## Jeff Bouchy Managing Partner

**YEARS IN THE AFL:** 9

(**Jacksonville Sharks**, 2010-13; Orlando Predators 1998-2002)

**CAREER RECORD IN AFL:** 113-56

**REGULAR SEASON RECORD:** 98-50

**POSTSEASON RECORD:** 15-6 (3-1 in ArenaBowl contests)

**NOTES:** Brother, Brett, manages the Los Angeles KISS

Jeff Bouchy continues his duties as the managing partner of the **Jacksonville Sharks** for the 2014 season, his 10th in the Arena Football League. Bouchy has overseen a budding franchise that in its inaugural 2010 season won a South Division title while setting an AFL record for wins in an expansion season (12). The Sharks followed that successful campaign by winning an AFL-record 13 consecutive regular-season games in 2011, capturing its second South Division title in as many years and continuing on to a dramatic victory in ArenaBowl XXIV. In 2012, the Sharks again finished atop the South Division, becoming the first team in AFL history to win a division title in each of their first three years as a franchise. The Sharks continued to build on their reputation as one of the league's model franchises in 2013, capturing a fourth consecutive South Division title and reaching the conference championship game for a third straight season.

Bouchy is no stranger to success in the AFL. As a minority owner of the Orlando Predators, Bouchy served as General Manager and Vice President of Football Operations from 1998 to 2002. During that time, the Predators competed in post-season play all five seasons. With a record of 72-36 (10-4 during post-season play), the Predators appeared in three ArenaBowls, winning two.

With the Sharks, Bouchy continued a tradition of excellence. Bouchy managed teams have consistently been at the top of league ranks in season ticket sales and corporate partnerships. His teams have won awards and received national acclaim for innovative and exciting marketing campaigns - including the famous "Fake Left, Fake Right" billboard campaign in 2000.

Bouchy has also managed the Peoria Pirates of the arenafootball2 (af2) league, a member of the Arena Football Family from 1999-2009. From 1992-1998, Bouchy was the Chief Financial Officer of Gum Tech International, a publicly held chewing gum manufacturer located in Phoenix, AZ. Prior to that, Bouchy was an event coordinator at the Charlotte Coliseum, then home of the Charlotte Hornets in North Carolina.

Bouchy also owns three companies, all serving the sports and entertainment markets, Destroyer Promotional Products (DPP), Destroyer Graphics (DG) and Destroyer Merchandising Company (DMC). DPP imports promotional and retail items for sports teams. Formed in 2002, DPP provides giveaway products for all professional sports teams across the country. DPP imports from China, India, Taiwan and Vietnam. DPP sells bobbleheads, headwear, bagwear, sporting goods and many different novelty products.

DG was founded in 2006. DG is a 5,000 sq. ft. screen printing and embroidery facility located in Middleburg, FL. DG produces over 500,000 promotional tees and rally towels per year for various sports teams and their retail shops.

DMC operates retail outlets for sports teams in their arenas. Currently DMC operates the arena team shops for the Grand Rapids Griffins and the Rochester Americans of the American Hockey League, the Rochester Nighthawks of the National Lacrosse League, and the Orlando Predators of the Arena Football League.

Bouchy has a Master's of Science in Sports Management from West Virginia University and the Bachelor's of Science in Accounting from Arizona State University. He currently resides in St. Augustine, Florida with his wife Laura, and four children Jeff, Jr., Lola, Sophie and Ryne. The family has three dogs, Abbie, Gunner and Tinkerbell.

