teams proceeded to alternate scores back-and-forth. Although Tampa Bay matched Spokane score for score in the final period, a controversial Shock touchdown in which the ball appeared to go out of bounds before it was carried into the endzone emerged as the difference maker, leading the Shock to a final victory in front of the home fans.

PITTSBURGH GLADIATORS

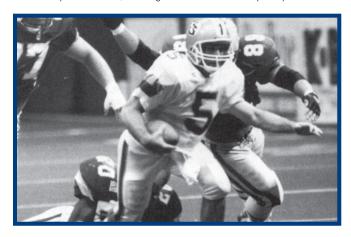

The Tampa Bay Storm can trace its lineage to the AFL's roots. Prior to coming to Tampa Bay, the franchise currently known as the Storm once resided in the city of Pittsburgh and was known as the Pittsburgh Gladiators.

The Gladiators were one of the four original Arena Football League franchises, along with the Denver Dynamite, Washington Commandos, and Chicago Bruisers. In fact, the Pittsburgh/Tampa franchise is the only franchise still existing from the original days of the AFL.

Though the Gladiators never won an AFL championship, they did compete in two ArenaBowl Championships during the team's four seasons in Pittsburgh. The Gladiators finished tied for the league's best record in both 1987 and 1989 and advanced to the league's championship game in both seasons.

Pittsburgh hosted the first-ever ArenaBowl in 1987, but fell 45-16 to the Denver Dynamite coached by AFL Hall of Fame head coach Tim Marcum. In 1989 the Gladiators traveled to Detroit to face the Detroit Drive in ArenaBowl III, but fell 39-26 in Joe Louis Arena. Oddly enough, in both ArenaBowl appearances the Gladiators lost to a team coached by Tim Marcum, the longtime coach of the Tampa Bay Storm.

In four seasons in Pittsburgh the Gladiators had a combined record of 17-18. Pittsburgh was 16-14 overall in the regular season however owned a 1-4 overall postseason mark. The team's only playoff win came in 1989 when the Gladiators avenged the 1987 ArenaBowl loss to the Denver Dynamite, downing the Dynamite 39-37 at the Pittsburgh Civic Arena.

On November 15, 1990, Gladia-

tors' owner Bob Gries moved the team to the Tampa Bay area and the spacious confines of the 30,000-plus seat Florida Suncoast Dome in St. Petersburg, Florida. The team changed its name to the Tampa Bay Storm, won four ArenaBowl championships, including one in its first season in Tampa Bay, and became the premier franchise in the Arena Football League.

MARCH 12, 1991: Ken Meyer from Largo, Fla., wins the "Name the Team" contest and the Tampa Bay Storm is born. Also, former University of Tampa and University of Kentucky coach Fran Curci is named the Storm's head coach.

MAY 24, 1991: The Storm play their first preseason game in Jacksonville, Fla., against the New Orleans Night. Third-string QB Jay Gruden rallies the team from a 23-7 halftime deficit with three second-half TD strikes to lead the Storm to a 37-30 victory.

JUNE 1, 1991: The War on I-4 is born in the Storm's inaugural regular-season game against the Orlando Predators. The Storm fell 51-38, in what would be their only home loss of the season.

JUNE 8, 1991: The Storm win their first regular-season contest, a 52-12 decision over the Columbus Thunderbolts.

JULY 27, 1991: The Storm notch their first-ever win over the Orlando Predators with a 26-16 victory in Orlando.

AUGUST 17, 1991: The Storm play in the franchise's first ArenaBowl, facing the Detroit Drive in ArenaBowl V. ArenaBowl MVP Stevie Thomas scored four touchdowns, including the game-winner with 39 seconds left, to give the Storm a 48-32 victory.

MAY 16, 1992: Storm fans set an AFL preseason record as 28,212 pack the Dome to watch ArenaBowl rematch between the Storm and the Drive.

MAY 7, 1993: The Storm shatter their own preseason attendance record, as 30,013 fans fill the Dome. The mark still stands, though it is not generally considered an AFL record because it was a preseason contest.

JUNE 19, 1993: The Storm and Predators add to their storied rivalry, as an AFL-record 28,745 fans watch a thriller in the Dome. The Storm, however, fall 46-45 when a late two-point conversation attempt fails.

AUGUST 21, 1993: The Storm cruise to their second ArenaBowl Championship, downing the Detroit Drive 51-31 in ArenaBowl VII. The game was the last for the Drive, who appeared in six straight

ArenaBowls from 1988-93. The Drive's only losses in championship games came at the hands of the Storm.

SEPTEMBER 1, 1994: Peter "Woody" Kern, the owner of the Ft. Worth Cavalry, purchases the Storm from Bob Gries.

JANUARY 5, 1995: Kern hires Tim Marcum as head coach of the Tampa Bay Storm. Marcum previously led the Detroit Drive to three ArenaBowl championships and won the inaugural ArenaBowl with Denver.

MAY 11, 1995: Marcum takes over as general manager in addition to his duties as the team's head coach.

106

SEPTEMBER 1, 1995: Exactly one year after Kern purchased the Storm; Tampa Bay again hoists the ArenaBowl trophy. The Storm knocks off Orlando 48-35 in ArenaBowl IX. George LaFrance becomes the first and only player ever to win the ArenaBowl MVP three times after scoring three touchdowns, including a 57-yard kick return.

June 22, 1996: The Storm snap the AFL record for consecutive victories, winning their 14th straight game with a 43-12 triumph over Memphis.

AUGUST 26, 1996: The Storm win their fourth ArenaBowl Championship in six seasons, defeating the Kurt Warner-led Iowa Barnstormers, 42-38, in ArenaBowl X. The Barnstormers set or tied six ArenaBowl records, but it was Jay Gruden, play-

ing in his final contest as Storm QB, who stole the show, tossing five touchdown passes. The Storm defense sealed the victory, holding the Barnstormers out of the end zone on four consecutive plays from inside the five-yard line.

OCTOBER 1996: Jay Gruden retires from Arena Football as the AFL's all-time leader in every passing category. Gruden,

who would move on to the coaching ranks, finished 12-2 as a starter in the postseason. In a shocking move. Gruden would later announce his resignation as the head coach of the Orlando Predators following the 2001 season so that he could play quarterback for the team in 2002.

