17 MAY 76

"THE BUCCANEERS" have just received League approval to change their name to "THE GOLDEN BAY BUCCANEERS". The change has been made to take advantage of the enthusiastic response to the arrival of THE BUCCANEERS by all of the many communities throughout the Bay Area, and by the extensive support of all of the local News Media. Coverage by Press, Radio & Television has been outstanding! It has become quite obvious that THE GOLDEN BAY BUCCANEERS represent fans from all over the entire Bay Area!

ANOTHER CHANGE: To better coordinate BUCCANEER operations, we have moved our Administrative Offices to a location close to our practice fields. Please make note of our new mailing address & phone.