**Sharks - 61**

**POWER - 35**

March 29, 2013

Pittsburgh, PA

CONSOL Energy Center

Attendance: 5,342

The Sharks headed to Pittsburgh in Week 2 for a conference match-up with the Power. The game had an auspicious start for Jacksonville, as Bernard Morris hit Jeff Hughley for a 27-yard touchdown pass on just the second play from scrimmage. Jacksonville led 20-6 before the Power defense pressured Morris into taking an intentional grounding penalty in his own end zone. After a safety and a touchdown on the ensuing possession, Pittsburgh cut its deficit to 20-15, allowing the Power to keep the game close into the third quarter. However, beginning late in the third, Micheaux Robinson and Terrance Smith recorded interceptions on back-to-back possessions. Those turnovers helped spark a closing stretch in which the Sharks scored four of the game's final five touchdowns. Jacksonville led by 20 with 10 minutes remaining and cruised to victory. The Shark defense racked up a team-record seven sacks and forced four turnovers in the win.

**Sharks - 66**  
**GLADIATORS - 49**  
 April 6, 2013  
 Cleveland, OH  
 Quicken Loans Arena  
 Attendance: 8,862

With two road wins under their belt, the Sharks again took a northward trip in Week 3, facing the Cleveland Gladiators. Though it had been eight days since the team's last game, the Shark offense showed no rust, scoring on the third play of the game. Back-to-back defensive stops in the first half gave the Sharks a 21-7 lead early in the second quarter. From there, though, the Gladiator offense kept pace, ultimately coming within three points several times during the second half. In fact, each team had scored on every second-half possession before the Shark defense stepped up again late in the fourth quarter. With the Sharks up by nine, Aaron Robbins and Rashaad Duncan each notched a sack in a three-play span, forcing the Gladiators into a long field goal attempt. The kick missed wide, and Jacksonville scored on the ensuing possession to seal the victory. The win improved the Sharks to 3-0 for the first time in franchise history.

VooDoo - 30

April 12, 2013

Jacksonville, FL

Jacksonville Veterans Memorial Arena

Attendance: 8,330

Playing in front of a home crowd for the first time in the 2013 regular season, the Sharks did not disappoint in Week 4. Jacksonville dominated from the opening whistle, as Aaron Robbins sacked Kurt Rocco on the second play of the game, the Shark defense forced a turnover on downs, and the offense scored on its own second play. On New Orleans' next drive, Jeff Hughley returned a missed field goal for a touchdown, and from there the rout was on. Jacksonville scored five straight touchdowns to open the game, building a 35-0 lead early in the second quarter. At the end of the first half, Terrance Smith capped a dominant 30 minutes with an interception return for a touchdown, giving the Sharks a 55-12 halftime advantage. Though the VooDoo offense had somewhat better success in the second half, the game was never in doubt. Rendrick Taylor tied a franchise record with four rushing touchdowns as the Sharks scored the second-most points in a single game in franchise history.

Barnstormers - 34

April 19, 2013  
Jacksonville, FL

Jacksonville Veterans Memorial Arena  
Attendance: 8,011

The Sharks took to their home turf for the second time in as many weeks in Week 5, welcoming the Iowa Barnstormers to Sea Best Field. Jacksonville got off to a fast start, as Terrance Smith intercepted J.J. Raterink on Iowa's first possession and the Jacksonville offense capitalized on it's first chance with the football. The Sharks took a 27-16 lead into halftime, and received the opening kickoff of the third quarter with a chance to assume control. But the Iowa defense kept the Barnstormers in the game by forcing two turnovers - the first interception thrown by and fumble lost by quarterback Bernard Morris this season. After Iowa tied the game at 34, Morris connected with Markee White on a five-yard touchdown pass to but the Sharks in front with just over four minutes remaining. On the ensuing drive, Tracy Belton knocked away Raterink's fourth-down pass to turn the ball over. The Shark offense then ran out the clock to secure a fifth consecutive victory.

The Sharks looked to bounce back from their first loss of the season, heading to San Antonio for a nationally-televised Week 8 contest. The Sharks started slow on offense, as Bernard Morris was intercepted on the game's first possession. San Antonio got out to a 14-0 lead before the Jacksonville defense turned in a dominant stretch in which it did not allow a point for over 30 minutes game time. That eventually allowed the Sharks to take a 27-14 lead midway through the third quarter. But the Shark offense went cold in the second half, scoring just one touchdown and keeping San Antonio in the game. After pulling within one score on a touchdown pass from Nick Hill to D.J. Stephens, San Antonio scored the eventual winning touchdown with one minute left. The Sharks moved into the red zone in the final seconds, but Morris could not connect with Jeron Harvey on the game's final play as time expired. In the loss, the Shark defense recorded five sacks and forced four turnovers.

