Head Coach/Offensive Coordinator

1st Season

PRO CAREER: Named the inaugural coach of the Portland Thunder on October 8, 2013, Matthew Sauk enters his first season as a head coach. A six-year coaching veteran of Arena Football, Sauk got his start as a quarterbacks and receivers coach with the af2's Spokane Shock in 2008. When the team moved up to the AFL in 2010, Sauk was named offensive coordinator and assistant head coach. In his first season calling the plays for the Shock, the team went 13-3 and won ArenaBowl XXIII. Following his success in Spokane, the Utah Blaze tabbed Sauk to take over the team's offense. His offensive units in Utah shattered League records for passing yards, touchdowns and first downs in back-to-back seasons, earning Sauk NFL Network Assistant Coach of the Year honors in 2011 and 2012. Over the course of his coaching career, Sauk has mentored several quarterbacks including Nick Davila, Tommy Grady and Erik Meyer, all of whom went on to win League MVP honors. Prior to coaching, Sauk spent his playing career between the af2 and AFL. He saw time with the AFL's Nashville Kats, Los Angeles Avengers, Philadelphia Soul, Grand Rapids Rampage and Arizona Rattlers, but really left his mark as a player in af2. In his first season with the Tennessee Valley Vipers in 2001, he received Rookie of the Year honors after setting multiple team and League records. In 2005, he was named the af2 Offensive Player of the Year after leading the Louisville Fire to a berth in ArenaCup VI. He was inducted into the af2 Hall of Fame in 2009 after an eight-year playing career that saw him pass for more than 17,000 yards and 345 touchdowns.

BACKGROUND: QB, Orange Coast College (1994-96); Utah State (1996-97). QB, Nashville Kats (2000); Tennessee Valley Vipers (2001, 2003); Los Angeles Avengers (2002); Louisville Fire (2004-05); Philadelphia Soul (2006); Grand Rapids Rampage (2007); Arizona Rattlers (2008). Organization

William Mulder Defensive Coordinator

Defensive Coordinator William Mulder became an AFL coach for the first time in 2013, guiding a Shock defense that led the AFL in forced fumbles and was among the leaders in sacks (fourth) and interceptions (third).

After graduating from Campbellsville in 2004, Mulder spent five seasons as a member of the Lexington Horsemen of the United Indoor Football League and af2 (UIFL from 2005-2007). During his af2 rookie season in 2008, Mulder led the Horsemen with 57.5 tackles, three interceptions, and 19 pass break-ups. He also added 1,895 all-purpose yards as a kick returner. In 2009, Mulder earned second-team all af2 honors after recording 11 interceptions, 24 pass break-ups, and 65.5 tackles. He added 1,770 yards on special teams.

Mulder joined the Spokane Shock in 2010 where he recorded 82 tackles, 19 pass breakups, three interceptions, three fumble recoveries and a forced fumble. In 2011, Mulder played for the Utah Blaze, where he recorded two interceptions and 25 tackles in four games of action before injuring his ACL, ending his season. He returned to the Blaze for the 2012 season, making 56.5 tackles and intercepting three passes while batting eight more passes away.

Mulder, a native of Versailles, KY, set nearly every record for punt returns and interceptions as a defensive back at Campbellsville University from 2001-2003.

Clay Harrell Offensive/Defensive Line Coach

Offensive and Defensive Line Coach Clay Harrell began his Arena Football career in 2006 as a member of the af2's Everett Hawks, where he earned All-af2 second-team honors as a defensive lineman. He entered the AFL in 2007 with the Nashville Katz and converted to the offensive line. Harrell joined the Los Angeles Avengers the following season, where he caught seven passes for 79 yards and four touchdowns.

In 2010, Harrell joined the Spokane Shock, where he started every game for then-offensive-coordinator Matthew Sauk in the Shock's run to ArenaBowl XXIII. He played the 2011 season for the Shock as well, then returned in 2012 as an assistant coach. In 2013, however, the game lured him back, and he split the season between the Utah Blaze and the Cleveland Gladiators. Now retired, Harrell looks to help his former offensive coordinator bring a title to Portland.

