Ron Jaworski

Owner

After a 17 year distinguished career as an NFL quarterback, today Jaworski is coaching football fans on TV with a multiplatform NFL analyst role that includes appearances on Sunday NFL Countdown, Monday Night Countdown, NFL Matchup, NFL-branded specials, Mike & Mike in the Morning, Pardon the Interruption, and other platforms and shows throughout the year. ESPN'S Mike Tirico said, "If you made a list of 10 guys on TV in any sport as an analyst who you'd want to have a beverage with and watch a game, he's [Ron Jaworski] high on that list."

Before switching to his current multiplatform analyst role with ESPN, Ron spent five seasons in the booth with Mike Tirico and Jon Gruden as the color commentator for Monday Night Football.

Jaworski's passion for football can be traced back to his days as a kid growing up in the gritty steel town of Lackawanna, NY.

A three-sport stand out in high school (football, basketball and baseball), Jaworski was drafted by the St. Louis Cardinals out of high school. He wanted to go play baseball immediately, but his father pushed for college first, and Jaworski's football talents brought him to Youngstown State where he excelled as the quarterback for the Penguins.

The Los Angeles Rams drafted Jaworski in the second round of the 1973 NFL Draft. After four years with the Rams, Jaworski joined the Philadelphia Eagles in 1977. Under head coach Dick Vermeil and behind Jaworski's ability and field leadership, the Eagles advanced to their first-ever berth in a Super Bowl vs. the Oakland Raiders. Jaworski finished the 1980 season as the No. 1-rated passer in the NFC and was the 1980 NFL MVP.

Along the way, Ron became known as Jaws. The name was hung on him by his next-door neighbor at the time, Doug Collins, who was a star guard for the Philadelphia 76ers and today is their coach. "He didn't come up with Jaws because of that shark movie, though," Jaws says, "Doug said it was because my mouth was always open, talking." Until Ron suffered a broken leg at St. Louis during the 13th game of the 1984 season, he had started 116 straight NFL games, a record for most consecutive starts. Jaws held that record until 1999, when Brett Favre broke it.

Today, Jaworski lives in Southern New Jersey and is civically active. Jaworski is committed to the Jaws Youth Playbook, which focuses on a mission to improve the overall health and wellness of at-risk youth, primarily in the Greater Philadelphia Region. To date, the Jaworski family is proud to have donated over \$4 million to at-risk youth. Ron owns an exclusive business development company called Business Clubs America as well as owning four Signature Golf courses in South Jersey- RiverWinds Golf & Tennis Club, Valleybrook Country Club, Running Deer Golf Club, and Blue Heron Pines.

Jaworski also serves as the President of the Maxwell Football Club, Co-Majority Owner of the Philadelphia Soul and sits on the boards of PNC Bank.

The South Jersey Chamber of Commerce awarded Jaworski the Pinnacle Award for his outstanding volunteer work and longtime service to South Jersey Chamber & business community. The United Way honored Jaworski with their Volunteer Leadership Award, the highest award given by United Way.

Jaworski is married to his high school sweetheart Liz; has three children, Joleen, Jessica and BJ, and two grandsons Ryan & Colin.

Pete Ciarrocchi Ownership Group

Pete Ciarrocchi enters his third season as a proud member of the Philadelphia Soul ownership group.

Mr. Ciarrocchi is the Chairman and CEO of Chickie's & Pete's Crab House and Sports Bar, the landmark Philadelphia restaurant chain that continues to expand and has become part of the true fabric of the city of Philadelphia and an avid sports fan's "must stop" before, during, or after the game.

Chickie's & Pete's began in 1977 as a comfortable, family-oriented, corner taproom where Pete experimented with and perfected his winning concept. Pete's infectious, befriending enthusiasm, love of sports, and unique menu had the neighborhoods of the Great Northeast flocking. With the invention of Crabfries®, the world of Chickie's & Pete's was never the same. In 1998, Chickie's & Pete's became the first-ever private restaurant to operate within Veterans Stadium. The team and press-friendly environs were chosen as the site of Eagles Head Coach Andy Reid's day-after-the-game press conferences. This atmosphere laid the foundation for Chickie's & Pete's to become the sports media and fan reaction hub it has become today.