**Sharks - 44**  
**PREDATORS - 41**  
 May 25, 2013  
 Orlando, FL  
 Amway Center  
 Attendance: 11,557

Week 10 saw the first of two meetings between the Sharks and their in-state divisional rival Orlando Predators. Adding to the intrigue of this game was that it was the first time that quarterback Aaron Garcia matched up against his former team. The Predators opened the game with a kickoff return touchdown and carried that momentum to a 14-7 lead at the end of the first quarter. But the Shark defense locked it down for the rest of the half, allowing Jacksonville to score 23 straight points and seize a 30-14 advantage early in the third quarter. But midway through the third, the Shark offense stalled, coming up empty on two straight possessions. That dry spell allowed Orlando to cut the margin to 30-28, but quarterback Bernard Morris and the Sharks rebounded with a pair of touchdowns in the fourth quarter. After Orlando's final score with just over two minutes remaining, the Shark offense picked up a key first down and ran out the clock. The win snapped Jacksonville's three-game losing streak.

# JACKSONVILLE SHARKS

**SHARKS - 70**

**Power - 48**

June 1, 2013

Jacksonville, FL

Jacksonville Veterans Memorial Arena

Attendance: 8,568

The first rematch of the 2013 season came in Week 11, as the Pittsburgh Power made their first-ever trip to Sea Best Field. The Sharks used an early defensive stop to take a 21-7 lead midway through the second quarter, but the Power rallied with two scores to cut the edge to 21-20. In the final seconds of the first half, receiver Jeron Harvey made an incredible off-the-iron touchdown catch to give the Sharks a 28-20 halftime lead. The Shark defense then set the tone, holding Pittsburgh scoreless in the third quarter as the offense extended its advantage to 42-20 at the end of three. Though Pittsburgh did rack up four touchdowns in the final frame, Jacksonville matched that output with 28 points of their own, recovering all three of the Power's onside kick attempts as well. In the game, the Sharks forced four turnovers, including two interceptions by defensive back Terrance Smith. Wideout Jeron Harvey paced the Jacksonville offense with eight catches for 122 yards and four touchdowns.

SHOCK - 76

**Sharks - 41**

June 8, 2013

Spokane, WA

Spokane Veterans Memorial Arena

Attendance: 8,463

In Week 12, the Sharks headed up to Spokane for their first road game against the Shock since 2010. Going up against a high-powered Spokane attack that entered the week as the league's second-ranked scoring offense, Jacksonville needed a fast start offensively to keep pace. But after Spokane scored on the game's first drive, quarterback Bernard Morris was intercepted by Ruschard Dodd-Masters, leading to a quick Shock touchdown that made the score 14-0. Later in the quarter, Terrance Sanders stepped in front of another Morris pass and returned it 39 yards for a touchdown, putting Spokane ahead 28-7. The Shock extended their lead to 49-14 by halftime and never looked back, as the game ended with that same 35-point margin. With the loss, Jacksonville has still not defeated a West Division opponent in the regular season since 2011, a string of five consecutive losses.

 Salt Lake City, UT

The Sharks their two-game West Division road trip with a Week 14 matchup against the Utah Blaze. Jacksonville took the field with a brand-new quarterback, as the team added Kyle Rowley early in the week following Bernard Morris' injury against Spokane. The Blaze got off to a fast start, returning the opening kickoff down to the one-yard line for a quick score before forcing a turnover on downs on the Sharks' first offensive possession. Though Rowley quickly found a rhythm after that first drive, the Sharks found themselves down 28-14 at the end of the first quarter. The offense then hit another dry spell in the final 10 minutes of the first half, as Utah extended its lead to 42-20 at the break. A pair of interceptions allowed the Sharks to gain some ground in the final two quarters, but Jacksonville was unable to connect on either of its two onside kick attempts. Utah recovered the second onside kick with less than 10 seconds remaining, then ran out the clock to seal the game.