AFL Rules

RULES OF THE GAME

MOVEMENT OF THE BALL AND SCORING

- Four (4) downs are allowed to advance the ball 10 yards for a first down, or to score.
- Six (6) points for a touchdown.
- One (1) point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after a touchdown.
- Three (3) points for a field goal by placement or four (4) points for a field goal by drop kick.
- Two (2) points for a safety.

KICKING

- Kickoffs are from the goal line. Kickers may use a one-inch tee.
- Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.
- The receiving team may field any kickoff or missed field goal that rebounds off the net.
- Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

AFL Rules

PASSING

Receivers must have one foot inbounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

OVERTIME RULES

Overtime periods are 15 minutes for both the regular season and the playoffs.

Each team gets one possession to score. If, after each team has had one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.

GLOSSARY OF TERMS

BALL IN THE STANDS - When a ball is thrown or bounces into the seats surrounding the playing field, the "lucky" fan that catches the ball keeps it.

DROP KICK - A drop-kicked FG is worth 4 points. A drop-kicked extra point is worth 2 points. Former Milwaukee Mustangs kicker Kenny Stucker is the last man to have connected on a two-point dropkick (1997).

FANS - More than 26 million fans have experienced an AFL game in the League's 24-year history. Last year, in 2011, the AFL drew 1,338,544 fans in the regular season.

IRONMAN - Signifies participants playing both offense and defense.

"MAC" AND "JACK" LINEBACKERS - "Mac" may rush the QB straight on without stunting, twisting or drop-back coverage. "Jack" must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end.

OFFENSIVE MOTION - Unlike stadium-played football, one offensive back may go into forward motion prior to the snap of the ball.

AFL Rules

OVERTIME - Arena Football has a unique overtime rule. If a contest is tied after regulation, teams will play a 15-minute overtime. Each team will have one opportunity to score. If, after each team has had one chance to score, the game is tied, the first team to score is crowned the winner.

REBOUND NETS - Goal-side rebound nets extend outward from each upright. The nets are 30-feet wide, 32-feet high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight feet above the surface. The "scoring area" is nine-feet wide and 15-feet high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it's live.

SIDELINE BARRIERS - Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four inches thick.

STUNTING OR TWISTING - When a defensive lineman is rushing the passer, there's no "stunting" or "twisting". In other words, linemen are required to power past offensive linemen.

TIGHT END - One offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and "declaring" himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

TWO-WAY PLAYERS - One of the most "throwback" features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

TRANSACTIONS DEFINED

ASSIGNED - Player signs with team.

REASSIGNMENT - Player released from team.

RECALLABLE REASSIGNMENT - Team has 48 hours to activate player before he becomes a free agent.

OTHER LEAGUE EXEMPT - Player signs with CFL or NFL.

Playoff Format

Eight teams qualify for the playoffs, four from each conference-- American and National. The four qualifying teams in each conference consist of the two division champions and two Wildcards, determined by best overall record. Seeding in each conference is based on overall record, with the top two seeds in each conference reserved for the division champions, regardless of record. In the First Round, August 2-3, the first two seeds in each conference are the two division winners. The next two teams are seeded by next best two overall records. Teams ranked 1 and 2 earn home playoff games with 1 hosting 4 and 2 hosting 3. In the Conference Championship Round, August 9-10, the winner of the 1-4 game plays the winner of the 2-3 game. The home team is decided by the team with the higher seed. The winners of the Second Round will face off in ArenaBowl XXVII on August 23rd, with the highest remaining seed hosting the championship game.

Tiebreaking Procedures

DEFINITIONS

Strength of Schedule - Combined winning percentage of opponents played.

Best net points in all games - Difference of points scored and points scored against. (Includes all points: offense, defense and special teams.)

