SHARKS BEAT BOSTON  
4-3 IN SECOND CONSECUTIVE  
OVERTIME MATCH

The Miami Sharks are now well versed in the word overtime.

First, the Ft. Lauderdale Strikers came to Tamiami Stadium on April 15th and left on the losing end of a 3-2 overtime Miami victory.

Then, the Boston Bolts visited Miami on April 22nd. After ninety minutes of ASL action, they came up two penalty kicks short in their efforts for a 4-3 Miami win. The recent Boston win improved the Sharks' record at 2-1 and sent a message to all other ASL clubs that the team is very ready if the call comes for penalty kick shooters.

"I don't agree with the penalty kicks", Miami coach Carlos Alberto said after the first overtime win over Ft. Lauderdale. "In this country, there must be a winner, but penalty kicks is not the best alternative. The league must review other ways to resolve ties".

Miami out shot Boston 20-9 but still could not find the back of the net to insure the match in regulation. "We are getting stronger, no question about it", explained defender Jody Weil. "Every game we improve and I know we will have good fortune in the coming weeks".