Attendance: 9,175

The Sharks returned from the bye to host the Spokane Shock in Week 17, a rematch of the teams' matchup in Week 12. Each team held serve with two touchdowns and one defensive stop into the second quarter, when Spokane swung momentum with a pair of big plays. On back-to-back plays from scrimmage, Shock defenders Terence Moore and Paul Stephens returned interceptions for touchdowns as the Shock took a 35-13 lead with 5:47 left in the first half. The Sharks had the ball in the final minute of the half but came away empty-handed, as Jacksonville trailed 41-20 at the break. Though London Crawford broke out with four total touchdowns, including a 49-yard catch-and-run in the third quarter, the Sharks could never pull within two or fewer scores at any point in the second half. Spokane backup quarterback Arvell Nelson was pressed into duty at wide receiver and delivered in the red zone, scoring four touchdowns to help lead Spokane to a 62-40 victory over the Sharks.

**Sharks - 58**  
**VOODOO - 49**

July 20, 2013  
New Orleans, LA  
Mercedes-Benz Superdome  
Attendance: 7,183

In Week 18, the Sharks made their first-ever trip to the Superdome, taking on the New Orleans VooDoo for the second time in 2013. After the Sharks scored on the first drive of the game, the two teams traded one-play scores, as Markee White answered a Donovan Morgan touchdown with a 48-yard score of his own. The Sharks then forced a pair of defensive stops that allowed Jacksonville to take a 28-7 lead. But New Orleans came back with two straight touchdowns in the final minute of the first half, cutting the Sharks' lead to 35-28 at the break. The pace slowed in the second half, as the two teams traded scores. At the end of the third quarter, New Orleans was able to hold the Sharks to a field goal, then scored on its next drive to make it a three-point game early in the fourth. But Bernard Morris took over in the fourth, scoring a rushing touchdown on each of the Sharks' final two drives to help seal the victory. Micheaux Robinson put the finishing touch on the win with an interception on the last play.

**SHARKS - 52**

Storm - 44

July 27, 2013

Jacksonville, FL

Jacksonville Veterans Memorial Arena

Attendance: 10,409

The Sharks wrapped up the regular season with the Tampa Bay Storm's return trip to Sea Best Field. These two teams had last met over four months ago, all the way back in Week 1. Tampa Bay intercepted Shark quarterback Bernard Morris on the first drive and scored first, though the Sharks quickly answered. Josh Philpart's 17-yard touchdown pass from Kyle Rowley in the final minute of the half allowed Jacksonville to take a 28-21 lead into the locker room. In the third quarter, the Sharks turned the tide with a pair of defensive touchdowns. First, Tracy Belton jumped a hitch route and snagged his first pick-six as a Shark. On the Storm's very next drive, Jamaal Fudge scooped a fumbled snap off of the turf and sprinted to the end zone for the Sharks' first fumble return touchdown of the season. Though the Storm made the margin closer with a pair of scores and two-point conversions in the final five minutes, the Sharks ultimately cruised to a 52-44 victory.