THE WAR ON 1-4

Merriam-Webster Dictionary defines the term war as "a struggle or competition between opposing forces or for a particular end." That may not be strong enough to accurately depict the seasonal series of skirmishes between the Tampa Bay Storm and the Orlando Predators, dubbed the War on I-4.

Every season players, coaches, and fans of the two rivals gear up for the annual match-ups. On game days, the best of friends become mortal enemies from the deep chasm caused by the rivalry. Heroes become traitors, and the intense hatred galvanizes the casual fan, forcing him to choose one side or the other.

Penned longtime observer John Cotey of the St. Petersburg Times, "It is the fiercest rivalry in all of Arena Football, driven by an unmistakable dislike for each other, fueled by a series of incredible finishes, and framed by a postseason history so rich that players on both sides have never hesitated to compare it to Auburn-Alabama, Ohio State-Michigan, or Green Bay-Chicago."

It's not just the fact that the teams are separated by only 85 miles that intensifies the match-ups between the Southern Division rivals. And it's not just the natural civic rivalry among two of central Florida's largest metropolises. It's more.

Tampa Bay and Orlando may well represent the two top franchises in the AFL. Both teams have claimed seven of the league's 22 championships, as the Storm own a league-high five ArenaBowl rings, winning championships in 1991, 1993, 1995, 1996, and 2003. The Predators found AFL glory in 1998 and 2000.

But that's not all. Some of the game's greatest players have laced up the sneakers like Army boots, put on the uniform as if he were donning fatigues, and treated every touchdown, interception, and bone-jarring hit produced in the War on I-4 as if they were medals of honor. From George LaFrance, Stevie Thomas, Lawrence Samuels and Jay Gruden to Ben Bennett, Kenny McEntyre, Barry Wagner and Herkie Walls, all have experienced the rivalry, and all have helped to set the tone for the ferocity.

Veterans of many so-called rivalries will admit that much of the off-field pomp and circumstance comes from trumped up hype with very little meaningful action ever taking place. But the same charge can't be levied against the Storm-Predators rivalry. Seemingly every game holds deep meaning, whether the teams are jockeying for postseason position or fighting do-or-die in the playoffs.

By the end of 2012 Tampa Bay and Orlando had met 42 times in the regular season, with the tally tied 21-21. The teams have also met eight times in the playoffs, with each team taking four contests. The teams have even tangles in the ArenaBowl twice, with Tampa Bay taking ArenaBowl IX in 1995 and Orlando prevailing in ArenaBowl XII in 1998. To further illustrate the parity among the teams, the total point differential through 50 games (regular and postseason) is only 9 points.

The rivalry began innocently enough. Tampa Bay and Orlando met to open the 1991 season, marking the first-ever regular season game between the two teams. The Predators won that game, 51-38, as 10,354 fans witnessed the birth of a rivalry. That loss proved to be Tampa Bay's only blemish in 1991 and the Storm evened the score, 26-16, later in the season before winning the ArenaBowl championship.

Orlando sought revenge and got it the next season, winning an overtime thriller in the semi-finals of the playoffs and dashing the Storm's hopes of repeating as ArenaBowl Champions.

That's when the heat began to rise and the flames of the rivalry were fanned. The intensity overflowed from the field and into the stands, as Sherry Gruden, the wife of Storm quarterback Jay Gruden, got beer and soda poured on her and profanity lobbed her way during a game in Orlando. Later that season, before an ArenaBowl Football-record crowd of 28,745 fans in the ThunderDome, the Storm failed on a late two-point conversion and the Predators swept the regular season series.

But, payback was hell for Orlando, as the teams met for a third time that season in the semi-finals of the playoffs. The Storm avenged the earlier losses and won a thrilling 55-52 contest that propelled the Storm into ArenaBowl VII. Tampa Bay would go on to beat the Tim Marcum led Detroit Drive the following week and claim the team's second ArenaBowl championship in three seasons.

From that point on the rivalry was really pushed into high gear. The teams split in 1994 and 1996 and Tampa Bay swept Orlando in 1995. During that span Gruden led the Storm to back-to-back ArenaBowl championships in '95 and '96.

Without Gruden, Orlando swept the 1997 season series from the Storm. And on August 29, 1997, the Predators wrenched the knife even deeper into the hearts of Storm fans, hiring legendary Storm quarterback Jay Gruden as their head coach.

Once a hero, Gruden was now vilified by Storm supporters. Gruden led the Predators to a so-so regular season in which he suffered a pair of losses at the hands of the Storm. However, Gruden's Predators heated up late and marched through the playoffs and into ArenaBowl XII. Brimming with confidence, the Storm hosted what they figured to be their fifth Arena Football championship, only to be denied by their former quarterback and their hated rivals.

Orlando suddenly became the hot team under Gruden's guidance, playing in three straight ArenaBowls and winning two championships. The Storm continued to have success in the regular season, but the tide turned, as Orlando dominated in the postseason.

As if Gruden coaching the Predators wasn't enough, the onset of the 2002 season again brought a new dimension to this intense rivalry, as Gruden returned to the playing field for the first time since leading the Storm to their last championship. Only this time he was not wearing the familiar Tampa Bay Storm uniform. Instead he donned the black and red of the hated Orlando Predators. Tampa Bay and Orlando split the 2002 season series, with each winning on the other's home floor as both teams rebounded from disappointing regular seasons to make strong runs in the playoffs.

Tampa Bay returned the favor prior to the 2003 season, stealing away two of the Predators' more popular players. WR/LB Cliff Dell, a fan favorite in Orlando for his hard-nosed aggression and penchant for making big plays, signed a free agent contract with the Storm. Then, just weeks later, Tampa Bay inked BJ Cohen, Orlando's top lineman and one of the Predators all-time sacks leaders. Spurred on by those players, along with the acquisition of longtime Orlando quarterback Pat O'Hara, the Storm tied a franchise record by winning 15 games in 2003 and claiming the team's fifth ArenaBowl title. Along the way the Storm dismissed the Predators from the playoffs with a 60-50 semifinal win in a contest that Cohen forced a crucial Jay Gruden fumble and recovered it. Later, Dell would pick off Gruden in the endzone late in the game to seal the victory. Two weeks later in ArenaBowl XVII, O'Hara came off the bench to spell an injured John Kaleo in the third quarter and led the Storm to a 43-29 victory.