Chickie's & Pete's has expanded greatly since, adding a 25,000 square-foot flagship location on Packer Avenue in South Philadelphia, as well as outposts in Northeast Philadelphia, Bordentown and Egg Harbor, N.J. and Parx Casino in Bensalem, Pa. In the last year, Chickie's and Pete's has opened locations in the Pennsylvania suburbs in Warrington, Audubon and Drexel Hill. Pete also invented PLAY2, an interactive sports bar concept as an extension to the flagship location on Packer Avenue and as the cornerstone of his state-of-the-art location at Parx Casino in Bensalem. The brand also has 4 locations at Philadelphia International Airport and a total of 25 concessions at Lincoln Financial Field, Citizens Bank Park, The Wells Fargo Center, Waterfront Park, Susquehanna Bank Center, Dorney Park, Campbell's Field, PPL Park, and The Liacouras Center.

Chickie's & Pete's was named the #1 Sports Bar in North America by ESPN, the # 1 local restaurant chain by Zagat and Best of Philly, among numerous other awards.

Recently, Chickie's and Pete's announced that it will open this summer at The Tropicana Casino and Resort in Atlantic City. Plans are underway for a beautiful 16,000 square foot, two-story restaurant that will face the Boardwalk and allow patrons a spectacular view of the ocean, the beach and the famed Atlantic City Boardwalk.

Pete serves on the Aria Health Foundation Board of Trustees and on the Holy Family University Business Advisory Board. Through his entire career with the 76ers, Evans created ground-breaking awareness initiatives that included in-game melanoma screenings, family rooms on autism awareness nights, and the first celiac awareness night in the NBA, which incorporated gluten-free concessions; now a permanent fixture at the Wells Fargo Center and around the league.

In 2012, Evans joined the Philadelphia Soul where he is now manager of both creative fan experiences and non profit services. During the 2012 season, Brian coordinated a major post-game concert by recruiting long time colleague and platinum recording artist, "Fat Joe".

HISTORY OF THE SOUL

On July 10, 2003, the Arena Football League's Board of Directors approved the application to establish the Philadelphia Soul. The team was introduced by majority owners Jon Bon Jovi and Craig A. Spencer; and minority owners Ron Jaworski, Richie Sambora, and Leo Carlin, Jr. in front of the Wells Fargo Center, formerly known as the Wachovia Center.

The Soul started their first season in the 2004 season, led by head coach Mike Trigg. In the season opener, the Soul hosted the New Orleans. Although the game was competitive, the Soul lost the matchup 42-34. Throughout the opening season, the Soul were able to attract a league-high 16,851 people per game at the Wachovia Spectrum, including six sell-out games. The Soul also led the AFL in merchandise sales and sponsorship numbers. Unfortunately, the Soul missed the playoffs finishing the season 5-11.

During the offseason leading into the 2005 season, the Soul acquired Tony Graziani by giving him the largest contract in AFL history. The Soul started off the season 2-3 before dismissing Mike Trigg and assigning James Fuller as the interim head coach. The Soul finished the 2005 season with a record of 6-10.

Following the 2005 season, the Soul hired defensive-minded Bret Munsey as head coach. In 2006 season, the leadership of Munsey led the Soul to the team's first playoff appearance in franchise history. In the Wild Card Round, the Soul defeated the Austin Wranglers 52-35 in Austin, TX. Unfortunately, the Soul fell short in the following Divisional Round against the Orlando Predators, losing 31-27.

The Soul started the 2007 season 4-0 before losing six in a row and finishing the season 8-8. Graziani led the Soul in a "win-and-in" game Week 16 to put the Soul in the playoffs for the second straight year and second time in franchise history. The Soul hosted their first playoff game in the first round against the Orlando Predators in a 41-26 win. The Soul traveled to Atlanta the following round, losing to the Georgia Force 65-39. For the 2007 season, the Soul was awarded the 2007 Commissioner's Award for most outstanding organization.

The following offseason included a key free-agent signing in former Rookie of the Year (2003), Offensive Player of the Year (2006), and Graziani teammate, WR Chris Jackson. The Soul also moved into their current practice facility in Voorhees, NJ. The 2008 season got off to a good start before Graziani suffered an injury in week three. However, Matt D'Orazio stepped in and led the Soul to a 13-3 record to go along with a first round bye in the postseason. The Soul defeated the Cleveland Gladiators in the Divisional Round to earn their first trip to the championship. The Soul knocked off the San Jose SaberCats in Virgin Mobile ArenaBowl XXII, 59-56, to earn their first championship in franchise history. D'Orazio was named the ArenaBowl MVP in the championship victory.