SHARKS - 69

Storm - 62

August 3, 2013

Jacksonville, FL

Jacksonville Veterans Memorial Arena

Attendance: 7,899

In a quirk of the schedule and the standings, the Sharks opened the 2013 postseason against the very same Tampa Bay Storm team it had faced the week before. The Sharks started slowly, scoring just 13 points in the first half. Though Jacksonville opened the third quarter with the football, Tampa Bay defensive lineman R.J. Roberts returned a fumble for a touchdown on the second snap of the frame, putting the Storm up by three scores. The Sharks responded, charging back with 56 points in the second half. Jacksonville used a successful onside kick, a two-point pass from holder Jeff Hughley to Marco Capozzoli and a defensive stop to make up the difference, eventually tying the score at 48. The teams traded scores as Tampa Bay went up, 62-55, with 52 seconds left. Jacksonville moved down the field, working the clock until Bernard Morris hit Markee White for a touchdown with eight seconds left. The Sharks then faked the extra point, as Hughley took the snap and charged up the middle for a two-point conversion that gave the Sharks their first lead of the game, 63-62. After the kick coverage team corraled the Storm returner in the end zone, Matt Marcorelle rushed up the middle, sacked Shane Boyd and forced a fumble that was recovered by Derrick Summers for a Shark touchdown with just four seconds left. Jacksonville then brought down Jason Chery as time expired to seal the win and move on to the next round.

Soul - 75  
SHARKS - 59

August 10, 2013  
Jacksonville, FL

Jacksonville Veterans Memorial Arena  
Attendance: 9,161

For the second time in as many seasons, the Sharks matched up against the Philadelphia Soul in the American Conference Championship Game. This time, the two teams met on Sea Best Field to decide the conference's representative in ArenaBowl XXVI. Taking advantage of an early turnover, the Soul quickly built a two-touchdown lead to end the first quarter, extending that to a 26-point edge by halftime. The Sharks charged back in the second half, as Micheaux Robinson pulled down an interception early in the fourth quarter to give his team the ball with a chance to make it a one-score game. But the Sharks went four-and-out on that drive and gave up an ensuing touchdown, as the Soul reclaimed a three-score advantage. Ultimately, Jacksonville never pulled to within closer than 14 points at any stage of the second half, and the Soul advanced to an ArenaBowl rematch against the Arizona Rattlers.

## AFL COVERAGE MAP

## Jerry Kurz AFL Commissioner

Jerry B. Kurz returns for his 28th season of Arena Football and fifth season as the AFL's Commissioner. Out-tenured only by the creator of Arena Football, Jim Foster, Kurz has dedicated his life to furthering the sport with a strong business ethic and core values meant to bring the highest quality product to the ever-growing fan base of Arena Football fans.

In his time as the president of the af2, the League saw extensive growth in small-to-mid-sized markets, building an extremely dedicated fan base across the country. That foundation helped to fuel the return of the Arena Football League in 2010 after a year on hiatus due to financial instability. Kurz and a group of enthusiastic investors arranged the acquisition of the AFL's assets in bankruptcy court in late 2009 and revived the League in early 2010, fulfilling the promise that Arena Football would be played in 2010.

Kurz has also served as the AFL's Vice President of International Development, where he was in charge of the League's international exposure. During his tenure, he was responsible for administering the H3 Visa program, allowing international players to play for AFL teams stateside. He also arranged and executed all internationally played games for the Arena Football League.

Arena Football isn't Kurz's only claim to fame. He is also a founding member of Gridiron Enterprises, Inc., a sports consulting firm based out of Chicago. Gridiron Enterprises, consisting of Kurz, Foster and attorney William Niro, is the original founder of the AFL. Kurz has been a player, coach, general manager and owner during his lifelong involvement with the game of football. He is also a member of four football Halls of Fame, including membership in the first class of the Arena Football Hall of Fame as well as membership in the arenafootball2 Hall of Fame. Kurz attended the University of Oklahoma as an undergraduate and later earned his Juris Doctor Degree at Northern Illinois. Kurz is a licensed attorney in Illinois and operated a law firm with his wife, Kathryn Hall, for 20 years. Jerry and his wife, Kathryn, have one son named Matthew, who currently serves as the Director of Player Personnel for the AFL.

### FIELD

- An indoor padded surface 85 feet wide and 50 yards long with eight-yard end zones.
- Goal posts are nine feet wide with a crossbar height of 15 feet (NFL goal posts are 18-1/2 feet wide with the crossbar at 10 feet).
- The goal-side rebound nets are 30 feet wide by 32 feet high. The bottoms of the nets are eight feet above the ground.
- Sideline barriers are 48 inches high and made of high-density foam rubber.