The pendulum continued to swing in favor of Tampa Bay in 2004, as the Storm swept the regular season series from Orlando. Gruden and his players were on hand as the Storm raised their fifth world championship banner to the rafters of the St. Pete Times Forum on February 8. The Storm quickly dismissed their archrivals, 52-41. Later in the season Tampa Bay held off a late Orlando charge for a 63-58 win, giving the Storm four straight wins over the Predators. The streak is the longest for the Storm since a five-game winning streak that occurred from 1994-96.

In 2005 the two combatants tangled in week 4. The Storm failed to score in the 3rd quarter for the first time in 47 quarters dating back to week seven of the 2004 season. The Predators pulled away with a 61-46 win at the TD Waterhouse Center. The second meeting between the hated Southern Division rivals occurred in week 11. The Storm evened the season series behind Shane Stafford (27-40, 262 yds. 4 TD's) and Freddie Solomon (6 rec. 75 yds. 2 TD's) to beat the Predators 54-42.

The 2006 season was a daunting season for the Storm in the battle of I-4, losing both regular season contests to the Predators. Tampa lost at home in a stunning overtime game. The future for both teams held even more significance as Shane Stafford and Floyd Young defected to Orlando and John Kaleo returned to lead the Storm in 2007, however, for the second consecutive season the Predators swept the season series, winning contests in Week 1 (52-27) and Week 7 (61-37).

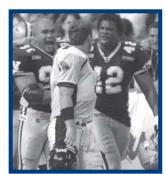

The tide would turn during the 2008 season as the Storm would go on to sweep the Predators for the first time since 1999. The Storm went on to extend the winning streak to three games in 2010, however, in the regular season finale the Predators would put that streak to an end with a 75-60 victory at the St. Pete Times Forum in a game marred by the ejection of two Predator's players. The teams would meet two weeks later in the American Conference Championship game as the Storm extracted revenge with a thrilling 63-62 victory to even the all-time series at 23 games apiece.

The teams enter the 2013 season knotted up at 25 games apiece after once again splitting the season series the past two seasons as each team won its home contests. After 21 intense seasons, Tampa Bay and Orlando are separated by only nine total points (2,241-2,232) with the edge going to Tampa Bay.

Just what twists and turns the War on I-4 takes next is still yet to be determined. But one thing will always remain the same – the take no prisoners, win at all costs nature of the fiercest rivalry in Arena Football will continue to bring football fans in central Florida coming back for more.

ORLANDO 75, TAMPA BAY 60 (JULY 31, 2010)

Orlando puts an emphatic end to Tampa Bay's win-streak over the Predators with an Impressive 75-60 victory in a game marred with player misconduct as tow Predators, Bobby Sippio and Julius Wilson, get ejected from the game. Brett Dietz becomes the all-time, single-season passing yards record holder for the Storm with 5,054, surpassing Shane Stafford's 4,793 yards passing in 2006.

TAMPA BAY 63, ORLANDO 62 (AUGUST 7, 2010)

Tampa Bay extracts revenge on Orlando for the loss two weeks prior. The Storm held off the Predators, 63-62, to win the American Conference Championship and earn the right to meet the Spokane Shock in ArenaBowl XXIII in Spokane, a league leading ninth ArenaBowl appearance for the franchise. With 45.7 seconds left Carlos Martinez' extra point to tie the game at 63 was backed up by two consecutive Predators' penalties. Martinez' 28-yard extra point kick hit the right upright, then Orlando got an interception into the endzone with 14 seconds left and Orlando's last ditch 49-yard field goal attempt by Martinez fell under the bar as time ran out.

TAMPA BAY 46, ORLANDO 44 (JUN. 17 2011)

After falling to Orlando earlier in the season in Orlando, Tampa Bay pulled out a nail-biter defeating the Predators 46-44 at the St. Pete Times Forum. During the game the ferocious Storm defensive line would sack Predators' quarterback Nick Hill seven times, including 4.5 sacks by lineman Jarriett Buie. His effort tied the single-best effort in franchise history and is tied for the second best single-game effort in AFL history. The victory meant the two teams are knotted at 24 overall wins apiece over the span of this intense rivalry.

STORM ACCOMPLISHMENTS UNDER TIM MARCUM

Legendary AFL head coach Tim Marcum spent 15 seasons at the helm of the flagship franchise of the Arena Football League prior to stepping down just before the start of the 2011 season. A charter member of the Arena Football League Hall of Fame, he led the Storm to five ArenaBowls, winning three. Under his stewardship the team had a 143-79 regular season record, the most wins by any team during his tenure. From July 1, 1995, to June 29, 1996, his Storm club won an AFL-record 17 games in a row.

He is the winningest head coach in Arena Football history with an overall record of 211-109 (184-87 in the regular season and 27-22 in the playoffs), the leader in games coached (345; 306 – reg. and 39 post) and postseason victories (27). During his career he won seven ArenaBowl Championships and coached in 11 of the league's 23 ArenaBowl's. He is the only coach in AFL history to have led three different teams to ArenaBowl Championships.

A two-time recipient of the AFL Coach of the Year Award (1987 and 1998), Marcum oversaw the Tampa Bay Storm's develop¬ment as the league's flagship franchise. He was the first coach in AFL history to reach the milestones of 100 and 200 career victories. Incredibly, Marcum's AFL clubs have advanced to the postseason in 19 of 21 seasons.

Like his father, the Snyder, TX, native began his coaching career in the high schools of West Texas. He landed his first collegiate job at Ranger College, and in 1979, guided the school to the Junior College National Championship with an 11-0 record. As a prelude to his arrival in the Arena League, Marcum's junior college champions averaged nearly 35 points per game.

In 1980, Marcum left Ranger and joined the coaching staff at Rice University as an assistant coach. From there he made his entrance into the professional coaching ranks, joining the San Antonio Gunslingers of the USFL as linebackers coach in 1984. Marcum was named the team's defensive coordinator the following season.

