Pat Bowlen

President and Chief Executive Officer
Denver Broncos and Denver Outlaws

Pat Bowlen enters his 28th year as President and CEO of the Denver Broncos and the Denver Outlaws in 2011, and he is still the only two-decade owner of a major-league sports team in Colorado history,

The Broncos' and Outlaws' President and CEO has fashioned a powerful reputation among his peers as a bold, dynamic leader who is single-minded in his pursuit of excellence, whether representing the Broncos, the Outlaws, the city of Denver, the state of Colorado, Major League Lacrosse or the National Football League.

His status and reputation as an owner were recognized within the state on April 10, 2007, when Mr. Bowlen was inducted into the Colorado Sports Hall of Fame.

For many years, Mr. Bowlen's reputation as an outstanding owner has been well known nationally. In 1987, he finished second in The Sporting News Executive of the Year balloting. In December 2000, ESPN conducted a fan poll asking which NFL owner would be the best for which to play. Mr. Bowlen finished first among all NFL owners with 44.7 percent of the more than 60,000 votes cast. Mr. Bowlen has been well respected for many years by fans, players, coaches, his peers and NFL executives.

Pat Bowlen was introduced as the majority owner of the Denver Broncos on March 23, 1984, and that announcement triggered a new era in franchise history. Mr. Bowlen and the Bowlen family acquired 100 percent ownership of the Broncos in July 1985, and currently his brother John Bowlen owns a minority interest in the Broncos.

Pat Bowlen was born in Prairie du Chien, Wis., where he attended high school. He went on to the University of Oklahoma, earning degrees in both business (1965) and law (1968). After successful careers in oil, gas and real estate, he purchased the Denver Broncos in 1984.

He is chairman of the board of the Denver Broncos Charities Fund and in that capacity has donated more than $25 million to charitable organizations in the Denver area since the inception of that fund in 1993. Mr. Bowlen served as the Honorary Chairman of the Colorado Special Olympics for 19 years. He has served as the Honorary Chairman of the Stadium Stampede (formerly the Colorado Family Classic) to benefit St. Joseph's Hospital Foundation for 27 years, and this is his 17th year as Honorary Chairman of the Capuchin Friars Brown Robe Benefit fundraising dinner. He also is Honorary Chairman of the Cherish the Children Gala, chaired the 1989 Centennial Scholarship rally at the University of Northern Colorado in Greeley, Colo. and was Co-Chairman of the Rose Medical Center Critical Care Campaign from 1986-89.

In addition, Mr. Bowlen was elected to the University of Denver Board of Trustees in 1987. He is currently a member of the DU Athletic Affairs Committee. His previous DU committee memberships include the Institutional Advancement Committee and Institutional Advancement/University Relations subcommittee. He also was named to the Colorado Academy Board of Trustees in 1991. He has been a member of the American Ireland Fund Dinner Committee for the past 19 years and a Trustee for the Irish Community Center for eight years. He serves on the Board of Trustees of the Hawaii Maritime Center.

Mr. Bowlen is a member of several other clubs and societies, including the Alberta Bar Association and the Law Society of Alberta. He also was a member of the Young Presidents Organization.

Mr. Bowlen maintains an active lifestyle and exercises extensively as part of his daily regimen. He has competed in the Ironman Triathlon—an event in which one must swim 2.4 miles, ride 112 miles on a bicycle and run 26.2 miles, all consecutively—as well as in other triathlon races and several marathons.

He possesses experience in every major professional league, having worked in the NFL, MLB, NBA, NHL, MLL and MLS and has worked in every type of public assembly venue including stadiums, arenas, theaters and amphitheaters.

Having spent over 15 years in private management of public facilities, Freeman brings significant expertise in event booking, fiscal planning and budgeting, and efficient facility operations. DID YOU KNOW?

Outlaws Nation continues to prove that it has the best fans in the MLL with a total attendance figure of 323,905 through the team's first five seasons. Both the total figure and the team's per-game average of 10,743 lead the league in that span.
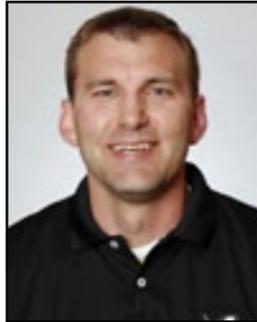

Brian Reese

General Manager/Associate Head Coach
6th Outlaws season / 6th overall

After four seasons as the Outlaws' head coach, Reese returns to concentrating solely on his duties as general manager. He oversees all of team lacrosse operations and player personnel.

