COMMISSIONER JERRY B. KURZ

Jerry B. Kurz returns for his 27th season of Arena Football and fourth season as the AFL's Commissioner. Out-tenured only by the creator of Arena Football, Jim Foster, Kurz has dedicated his life to furthering the sport with a strong business ethic and core values meant to bring the highest quality product to the ever-growing fan base of Arena Football fans.

In his time as the president of the af2, the League saw extensive growth in small-to-midsized markets, building an extremely dedicated fan base across the country. That foundation helped to fuel the return of the Arena Football League in 2010 after a year on hiatus due to financial instability. Kurz and a group of enthusiastic investors arranged

the acquisition of the AFL's assets in bankruptcy court in late 2009 and revived the League in early 2010, fulfilling the promise that Arena Football would be played in 2010.

Kurz has also served as the AFL's Vice President of International Development, where he was in charge of the League's international exposure. During his tenure, he was responsible for administering the H3 Visa program, allowing international players to play for AFL teams stateside. He also arranged and executed all internationally played games for the Arena Football League.

Arena Football isn't Kurz's only claim to fame. He is also a founding member of Gridiron Enterprises, Inc., a sports consulting firm based out of Chicago. Gridiron Enterprises, consisting of Kurz, Foster and attorney William Niro, is the original founder of the AFL. Kurz has been a player, coach, general manager and owner during his lifelong involvement with the game of football. He is also a member of four football Halls of Fame, including membership in the first class of the Arena Football Hall of Fame as well as membership in the arenafootball2 Hall of Fame.

Kurz attended the University of Oklahoma as an undergraduate and later earned his Juris Doctor Degree at Northern Illinois. Kurz is a licensed attorney in Illinois and operated a law firm with his wife, Kathryn Hall, for 20 years. Jerry and his wife, Kathryn, have one son named Matthew, who currently serves as the Director of Player Personnel for the AFL.

2014 Media Guide

RULES OF THE GAME

FIELD

- An indoor padded surface 85 feet wide and 50 yards long with eight-yard end zones.
- Goal posts are nine (9) feet wide with a crossbar height of 15 feet (NFL goal posts are 18-1/2 feet wide with the crossbar at 10 feet).
- The goal-side rebound nets are 30 feet wide by 32 feet high. The bottoms of the nets are eight (8) feet above the ground.
- Sideline barriers are 48 inches high and made of high-density foam rubber.

EQUIPMENT

- The official football is the same size and weight as the National Football League ball. Each ball is manufactured by Spalding, a division of Russell Corporation.

PLAYERS AND FORMATIONS

- Eight players on the field; 21-man active roster; three-man inactive roster.
- Players may play both offense and defense.
- Substitution: Coaches are permitted to substitute players at will.
- Four (4) offensive players must line up on the line of scrimmage.
- Three (3) defensive players must be down linemen (in a three- or four-point stance). One linebacker may blitz on either side of the center. Alignment is two-or-more yards off the line of scrimmage. No stunting or twisting.
- Offensive motion: One receiver may go in forward motion before the snap.

TIMING

- Four (4) 15-minute quarters with a 15-minute halftime.
- The clock stops for out-of-bounds plays or incomplete passes only in the last minute of each half and when the referee deems it necessary for penalties, injuries or timeouts.
- Each team is allowed three (3) timeouts per half.

2014 Media Guide

MOVEMENT OF THE BALL AND SCORING

- Four (4) downs are allowed to advance the ball ten (10) yards for a first down, or to score.
- Six (6) points for a touchdown.
- One (1) point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after a touchdown.
- Three (3) points for a field goal by placement or four (4) points for a field goal by drop kick.
- Two (2) points for a safety.

KICKING

- Kickoffs are from the goal line. Kickers may use a one-inch tee.
- Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.
- The receiving team may field any kickoff or missed field goal that rebounds off the net.
- Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

PASSING

- Receivers must have one foot inbounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

OVERTIME RULES

- Overtime periods are 15 minutes for both the regular season and the playoffs.
- Each team gets one (1) possession to score. If, after each team has had one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.

GLOSSARY OF TERMS

BALL IN THE STANDS – When a ball is thrown or bounces into the seats surrounding the playing field, the “lucky” fan that catches the ball keeps it.

DROP KICK – A drop-kicked FG is worth 4 points. A drop-kicked extra point is worth 2 points. Spokane Shock kicker Taylor Rowan was the last man to connect on a two-point dropkick (7/22/2011 vs. Jacksonville).

IRONMAN – Signifies participants playing both offense and defense.

FANS – More than 26 million fans have experienced an AFL game in the League’s 24-year history. Last year, in 2011, the AFL drew 1,338,544 fans in the regular season.

“MAC” AND “JACK” LINEBACKERS – “Mac” may rush the QB straight on without stunting, twisting or drop-back coverage. “Jack” must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end.

OFFENSIVE MOTION – Unlike stadium-played football, one offensive back may go into forward motion prior to the snap of the ball.

OVERTIME – Arena Football has a unique overtime rule: If a contest is tied after regulation, teams will play a 15-minute overtime. Each team will have one opportunity to score. If, after each team has had one chance to score, the game is tied, the first team to score is crowned the winner.

REBOUND NETS – Goal-side rebound nets extend outward from each upright. The nets are 30-feet wide, 32-feet high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight (8) feet above the surface. The “scoring area” is nine-feet wide and 15-feet high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it’s live.