The AFL was suspended for 2009 and during the 2010 season, the Soul accepted an offer from the AFL to join the league again. This time, the ownership group changed to majority owners Ron Jaworski and Craig A. Spencer, including minority owners Pete Ciarrocchi, Cosmo DeNicola, and Marty Judge.

Going into the 2011 season, the Soul hired Mike Hohensee to be the head coach. With high expectations, the Soul finished the season finishing 6-11 and last place in the East. Although the team had a bad season, the team had a few successes on the season. They were the first team in Philadelphia to hold practice on Market Street. The Soul won first place in the league's yearly awards for the following categories: Best Radio Commercial, Best TV Commercial, Best Mascot, Best Merchandise Item, Best Photo, Best Website, and Best Media Guide.

Heading into 2012, the Soul decided to revamp their personnel and coaching staff. The team hired two-time AFL Coach of the Year and former NFL veteran, Doug Plank, as the head coach. The offseason also consisted of large signings from the Soul with the signings of: WR of the Year, Tiger Jones; DB Rayshaun Kizer; WR Donovan Morgan; DL Bryan Robinson; DB Micheaux Robinson; and FB Derrick Ross.

The 2012 regular season as the Soul finished 15-3, winning a league-best 15 wins. In the Wild Card Round, the Soul knocked off the New Orleans VooDoo, 66-53. The following week, the Soul crushed the Jacksonville Sharks 89-34, which advanced the Soul to their second ArenaBowl in franchise history. The Soul traveled to New Orleans to face off with the Arizona Rattlers in ArenaBowl XXV. The Soul lost to the Rattlers, 72-54 and a week later, head coach Doug Plank announced his resignation.

The 2012 season was a historic, record-setting season for the Soul. The team was first in the AFL in scoring, rushing offense, and turnover margins. The Soul also had a league-best 15 wins on the regular season. QB Dan Raudabaugh, FB Derrick Ross, and WR Tiger Jones all set franchise and league records for their individual statistics throughout the season.

Leading into the 2013 season, the Soul announced AFL Hall of Famer, Clint Dolezel, to coach the Soul. The Soul's record-setting offensive weapons in Tiger Jones, Derrick Ross, and Dan Raudabaugh return this season to help the Soul make a run for ArenaBowl XXVI in Orlando.

AFL INTRO

COMMISSIONER JERRY B. KURZ

Jerry B. Kurz returns for his 27th season of Arena Football and fourth season as the AFL's Commissioner. Out-tenured only by the creator of Arena Football, Jim Foster, Kurz has dedicated his life to furthering the sport with a strong business ethic and core values meant to bring the highest quality product to the ever-growing fan base of arena football fans.

In his time as the president of the AFL, the league saw extensive growth in small-to-mid sized markets, building an extremely dedicated fan base across the country. That foundation helped to fuel the return of the Arena Football League in 2010 after a year on hiatus due to financial instability. Kurz and a group of enthusiastic investors arranged the acquisition of the AFL's assets in bankruptcy court in late 2009 and revived the league in early 2010, fulfilling the promise that Arena Football would be played in 2010.

Kurz has also served as the AFL's Vice President of International Development, where he was in charge of the League's international exposure. During his tenure, he was responsible for administering the H3 Visa program, allowing international players to play for AFL teams stateside. He also arranged and executed all internationally played games for the Arena Football League.

Arena Football isn't Kurz's only claim to fame. He is also a founding member of Gridiron Enterprises, Inc., a sports consulting firm based out of Chicago. Gridiron Enterprises, consisting of Kurz, Foster and attorney William Niro, is the original founder of the AFL. Kurz has been a player, a coach, a general manager and an owner during his lifelong involvement with the game of football. He is also a member of four football Halls of Fame, including membership in the first class of the Arena Football Hall of Fame as well as membership in the arenafootball2 Hall of Fame.

Kurz attended the University of Oklahoma as an undergraduate and later earned his Juris Doctor Degree at Northern Illinois. Kurz is a licensed attorney in Illinois and operated a law firm with his wife, Kathryn Hall, for 20 years. Jerry and his wife, Kathryn, have one son named Matthew, who currently serves as the Manager of Player Personnel for the AFL.

MISSION STATEMENT

FANS' BILL OF RIGHTS

In furtherance of our Mission Statement, we, the players, coaches, officials, staff and owners of the AFL are thankful to the Fans that we serve, appreciate their support and dedicate ourselves collectively to protecting their rights as the greatest sports and entertainment Fans in the world.

