

SOCCER BOWL™ 80®

**SUNDAY
SEPT. 21, 1980
12:30
RFK
STADIUM**

A project of the Greater Washington Sports Authority in
cooperation with the Washington Diplomats and NASL.

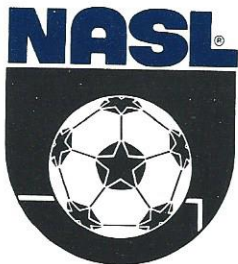

Soccer Bowl-80 is the sporting event of the year. The North American Soccer League's championship game, set for **September 21** at **RFK Stadium**, is the pinnacle of professional soccer on this continent, an occasion that should not be missed.

Just as soccer has grown remarkably over the past five years, so too has Soccer Bowl, an event that the world's journalists have ranked as the most impressive soccer show staged by any League. The past three Soccer Bowls have taken place before an average of over 50,000 patrons as North American fans have flocked to the venue to see the crowning of a champion.

In 1980, the race is wide open for those two cherished berths in Soccer Bowl. Defending champion Vancouver will be aiming to become only the second team in NASL history to win consecutive Soccer Bowl Crown's. And of course, the host Washington Diplomats would like to occupy the center stage in soccer's biggest show!

If past experience is any guideline, tickets for this national championship event, the first in many years in the District of Columbia, will go fast. Place your order now to obtain the finest locations.