Winning percentage - Total number of wins divided by total number of games.

DIVISION CHAMPIONS - TWO TEAMS

If two teams are tied for Division Championship:

Head-to-head (best winning percentage in games between the clubs)

Point differential in head-to-head games

Best winning percentage in division games

Best net points in all games

Strength of Schedule

Coin toss

DIVISION CHAMPIONS - THREE OR MORE TEAMS

(Note: If three or more teams are tied, follow steps until one team is eliminated.

Once two teams remain, revert back to Step 1 of the two team tiebreaker to determine which team advances.)

Head-to-head (best winning percentage in games among the clubs)

Best winning percentage in division games

Best net points in all games

Strength of Schedule

Coin toss

WILDCARD - TWO TEAMS

If it is necessary to break ties to determine the two Wildcard teams from each conference, the following steps will be taken:

Head-to-head (best winning percentage in games between the clubs)

Point differential in head-to-head games

Best net points in all games

Strength of schedule

Best winning percentage in division games

Coin toss

Playoff Tiebreakers

WILDCARD - THREE OR MORE TEAMS

(Note: If three or more teams are tied, follow steps until one team is eliminated. Once two teams remain, revert back to Step 1 of the two team tiebreaker to determine who advances)

Head-to-head (best winning percentage in games between the clubs)

Best net points in all games

Strength of schedule

Best winning percentage in division games

Coin toss

OTHER TIE-BREAKING PROCEDURES

Only one team advances to the playoffs in any tie-breaking step. Remaining tied teams revert to the first step of the applicable two team division or Wildcard tiebreakers. As an example, if two teams remain tied in any tie-breaker step after all other teams have been eliminated, the procedure reverts to Step 1 of the two-team format to determine the winner. When one team wins the tiebreaker, all other teams revert to Step 1 of the applicable two-team or three-team format. In comparing records within the division among tied teams, the best winning percentage is the deciding factor, since teams may have played an unequal number of games.

CONFERENCE SEEDING TIE-BREAK PROCEDURE

If both division winners in the same conference finish with the same record, the following will break the tie for seeding purposes:

Head-to-head, best winning percentage in games between clubs

Point differential in head to head games

Total net points in all games

Strength of schedule

Best winning percentage in division games

Coin toss.

ARENABOWL TIE-BREAK PROCEDURE

furthering the sport with a strong business ethic and core values meant to bring the highest quality product to the ever-growing fan base of arena football fans.

In his time as the president of the af2, the League saw extensive growth in small-to-mid sized markets, building an extremely dedicated fan base across the country. That foundation helped to fuel the return of the Arena Football League in 2010 after a year on hiatus due to financial instability. Kurz and a group of enthusiastic investors arranged the acquisition of the AFL's assets in bankruptcy court in late 2009 and revived the League in early 2010, fulfilling the promise that Arena Football would be played in 2010.

Kurz has also served as the AFL's Vice President of International Development, where he was in charge of the League's international exposure. During his tenure, he was responsible for administering the H3 Visa program, allowing international players to play for AFL teams stateside. He also arranged and executed all internationally played games for the Arena Football League.

Arena Football isn't Kurz's only claim to fame. He is also a founding member of Gridiron Enterprises, Inc., a sports consulting firm based out of Chicago. Gridiron Enterprises, consisting of Kurz, Foster and attorney William Niro, is the original founder of the AFL. Kurz has been a player, a coach, a general manager and an owner during his lifelong involvement with the game of football. He is also a member of four football Halls of Fame, including membership in the first class of the Arena Football Hall of Fame as well as membership in the arenafootball2 Hall of Fame.

Kurz attended the University of Oklahoma as an undergraduate and later earned his Juris Doctor Degree at Northern Illinois. Kurz is a licensed attorney in Illinois and operated a law firm with his wife, Kathryn Hall, for 20 years. Jerry and his wife, Kathryn, have one son named Matthew, who currently serves as the Director of Player Personnel for the AFL.