Marcum began his Arena Football career in 1987 as head coach of the Denver Dynamite during the league's inaugural season. Marcum led the Dynamite to a 5-2 overall record and won the league's first champion¬ship. The following season he took his act to Detroit, and the results remained the same. He won back-to-back titles with the Drive in 1988 and 1989.

In 1990 he joined Steve Spurrier at Florida as the linebacker coach. The coaching carousel continued, as Marcum was hired as the assistant head coach of the New York Knights of the World League of American Football the following season.

After his foray in the World League, Marcum returned to coach the Detroit Drive for three more seasons and returned the club to the league's elite by winning ArenaBowl VI in 1992. Marcum's five-year tenure in Detroit resulted in three ArenaBowl championships and a 50-10 overall record.

Once again Marcum left the AFL coaching ranks to serve as a defensive assistant with the Atlanta Falcons of the National Football League. After the 1994 NFL season Storm owner Woody Kern lured him to Tampa. During the AFL's one-year hiatus in 2009, Marcum assisted then Tampa Bay Buccaneers defensive coordinator .lim Bates as a consultant

Marcum is a recipient of the Founder's Award presented by the Arena Football League in 2001 and the Outstanding Achievement Award presented by American Football Coaches Association in 2004. He has coached a num-ber of fellow Arena Football Hall of Famers, including Sylvester Bembery, Dwayne Dixon, Jay Gruden, George LaFrance, Joe March, Gary Mullen, Tate Randle, Alvin Rettig, John Roehlk and Stevie Thomas.

Marcum honed his football skills while playing quarterback at McMurry University under head coach Grant Teaff. A starting quarterback for the Indians in 1965 and 1966, Marcum held for many years the school record for yards in a game with 328. Marcum, who transferred to McMurry in the fall of 1963 from Texas A&M, was a 2001 inductee into the McMurry University Athletic Hall of Honor.

Marcum resides in Apollo Beach, Fla. He is married to Lynn, who has two daughters, Kendra and Carly. Marcum also has two daughters, Mitzi and Michelle, and three grandchildren, Austin, Bryce and Max.

Storm accomplishments under woody kern

Kern, affectionately known as "Woody," is the former owner of the Storm. Under 13 years of stewardship the flagship franchise of the Arena Football League had much success. The Storm under his watch won three ArenaBowls (1995, 1996, and 2003) and 138-of-213 games, including the playoffs. From July 1, 1995, to June 29, 1996, his Storm club won an AFL-record 17 games in a row.

The franchise hosted ArenaBowl IX on September 1, 1995, exactly one year after he purchased the team, and attracted a league playoff record 25,087 fans to the ThunderDome for the Storm's 48-35 win over in-state rival Orlando. The following season Kern's club repeated as Arena

Football champions with a 42- 38 ArenaBowl X victory over the Kurt Warner-led Iowa Barnstormers. The Storm finished the 1996 season with a then league-record 15 wins.

After suffering their first-ever losing season in 2002, the Storm roared back the following season, giving Kern his third ArenaBowl championship. Tampa Bay reeled off a 12-4 regular season record, putting together an eight game winning streak in the process, before storming through the postseason and ultimately downing the Arizona Rattlers, 43-29, in ArenaBowl XVII. The championship game was played in the St. Pete Times Forum in Tampa before 20,496

largest crowd to ever watch an Arena Football game in the arena and the second largest crowd to ever attend an ArenaBowl game.

A Canton, OH, native, Kern received a Bachelor of Science degree from Case-Western University in Cleveland, OH, in 1970, as he double majored in Biochemistry and Psychology. Kern received a taste of Arena Football in 1994 as owner of the Ft. Worth Calvary.

Kern's sporting interests were not limited to Arena Football. Kern purchased the Ashville (NC) Tourists in 1981 and developed the club into one of the top minor-league baseball franchises in the United States, prior to selling the club to PS&E. In addition to the Tourists, Kern's minor league baseball holdings once included teams in Walla Walla, WA; San Jose, CA; Newark, NJ; and Little Falls, NY.

A resident of Pilot Point, TX, Kern got his nickname from his grandmother during his youth. His friendly manner has made him extremely popular with Storm fans, as well as the teams' players and coaches. Kern is President and CEO of PCK Management located in Denton, TX. Kern married his wife Sherri in May of 1996. His children include Jennifer, Cari, Ryan, Lindsay Jo, Blair, Bo, and Kristen.

The Tampa Bay Storm capped off an unforgettable inaugural season with an improbable victory over the mighty Detroit Drive in Detroit to claim the ArenaBowl V championship. Game MVP

Stevie Thomas hauled in the game-winning score from guarterback Jay Gruden with just 39 seconds remaining. The 35-yard pass broke a 42-42 tie score and gave the Storm their first league championship. Thomas finished with five receptions for 117 yards and tied an ArenaBowl record with four touchdown catches. Gruden, a rookie, passed for 298 yards. The Storm finished the 1993 season with a 10-2 record, losing only to Orlando in the season opener and at Denver. The Storm would exact revenge on both teams later in the season, returning the favor in Orlando and downing the Dynamite in the playoff semi-finals to advance to the championship game.

TAMPA BAY STORM 51, DETROIT DRIVE 31

Two years after winning their first ArenaBowl championship, the Storm returned to Detroit in guest of their second world championship. And, this time, the outcome

wasn't nearly as close. The Storm jumped out to a quick 10-0 first quarter lead and posted 20 points in the second quarter to deliver an early TKO to the Drive. Quarterback Jay Gruden was named Game MVP after completing 18-of-32 passes for 204 yards and three touchdowns. Les Barley, who in 1997 would be—come the league's all-time leading rusher, an honor which he still holds, rushed six times for 49 yards and a touchdown. In the game the Storm outgained the Drive, 307-214, in total offense and outrushed the Drive, 116-23.

Tampa Bay finished 12-3 in 1993. The 1993 ArenaBowl contest also marked the final game for the Detroit Drive after six magical seasons. The Drive advanced to the ArenaBowl game in every season, winning four times and losing twice, both times to Tampa Bay.

