COMMISSIONER SCOTT C. BUTERA

Three important assets greeted Scott Butera when the Arena Football League asked him to be its new Commissioner at the end of the 2014 season. The first was a committed ownership group eager to grow the Arena Football's undervalued brand. The second was a talented, dedicated group of players, coaches and staff poised to deliver a fast-paced, highly entertaining version of America's favorite sport. The most important was a passionate and intensely loyal group of fans.

For Butera, now in his second full year as commissioner, it was a familiar scene. He spent much of his career dusting off brands by unlocking their hidden values. This time there was the added allure of working on a product for which he admits a certain fanaticism. "Football is my sport. I've followed it from childhood and I played it in school. It's literally been a lifetime passion."

Having made a name for himself by lifting the fortunes of major brands like Tropicana and Foxwoods, Butera arrived at the AFL ready to apply his finely honed business operations and marketing instincts. He did what has made him successful in other ventures. He focused on the positives and used them as building blocks to the future. And there is a lot to build on at the AFL.

Besides owner commitment and staff passion, Butera thinks he's inherited compelling inventory. For one, America's love of football seems almost insatiable. No less than 86 percent of US TV households tuned into the pro sport last Fall; and last summer, the Arena League experienced a respectable growth spurt. Game attendance popped by 3.5 percent over the previous year. The AFL Championship Game at Stockton Arena in San Jose, California attracted a near sellout crowd. TV viewership of the arena game also rose and the League widely increased its social media footprint in 2015.

The challenge for year one, Butera claims, was stability, and it has been largely achieved. For year two the goal is brand building and growth positioning. Butera doesn't think that the League needs to retool the game product. The issue is to build a greater following for it. There is a perceived performance gap in the sport – no games from February to August – and Butera is intent on filling it with the high energy, fan-friendly style of football that is played in his League.

Butera describes AF as the ultimate combination American favorites. America's favorite sport: football. America's favorite season: summer. America's favorite speed: fast. American's favorite price: family. The challenge is to get more exposure for the game and its people. "We need to show people how much fun they can have by following Arena Football."

Butera succeeded in getting ESPN and CBS Sports to buy in with more plentiful game broadcasts. For the first time in 2016, there will be a game of week. The arrangements help get more eyeballs on the game which in turn helps attract strong promotion partnerships with companies who want to give the smart phone generation – millennials and moms, especially – a pulse-raising in-arena experience and ways to engage through mobile technologies and social media.

Butera has a few things going for him as he works to grow the Arena Football League. For one, he is a skilled financial executive who has a knack for squeezing a lot of value out of every dollar. For another, as one of his owners said, "He is very solid, steady and talented ... an excellent guy with great business instincts."

Plus, Butera is no stranger to sports marketing. At his last business stop, he helped Foxwoods Resort enter into successful marketing partnerships with the Boston Red Sox, New York Yankees, New York Rangers, New York Knicks and Madison Square Garden.

Butera possesses a rare combination of skills that have helped him revitalize brands.

"He's an investment banker at heart, a great transaction guy," says Tom Benninger, former global head of restructuring at UBS Investment Bank. "But in the last few years, I think he's really developed his operational skills. It's pretty unique to have someone be really good at both."

This rare blend of talents helped him as CEO of Tropicana Entertainment (2008-11) where he managed to revitalize the iconic brand through strategic capital investments, improved regulatory relations, and highly targeted marketing. All the while, he kept the reins on expenses.

Born and raised in Massachusetts, Butera began his financial career in investment banking, spending 20 years with UBS Investment Bank, Credit Suisse First Boston, Smith Barney and Bear Stearns & Co. During that time, he concentrated on analysis and client service for companies in real estate, lodging, gaming and leisure industries.

He earned his MBA at New York University's Leonard N. Stern School of Business. He recently served as a member of the Board of Fellows at his alma mater Trinity College.

TOTAL ROSTER

- 21 active players
- Three inactive players

TIME OF PLAY

- Four 15 minute quarters
- 15 minute halftime
- 15 minute overtime
- 32/25 second dock

MOVEMENT OF THE BALL AND SCORING

- Four (4) downs are allowed to advance the ball ten (10) yards for a first down, or to score.
- Six (6) points for a touchdown.
- One (1) point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after a touchdown.
- Three (3) points for a field goal by placement or four (4) points for a field goal by drop kick.
- Two (2) points for a safety.

KICKING

- Kickoffs are from the goal line. Kickers may use a one-inch tee.
- Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.
- The receiving team may field any kickoff or missed field goal that rebounds off the net.
- Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

PASSING

- Receivers must have one (1) foot inbounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

OVERTIME RULES

- Overtime periods are 15 minutes for both the regular season and the playoffs.
- Each team gets one (1) possession to score. If, after each team has had one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.

GLOSSARY OF TERMS

BALL IN THE STANDS – When a ball is thrown or bounces into the seats surrounding the playing field, the “lucky” fan that catches the ball keeps it.

DROP KICK – A drop-kicked FG is worth four (4) points. A drop-kicked extra point is worth two (2) points.

IRONMAN – Signifies participants playing both offense and defense.

“MAC” AND “JACK” LINEBACKERS – “Mac” may rush the QB straight on without stunting, twisting or drop-back coverage. “Jack” must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end.

OFFENSIVE MOTION – Unlike stadium-played football, one (1) offensive back may go into forward motion prior to the snap of the ball.

OVERTIME – Arena Football has a unique overtime rule: If a contest is tied after regulation, teams will play a 15-minute overtime. Each team will have one opportunity to score. If, after each team has had one chance to score, the game is tied, the first team to score is crowned the winner.

REBOUND NETS – Goal-side rebound nets extend outward from each upright. The nets are 30-feet wide, 32-feet high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight (8) feet above the surface. The “scoring area” is nine-feet wide and 15-feet high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it’s live.

SIDELINE BARRIERS – Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four (4) inches thick.

STUNTING OR TWISTING – When a defensive lineman is rushing the passer, there’s no “stunting” or “twisting.” In other words, linemen are required to power past offensive linemen.

TIGHT END – One (1) offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and “declaring” himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

TWO-WAY PLAYERS – One of the most “throwback” features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

MISCELLANEOUS INFORMATION

ROSTER LIMITS

From the first day the League allows the signing of free-agent players until the first League-sanctioned cut-down date, teams are prohibited from having more than 35 players on their roster. Players listed on the active list or free-agent signees are considered eligible to be counted for the 35-man roster. Teams will be required to reduce their active lists to 28 players by 5 p.m. CST 14 days before the first regular season game and to 24 players by 5 p.m. CST seven days before the first regular season game.