We believe that every Fan is entitled to a wholesome environment for guests and family members, free of violence, profane gestures and language or rude and invasive behavior that could in any way interfere with a first-class entertainment experience.

We believe that every Fan demands that we maintain absolute respect for the game of Arena Football and maintain the integrity of the finest of fair competition at all times.

We believe that every Fan deserves our very best effort on a consistent basis, on every play on the field, every action in the stands, every call to our office, and every involvement in our community.

We believe that every Fan is entitled to a total entertainment experience at an affordable cost for all members of the family from the time they arrive at the arena to the time they depart.

We believe that every Fan should receive the very best in competitive football, entertainment, merchandise, food and beverage for their purchasing power.

We believe that every Fan is entitled to interact with and have access to players and coaches for autographs and conversation in recognition of their support at every game.

We believe that Fans are entitled to fast, accurate, and complete information about our players, coaches, league, games, and performance.

We believe that Fans expect the Arena Football League to be comprised of gentlemen and ladies who are examples and role models for youth, free of physical violence, drugs, alcohol, and gambling abuse.

We believe that Fans expect us to honor our country and to be involved in our communities to make contributions for a better, safer, and more positive place to live.

We believe that Fans should know that we are committed to serve and not to be served, to give and not to just take, and to inspire and encourage people to higher levels of personal and professional achievement, growth, maturity, and respect for each other.

RULES OF THE GAME

AFL FIELD & RULES

FIELD

- An indoor padded surface 85 feet wide and 50 yards long with eight-yard end zones.
- Goal posts are nine feet wide with a crossbar height of 15 feet (NFL goal posts are 18-1/2 feet wide with the crossbar at 10 feet).
- The goal-side rebound nets are 30 feet wide by 32 feet high. The bottoms of the nets are eight feet above the ground.
- Sideline barriers are 48 inches high and made of high-density foam rubber.

EQUIPMENT

- The official football is the same size and weight as the National Football League ball. Each ball is manufactured by Spalding, a division of Russell Corporation.

PLAYERS AND FORMATIONS

- Eight players on the field; 21-man active roster; three-man inactive roster.
- Players may play both offense and defense.
- Substitution: Coaches are permitted to substitute players at will.
- Four (4) offensive players must line up on the line of scrimmage.
- Three (3) defensive players must be down linemen (in a three- or four-point stance). One linebacker may blitz on either side of the center. Alignment is two-or-more yards off the line of scrimmage. No stunting or twisting.
- Offensive motion: One receiver may go in forward motion before the snap.

TIMING

- Four 15-minute quarters with a 15-minute halftime.
- The clock stops for out-of-bounds plays or incomplete passes only in the last minute of each half and when the referee deems it necessary for penalties, injuries or timeouts.
- Each team is allowed three (3) timeouts per half.

AFL 101

MOVEMENT OF THE BALL AND SCORING

- Four (4) downs are allowed to advance the ball 10 yards for a first down, or to score.
- Six (6) points for a touchdown.
- One (1) point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after a touchdown.
- Three (3) points for a field goal by placement or four (4) points for a field goal by drop kick.
- Two (2) points for a safety.

KICKING

- Kickoffs are from the goal line. Kickers may use a one-inch tee.
- Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal.
- The receiving team may field any kickoff or missed field goal that rebounds off the net.
- Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

PASSING

- Receivers must have one foot inbounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

OVERTIME RULES

- Overtime periods are 15 minutes for both the regular season and the playoffs.
- Each team gets one possession to score. If, after each team has had one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.

GLOSSARY OF TERMS

BALL IN THE STANDS – When a ball is thrown or bounces into the seats surrounding the playing field, the “lucky” fan that catches the ball keeps it.

DROP KICK – A drop-kicked FG is worth 4 points. A drop-kicked extra point is worth 2 points. Spokane Shock kicker Taylor Rowan was the last man to connect on a two-point dropkick (7/22/2011 vs. Jacksonville).

IRONMAN – Signifies participants playing both offense and defense.

FANS – More than 26 million fans have experienced an AFL game in the League’s 24-year history. Last year, in 2011, the AFL drew 1,338,544 fans in the regular season.

“MAC” AND “JACK” LINEBACKERS – “Mac” may rush the QB straight on without stunting, twisting or drop-back coverage. “Jack” must stay within an imaginary box behind the line of scrimmage. Either LB may cover the fullback or tight end.

OFFENSIVE MOTION – Unlike stadium-played football, one offensive back may go into forward motion prior to the snap of the ball.

