MIKE TWELLMAN
#24 DEFENDER
5'9" 155 lbs.
BORN: DECEMBER 18, 1960
CITIZENSHIP: UNITED STATES

Born in St. Louis, Missouri, a hotbed for soccer, Mike began his soccer playing career while attending St. Louis University High School. There he starred for four years as a forward and midfielder. It was while in high school that he decided to give up all other sports and concentrate totally on soccer. Following his high school career, Mike took his skills to Southern Illinois University at Edwardsville where he became a standout defender. In his freshman year, 1979, SIU-E won the NCAA Division I championship with a 3-2 victory over Clemson. Last season, SIU-E had a record of 15-4-1 before losing to Indiana University 1-0 in the NCAA Tournament. Mike was then taken as a fourth round draft choice by the Chicago Sting this past December. He considers himself a physical player and is never hesitant to mix it up in the trenches. He says he likes both styles of soccer, the outdoor and the indoor games, and really has no preference. All he wants to do is play. Mike will be married in March to Theresa Sorrentino and the couple will make their home in suburban Wheeling.

NO INDOOR STATISTICS.

DON DROEGE
#26 DEFENDER
6'1" 190 lbs.
BORN: JANUARY 21, 1956
CITIZENSHIP: UNITED STATES

The Chicago Sting have signed veteran defender Don Droege as a free agent after completing the 1982 outdoor season as a member of the Tampa Bay Rowdies of the NASL. Droege was a long time member of the NASL as he came into the league as a member of the Rochester Lancers in 1977. After playing there for two seasons, he joined the Washington Diplomats where he played the 1979 and 1980 seasons. He went on to Atlanta for the 1981 season, and was acquired by the Tulsa Roughnecks in the NASL dispersal draft following the '81 season. Droege was traded to the Tampa Bay Rowdies last summer where he wound up the 1982 outdoor season. Droege's first indoor experience came as a member of the Chicago Horizons in the MISL during the 1980-81 season. He played in 32 games and had 2 goals and 4 assists for 6 points. Droege also played indoor as a member of the Tulsa Roughnecks last season in the NASL where he played in 18 games and had 1 goal and 5 assists. Droege is a physical defender and is not shy about letting the opposition know he is around. He uses his size to his advantage. Adding his size and experience to the Chicago defense will give the Sting a balanced combination in the back line. Droege is single and plans to make his home in Chicago.