The Storm dismissed arch-rival Orlando as first-year Head Coach Tim Marcum won his first championship in Tampa Bay. The game was also sweet to new owner Woody Kern, as the victory came one year to the day after his purchase of the

Storm. Jay Gruden again was unstoppable in the championship game, tossing four touchdown passes and rushing for another score. George LaFrance, who joined the Storm after a successful stint with Marcum in Detroit, was named ArenaBowl MVP for the third time in his career after catching a pair of touchdown passes and returning a kickoff 57 yards for a third score. The Storm outscored the Predators 14-0 in the second quarter and played even with Orlando throughout the second half to hold on for their third championship in five seasons.

Tampa Bay finished the season at 13-2, including winning its final nine games. That streak would stretch through the middle of the 1996 season and balloon up to a league-record 17 straight wins.

TAMPA BAY 42. IOWA 38

The Storm defeated the Kurt Warner-led Iowa Barnstormers to claim their second straight ArenaBowl Championship and their fourth in six seasons in dramatic fashion. The game was voted as the greatest game in the history of the AFL. Iowa set or tied six ArenaBowl records but still could not overcome the Storm red zone defense. The Barnstormers had the ball 1st-and-goal on the goal line and failed to score. lowa fumbled on first down, which moved the ball back to the three-yard line. Warner then had three attempts to toss it in for the score, but came up empty on each occasion and the Storm celebrated another world championship. Jay Gruden, playing in his final game as a Storm quarterback, threw five touchdowns, and Stevie Thomas claimed ArenaBowl MVP honors after catching two touchdown passes and returning an interception nine yards for a third score.

The 1996 season saw the Storm win 15 games, an Arena Football record. The Storm only lost twice in 1996, one of which snapped their league-record 17-game winning streak.

Rick Hamilton rushed for an ArenaBowl record 82 yards and 3 touchdowns, and Chris Barber had three of Orlando's six interceptions as the Predators won their first ArenaBowl, Orlando had played in three of the previous 11 ArenaBowls, losing each of them. Tampa Bay lost

first ArenaBowl in five tries. Orlando led by seven at halftime before taking advantage of Tampa Bay turnovers to blow the game open with 23 straight points. Barry Wagner intercepted an errant pass from Peter Tom Willis to open the half, setting up Hamilton's 5-yard score. On the ensuing kickoff, George LaFrance fumbled the ball back into the end zone and got tackled by Webbie Burnett for a safety. Orlando took the free kick and drove 34 yards, ending with Hamilton's 10-yard run with 10:02 remaining. Wagner capped the rally with a 48-yard missed field goal return that gave Orlando a 47-17 lead with 5:25 remaining in the third quarter. The Predators intercepted Willis six times, including a 22-yard interception return by Damon Mason for a fourth-quarter touchdwown. The Predators led 24-17 at halftime after dominating the second period behind two of Barber's interceptions. Trailing 14-10, Gruden elected for a fake field goal and backup quarterback Connell Maynor ran 3 yards to give Orlando a 17-14 lead at 7:47 remaining. After Bjorn Nittmo tied it with a 44-yard field goal, Hamilton turned a third-and-inches dive into an ArenaBowl record 36-yard touchdown run to put Orlando ahead for good.

SPOKANE VETERANS ARENA: SPOKANE, WA

SPOKANE 69. TAMPA BAY 57

The Spokane Shock were crowned the 2010 ArenaBowl Champions after they defeated the Tampa Bay Storm 69-57 in front of 11,017 on Spokane Tribe Field. Tampa Bay struck pay dirt first with a three-yard rushing touchdown by FB Eric Ortiz. But Spokane fired right back with a

touchdown of their own, thanks to a six-yard touchdown pass from QB Kyle Rowley to WR Huey Whittaker.

Spokane's defense set the tone for the rest of the game on the Storm's second drive. DL Jeremy Geathers broke through Tampa Bay's offensive line and sacked QB Brett Dietz, forcing a fumble. DL Richard Clebert recovered the fumble and returned it 35 yards to put Spokane's offense in scoring position once again. Two plays later, Rowley found WR Markee White for a five-yard touchdown reception.

White continued to go on an offensive tear, leading the team with nine receptions for 99 yards with four touchdowns. Whittaker shared the spotlight, scoring four touchdowns, and recorded eight receptions for 82 yards. Rowley finished the game completing 75% of his passes for 237 yards and nine touchdowns (an ArenaBowl record) with no interceptions and was named the MVP.

Dietz finished the game completing 73% of his passes for 306 yards with four touchdowns. DB Mervin Brookins and DB Travis Williams each recorded an interception against Dietz. The Storm's receiving corps was led by WR Hank Edwards, who recorded a game-high 11 receptions for 132 yards. WR Tyrone Timmons was second on the team with eight receptions for 107 yards.

JERRY B. KURZ AFL COMMISSIONER

Jerry B. Kurz returns for his 27th season of Arena Football and fourth season as the AFL's Commissioner. Out-tenured only by the creator of Arena Football, Jim Foster, Kurz has dedicated his life to furthering the sport with a strong business ethic and core values meant to bring the highest quality product to the ever-growing fan base of Arena Football fans.

In his time as the president of the af2, the League saw extensive growth in small-to-midsized markets, building an extremely dedicated fan base across the country. That foundation helped to fuel the return of the Arena Football League in 2010 after a year on hiatus due to financial instability. Kurz and a group of enthusiastic investors arranged the acquisition of the AFL's assets in bankruptcy court in late 2009 and revived the League in early 2010, fulfilling the promise that Arena Football would be played in 2010.

Kurz has also served as the AFL's Vice President of International Development, where he was in charge of the League's international exposure. During his tenure, he was responsible for administering the H3 Visa program, allowing international players to play for AFL teams stateside. He also arranged and executed all internationally played games for the Arena Football League.

Arena Football isn't Kurz's only claim to fame. He is also a founding member of Gridiron Enterprises, Inc., a sports consulting firm based out of Chicago. Gridiron Enterprises, consisting of Kurz, Foster and attorney William Niro, is the original founder of the AFL. Kurz has been a player, coach, general manager and owner during his lifelong involvement with the game of football. He is also a member of four football Halls of Fame, including membership in the first class of the Arena Football Hall of Fame as well as membership in the arenafootball2 Hall of Fame.