Each team may maintain a maximum 24-player during the season. In a documented emergency, a team may add an emergency kicker to their roster, no later than one hour before kickoff.

2016 HEAD COACH

KEVIN GUY (Overall Record: 104-38)

PRO CAREER: Hired by Arizona Rattlers on August 10, 2007, Kevin Guy enters his eighth season as the general manager and head coach of the Rattlers and his 16th as an Arena Football coach. In seven seasons in Arizona, Guy has compiled a regular season record of 91-31 and a postseason record of 12-4. In his first season as head coach, Guy guided the Rattlers to an 8-8 record – a four game improvement from the previous season – and a berth in the playoffs. Guy earned NFL Network Coach of the Year honors in 2011 after leading the Rattlers to an AFL record 18 wins and an appearance in ArenaBowl XXIV. In 2012, the Rattlers capped off their season by defeating the Philadelphia Soul, 72-54, in ArenaBowl XXV. In 2013, Guy led his team back to ArenaBowl XXVI, where the team again defeated the Philadelphia Soul, 48-39. Guy became the first coach in AFL history to be the head coach and win three straight ArenaBowls after the Rattlers defeated the Cleveland Gladiators in ArenaBowl XXVII, 72-32. In the following season, Guy led his team to the Western conference finals, and was nominated for the AFL Hall of Fame. He was also inducted into the University of West Alabama (his alma mater) Hall of Fame in 2015. He began his coaching career in 2000, serving as the defensive coordinator of the New Jersey Red Dogs. At age 26, he was named the team's interim head coach for the final four games of the 2000 season. The next year, he served as the defensive coordinator of the Florida Bobcats, where the defense averaged six stops per game. He received his first head coaching job in 2002 with the Tennessee Valley Vipers of the af2 and earned af2 Coach of the Year honors in 2003. He left the Vipers and joined the Rio Grande Valley Dorados (af2) as head coach in 2005, before returning to the defensive coordinator position for the San Jose SaberCats from 2006-2007. He left the af2 as a Hall of Famer and the league's all-time winningest coach. Before coaching, he played in the AFL as WR/DB with the Minnesota Fighting Pike, New Jersey Red Dogs and Orlando Predators recording 157.5 tackles and 263 receiving yards in his career.

CLEVELAND GLADIATORS

2016 HEAD COACH

STEVE THONN (Overall Record: 78-100)

PRO CAREER: Hired by the Cleveland Gladiators on December 23, 2009, Steve Thonn enters his seventh season as the head coach of the Gladiators and his 19th as a coach in the AFL. In six seasons in Cleveland, Thonn has compiled a regular season record of 54-52 and a postseason record of 2-3. Thonn began his coaching career as the wide receivers and special teams coach for the Firebirds in 1994. In 1995, he became the offensive coordinator for the Connecticut Coyotes before being named to the same position with the Milwaukee Mustangs the following season. He landed his first head coaching job in 1998 with the Houston Thunderbears, where he coached for four seasons. In 2004, Thonn was tabbed as the offensive coordinator of the Georgia Force. The Force compiled a 33-15 regular season record and made appearances in two conference championship games and one ArenaBowl during his time with the team, while his offensive unit posted 145 touchdowns in 2007, more than any squad in the League history up to that point. The accolades earned Thonn another head coaching job in 2008, this time with the Grand Rapids Rampage.

Despite a 6-10 regular season record, the Rampage qualified for postseason play and won two games in the playoffs before being eliminated by the San Jose SaberCats in the conference championship game. Thonn took over as the head coach and director of football operations for the Cleveland Gladiators in 2010. In 2011, Thonn guided Cleveland to a 10-8 record and the American East Division crown. In 2014, Thonn led the Gladiators to a historic 17-1 regular season which included an American Conference championship and a trip to ArenaBowl XXVII. Prior to coaching, Thonn enjoyed a five-year playing career as a wide receiver and defensive back with the Chicago Bruisers and Albany Firebirds.

BACKGROUND: Wide receiver, Wheaton College (1984-1987). WR/DB with Chicago Bruisers (1988), Albany Firebirds (1990-1993). Wide Receivers/Special Teams, Albany Firebirds (1994). Offensive Coordinator, Connecticut Coyotes (1995). Offensive Coordinator, Milwaukee Mustangs (1996). Head Coach, Houston Thunderbears (1998-2001). Offensive Coordinator, Georgia Force (2004-2007), Head Coach, Grand Rapids Rampage (2008). Head Coach, Cleveland Gladiators (2010-present).

2016 HEAD COACH

Omarr Smith (Overall Record 0-0)

PRO CAREER: Hired by the LA KISS on November 4, 2016, Omarr Smith enters his first year as the head coach of the KISS and sixth as a coach in the Arena Football League. He spent the previous two seasons with the San Jose SaberCats where he was the defensive coordinator and assistant head coach. In 2015, he was a major factor in the SaberCats 20-1 record and ArenaBowl championship. Prior to San Jose, Omarr Smith was the defensive coordinator for the Arizona Rattlers from 2011-2013. During his time in the desert, his defense surrendered the second least points per game and led the team to the 2012 and 2013 ArenaBowl championships. Smith was the NET10 Assistant Coach of the Year in 2013. He began his coaching career in the af2, the AFL's developmental league, in 2009. He served as the Arkansas Twisters defensive backs coach. Before becoming a coach, Smith played in the AFL from 2000 to 2009. He spent eight of his nine seasons with the San Jose SaberCats. In 2003, the one year he was not on the SaberCats roster, Smith played for the Tampa Bay Storm. From 2002 to 2004 Smith won three straight ArenaBowl championships, two with the SaberCats and one with the Storm. He also won ArenaBowl XVIII in 2007. During his AFL career Smith totaled 475 tackles, 88 pass breakups, and 35 interceptions. To reward his success on the field, the SaberCats retired Smith's #14 jersey. Smith was inducted into the Arena Football Hall of Fame in July of 2015.