### EQUIPMENT

- The official football is the same size and weight as the National Football League ball. Each ball is manufactured by Spalding, a division of Russell Corporation.

### PLAYERS AND FORMATIONS

- Eight players on the field; 21-man active roster; three-man inactive roster.
- Players may play both offense and defense.
- Substitution: Coaches are permitted to substitute players at will.
- Four (4) offensive players must line up on the line of scrimmage.
- Three (3) defensive players must be down linemen (in a three- or four-point stance). One linebacker may blitz on either side of the center. Alignment is two-or-more yards off the line of scrimmage. No stunting or twisting.
- Offensive motion: One receiver may go in forward motion before the snap.

### TIMING

- Four 15-minute quarters with a 15-minute halftime.
- The clock stops for out-of-bounds plays or incomplete passes only in the last minute of each half and when the referee deems it necessary for penalties, injuries or timeouts.
- Each team is allowed three (3) timeouts per half.

### MOVEMENT OF THE BALL AND SCORING

- Four downs are allowed to advance the ball 10 yards for a first down, or to score.
- Six points for a touchdown.
- One point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after a touchdown.
- Three points for a field goal by placement or four (4) points for a field goal by drop kick.
- Two (2) points for a safety.

### KICKING

- Kickoffs are from the goal line. Kickers may use a one-inch tee.
- Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.
- The receiving team may field any kickoff or missed field goal that rebounds off the net.
- Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

### PASSING

- Receivers must have one foot inbounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

### OVERTIME RULES

- Overtime periods are 15 minutes for both the regular season and the playoffs.
- Each team gets one possession to score. If, after each team has had one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.

# JACKSONVILLE SHARKS

## GLOSSARY OF TERMS

### **BALL IN THE STANDS**

When a ball is thrown or bounces into the seats surrounding the playing field, the "lucky" fan that catches the ball keeps it.

### **DROP KICK**

A drop-kicked FG is worth 4 points. A drop-kicked extra point is worth 2 points. Spokane Shock kicker Taylor Rowan was the last man to connect on a two-point dropkick (7/22/2011 vs. Jacksonville).

### **FANS**

More than 26 million fans have experienced an AFL game in the League's 24-year history. Last year, in 2011, the AFL drew 1,338,544 fans in the regular season.

### **IRONMAN**

Signifies participants playing both offense and defense.

### **"MAC" AND "JACK" LINEBACKERS**

"Mac" may rush the QB straight on without stunting, twisting or drop-back coverage. "Jack" must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end.

### **OFFENSIVE MOTION**

Unlike stadium-played football, one offensive back may go into forward motion prior to the snap of the ball.

### **OVERTIME**

Arena Football has a unique overtime rule. If a contest is tied after regulation, teams will play a 15-minute overtime. Each team will have one opportunity to score. If, after each team has had one chance to score, the game is tied, the first team to score is crowned the winner.

### **REBOUND NETS**

Goal-side rebound nets extend outward from each upright. The nets are 30-feet wide, 32-feet high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight feet above the surface. The "scoring area" is nine-feet wide and 15-feet high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it's live.

### **SIDELINE BARRIERS**

Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four inches thick.

### **STUNTING OR TWISTING**

When a defensive lineman is rushing the passer, there's no "stunting" or "twisting". In other words, linemen are required to power past offensive linemen.

### **TIGHT END**

One offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and "declaring" himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

### **TWO-WAY PLAYERS**

One of the most "throwback" features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

## MISCELLANEOUS INFORMATION

### **ROSTER LIMITS**

From the first day the League allows the signing of free-agent players until the first league-sanctioned cut-down date, teams are prohibited from having more than 35 players on their roster. Players listed on the active list or free-agent signees are considered eligible to be counted for the 35-man roster.

Teams will be required to reduce their active lists to 28 players by 5 p.m. CST 14 days before the first regular season game and to 24 players by 5 p.m. CST seven days before the first regular season game.