Kurz attended the University of Oklahoma as an undergraduate and later earned his Juris Doctor Degree at Northern Illinois. Kurz is a licensed attorney in Illinois and operated a law firm with his wife, Kathryn Hall, for 20 years. Jerry and his wife, Kathryn, have one son named Matthew, who currently serves as the Director of Player Personnel for the AFL.

ORLANDO TO HOST ARENABOWL XXVI City Prepares To Host First ArenaBowl Since 2000

CHICAGO — The Arena Football League, Orlando Predators and Amway Center are pleased to announce that ArenaBowl XXVI will be played in Orlando on August 17, 2013. The game will be televised live on the CBS Television Network.

"The world loves traveling to Orlando, so I can't think of a better place to host our biggest event," AFL Commissioner Jerry B. Kurz said. "We anticipate the largest viewing audience our League has ever had, so we will put on as great a show as they have ever seen."

ArenaBowl XXVI will be the fourth AFL championship game played in Orlando and the first neutral site ArenaBowl in the city's history. This will be the second consecutive neutral site ArenaBowl and the sixth in the history of the League.

A weekend full of events surrounding ArenaBowl XXVI will include the ArenaBowl Gala on Thursday evening announcing the major award winners from the regular season, and a concert featuring a headline recording artist on Friday night. These and other events will lead up to the ArenaBowl, which is scheduled to kick off at 1 p.m. ET on Saturday.

Fans have been treated to something historic in each of the previous three ArenaBowls held in Orlando. The ArenaBowl first came to Orlando in 1992 when the Detroit Drive defeated the Orlando Predators, 56-38, in ArenaBowl VI to claim their fourth title in five seasons. Two years later, the city hosted the game again when the Arizona Rattlers celebrated their first championship in franchise history when quarterback Sherdrick Bonner connected with receiver Calvin Schexnayder for a game-winning 24-yard touchdown with 31 seconds left for a 36-31 victory over the Predators in ArenaBowl VIII. The hometown Predators came away with a win the last time the championship game was held in Orlando, defeating the Nashville Kats, 41-38, by kicking a field goal as time expired in ArenaBowl XIV.

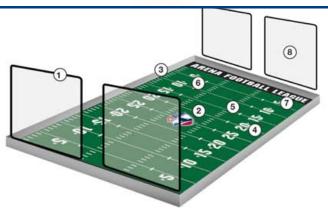

About the AFL

Since its inception in 1987, the Arena Football League has showcased their fast-paced and exciting game to millions of fans in a myriad of markets across the country. CBS Sports Network will broadcast an AFL National Game of the Week on Saturday nights for the entire regular season and postseason through the semifinal round. The ArenaBowl XXVI Championship Game will air on the CBS Television Network on August 17, 2013.

MOVEMENT OF THE BALL AND SCORING

Four (4) downs are allowed to advance the ball 10 yards for a first down, or to score.

Six (6) points for a touchdown.

One (1) point for a conversion by a place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after the touchdown.

Three (3) points for a field goal by placement or four (4) points for a field goal by drop kick.

Two (2) points for a safety.

PLAYERS AND FORMATIONS

Eight players on the field: 20-man active roster; four-man inactive roster.

The official football is the same size and weight as the National

Football League ball. Each ball is manufactured by Spalding Sport-

Players can play both offense and defensive. Typically the kicker and quarterback are the exception. The League no longer utilizes specialists on the offense and defesive side of the ball. However players no longer have to play on both sides of the ball.

Substitutions: Free substitution between plays and on dead balls. Four (4) offensive players must line up on the line of scrimmage.

Three (3) defensive players must be down lineman (in a three-or-four point stance). One linebacker (the Mac linebacker) may blitz on either side of the center. Alignment is two-or-more yards off the line of scrimmage. No stunting or twisting.

Offensive motion: One receiver may go in forward motion before the snap.

TIMING

Four 15-minute quarters with a 15-minute halftime.

The clock stops for out-of-bounds plays or incomplete passes only in the last minute of each half and when the referee deems it necessary for penalties, injuries or timeouts.

Each team is allowed three (3) time-outs per half.

.....

Kickoffs are from the goal line. Kickers may use a one-inch tee. Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.

The receiving team may field any kickoff or missed field goal that rebounds off the net.

Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out of bounds, whichever is more advantageous to the receiving team.

PASSING

Receivers must have one foot inbounds for a catch. A forward pass that rebound off the end-zone net is a live ball and is in play until it touches the playing surface.

OVERTIME RULES

Overtime periods are 15 minutes for both the regular season and the playoffs.

Each team gets on possession to score. If, after the team has had one possession, one team is ahead that wins. If the teams are tied after each had had a possession, the next team to score wins.

GLOSSARY OF TERMS

BALL IN THE STANDS

When a ball is thrown or bounces into the seats surrounding the playing field, the "lucky" fan that catches the ball keeps it.

DROPKICK

A drop-kicked FG is worth 4 points. A drop-kicked extra point is worth 2 points. Former Milwaukee Mustangs kicker Kenny Stucker is the last man to have connected on a two-point dropkick (1997).

FANS

More than 27 million fans have experienced an AFL game in the League's 25-Season History. Last year, in 2012, the AFL drew a 1,191,844 fans in the regular season.

IRONMAN

Signifies participants playing both offense and defense.

"MAC" AND "JACK" LINEBACKERS

"Mac" may rush the QB straight on without stunting, twisting or drop-back coverage. "Jack" must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end.

OFFENSIVE MOTION

Unlike stadium-played football, one offensive back may go into forward motion prior to the snap of the ball.

OVERTIME

Arena Football has a unique overtime rule. If a contest is tied after regulation, teams will play a 15-minute overtime. Each team will have one opportunity to score. If, after each team has had one chance to score, the game is tied, the first team to score is crowned the winner.

REBOUND NETS

Goal-side rebound nets extend outward from each upright. The nets are 30-feet wide, 32-feet high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight feet above the surface. The "scoring area" is nine-feet wide and 15-feet high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it's live.

SIDELINE BARRIERS

Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four inches thick.