2016 HEAD COACH

ROB KEEFE (Overall Record: 45-25)

PRO CAREER: Hired by the Orlando Predators on December 24, 2013, Rob Keefe enters his third year as the team's head coach and his eighth as an Arena Football coach. In his first season with the Predators, Keefe directed the franchise to its first division title since 2006, coming within one win of a berth in the ArenaBowl. The 2014 Orlando Predators secured the South Division Championship and reached the American Conference Championship. In 2015, Keefe led the team to its second consecutive division title, marking the first time the franchise has achieved back-to-back division titles since 1993. Orlando secured its 22nd postseason berth by posting 12 wins in the regular season for just the second time in franchise history and the first since 2003. He began his coaching career in 2009 as an assistant coach for the ArenaCup champion-Spokane Shock. When the Shock joined the AFL in 2010, Keefe became the team's head coach, leading Spokane to a 13-3 record and ArenaBowl XXIII victory, making him the youngest head coach in League history to win an AFL championship. He spent a brief period of time with the Orlando Predators as the team's

offensive coordinator in 2012 before joining the Utah Blaze staff as a defensive coordinator. Prior to his coaching career, Keefe joined the Spokane Shock as a defensive back in the team's inaugural af2 season in 2006. He ended his two-year tenure with the team as the franchise leader with 168 tackles and 19 interceptions in addition to earning All-af2 honors both years. He joined the Philadelphia Soul in 2008 and was part of the team's ArenaBowl XXII championship squad.

2016 HEAD COACH

CLINT DOLEZEL (Overall Record: 39-21)

PRO CAREER: Promoted to head coach by the Philadelphia Soul on August 21, 2012, Clint Dolezel enters his fourth season at the helm for the Soul and his fifth as an Arena Football coach. In three seasons as head coach of the Soul, Dolezel compiled a regular season record of 36-18 with two East Division championships, and American Conference championship and appearance in ArenaBowl XXVI. Though he served as his own offensive coordinator much of his playing career, Dolezel's first full-time coaching job came as the play caller for the af2's Florida Firecats in 2009. In 2011, he landed his first head coaching job with the Dallas Vigilantes. In his lone season with the team, Dolezel led Dallas to an 11-7 record and a postseason berth. The following season, Soul head coach Doug Plank tabbed Dolezel to be the team's offensive coordinator. Under Dolezel's guidance, Philadelphia led the League in points per game (68.5), rushing yards per carry (4.2) and rushing touchdowns (41), in addition to allowing a League-low five sacks on the season. When Plank resigned at the conclusion of the 2012 season, Dolezel was promoted to head coach. Before joining the coaching ranks, Dolezel had a 13-year career as a quarterback with six different teams. He was a three-time All-Arena selection (2001, 2006-2007)

during his playing career and voted the No. 8 Greatest Player and No. 5 Greatest Quarterback in AFL History by Silver Anniversary Committee in 2012. In 2001, he guided the Grand Rapids Rampage to the XV ArenaBowl championship. Dolezel was inducted into the Arena Football League's Hall of Fame on April 12, 2013.

An offensive lineman for Siena College (NY) from 1982-1985, James began his coaching career in 1986, when he was introduced as Siena's linebackers coach. He began his Arena Football League career three years later, acting as an assistant for the Albany Firebirds from 1990 to 1991. James would return to the college coaching ranks following his two seasons in Albany, eventually serving as the offensive line coach for West Point from 1997-1998. James would return to the AFL coaching ranks in 1999 with the Houston

ThunderBears, before settling in as the assistant head coach for the Las Vegas Gladiators three years later. James would spend the next five seasons in Las Vegas, with the Gladiators eventually promoting him to head coach in 2005, a year in which the Gladiators led the AFL in both total offense and total defense. James would lead the Gladiators to 14 different team records in his two seasons at the helm, including new franchise season-highs for passing yards (4,664) and total yards (4,996). James would then part ways with the Gladiators when the team sealed it's move to Cleveland. James began his time with the Utah Blaze in 2007, eventually gaining promotion to head coach in 2010. James guided Utah to their best season in team history in 2012, with a 12-6 record, garnering honors as the AFL Head Coach of the Year. James would later lead the Pittsburgh Power to a 15-2 record in 2014, having taken over the head coaching position following the first game of the season. That season, the Pittsburgh defense led the AFL in interceptions with 36, was second in scoring defense at 43.2 points allowed per game, and was third in the League in total defense.

He burst up the middle for 56 yards to give the Rattlers a 24-13 halftime cushion. Cooper made it 38-13 with 6:45 left in the third when he leaped high for a pass thrown by Iowa's Kurt Warner, came down in the clear and bolted 30 yards for his third score. August 23, 1998, Attendance: 17,222

Orlando 62, Tampa Bay 31 - Rick Hamilton rushed for an ArenaBowl-record 82 yards and three touchdowns and Chris Barber had three of Orlando's six interceptions as the Predators won their first ArenaBowl over the expense of the rival-Tampa Bay Storm. Orlando had played in three of the previous 11 ArenaBowls, losing each of them. Tampa Bay lost its first ArenaBowl in five appearances. Orlando led by seven at halftime before taking advantage of Tampa Bay turnovers to blow the game open with 23 straight points. Barry Wagner intercepted an errant pass from Peter Tom Willis to open the half, setting up Hamilton's five-yard score. On the ensuing kickoff, George LaFrance fumbled the ball back into the end zone and was tackled by Webbie Burnett for a safety. Orlando took the free kick and drove 34 yards, ending with Hamilton's 10-yard run with 10:02 remaining. Wagner capped the rally with a 48-yard missed field goal return that gave Orlando a 47-17 lead with 5:25 remaining in the third quarter. The Predators intercepted Willis six times, including a 22-yard interception return by Damon Mason for a third quarter touchdown. The Predators led 24-17 at halftime after dominating the second period behind two of Barber's interceptions. Trailing 14-10, Orlando coach Jay Gruden elected for a fake field goal and backup QB Connell Maynor ran 3 yards to give Orlando a 17-14 lead at 7:47 remaining. After Bjorn Nittmo tied it with a 44-yard field goal, Hamilton turned a third-and-inches dive into an ArenaBowl record 36-yard touchdown run to put Orlando ahead for good.