Reese has a proven track record with the team, coming off three-plus seasons as the Outlaws' head coach. During that time he guided the team to a 30-14 (.682) record, four consecutive playoff berths, three consecutive regular season division titles (2008-10) and two championship game appearances (2008, '09). In 2009, Reese was named MLL Coach of the Year, after Denver finished with the league's best regular-season record (9-3) and earned an appearance in the MLL Title Game against Toronto.

Reese took over the head-coaching duties for the Outlaws fifth game of the 2007 season. Denver responded by winning five of the last eight games and reaching the MLL playoffs. Prior to Reese's arrival, the Outlaws allowed an average of 19 goals per game, which dropped to just 13 goals per game over the rest of the regular season under Reese. He has served as Denver's general manager since the team's inception in 2005. He dropped the head-coaching responsibilities at the end of the 2010 season to concentrate on player personnel duties.

During his playing career, Reese won a MLL title with the Baltimore Bayhawks in 2002 and earned a spot in the MLL All-Star game four times (2001-03, 2005). Reese recorded 101 ground balls and a goal in 48 games (35 starts) with the Bayhawks.

Reese played high school lacrosse at St. Paul's School in Brooklandville, Md., where he earned All-Metro accolades his senior season. He attended the University of Maryland, where he helped anchor the Terrapin defense to four consecutive NCAA tournament bids, including three trips to the finals. Following his senior season, Reese earned honorable mention All-America honors as well as All-ACC status as a defensive midfielder.

He is currently in his third year as a volunteer coach with the University of Maryland women's lacrosse team, where his wife, Cathy, serves as the team's head coach. Under their tutelage, the Terps won their first national title in a decade during the 2010 season. He and Cathy live in Baltimore with their three children, Riley, Brody and Cayden. Brian Reese was born on Aug. 29, 1976 in Baltimore.

BOSTON — The Denver Outlaws opened the 2010 season with a 16-13 road loss to the Boston Cannons in a rematch of the 2009 semi-final game. Midfielder Max Seibald led the Outlaws with four goals, while attacker Brendan Mundorf posted a hat trick in the season's opener. Cannons midfielder Matt Poskay matched Seibald with four goals and had one assist, and Boston midfielder Justin Smith contributed with a hat trick of his own.

The Outlaws fell behind early, as Boston scored twice to start the contest. Midfielder Brendan Loftus netted the first goal of the Outlaws' 2010 season, which was followed by a quick goal from Seibald to tie the game.

After the teams traded goals, Seibald hit a two-point shot, giving him a first-quarter hat trick and the Outlaws a 5-4 lead.

The teams again alternated scores to keep Denver in the lead, but then the Cannons notched four goals over a span of ten minutes to take the lead.

Seibald ended the Cannons' scoring streak with his fourth goal of the half, sending the Outlaws into halftime down 10-7.

The Outlaws started the third quarter on a power play, but could not capitalize, as the Cannons put up two goals to increase their lead to 12-7.

After matching tallies throughout the period, Mundorf slashed his way to the net to score and end the quarter with a 14-10 deficit.

The two teams swapped goals to start the fourth quarter before Mundorf scored again, earning his hat trick. The Outlaws' comeback effort continued as Murray scored a power-play goal, but Poskay answered for the Cannons to put Denver down by three with five minutes left, which would become the final margin at 16-13.

Denver vs. Long Island

Game No. 2
INVESCO Field at Mile High
May 22 • 7 p.m.

DENVER — The Denver Outlaws defeated the Long Island Lizards, 13-10, in their 2010 home opener in front of 12,323 fans at INVESCO Field at Mile High.

Outlaws midfielder Max Seibald stole the show with a hat trick and three assists to win the Bud Light Game MVP. Denver attackman Matt Brown and Lizards atackman Stephen Berger each added three goals. Berger scored the opening goal, but the lead was short-lived, as Seibald scored an unassisted marker shortly after.

The Lizards went on a 3-0 run to open up a 4-1 lead before Outlaws midfielder Casey Cittadino put a goal past Lizards goalie Drew Adams to end the first quarter with Denver down, 4-2.

Attackman Drew Westervelt drew the Outlaws to within one with a power-play goal and attackman Joey Murray knotted the game three minutes later with an assist from Westervelt.

Seibald dished out his second assist of the half, as midfielder Brian Langtry nailed a two-point goal to give Denver its first lead. Back-to-back goals from Long Island tied the game 6-6 going into the intermission.

Seibald completed the hat trick, starting the third quarter with an unassisted goal, which was followed by a score from attackman Brendan Mundorf.