STUNTING OR TWISTING

When a defensive lineman is rushing the passer, there's no "stunting" or "twisting". In other words, linemen are required to power past offensive linemen.

TIGHT END

One offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and "declaring" himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

TWO-WAY PLAYERS

One of the most "throwback" features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

MISCELLANEOUS INFORMATION

ROSTER LIMITS

From the first day the League allows the signing of free-agent players until the first league-sanctioned cut-down date, teams are prohibited from having more than 35 players on their roster. Players listed on the active list or free-agent signees are considered eligible to be counted for the 35-man roster.

Teams will be required to reduce their active lists to 28 players by 5 p.m. CST 14 days before the first regular season game and to 24 players by 5 p.m. CST seven days before the first regular season game.

Each team may maintain a maximum 20-player roster and 4-player practice squad during the season. In a documented emergency, a team may add an emergency kicker to their roster, no later than one hour before kickoff.

The trading period began on November 5, 2012 and will end at 5 p.m. CST on Monday, June 10, 2013. Upon reporting to his new team, each traded player must pass the physical given by his new team. Failure to pass the physical and/or failure to report will nullify the trade.

RESERVE LISTS

The reserve list of each team consists of the following categories; retired, refused to report, inactive reserve, injured reserve, suspended, other league exempt and physically unable to perform.

INJURED RESERVE

A player who is placed on injured reserve list must remain on injured reserve for a minimum of four weeks. Training camp weeks will not count against that total. Teams activating players from their injured reserve list must do so no less than 24 hours prior to that team's game.

PLAYOFF QUALIFICATIONS, SELECTION OF TEAMS

Eight teams qualify for the playoffs, four from each conference--American and National. The four qualifying teams in each conference consist of the two division champions and two Wildcards, determined by best overall record. Seeding in each conference is based on overall record, with the top two seeds in each conference reserved for the division champions, regardless of record. In the First Round, August 2-3, the first two seeds in each conference are the two division winners. The next two teams are seeded by next best two overall records. Teams ranked 1 and 2 earn home playoff games with 1 hosting 4 and 2 hosting 3. In the Conference Championship Round, August 9-10 the winner of the 1-4 game plays the winner of the 2-3 game. The home team is decided by the team with the higher seed. The winners of the Second Round will face off in ArenaBowl XXVI on August 17th.

TAMPA BAY TIMES FORUM INFORMATION

This year the Tampa Bay Times Forum has reinvented itself with over \$45 million in improvements that have clearly revolutionized the industry.

With a wide array of venues spread throughout the United States, it can be difficult to find one that distinguishes itself from the others. That is not the case with the newly transformed Tampa Bay Times Forum, Florida's premier entertainment venue and home of the 2004 Stanley Cup Champion Tampa Bay Lightning and Five-Time Arena Football Champion Tampa Bay Storm.

Boasting unique features like lightning-throwing Tesla coils, an 11,000 square-foot Bud Light party deck with incredible views of the city and a massive five-manual, 105-rank digital pipe organ, the Tampa Bay Times Forum consistently ranks among the very best venues in the United States.

Digital Pipe Organ

The new digital pipe organ features five keyboards and 42 ranks of sounds, with a sound system comprised of 260 dedicated speakers.

Updated Suites

Each of the building's 69 suites has been completely reconstructed and finished with the most modern materials and technologies. With 20 suites less than 25 rows from the main floor, luxury seating options are in abundance for the most discriminating sports and entertainment fans.

Smoother Surfaces

Over 75,000 square feet covering the arena's concourses, Promenade and Terrace level have been resurfaced and sealed.

Brighter Lights

Two hundred forty-two new sport lights have been installed to increase our game night lighting by doubling our foot-candle levels, exceeding all NHL standards and enhancing HD broadcasts for all events.

New Views

The Bud Light Outdoor Party Deck located on the 300 level/Terrace level offers 10,000 square feet of gorgeous, unobstructed views of downtown Tampa. In addition to the views, the deck has five new concession stands and beverage bars with 10 new points of sale available to all arena guests.

Top to Bottom Luxury

Sixty-nine luxury suites have been enlarged with slick cool-to-touch in-counter stove burners and flat screen TVs.

Renovated Restrooms

To help enlarge our Executive Suites, 72 restrooms have been removed and replaced with eight exclusive hallway restrooms.

New Digital Signs

New Daktronics LED digital signs with 360-degree views. A total of 14 new LED displays offer up 1.7 million square pixels for pure viewing pleasure.

Upgraded Cuisine

The Tampa Bay Times Forum main restaurants have been transformed into one grand 9,000-square-foot dining experience called The Firestick Grill. The kitchen was replaced with four ovens, one broiler, 10 prep stations, three refrigerators and a 320-square-foot freezer.

Powered by the People

Approximately 1,250 men and women worked non-stop on the arena transformation over four months. That's over 175,000 hours on the job site. A total of 35 contractors have been utilized on-site at the Tampa Bay Times Forum. Eighty-five percent of the costs for the transformation have been paid to Florida firms for labor or products also supplied by Florida firms.

No Financial Burden to the Community

The \$40 million in renovations to the publicly owned Tampa Bay Times Forum were privately funded. No financial burden was placed on the community.

Signature Areas

Relax and enjoy your event from the comfort of your seat, or if you are feeling a little more social, take advantage of our party decks and bars located within the arena.

Bud Light Party Deck

The Bud Light Party Deck is located on the Terrace Level at Sections 304 and 328. The spacious 11,000-square-foot outdoor deck offers a variety of food and beverage options, including plenty of cold Bud Light. Take in the spectacular views of downtown Tampa while enjoying the great weather after a big Lightning win, a concert or any event.

Coors Light Between The Pipes Bar

The Lightning's new, grand digital pipe organ is the signature centerpiece to a new Terrace Level bar and fan destination. The litany of sounds this instrument makes actually rattles the arena's very foundation! Any guest can watch the game from the bar and hang with Ray, our master pipe organ player.

Bad Juan Margarita Bar

"Be the party" at the Bad Juan Margarita Bar located on the Promenade Level at Section 116. The Bad Juan Margarita Bar serves a variety of cocktails and spirits, including their signature drink, the Bad Juan Margarita.