Each team may maintain a maximum 20-player roster and 4-player practice squad during the season. In a documented emergency, a team may add an emergency kicker to their roster, no later than one hour before kickoff.

### **TRADES**

The trading period began on November 5, 2012 and will end at 5 p.m. CST on Monday, June 10, 2013. Upon reporting to his new team, each traded player must pass the physical given by his new team. Failure to pass the physical and/or failure to report will nullify the trade.

### **RESERVE LISTS**

The reserve list of each team consists of the following categories; retired, refused to report, left squad, injured reserve, injured exempt, team suspended, league suspended, other league exempt and physically unable to perform.

### **INJURED RESERVE**

A player who is placed on injured reserve list must remain on injured reserve for a minimum of four weeks. Training camp weeks will not count against that total. Teams activating players from their injured reserve list must do so no less than 24 hours prior to that team's game.

## PLAYOFF QUALIFICATION, SELECTION OF TEAMS

Eight teams qualify for the playoffs, four from each conference-- American and National. The four qualifying teams in each conference consist of the two division champions and two Wild Cards, determined by best overall record. Seeding in each conference is based on overall record, with the top two seeds in each conference reserved for the division champions, regardless of record. In the **First Round, August 2-3**, the first two seeds in each conference are the two division winners. The next two teams are seeded by next best two overall records. Teams ranked 1 and 2 earn home playoff games with 1 hosting 4 and 2 hosting 3. In the **Conference Championship Round, August 9-10** the winner of the 1-4 game plays the winner of the 2-3 game. The home team is decided by the team with the higher seed. The winners of each Conference Championship Game will face off in ArenaBowl XXVI on August 17th in Orlando.

### Tie-breaking Procedures

If, at the end of the regular season, two or more clubs in the same division are tied with identical won-lost percentages, the following steps will be taken to determine rank.

### Division Champions

If two teams are tied for Division Champions...

- Record in Head to Head games
- Record within the Division
- Record against common opponents
- Point spread in Head to Head games
- Point spread in games against common opponents
- Coin toss

### Two Clubs

1. Head-to-head best won-lost percentage in games among clubs.
2. If teams split head-to-head games, the next tiebreaker will be the point differential in those two games.
3. Best won-lost percentage in common games, if applicable
4. Strength of schedule strength up.
5. Best net total touchdowns in all games
6. Coin toss

### Three or More Clubs

- If two clubs remain tied after a third club is eliminated during any step, tiebreaker reverts to step 1 of the two-club format
- If one team wins multiple-team tiebreaker to advance to playoff round, remaining teams revert to step 1 of the two-club format
- All teams must have played head-to-head for step 1 to be utilized in a multiple-team tie.
- Head-to-head best won-lost percentage in games among clubs.
- Best won-lost percentage in common games, if applicable
- Strength of schedule strength up.
- Best net total touchdowns in all games.

**MORE ABOUT  
THE SHARKS**

# JACKSONVILLE SHARKS

The four-time South Division Champion Jacksonville Sharks are dedicated not only to putting a championship-level product on the field, but also to serving the city of Jacksonville and the surrounding area. By teaming up with the local community, the Sharks look to effect and enrich the great people of Jacksonville. The Sharks have been achieving the goal of making Jacksonville a better place by developing resourceful programs that contribute directly to the Jacksonville community.

We have teamed up with a number of charitable organizations, including First Coast No More Homeless Pets and Second Harvest North Florida, providing these groups with an opportunity to raise awareness for and generate donations to their respective causes.

In addition, Military Appreciation Night has developed into an outstanding initiative that supports Jacksonville's strong military community. For a third consecutive year, the Sharks will hold a postgame jersey auction that is the centerpiece of a night completely dedicated to benefitting a local military organization. In 2013, the Sharks teamed up with Taco Bell to raise over \$31,000 for the Armed Forces Families Foundation.

Players, coaches and the Attack Dance members encourage Jacksonville's youths to exercise and stay healthy through our youth football camps and the Junior Attack Dance camps. Shark's Mascot Chum even gets in the mix by making appearances and heading up Chum's Reading Initiative.