Albany 59, Orlando 48 – Eddie Brown set two ArenaBowl records with 12 receptions for 185 yards and tied the championship game record with four touchdown receptions as he garnered game MVP honors and helped lead the Firebirds to their first ArenaBowl title. Albany, celebrating its 10th season in the League, won in its first ArenaBowl appearance, while Orlando lost for the fourth time in five tries. The two teams combined to set six records, including combined points in a game (107), while Albany set six team records and Orlando set one. The two teams opened the game by combining for 35 points. Albany took control of the game in the second frame, as Brown scored his second touchdown of the contest to help stake the Firebirds to a 38-21 halftime advantage. Orlando snuck right back into the game by scoring 13 unanswered points in the third quarter on two Jack Jackson touchdown receptions to pull within four heading into the final stanza. Brown scored his fourth and final touchdown with 54 seconds left to give the Firebirds what looked like an insurmountable lead, 52-42, after taking in QB Mike Pawlawski's sixth touchdown pass of the game. Orlando quickly battled back, as Jackson scored his third touchdown of the game, this time from 39 yards out only 28 seconds later to pull the defending champions within four points of the lead with 26 seconds to play. Brown recovered the ensuing onside kick and Albany put the game away as Jon Krick grabbed a six yard pass from Pawlawski in the back of the endzone to secure a championship for the Firebirds. Pawlawski's 347 passing yards and seven touchdowns set ArenaBowl records. Orlando's Barry Wagner earned Ironman of the Game honors as he totaled 190 all-purpose yards, including eight receptions for 109 yards and two touchdowns, while contributing four tackles and one interception on defense.

ARENABOWL XIV

TD Waterhouse Centre, Orlando, FL

August 20, 2000, Attendance: 15,989

Orlando 41, Nashville 38 - David Cool kicked a 19-yard field goal as time expired to lift the Orlando Predators over the Nashville Kats, 41-38, in ArenaBowl XIV. Cool was perfect after missing a 22-yarder with 7:03 left, redeeming himself to give the Predators (14-3) their second title in the past three seasons. Nashville backup quarterback James Brown replaced starter Andy Kelly with 11:48 left in the fourth quarter for Nashville (12-6). Brown threw an interception on his second play from scrimmage, but tossed a 45-yard touchdown pass to Darryl Hammond that helped the Kats tie the game with 5:37 remaining. Brown's two-point conversion flip to Cory Fleming tied the game at 38 apiece. After the Predators took the kickoff to their 12-yard line, Orlando's Rick Hamilton rushed twice to advance the ball to the Nashville 3, setting up a fourth down situation as the clock wound down. The Predators called time out with 1.7 seconds left for the winning attempt. The Predators' Connell Maynor threw for 202 yards on 17-of-28 passing with four touchdowns, including three in the first 19 minutes of the game. James Baron was named the Ironman of the Game for his play on the offensive and defensive lines. Baron recorded two of the Kats' record six sacks on Maynor and caught a touchdown pass in the third quarter for 28 yards. Nashville QB Andy Kelly was 13-of-24 passing for 180 yards and four touchdowns before exiting with a left leg injury early in the fourth quarter. With his four touchdown performance, Orlando QB Connell Maynor moved to second all-time in ArenaBowl career touchdown passes, with 10. Orlando head coach Jay Gruden was the only QB with more ArenaBowl TD tosses than Maynor in 2000, with 17.

ARENABOWL XV

Van Andel Arena, Grand Rapids, MI

August 19, 2001, Attendance: 11,217

Grand Rapids 64, Nashville 42 – Offensive specialist Terrill Shaw caught 12 passes, including an ArenaBowl record five touchdown receptions, as the Grand Rapids Rampage defeated the Nashville Kats 64-42 in ArenaBowl XV. Shaw, the game MVP, collected 172 receiving yards as the Rampage won its first championship in only the fourth season of AFL play for the Grand Rapids franchise. Nashville lost its second straight ArenaBowl in its second appearance. Quarterback Clint Dolezel was 26-of-36 for 308 yards for Grand Rapids and passed for seven scores. Two of his touchdowns went to Demo Odems, who was named the Ironman of the Game. Odems recorded six receptions for 70 yards on offense and had a key pass deflection that ended a crucial drive for the Kats in the fourth quarter. Grand Rapids set a new ArenaBowl record for most points scored, scoring on every offensive possession except the last, when kicker Brian Gowins attempted a 60-yard insurance field goal that fell short with 23 seconds left. Defensively, JoJo Polk led the way with four pass deflections and a key interception that set up a second-quarter scoring drive for the Rampage. Nashville, behind quarterback Andy Kelly (12-26 for 243 yards and three touchdowns), could not hold back the Grand Rapids defensive front, which pressured Kelly all game long, contributing to the Kats' defeat.

ARENABOWL XVI

Compaq Center at San Jose, San Jose, CA

August 19, 2002, Attendance: 16,942

San Jose 52, Arizona 14 – San Jose QB John Dutton earned game MVP honors, throwing for 236 yards and five touchdowns while completing 20-of-26 passes (76.9 percent). The five touchdown passes by Dutton tied him with Jay Gruden for the third-most thrown in a championship game. Dutton's performance was all the more dramatic considering that he spent most of 2002 as the backup to SaberCats QB Mark Grieb, who was inactive for the playoffs after suffering an injury late in the regular season. It was the first-ever ArenaBowl title won by the SaberCats in their first appearance in the title game. The 38-point win was the largest margin of victory in ArenaBowl history, while the 52 points scored by the SaberCats was the sixth-most in championship game history. Arizona, which won AFL titles in 1994 and 1997, suffered the franchise's first loss in an ArenaBowl. WR/DB Omarr Smith earned Ironman of the Game honors after recording five solo tackles, one interception and a fumble recovery on defense, to go along with four receptions for 34 yards and nine rushing yards on offense. OS James Hundon caught eight passes for 97 yards and three scores for San Jose. Veteran WR/DB Barry Wagner moved into a tie for second place in ArenaBowl history for career rushing touchdowns with three after scoring on a two-yard run in the second quarter. Arizona QB Sherdrick Bonner completed 14-of-32 passes for 172 yards, one touchdown and one interception. OS Maurice Bryant caught eight passes for a game-high 126 yards and a score for the Rattlers, who were held scoreless for the first three quarters of the game before averting the shutout with 14 fourth quarter points.

ARENABOWL XVII

St. Pete Times Forum, Tampa, FL

June 22, 2003, Attendance: 20,469

Tampa Bay 43, Arizona 29 - Lawrence Samuels punctuated a career-best year by earning both MVP and Ironman of the Game honors as the Tampa Bay Storm rolled over the Arizona Rattlers, 43-29. The win was the fifth for the Tampa Bay franchise, the most in League history and the first for the Storm since 1996. Tampa Bay seemed to be in trouble when quarterback John Kaleo went down in the third quarter with a sprained back, but backup Pat O'Hara filled in admirably, completing 7-of-13 passes for 103 yards, two touchdowns and a rushing score, allowing the Storm offense to continue to hum. Samuels had five receptions for 109 yards and three touchdowns to become the first player to win both game MVP and Ironman honors in an ArenaBowl. Kaleo and O'Hara combined to throw for 239 yards on 15-of-26 passes with three touchdowns. The Storm defense forced the Rattlers offense into a plethora of miscues, as Arizona had five turnovers, including four fumbles and one interception thrown by QB Sherdrick Bonner. The crowd of 20,469 marked a record-high in attendance at the St. Pete Times Forum for an AFL game, and was the second-highest attended ArenaBowl.

