# CHICAGO STING

**FRANK KLOPAS**  
14 Forward

**HEINZ WIRTZ**  
2 Defender

**BATATA**  
77 Midfielder

## How the MISL Game is Played

The **FIELD** is approximately 200 feet long and 85 feet wide and is artificial MISL Turf. Dasher boards, topped by plexiglass, surround the field. Players' benches and penalty box are behind the dasher boards at mid-field.

The **BALL** is the standard leather ball, 27-28 inches in circumference, weighing 14-16 ounces and is colored MISL Rocket Red.

The **GOAL** is 6-feet, 6-inches high and 12-feet wide and is set into the boards at both ends of the field.

### THE PLAYERS AND OFFICIALS

A **GOALKEEPER** and **FIVE FIELD PLAYERS** for each team are usually on the field together.

**FREE SUBSTITUTION**—players change while the flow of the game continues. Any number of substitutions may be made during a game.

**POWER PLAYS**—A team will play one (or two) men short if the referee cites a player for a serious foul or if a player is guilty of delay of game or ungentlemanly conduct or when a penalty kick is awarded. (More information under Basic Rules.)

**ACTIVE ROSTER** will include 20 players, 16 of which may dress for a game.

A three-man **OFFICIATING** system will again be utilized in the 1986-87 regular season. The system will place the Senior Referee and Referee on the field of play with the Assistant Referee off the field of play.

### THE BASIC RULES

The **GAME** is played in four 15-minute quarters. There is a three-minute interval between the first-and-second and third-and-fourth quarters and a 15-minute halftime. The clock stops when a goal is scored, the ball leaves the playing area, a penalty kick, penalty call, red line violation, an official timeout, or with any whistle by the referee. The clock restarts with the official's hand signal and the playing of the ball.

The visiting team will have possession for kickoffs in the first and third

quarters; the home team in the second and fourth.

Play restarts (after the ball leaves the playing area) with a kick-in at the touch line where the ball left the field area.

Each team is allowed one time-out per half. However, if a team shall not have used its second half time-out, such team shall be allowed a single one-minute time-out in the overtime period.

**GOALS** are scored when the entire ball crosses the goal line.

**PENALTIES** are called and time served in the penalty box for serious fouls, delay of game, ungentlemanly conduct (two minute penalties) and violent conduct (five minutes and ejection). The penalty call will not be made and play stopped until the guilty team gains possession of the ball or play otherwise is over.

**Major Infractions** are penalized by a Direct Kick and—depending on how serious the foul—time in the penalty box. A goal can be scored from a direct kick. Two-minute penalties are also called if 1) a player deliberately puts the ball over the perimeter wall and out of play; 2) too many men are on the field; 3) defending players line up closer than 10 feet for a direct kick and encroachment is called; 4) if players take longer than five (5) seconds to take a free kick after having been signaled to do so by the referee.

A **Penalty Kick** is awarded to a team when a defender **INTENTIONALLY** commits a major offense against an attacker in the penalty area (25' x 30'). The penalty kick is taken from the penalty spot (24' directly in front of goal). All players except the designated kicker and goalkeeper must stay outside the penalty area and the restraining arc.

**RED LINE VIOLATION** is called when a forward pass crosses both red lines (60 feet apart at mid-field) in the air without being touched by another player. Change of possession and a direct kick from the first crossed red line restarts play.

**CORNER KICKS** are taken if ball leaves playing area between the two flags on the goal line having been last touched by the defending team.
