## MAC'S MILK

Mac's Milk and the Toronto Metros — a winning combination.

PRIME MINISTER OF ONTARIO

Toronto, Ontario.  
May 12, 1971.

Dear John:

I am delighted to learn that Toronto will field a professional soccer team in the North American Soccer League and regret that other circumstances prevent my taking part in your opening game this Sunday.

Soccer has long been one of the most popular sports in the world, and it is encouraging to know that Toronto Metros will be competing against some of the finest professionals. Not only will the Metros' participation mean still another sport attraction for the City of Toronto, but it will help provide many of our newcomers -- from Britain, from Continental Europe and from other parts of the globe -- with a cultural link with their homelands. I am sure all Canadians will likely develop an appreciation of a sport not now too well known in this part of the world.

Toronto has always been a great sports city, and the Province of Ontario has contributed its share of top athletes to the sports world. I wish the Metros every success and am confident that the team will earn international attention and become a popular attraction for visitors and residents both.

Yours sincerely,

*William G. Davis*  
William G. Davis.

President,