ARENABOWL XVIII

America West Arena, Phoenix, AZ

June 27, 2004, Attendance: 17,391

San Jose 69, Arizona 62 - Quarterback Mark Grieb passed for eight touchdowns, five to James Roe, as San Jose overcame a see-saw battle with Arizona to win 69-62 before a sellout crowd at America West Arena in Phoenix. Arizona lost its third consecutive ArenaBowl, while San Jose won the championship for the second time in three years. Arizona had swept the season series with San Jose and had won the last three contests overall against the SaberCats before falling in the championship game. Grieb was named Offensive Player of the Game with his performance. The crowd of 17,391 was the largest to witness an AFL game at America West Arena. The game saw eight ties and multiple lead changes, with the final possession determining the outcome of the contest. With 30 seconds left in the game, Bonner had to start from his own 11-yard line trailing 69-62. He drove the Rattlers to the San Jose five with two seconds to play. The final play of the game was a Bonner pass that sailed over the head of WR Orshawante Bryant and through the end zone incomplete, preserving the winning margin for San Jose.

ARENABOWL XIX

Thomas & Mack Center, Las Vegas, NV

June 12, 2005, Attendance: 10,822

Colorado 51, Georgia 48 – Clay Rush drilled a 20-yard field goal as time expired to give the Colorado Crush a 51-48 win in ArenaBowl XIX over the Georgia Force in Colorado's third season in the AFL. Rush's connection gave Colorado its final lead in a game in that the team never trailed, despite sharing the lead three times in the fourth quarter. The final deadlock came with 18 seconds remaining after Matt Nagy found Chris Jackson for a 20-yard score, but left just enough time for the Crush to strike back. Colorado got the ball with 18 seconds remaining at its own five-yard line. Quarterback John Dutton threw deep, connecting with receiver Kevin McKenzie for 37 yards. An illegal hands to the face penalty on Georgia moved the Crush forward to the Force four-yard line, setting up the winning field goal attempt. Colorado's Willis Marshall ran for three scores in the first half, the most for one player in an ArenaBowl since Art Schlichter ran for four in ArenaBowl IV. Marshall also snared six receptions for 111 yards and a score, and tacked on four tackles on defense to walk away with Ironman and Offensive Player of the Game honors. Colorado's win was a milestone for co-owners Pat Bowlen, Stan Kroenke and John Elway, as each were a part of NFL Championship teams. The Denver Broncos won two Super Bowls under Bowlen's stewardship and Elway's quarterbacking, while Kroenke was a minority owner of the St. Louis Rams during that team's championship season with Arena Football alum Kurt Warner behind center in 1999.

ARENABOWL XX

Thomas & Mack Center, Las Vegas, NV

June 11, 2006, Attendance: 13,476

Chicago 69, Orlando 61 – Las Vegas was a fitting setting for high-octane offensive performances by Chicago and Orlando, with the Rush coming out on top, 69-61. The defining moment of the game came when WR/LB Etu Molden caught a pass off the net with less than two minutes left, extending Chicago's lead to 62-47. The lead proved to be insurmountable at that point, sending the Rush home with the franchise's first ArenaBowl title. Orlando was held scoreless in the first quarter, the first time any team failed to score in the first quarter in ArenaBowl history. The Predators offense then reeled off four touchdowns in the second period, including two to WR/LB Javarus Dudley in less than a minute to take a 14-10 lead. The second score was set up after the Predators forced a turnover on the next kickoff return. The Rush responded with three second quarter touchdowns of their own, including two to offensive specialist Bobby Sippio. They added a 51-yard field goal in the closing seconds of the first half to take a 34-28 lead into halftime. The Rush continued to keep the pressure on the Predators throughout the second half. A Matt D'Orazio 15-yard touchdown pass to Dajuan Alfonzo gave the Rush a two possession lead with 27 seconds remaining in the game that Orlando was unable to overcome. D'Orazio was named Offensive Player of the Game, while Dennison Robinson won Defensive Player of the Game honors. Chicago's Bob McMillen was named Ironman of the Game. The announced crowd of 13,476 was the highest attendance at an AFL game at the Thomas & Mack Center, exceeding the attendance for ArenaBowl XIX (also played at the TMC), which had an attendance of 10,822.

ARENABOWL XXI

New Orleans Arena, New Orleans, LA

July 29, 2007, Attendance: 17,056

San Jose 55, Columbus 33 – The San Jose SaberCats won their third championship in six seasons, 55-33, over the Columbus Destroyers. San Jose QB Mark Grieb was named ArenaBowl MVP on the strength of a 24-of-29, 218 yard, four touchdown performance. The SaberCats defense was able to pressure Columbus into a pair of costly turnovers, as both Clevan Thomas and Omarr Smith had interceptions for San Jose. The SaberCats did not have a turnover in the game. With the win, San Jose head coach Darren Arbet joined Tim Marcum as the only head coaches in AFL history to win at least three ArenaBowls. San Jose got the first defensive stop of the game midway through the second quarter on Thomas' interception on a ball thrown by the Destroyers' QB Matt Nagy that was tipped at the line of scrimmage by 'Cats defensive lineman George Williams. Williams then entered the game on offense and caught a one-yard pass from Grieb to give the SaberCats a 27-14 lead that the team would carry on to the second half. After being outscored by Columbus 13-7 in the third quarter, San Jose's offense found a rhythm in the fourth quarter with 21 points to close out the game. In the fourth quarter, San Jose scored on rushing touchdowns by James Roe and Brian Johnson, giving the team three total rushing touchdowns for the night. Columbus, which led the League in rushing during the regular season, managed only one score on the ground on only 11 total yards, while San Jose had 13 total rushing yards. The announced attendance of 17,056 set an AFL record for highest attendance at a game played at a neutral site.