Four straight goals from the Outlaws would put the game out of reach and spring Denver to a 13-8 lead entering the fourth quarter

The Lizards managed to find the net twice in the final period, as the Outlaws were content to maintain possession and drain the clock, resulting in a 13-10 final tally.

BOSTON — Denver struck first, but Boston answered with four consecutive goals and would go on to knock off the Outlaws by a final score of 17-12 in the second game of the season between the two clubs at Harvard Stadium.

Denver at Chesapeake

20 — 16

Game No. 6
Navy-Marine Corps Memorial
June 19 • 7 p.m.

ANNAPOLIS, Md. — Attackman Dan Hardy scored early and often, en route to Bud Light MVP honors and a 20-16 Outlaws victory over the Bayhawks. Hardy would finish the game with seven points on four goals, including one from two-point range, and two assists.

After Hardy notched the game's first goal, Denver midfielder Alex Hopmann added his first of two scores in the contest to open up a 2-0 early advantage. After Andrew Combs put the Bayhawks on the board, Denver midfielder Max Seibald netted his first of four markers in the game to make the score 3-1.Danny Glading scored on the power play for Chesapeake, but Denver answered with a shorthanded goal from midfielder Nate Watkins to make the margin 4-2 after the first quarter.

Denver posted the first three scores in the second frame, with attacker Drew Westervelt having a hand in all three. Westervelt scored the first two, and then assisted on attacker Matt Brown's goal that gave Denver a 7-2 edge. Peet Poillon snuck in a score to end the Outlaws' 4-0 run and cut the Denver lead to four. The Outlaws responded with back-to-back scores off the sticks of Hardy and Brown to pull ahead 9-3. The teams alternated goals to finish the half, with the Bayhawks netting a two-pointer to close out the first half to trim the lead to 10-6.

The Bayhawks found the back of the net with consecutive scores in the opening minute of the second to half to crawl back to within two, 10-8. Westervelt notched his third goal of the game, and attackers Brian Langtry and Hardy each added a goal to push the Outlaws' lead to 13-8. The Bayhawks managed three straight before Seibald scored his second goal of the game to make the score 14-11 going into the fourth quarter.

After Chesapeake scored in the opening minute, Seibald buried a two-pointer to earn a hat trick. The Bayhawks responded with a score, but Hopmann delivered his second of the game and Seibald followed with No. 4 to make the score 18-13. Chesapeake fought back with a goal from Brian Vetter and a two-point score from Kyle Dixon, but it was too little too late. Hardy polished off his seven-point day with an empty-net two-pointer to make the final score 20-16.

DENVER — In front of a record crowd of 23,433 on fireworks night at INVESCO Field at Mile High, the Outlaws knocked off the Bayhawks 12-10, to earn the regular-season sweep. Denver received hat tricks from defenseman Matt Bocklet and midfielder Max Seibald, who also added a pair of assists to finish with five points in a game marked by heavy downpours and a lightning delay.

Bocklet started the scoring early for the Outlaws, finding the net 53 seconds into the contest. Chesapeake answered with markers from Jeff Reynolds and Chazz Woodson to take an early 2-1 lead. Attacker Brendan Mundorf added a goal for Denver to tie the score at 2-2 with 6:10 remaining in the quarter. Brian Vetter put the Bayhawks back out in front before Bocklet added another goal to deadlock the score at 3-3 after one quarter.

Seibald notched his first goal of the night to give Denver a 4-3 lead. Chesapeake responded with a 3-0 run, with all three assists going to Peet Poillon, who would finish with four on the evening. Trailing 6-4, Denver managed to tie the score by the halftime whistle via goals by attacker Brian Langtry and Seibald.

The Outlaws continued their scoring streak, opening the second half with five unanswered goals, including a shorthanded tally from defenseman Eric Martin. Chesapeake ended Denver's 7-0 run with back-to-back goals to end the third quarter with Denver out in front by a score of 11-8.

Danny Glading netted two goals for the Bayhawks, making it a one-score game with 7:59 remaining. Denver at Toronto

15 | **14**

Game No. 9
Lamport Stadium
July 10 • 7 p.m.

TORONTO — Denver snapped Toronto's win streak at three games, pulling out the 15-14 victory with a game-winner in overtime. Alex Hopmann led the Outlaws with a hat trick, while Dan Hardy finished with six points (2 G, 4 A).

Brown gave Denver an early 2-0 lead, but Toronto responded with a 4-0 run. Westervelt scored his first goal of the contest with just 10 seconds remaining in the quarter to make the score 4-3 after one period.