SIDELINE BARRIERS – Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four (4) inches thick.

STUNTING OR TWISTING – When a defensive lineman is rushing the passer, there’s no “stunting” or “twisting.” In other words, linemen are required to power past offensive linemen.

TIGHT END – One offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and “declaring” himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

2014 Media Guide

TWO-WAY PLAYERS– One of the most “throwback” features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

MISCELLANEOUS INFORMATION

Roster Limits

From the first day the League allows the signing of free-agent players until the first league-sanctioned cut-down date, teams are prohibited from having more than 35 players on their roster. Players listed on the active list or free-agent signees are considered eligible to be counted for the 35-man roster.

Teams will be required to reduce their active lists to 28 players by 5 p.m. CST 14 days before the first regular season game and to 24 players by 5 p.m. CST seven days before the first regular season game.

Each team may maintain a maximum 20-player roster and 4-player practice squad during the season. In a documented emergency, a team may add an emergency kicker to their roster, no later than one hour before kickoff.

Trades

The trading period began on November 5, 2012 and will end at 5 p.m. CST on Monday, June 10, 2013. Upon reporting to his new team, each traded player must pass the physical given by his new team. Failure to pass the physical and/or failure to report will nullify the trade.

Reserve Lists

The reserve list of each team consists of the following categories; retired, refused to report, inactive reserve, injured reserve, suspended, other league exempt and physically unable to perform.

Injured Reserve

A player who is placed on injured reserve list must remain on injured reserve for a minimum of four weeks. Training camp weeks will not count against that total. Teams activating players from their injured reserve list must do so no less than 24 hours prior to that team’s game.

PLAYOFF QUALIFICATION, SELECTION OF TEAMS

Eight teams qualify for the playoffs, four from each conference-- American and National. The four qualifying teams in each conference consist of the two division champions and two Wildcards, determined by best overall record. Seeding in each conference is based on overall record, with the top two seeds in each conference reserved for the division champions, regardless of record. In the **First Round, August 2-3**, the first two seeds in each conference are the two division winners. The next two teams are seeded by next best two overall records. Teams ranked 1 and 2 earn home playoff games with 1 hosting 4 and 2 hosting 3. In the **Conference Championship Round, August 9-10** the winner of the 1-4 game plays the winner of the 2-3 game. The home team is decided by the team with the higher seed. The winners of the Second Round will face off in **ArenaBowl XXVII on August 23rd**.

Tiebreaking Procedures

If, at the end of the regular season, two or more clubs are tied with identical won-lost percentages, the following steps will be taken to determine rank.

2. Record within the Division

Executive Vice President/Chief Operating Officer – Keith Recine

Keith Recine enters his seventh season in the Arena Football League as Executive Vice President and Chief Operating Officer of the San Antonio Talons. He spent five years with the Orlando Predators as Director of Game Day Operations and Corporate Sponsorship Coordinator, and also spent time in the Orlando ticket office prior to arriving in San Antonio in 2013. He joined the Predators in 2008 after almost twenty years in the Orlando service industry. He also spent extensive time in public relations and public affairs. He joined the San Antonio Talons and was charged with overseeing the team's business operations as well as helping to build the football program. In his first year the team increased season ticket sales by over 400% and overall revenues by more than 200% as the team won 10 games on the field.

Recine has been actively involved in local politics in the past and devotes a great deal of time to local public policy issues. He and his wife Sawsan have been married for 18 years and have a 17-year-old son, Mazin, who attends Johnson High School.

Head Coach – Lee Johnson

Coach Johnson is in his third season as the San Antonio Talons head coach. Johnson began his coaching career with the Winnipeg Blue Bombers of the Canadian Football League, serving as defensive line coach in 1997 before being promoted to defensive coordinator the following season. He gained NFL coaching experience with an internship for the Denver Broncos in 2002 under then-defensive coordinator Ray Rhodes and defensive line coach Jacob Burney. He served as the defensive line coach for the Berlin Thunder of NFL Europe in 2001-02, helping guide the team to two World Bowl titles.

Johnson started his Arena Football League coaching career in 2000 as the defensive coordinator for the Carolina Cobras in their inaugural season. From 2003-06, Johnson was on the coaching staff of the Colorado Crush. He was originally named defensive coordinator and spent his final three seasons with the Crush as special teams/line coach. He spent the 2007 season as defensive coordinator of the Austin Wranglers. Johnson was the line coach with the Cleveland Gladiators in 2008. Under his guidance, the offensive line paved the way for fullback Marlion Jackson to rush a league-leading 356 yards and tied for the league lead with 23 rushing touchdowns. Last season, he was the line coach under Arena Football Hall of Fame Chicago Rush Head Coach Mike Hohensee with the AF2's Peoria Pirates. In 2010 Johnson took the defensive coordinator position with the Orlando Predators. After helping the Predators to two post season runs, Johnson was offered the head coaching position with the San Antonio Talons. Johnson led the Talons to a Central Division championship in 2012.

Prior to his coaching career, Johnson had a playing career spread across the NFL, World League, CFL, and AFL. Johnson was a member of the Washington Redskins when they won the Super Bowl in 1991. Most of his success as a player came in the AFL. Johnson played three seasons split between the Tampa Bay Storm and Charlotte Rage. Johnson was also a student-athlete at the University of Missouri where he played on the defensive line from 1987 to 1990.