ARENABOWL XXII

New Orleans Arena, New Orleans, LA

July 27, 2008, Attendance: 17,244

Philadelphia 59, San Jose 56 – Philadelphia QB Matt D’Orazio completed an outstanding season to lead the Soul to their first ArenaBowl title over San Jose, 59-56. The veteran joined John Dutton as the only quarterbacks to lead two different teams to wins in ArenaBowl championships (Dutton accomplished the feat with San Jose in 2002, then Colorado in 2005). D’Orazio completed 26-of-43 passes for 302 yards and seven touchdowns to win game MVP honors for the second time in his career. He began the season as the backup to Tony Graziani after being released by Chicago following an injury-plagued 2007 campaign. Soul receiver Chris Jackson earned Offensive Player of the Game honors by catching 11 passes for 146 yards and three touchdowns. San Jose scored touchdowns on its first three possessions, but Philadelphia made two key defensive stops to turn a 20-14 deficit into a 34-20 advantage. The SaberCats turned the ball over on downs to stop one possession and Soul defensive back Eddie Moten picked off San Jose quarterback Mark Grieb on the next. It was the only interception of the game thrown by Grieb, who led the AFL in interceptions thrown in 2008. Grieb had another miscue in the third quarter when he fumbled the ball through the end zone, allowing Philadelphia to take a 46-27 lead. San Jose made the last half-minute interesting, scoring 16 points in 11 seconds with the help of an onside kick they caught on the hop and returned to the Philadelphia 14. Philadelphia, which rallied from a 33-7 deficit on the road to beat San Jose 58-57 in the regular season, finally sealed the win by recovering a second onside kick. San Jose’s Rodney Wright set an ArenaBowl record with 13 catches, including seven in the first quarter. Jason Geathers, a linebacker subbing for injured wide receiver James Roe, added five touchdown receptions, tying an ArenaBowl record (also held by Roe, set in ArenaBowl XVIII). The game marked the first ArenaBowl that used instant replay review. Philadelphia survived three replay challenges by San Jose, while the Soul was successful on its lone challenge of the game.

ARENABOWL XXIII

Spokane Arena, Spokane, WA

August 20, 2010 Attendance: 10,993

Spokane 69, Tampa Bay 57 – The Storm and Shock went into the ArenaBowl with similar regular seasons statistics, but the Shock proved to be the offensive powerhouse in the first matchup of the two franchises in league history. The Storm were the first to draw blood as LB Eric Ortiz rushed in a three-yard score with approximately 8:16 remaining in the first quarter to take a 7-0 lead. Spokane wasn’t far behind, however, scoring a touchdown of their own minutes later. The Shock marched down the field, driven by the QB Kyle Rowley-to-WR Markee White connection. Rowley eventually found an open WR Huey Whittaker for a touchdown, sending the crowd into a frenzy. The excitement of the score was overshadowed in the waning minute of the quarter, however, when Shock DL Jeremy Geathers sacked and forced Tampa QB Brett Dietz to fumble. The fumble was recovered by DL Richard Clebert, who was taken down just shy of a score. The second quarter was all about White, as Rowley found him open four times for scores. White’s second touchdown of the quarter was a wide open leaping catch as he crashed against the back boards to bring the score to 20-7 in favor of the Shock. The Storm began to slowly chip away at the Shock’s lead and eventually managed to take a one-point advantage with less than 30 seconds left in the half. But with 10 seconds left, Rowley once again found White for an easy score to take a 34-28 halftime lead. The Shock utilized the third quarter to slowly build a lead, aided by multiple penalties on the Storm. Tampa Bay’s only score of the quarter came in the final minutes when Ortiz

again rushed in another score to head into the fourth quarter down 35-48. Rowley found the open hands of Whittaker and White, as well as OL Ed Ta'amu, who rushed in a score to put the Shock up 62-41. Tampa Bay had one last score in the final minute to put them within 12, but Spokane obtained possession and watched the final seconds click off the clock as the sold out crowd of 11,017 erupted

ARENABOWL XXIV

US Airways Center, Phoenix, AZ

August 12, 2011 Attendance: 14,320

Jacksonville 73, Arizona 70 – Jacksonville Sharks QB Aaron Garcia threw the most important pass of his 17-year career in ArenaBowl XXIV. With two seconds left on the clock, the Sharks lined up on the Rattlers' 10-yard line. Dodging a sack, Garcia threw a 10-yard pass in the end zone to wide receiver Jeron Harvey. The score put Jacksonville ahead 73-70, upending the Arizona Rattlers on a gutsy call as time expired. The opening quarter saw the Rattlers jump on the board first with a two-yard rush from Odie Armstrong. Jacksonville answered by scoring just a minute later. Both teams scored two touchdowns the first quarter, but Jacksonville missed both extra points, putting the score at 14-12. To start the second quarter, Jacksonville took the lead for the first time after Jomo Wilson recovered a fumble in the end zone. After trading scores for most of the quarter, with 15 seconds left in the first half, Jacksonville fumbled in Arizona's territory, giving Arizona the chance to take back the lead. The Rattlers went into halftime with the lead, 35-32. A defensive battle in the third eventually gave the ball to the Rattlers in the red zone, leading to a 9-yard touchdown reception by Odie Armstrong. Jacksonville ended the scoring for the third quarter after nabbing a touchdown, but missed another extra point to make the score 38-42. The fourth quarter started with Armstrong bulldozing his way into the end zone for Arizona to make it a two-possession game. The Sharks answered with a 45-yard drive to score on a touchdown by Simmons. The Sharks posted 35 points in the fourth quarter, while Arizona had 28, the most combined points in any quarter in ArenaBowl history. In the final minute of play, each team scored two touchdowns. Arizona was the first to score in the final minute with a five-yard pass to WR Chris Jackson to nab a three point lead. Twelve seconds later, Jacksonville scored. Arizona scored once more, but Garcia would end up heaving the 10-yard touchdown pass with no time left on the clock to seal the victory for Jacksonville.

ARENABOWL XXV

New Orleans Arena, New Orleans, LA

August 10, 2012 Attendance: 13,648

Arizona 72, Philadelphia 54 – For the first time since 1997, the Foster Trophy headed back to Arizona, as the Rattlers defeated the Philadelphia Soul, 72-54, to win ArenaBowl XXV in New Orleans. The championship victory marked the third AFL title in franchise history. Coming into the game, Arizona had lost in each of their last four ArenaBowl appearances including 2011's last-second thriller against the Jacksonville Sharks. Nick Davila, National Guard MVP of the Game, Nick Davila, finished his MVP night 23-for-30 for 266 yards and nine touchdowns, seven of which found Offensive Player of the Game, Maurice Purify. The All-Arena receiver came away with nine catches for 143 yards. Brandon Anderson led the Rattlers defense with 10 tackles, while Brown added five tackles and two interceptions. For the Soul, Raudabaugh completed 26-of-42 passes for 285 yards and seven touchdowns. He also earned the unenviable distinction of becoming the first quarterback in AFL history to throw three interceptions in a single half, tossing three picks in the first two periods of play. Ironman of the Game, Jeff Hughley, led the Soul in receiving yards with 93, while Larry Brackins finished with a team-high four touchdown receptions. Derrick Ross also found the end zone twice for the Soul. Arizona did not trail in the game.