OVERTIME – Arena Football has a unique overtime rule. If a contest is tied after regulation, teams will play a 15-minute overtime. Each team will have one opportunity to score. If, after each team has had one chance to score, the game is tied, the first team to score is crowned the winner.

REBOUND NETS – Goal-side rebound nets extend outward from each upright. The nets are 30-feet wide, 32-feet high and extend to 40 feet above the playing surface. The bottom bars of the frames are positioned eight feet above the surface. The “scoring area” is nine-feet wide and 15-feet high. Nets are stretched taut so that a missed kick attempt will rebound off the net and back into the field of play. Once the ball caroms off the net, it’s live.

SIDELINE BARRIERS – Similar to the sideboards that surround a hockey rink, the sideline barrier encircles the playing surface. The barrier is made of a high-density foam pad, measuring four inches thick.

STUNTING OR TWISTING – When a defensive lineman is rushing the passer, there’s no “stunting” or “twisting.” In other words, linemen are required to power past offensive linemen.

TIGHT END – One offensive lineman must declare himself a tight end prior to the snap by simply raising his arm and “declaring” himself a tight end. The Mac (rush-eligible) linebacker must line-up on the opposite side of the center from the tight end.

TWO-WAY PLAYERS – One of the most “throwback” features of the Arena Football League is the fact that the game features eight-on-eight football, where at times, some players will play both offense and defense.

MISCELLANEOUS INFORMATION

ROSTER LIMITS

From the first day the League allows the signing of free-agent players until the first league-sanctioned cut-down date, teams are prohibited from having more than 35 players on their roster. Players listed on the active list or free-agent signees are considered eligible to be counted for the 35-man roster. Teams will be required to reduce their active lists to 28 players by 5 p.m. CST 14 days before the first regular season game and to 24 players by 5 p.m. CST seven days before the first regular season game.

Each team may maintain a maximum 20-player roster and 4-player practice squad during the season. In a documented emergency, a team may add an emergency kicker to their roster, no later than one hour before kickoff.

TRADES

The trading period began on November 5, 2012 and will end at 5 p.m. CST on Monday, June 10, 2013. Upon reporting to his new team, each traded player must pass the physical given by his new team. Failure to pass the physical and/or failure to report will nullify the trade.

RESERVE LISTS

The reserve list of each team consists of the following categories; retired, refused to report, inactive reserve, injured reserve, suspended, other league exempt and physically unable to perform.

INJURED RESERVE

A player who is placed on injured reserve list must remain on injured reserve for a minimum of four weeks. Training camp weeks will not count against that total. Teams activating players from their injured reserve list must do so no less than 24 hours prior to that team's game.

PLAYOFF QUALIFICATION, SELECTION OF TEAMS

Eight teams qualify for the playoffs, four from each conference-- American and National. The four qualifying teams in each conference consist of the two division champions and two Wildcards, determined by best overall record. Seeding in each conference is based on overall record, with the top two seeds in each conference reserved for the division champions, regardless of record. In the First Round, August 2-3, the first two seeds in each conference are the two division winners. The next two teams are seeded by next best two overall records. Teams ranked 1 and 2 earn home playoff games with 1 hosting 4 and 2 hosting 3. In the Conference Championship Round, August 10-11 the winner of the 1-4 game plays the winner of the 2-3 game. The home team is decided by the team with the higher seed. The winners of the Second Round will face off in ArenaBowl XXVI on August 17th.

Tiebreaking Procedures

If, at the end of the regular season, two or more clubs are tied with identical won-lost percentages, the following steps will be taken to determine rank.

MEDIA INFORMATION

MEDIA INFORMATION

The Soul strive to make its players, coaches and other personnel available in a timely and responsible manner to all accredited members of the media. The 2013 season is sure to provide many exciting moments and in an effort to provide a professional working environment, the following guidelines have been established for the upcoming season.

MEDIA CREDENTIALS

All requests for working press, radio, television and photo credentials should be submitted in writing or by fax on company letterhead to the Soul Communications Department. Requests must be submitted no later than 48 hours prior to the game. All credentials are non-transferable and any unauthorized use will subject the bearer to ejection from the arena. Credentials must be visible at all times.

PRESS ENTRANCE

The Wells Fargo Center press entrance is located on the North side of the building. No access will be allowed through public doors. Media members should proceed to the Upper Press Box to access the press room.