Firestick Grill

Enjoy breathtaking views of the Tampa skyline at this newly renovated restaurant located on the Club Level (4th Floor) across from Section 201. This sumptuous buffet opens two hours before most events, and reservations are strongly recommended.

Scoreboard

Don't miss a minute of the action on the new scoreboard measuring 28 feet high by 50 feet wide. The display features the largest high-definition, center-hung video panels in any arena throughout the United States and Canada. It includes a state-of-the-art control room and allows for a true high-definition signal with 1,296 lines of resolution.

MEDIA GUIDELINES

Media may park in the North Lot located on the east side of the Tampa Bay Times Forum on the northeast corner of Channelside and Caesar. Media must present a media credential or check in with the attendant for access. Media members can be added to the parking list on a single-game basis, but parking spaces are limited. Requests must be made when requesting game credentials.

For 7:30 games, television trucks (one truck per outlet) will be permitted access to the compound starting at approximately 4:30 p.m., but must leave by 6:30 p.m. due to space limitations. For the game, trucks must be relocated to VIP West on the West side of the Tampa Bay Times Forum.

MEDIA CREDENTIALS

Media credentials will be issued only for working members of the media. Season credentials will be issued to those assigned to cover the Storm regularly, and single game credentials must be requested via email or fax on company letterhead at least 24 hours in advance. The entrance for credentials is located at the service entrance on the southeast side of the Tampa Bay Times Forum (Gate D). It opens two and a half hours (5:00 p.m. for a 7:30 p.m. start) prior to the start of Storm games. All media must enter through Gate D.

PRESS DINING

Press Dining is located on Level 1 (Event Level) on the south side of the building. Meal and beverage service begins two hours before kickoff and ends five minutes after the start of each game. Only individuals with credentials will be allowed access to the media lounge.

MEDIA WORK ROOM

The media work room is located on Level 1 (Event Level) on the south side of the building next to the media lounge. It is open and available for use by working media before, during and after games. Long distance calls must be made on a credit card or collect basis.

TOM McEWEN PRESS BOX ACCESS

To access the press box, please use the freight elevator located on Level 1 (Event Level) on the east side of the Tampa Bay Times Forum. The elevator will be available at the Press Box (Level 7) at the end of each game for immediate access to the locker rooms. Should you wish to take an alternative route, please take the stairs at the south end of the press box to the Terrace Level (Level 6). Then take the public stairs to the Plaza Level (Level 3). Proceed to the southwest corner (behind section 128) and take the elevator to the Event Level.

TOM McEWEN PRESS BOX

The Tom McEwen Press Box is located on Level 7 on the east side of building. Booths will be assigned to radio, television, coaching staffs and off-field officials. Media will be assigned to seats, which will be posted for each game in the press box and media work room. Please sit in your assigned seat, or see a Storm public relations representative if you have not been assigned one.

PRESS BOX SERVICES

Telephones and internet access (wireless is available) are provided for use by media throughout the press box. Long distance calls must be made on a credit card or collect basis. Electrical outlets are located at the base of the wall in front of each seat. Television monitors have been positioned above the seating area.

Pregame notes, stats and rosters will be available one hour prior to the start of the game in the press box and in the media work room. Game summary sheets will be distributed between quarters and following the end of the game in the press box, locker room and working media room. Attendance will be made available at the start of the fourth quarter. Beverages and snacks will be available in the press box during each game.

PHOTO

Scott Audette, Storm team photographer, will assign photo locations. Please be sure to see Scott prior to each game for assigned locations. It is imperative that all photographers be courteous to spectators and especially cognizant not to obstruct the view of paying customers. The photo room is located on Level 1 (Event Level) and available for still photographers. The room is equipped with phone lines, televisions and power. Contact Scott Audette regarding photo room usage — Saudette@ tampabaytimesforum.com.

PHOTO LOCATIONS

Photographers may shoot from behind either endzone during the game. It is also possible to shoot from elevated positions throughout the Tampa Bay Times Forum. As a reminder, it is imperative that all photographers be courteous to spectators and especially cognizant not to obstruct the view of paying customers.

LIVE SHOTS

There are several live shot locations in the Tampa Bay Times Forum. Please see a member of the public relations staff prior to the game to make arrangements. If you are assigned a location in a seating area, setup must be complete at least one hour prior to the start of the game, as ticket holders will occupy this area. Requests for a live interview must be submitted 24 hours in advance.

GAME FOOTAGE

Local TV stations are reminded that you are not permitted to shoot game action if the game is televised locally, nationally or back to visiting market. Local stations will be permitted to shoot game highlights if there is no television coverage. Contact Tampa Bay Times Forum public relations prior to a non-televised game for an assigned location.

LOCKER ROOM ACCESS

Access to the locker room corridor will be strictly enforced to only allow credential-holders into this area. The Storm locker room is closed to all media and broadcasters prior to games; however, a member of the Storm public relations staff will be available in the locker room hallway prior to games to bring out requested players for interviews until 90 minutes before the opening kick-off.

The Storm locker room will open within 10 minutes after the conclusion of games. Coach Dave Ewart will meet with the media approximately 10 minutes after the conclusion of the game. The Storm locker room is not open before or after practices. The coaching staff and players will be available on the field after the conclusion of practice.

INJURY REPORTS

A member of the public relations staff will provide in-game injury reports as quickly as they are available from the Storm medical staff. No media will be permitted in the locker room area while play is in progress and should not approach medical personnel during the course of a game. The Storm will also provide an injury report approximately 20 minutes after the conclusion of each game and again the following day.

GUEST

Guests will not be permitted in the Tampa Bay Times Forum without prior approval by the public relations department. Media caught bringing guests into the Tampa Bay Times Forum without prior approval will have their credentials revoked.

AUTOGRAPHS

No credential-holders are permitted to ask players or coaches for autographs before, during or after games. Violators of this policy will immediately have their credentials revoked.

TRANSFER OF CREDENTIALS

Transfer of credentials is strictly prohibited. Violators will forfeit credentials for the remainder of the season. If you encounter a problem or have questions, please ask a member of the Tampa Bay Times Forum public relations staff. Be assured we will do everything possible to satisfy your request or answer your questions.