ARENABOWL XXVI

Amway Center, Orlando, FL

August 17, 2013 Attendance: 12,039

Arizona 48, Philadelphia 39 – For the first time since 1996, the Arena Football League had a repeat champion. The Arizona Rattlers defeated the Philadelphia Soul, 48-39, to win ArenaBowl XXVI in front of a crowd of 12,039 in Orlando and a national audience on the CBS Television Network. The Rattlers became the first team since the Tampa Bay Storm in 1995-96 to repeat as ArenaBowl champions and the only team in League history to beat the same team twice in back-to-back years to win titles. Russell Athletic Offensive Player of the Game and ArenaBowl MVP Rod Windsor led all receivers with 145 receiving yards to go along with a pair of touchdowns in the Rattlers' win. His quarterback, Nick Davila completed 20-of-29 for 315 yards and six scores. Davila also became the League's all-time leader in ArenaBowl touchdown passes with 23 for his career, breaking Mark Grieb's previous career mark of 20. Riddell Defensive Player of the Game Virgil Gray recorded 9.5 tackles and a key interception in the win. The Soul were led on offense by J. Lewis Small Playmaker of the Game Ryan McDaniel, who tied an ArenaBowl record with 13 receptions to go along with 137 yards and two touchdowns. Philadelphia quarterback Dan Raudabaugh tied Kurt Warner's mark for most passes attempted in an ArenaBowl with 51 attempts in the loss. Raudabaugh finished 31-of-51 for 306 yards and four touchdowns with two interceptions. The back-and-forth matchup was a classic AFL meeting that went down to the wire. Just as they did seven times at ArenaBowl XXV, Rattlers quarterback Nick Davila found receiver Maurice Purify for the first score of the game. Dan Raudabaugh answered back with a 15-yard scoring strike of his own to receiver Ryan McDaniel. Just as it appeared the high-powered Rattlers offense would be rolling to another score on their second drive of the game, Philadelphia defensive back Rayshaun Kizer picked off an errant Davila pass off the net to shift the momentum over to the Soul side. However, on the ensuing possession, Rattlers All-Arena defensive back Virgil Gray made an exceptional play on the ball in the end zone to give possession back to Arizona with 28 seconds to play in the first quarter. To open the second quarter, Davila connected with Rod Windsor on a perfectly thrown pass matched with a one-handed catch for a score to put Arizona on top 14-7. Philadelphia answered right back with a lengthy drive, culminating in a Derrick Ross touchdown run to even the score once again. The Rattlers regained the lead with 5:47 to play in the first half after Davila hit Purify on a crossing route for a 47-yard touchdown. The touchdown catch was the longest since ArenaBowl XI when Calvin Schexnayder hauled in a 49-yard score. Philadelphia responded with another long drive, ending with Raudabaugh finding Anthony Jones for a touchdown with 52 seconds left in the first half. The Soul defense stood strong despite the field position, limiting Arizona to a field goal on the drive. Not to be outdone, Arizona stopped the Soul offense on their next drive, as Rattlers nose guard Anttaj Hawthorne blocked a Martinez field goal attempt that would have tied the game. Arizona took a 24-21 lead into the locker room at halftime. Philadelphia received the ball to start the second half and took their first lead of the game on a touchdown catch by McDaniel. Carlos Martinez could not convert on the extra point, limiting the Soul lead to three, 27-24. Arizona would answer right back, however. After Rod Windsor suffered an injury midway through the third quarter, receiver Kerry Reed entered the game and made an immediate impact, hauling in the go-ahead touchdown with just more than six minutes to play in the quarter. Raudabaugh was intercepted in the end zone again on the next drive, this time by Jack linebacker Jeremy Kellem, to give Arizona an opportunity to double-up. The third quarter ended with the Rattlers on top, 31-27. Arizona opened the fourth quarter with a Davila touchdown pass to Windsor, who returned to the lineup after being shaken up in the third. Lindholm tacked on the extra point to give the Rattlers an 11-point lead, 38-27, early in the fourth. The Soul and Tiger Jones answered quickly with a touchdown; however, Martinez missed another extra point off the iron, leaving the score at 38-33, Rattlers with 11:31 to play in regulation. Two minutes later, Davila found Tysson Poots for a 14-yard touchdown to put the Rattlers back up by 12. Philadelphia

answered with a Derrick Ross touchdown run to bring the Soul within a touchdown, despite another missed extra point from Martinez. The game reached its high point when Philadelphia forced a fumble as Rod Windsor rushed towards the end zone. However, Philadelphia was unable to capitalize on the turnover, as defensive back Arkeith Brown laid a big hit that broke up a pass to Soul receiver Tiger Jones on fourth down to seal the victory for the Rattlers. To top off the repeat win, AFL Kicker of the Year Garrett Lindholm chipped in a 24-yard field goal to bring the final score to 48-39.

