

BULLETS SET FOR FIRST DIVISION DRIVE

With rosters frozen for the duration, the Bullets will carry a roster capable of holding their own for the drive down the stretch. There is no doubt in the mind of Buddy Jeanette that not only will they reach the first division, but that they will also make a creditable showing in the play-offs. The acquisition of Arnie Risen, an old N.B.A. stalwart should give the Bullets what it has sorely needed...an alternate pivot man who is strong on the boards. Besides being an excellent rebounder, Arnie figures to add scoring punch. This skirmish with the Sunbury Mercuries should start another winning streak, capable of aiding them reach their play-off goal.