PRESS PARKING

A limited number of parking spaces will be available for accredited media members. Please include your parking request when applying for credentials. Game-by-game requests can be made through the Soul Communications Department, but space is not guaranteed.

GAME-DAY INTERVIEW POLICY

All pre-game interviews may take place on the field up to 90 minutes prior to kickoff; contact the Soul Communications Department with requests. Following the game, head coach Mike Hohensee will address the media in the North endzone and players may be interviewed on the field after a league mandated "10-minute cooling off" period. THE SOUL'S MEDICAL TRAINING AREA IS OFF LIMITS AT ALL TIMES. For help in locating players or coaches for interviews, please contact the Philadelphia Soul Communications Department. Visiting team interview requests should be made through the visiting team's media relations contact or by notifying a staff member.

LOCKER ROOMS

The locker rooms are "off limits" to the media prior to kickoff. The rooms will re-open after the game following a league mandated "10-minute cooling off" period. The officials locker room is "off limits" to members of the media at all times. Special requests should be made to the Soul Communications Department.

PHOTOGRAPERS

Only photographers on assignment will be allowed access to the designated photography locations surrounding the field of play. Because of limited photography positions, NO FREELANCE PHOTOGRAPHY PASSES WILL BE ISSUED.

PRESS BOX

Press seating is available to accredited media in the press box. There are sufficient phone lines and electrical outlets available in the press box. Contact the Soul Communications Department to secure a spot in the press box.

PRESS LOUNGE

Media with season credentials, or those granted single-game credentials, are invited to have a pre-game meal in the press lounge. The press room will open two hours before kickoff. Press lounge usage is limited to those presenting valid Soul or AFL passes. It is impossible to accommodate family, friends, guests or others. Any abuse of dining room privilege may result in forfeiture of a media pass.

GAME NIGHT SERVICES

Press notes, lineups, programs and other pertinent information will be furnished by the Soul Communications department. Halftime statistics, as well as first and third quarter "quickie" stats, will be available in the press box and final statistics books will be made available approximately 15 minutes after conclusion of the game. Any Fax requests should be made to a member of the Soul's Communication staff.

REGULAR SEASON PRACTICES

Unless otherwise notified by the Soul Communications Department, all regular season practice sessions are open to the media. Head Coach Doug Plank, other members of the coaching staff and players will be available for interviews at the conclusion of each practice. The Soul's practice facility is located at The Coliseum, 333 Preston Ave., Voorhees, New Jersey 08043. COMMUNITY RELATIONS

“One great, strong, unselfish SOUL in every community could actually redeem the world.”

~ Elbert Hubbard (American editor, publisher and writer, 1856-1915)

As we prepare to enter our eighth season, the Philadelphia Soul's commitment to community is strong as ever. One of the principals the team was originally founded on was making a difference in the community and improving lives in Philadelphia and the surrounding area, and that has not changed.

Every single person in the Philadelphia Soul organization knows that our connection with the Delaware Valley does not end when we walk off the field; rather, it is where it begins.

The Soul players, Soulmates, Soulman, coaches, staff and ownership are all excited to be a part of our community relations efforts and be able to assist our community in whatever capacity necessary. Whether it is through appearances, charitable donations or fundraising events, with non-profit organizations, schools or civic groups, the Soul will be there.

In 2013 and beyond, the Philadelphia Soul would like to be remembered not only for our performance on the field but the impact we made on those around us. In the past the Soul has visited hospitals, schools and charity events. They've helped build playgrounds and homes. With assistance, the Soul has able to donate over \$500,000 in program donations to local charities including The Ronald McDonald House, Little

Smiles, Northern Children Services, American Lung Association and The Make A Wish foundation. The Soul also established Awareness Nights during the 2013 season focus on issues such as cancer, clean air, autism, homelessness and education to name a few

“Philadelphia is blessed to have a professional football team step up and lend their talent and voice in combating HIV & AIDS. The message will get to a segment of the population that needs it the most, young people at risk. As role models to thousands of young men and women their voices will be heard in ways that have not been realized before. We could not be more grateful!”

~Kevin Conare, Executive Director, Action AIDS

Through the Soul Moving Experience, by way of generous donations by individuals and companies, the Soul is able to provide tickets to games to children who might otherwise not be able to experience an arena football game. To date, the program has allowed over 50,000 children and adults to attend a Philadelphia Soul game.

If you would like to be a part of the Soul Moving Experience or have the Philadelphia Soul be a part of your organization's next event, please reference our website for our community relations guidelines.