## JACKSONVILLE VETERANS MEMORIAL ARENA

The ArenaBowl XXIV Champion Jacksonville Sharks play their home games at Sea Best Field, in the Jacksonville Veterans Memorial Arena. The 15,000 seat venue is widely considered around the north Florida area as a top notch multi-purpose arena.

Nicknamed "The Vet," the state of the art sports/event venue, located in the heart of the Jacksonville Sports Complex near downtown Jacksonville, was built by HOK Sports Facility Group out of Kansas City, Mo. It was constructed as part of Mayor John Delaney's Better Jacksonville Plan, to replace the archaic Jacksonville Memorial Coliseum in 2003. It cost \$130 million at the time of construction and is owned by the city of Jacksonville.

The Arena provides the Sharks with a state-of-the-art facility that allows for a great game-day experience for both the teams and the fans. The Sharks ranked sixth in 2011 in average attendance, making for a home-field advantage that has helped the Sharks to a 17-3 record on Sea Best Field over the team's first two seasons (including playoffs). A recent Arena Football League fan poll ranked Sea Best Field as the fourth-rowdiest atmosphere in the 25-year history of the AFL.

In addition to being the home field of the Sharks for the past four AFL seasons, the arena plays host to the Jacksonville University men's and women's basketball teams, and the Jacksonville Giants of the American Basketball Association.

It also has hosted a number of big sporting events throughout its 10-year history. In 2004, the USA Men's Olympic basketball team played their only game in the United States at "The Vet."

The Venue has also brought March Madness to Jacksonville, hosting first and second-round NCAA Men's Division I Basketball Tournament games in 2006 and 2010. World Wrestling Entertainment Inc., and the Professional Bull Riders (PBR) Built Ford Tough Rodeo Series also have hosted events at the arena.

Sports are not the only thing going on inside the walls at Jacksonville Veterans Memorial Arena. The venue is a regular stop for headline musicians, bands, comedians and other entertainers. The state-of-the-art acoustics make it a great place to see a concert or show. The first artist to ever perform at "The Vet" was Elton John, in November 2003. It also plays host to the Annual Jacksonville Craft and Import Beer Festival.

Jacksonville Veterans Memorial Arena meets or exceeds all structural and service requirements set by the Americans with Disabilities Act (ADA). It is managed by SMG (property management), which is the world's leading company in managing public assembly facilities.

Restrooms, ATM machines, drinking fountains, four elevators, and phones are all easily accessible. Concession stands are available on each of the four levels and merchandise booths are also spread throughout the arena. The doors open one hour before games or events and the Box Office is open Monday through Friday from 10 a.m. to 4 p.m.

Interviews will be handled on a first-come, first-serve basis. Members of the media holding interviews without prior consent of the Sharks will be subject to loss of credentials.

## **PRACTICE ACCESS AND OTHER INTERVIEWS**

All team practices are open to the media, and players and coaches will be available to members of the media following the conclusion of each practice. Practice times and locations will be publicized at the beginning of each game week. Many Sharks practices are held at a private country club, and prior

arrangements must be made for media to access these practices. Therefore, media members wishing to attend a specific practice are asked to contact the Sharks' media relations department prior to the day of that practice.

## **OTHER INTERVIEWS**

Interviews outside of designated post-game or post-practice availability must be arranged through the media relations office by contacting Director of Media Relations Zander Kean. Interviews without prior notification and approval are prohibited.

## **GUESTS**

Media members will not be permitted to bring guests into Sea Best Field without prior approval by the media relations department. Media who do not adhere to this policy and bring guests into Sea Best Field without prior approval will have their credentials revoked.

## **PARKING**

Media may park in the south lot (loading dock) located on the south side of the arena. Media must check in with the attendant for access. Media members can be added to the parking list on a single-game basis, but parking spaces are limited. Requests must be made when requesting game credentials. Parking for media will open 3 hours prior to kickoff.