ARENABOWL XXVII

Quicken Loans Arena, Cleveland, OH
 August 23, 2014 Attendance: 18,410

Arizona 72, Cleveland 32 – For the second time in AFL history, a team had achieved a “three-peat,” as the Arizona Rattlers defeated the Cleveland Gladiators, 72-32, in the largest margin of victory in ArenaBowl history. In front of a crowd of 18,404 at the Quicken Loans Arena, the Rattlers earned the franchise’s fifth ArenaBowl title and joined the Detroit Drive as the only other franchise in League history to win three straight ArenaBowls. Arizona was led by MVP Nick Davila, who finished the game with 237 yards on 19-of-24 passing with eight touchdowns and one interception. The Rattlers struck early and never looked back. On their first drive of the game, Davila found wide receiver Rod Windsor for a 41-yard touchdown strike. Arizona would cease to relinquish the lead from that point forward. On the ensuing Cleveland drive, quarterback Shane Austin found wide receiver Dominick Goodman for 20 yards to bring the Gladiators to the Arizona eight-yard line. However on fourth down — under heavy pressure — Austin underthrew his intended receiver and the pass was intercepted by J. Lewis Small Playmaker of the Game, Kerry Reed, who returned it 46 yards for a touchdown to give Arizona a 14-0 lead. The Gladiators responded on their next drive, as Austin found receiver Collin Taylor in the end zone from nine yards out. Kicker Aaron Pettrey missed the extra point making the score, 14-6. Cleveland’s eight point deficit going into the second quarter would be the last time they were within 10 points of Arizona as the Rattlers exploded in the second quarter, setting an ArenaBowl record with 30 points in the second frame. On the second play of the quarter, Davila found wide receiver Chris Jackson from 11 yards out for the “Latin Laser’s” third touchdown of the game, extending the Rattlers lead to 21-6. Arizona’s defensive pressure, which had been bothering Austin throughout the first quarter, finally left its mark, as defensive lineman Cliff Dukes sacked Austin in the end zone for a safety. In addition to the sack, Dukes gathered 4.5 tackles on the night, constantly harassing Cleveland’s All-Arena signal-caller, earning Dukes Riddell Defensive Player of the Game honors. After Arizona got the ball back from the safety kickoff, Davila led the Rattlers down the field on four plays for another touchdown, this time finding receiver Tysson Poots on a 12-yard connection. The Gladiators offense failed to get back on track, as Austin threw his second interception on the next drive when defensive back Jeremy Kellem stepped in front of his pass for an interception at the Cleveland 25-yard line. Six plays later, Davila found Reed in the end zone for another Rattlers touchdown. Reed would find the end zone again on offense and collect one more interception in the game. The Gladiators next drive, once again, ended in a Jeremy Kellem interception, which he returned 20 yards to the Cleveland 15 yard-line. The Cleveland defense brought some semblance of life back to the team on that drive, when Jack linebacker Alvin Ray Jackson intercepted Davila on the very next play. The Gladiators were able to capitalize on the Arizona mistake as Austin found receiver Thyron Lewis in the end zone from 15 yards out, shrinking the Arizona lead to 24. Cleveland head coach Steve Thonn attempted to catch the Rattlers off-guard on the ensuing kickoff as he tried an onside kick but it was recovered by Arizona at the Cleveland 10-yard line. Davila found Windsor on the very next play putting Arizona up, 44-13. The score gave Arizona the ArenaBowl record for most first half points. The Gladiators received the second half kickoff but turned the ball over on downs on their own five-yard line. Davila would subsequently find Reed from three yards out to give Arizona a 51-13 lead. Cleveland’s next drive ended in another Austin interception as Reed picked him off for the second time. This was Austin’s fourth interception of the game, the third-most in a single ArenaBowl in AFL history. Davila then went on to hook up with Windsor on a 30-yard touchdown pass; Windsor’s third and final touchdown reception of the game. The Gladiators were able to find the end zone at the end of the third quarter but the Arizona lead proved to be too insurmountable. At the start of the fourth quarter, Davila completed his eighth and final touchdown, as he was taken out after the drive. The score put Arizona up, 65-19. Cleveland backup quarterback Chris Dieker would lead Cleveland to two touchdowns in the fourth quarter but it was too little too late as Arizona was able to hold on, 72-32.

ARENABOWL XXVIII

Stockton Arena, Stockton, CA

August 29, 2015 Attendance: 9,115

San Jose 68, Jacksonville 47 - For the first time since 2007, the San Jose SaberCats are the champions of Arena Football. After a tight first half, San Jose forced turnovers and stifled the Jacksonville Sharks in the second half, claiming the fourth Foster Trophy in their franchise's history by a margin of 68-47 in ArenaBowl XXVIII on ESPN. The win solidified one of the most dominant seasons in Arena Football history. Without the Riddell Defensive Player of the Year, defensive end Joe Sykes, SaberCats quarterback Erik Meyer had the space and the time to complete pass after pass against the Sharks. Meyer was able to feed star receiver Reggie Gray all game despite tight coverage from Jacksonville's impressive secondary - he finished the game with a team-high nine catches for 95 yards receiving and three touchdowns. Much like last week's non-stop action in the Conference Championship games, the first half was a typical back-and-forth contest. Meyer and Sharks quarterback Tommy Grady traded blows, while both defenses struggled to contain each team's All-Arena casts of playmakers. The usual suspects did the damage in the first and second quarters. Meyer had Gray in his sights while Grady and the hard-to-miss Joe Hills connected for four touchdowns. The first defensive stop didn't come until the final seconds of the half as Meyer tossed a Hail Mary as time expired into the arms of rookie All-Arena defensive back Greg Reid - so the Sharks carried a 33-27 lead into the locker room at halftime. San Jose would receive the ball to open the first half and they never looked back. Meyer and receiver D.J. Stephens found one another for a 26-yard touchdown on their first possession of the second half. On the ensuing drive for the Sharks, Grady's fourth-and-29 attempt on Jacksonville's 10-yard line was batted by Francis Maka and up for grabs at the line and, thus, picked easily by Jack linebacker David Hyland who hustled into the end zone for an easy score, padding San Jose's lead, 41-33. Looking to bust back into the game, Grady and the Sharks needed an answer on their next drive but Hyland's defensive touchdown gave the SaberCats a stranglehold on the game's momentum and the team assumed control. Defensive end Donte Paige-Moss forced a fumble on the team's first play of the Sharks' drive and Meyer punched it in again to leap to a 15-point lead. It seemed the Sharks were scuffling to deal with the absence of receiver London Crawford who went down early in the first quarter. As Jacksonville prepared to take the field again, Nich Pertuit's kickoff banged off the post and gently fell into the arms of Hyland once more who jogged into the end zone. It was harsh, but the Sharks were just dealt a serious blow to their comeback efforts thanks to an unfortunate bounce off the uprights. And when Grady and the Sharks finally got the ball back, the vaunted San Jose defense - the same unit that led Arena Football with 45 sacks this year - reared its head and Jacksonville turned the ball over once more, this time on downs. Meyer all but officially ended the Sharks' hopes for a fourth-quarter comeback when he rushed 17 yards for a score, his second rushing touchdown of the game. Jacksonville, held scoreless in the third quarter, picked up their first points of the half with nine minutes left in the game on a touchdown pass to Terrance Smith, normally one of the team's starting defensive backs. Each team would score one more time in the game but the clock was moving too quickly for the Sharks to play their way back into contention and the SaberCats became kings of the turf once more.