The Nationals defense stymied Denver, keeping the Outlaws off the board until Sean DeLaney ended a 5-0 Toronto run, which included three consecutive goals by John Grant Jr., with a goal that was assisted by Steve Giannone. Trailing 9-4, Brown added his second goal to cut the halftime deficit to four, 9-5.

After a penalty to Toronto off the second-half whistle, Hardy buried a power-play goal to make the score 9-6. Kevin Huntly hit the back of the net to push the Toronto lead to four goals, but Westervelt answered, making the score 10-7. Dan Dawson and Garrett Billings went back-to-back for the Nationals, opening up a 12-7 lead with 8:29 left in the third quarter. The Outlaws continued to chip away, getting consecutive goals from Nate Watkins and Hopmann. Grant Jr. scored his fifth goal of the night to make the score 13-9, but Mundorf and Hopmann responded with goals of their own to close the gap to 13-11 after three quarters.

Jordan Hall netted a Nationals goal at the 4:41 mark of the fourth quarter, but that would be it for Toronto. Bud Light MVP Jesse Schwartzman kept a clean slate the rest of the night, finishing with 13 saves in the contest. Hardy notched his second goal of the game to draw to within two. Then, Matt Bocklet joined the scoring, with an assist from Hardy.

Thanks to stellar defensive play and timely goals, Denver found itself in a one-goal game after trailing by as many as six early in the contest. Hopmann earned his hat trick with the game-tying goal, off Hardy's fourth assist of the night at the 9:38 mark of the period. Neither team scored the rest of the way, sending the game to overtime even at 14-14.

The Outlaws did not take long to net the game-winner, as Giannone beat Toronto goaltender Chris Garrity for the sudden-victory goal just 55 seconds into overtime, to give Denver the 15-14 victory.

Denver vs. Chicago

Game No. 10
INVESCO Field at Mile High
July 24 • 7:00 p.m.

15 — 11

DENVER — Chicago's defense held the Outlaws in check early, but the Denver offense found its rhythm as the game wore on to earn a 15-11 victory and push the team's winning streak to three games.

Brendan Cannon kicked off the game's scoring with a goal just 40 seconds into the contest. Denver rookie attacker Connor Martin, making his MLL debut, scored his first career goal just 44 seconds later to even the score at 1-1. Chicago opened up a 3-1 lead on goals from Josh Sims and Chris Rotelli. Dan Hardy brought the Outlaws to within one with a power-play score, but the Jordan Levine scored to extend the Chicago lead to 4-2 at the end of the first quarter

Alex Hopmann opened the second quarter with a goal for Denver, assisted by Martin. Chicago responded with three consecutive tallies, opening a 4-goal lead, 7-3. Hopmann scored again just 13 seconds before the halftime break, to make the margin 7-4.

Brian Langrty got the Outlaws rolling in the third quarter with a marker, assisted by Sean DeLaney. Brett Garber answered with a goal for the Machine, before Hardy found the net for his second goal of the night. Chicago extended its lead to 10-6 with back-to-back goals from Rotelli and Bill McGlone. Martin scored his second goal of the game – and his career – with just one tick left on the third-quarter clock, to push the Machine lead to 10-7 heading into the fourth quarter.

Denver dominated the final frame, putting up eight points before Chicago could muster a goal in the game's final minute when the outcome was no longer in doubt. Andrew Hennessey took just six seconds to score off the quarter-opening faceoff, which made the score 10-8. Langtry made it a one-goal game with a tally just 56 seconds later. He added another goal – his third of the night – at the 7:28 mark that tied the game at 10-10. Delaney buried a two-pointer, putting Denver on top for the first time all game. Giannone made it 13-10 with a goal at the 8:05 mark, and Langtry added his fourth score of the contest to push the Denver edge to four. Martin completed the hat trick at the 13:08 mark, as Denver went on to secure the 15-11 come-from-behind win.

Denver vs. Chicago

18 **8**

Game No. 12
INVESCO Field at Mile High
August 7 • 7:00 p.m.

DENVER — In the regular season finale, the Outlaws struck early and often on their way to an 18-8 victory over Chicago at INVESCO Field at Mile High.

Brian Langtry put Denver on the board with a goal assisted by Max Seibald just over one minute into the contest. Martin Cahill evened the score at 1-1, but Chicago would not score again until midway through the second quarter. Brendan Mundorf hit back-to-back shots, which were followed by goals from Matt Brown, Seibald and Eric Martin to give the Outlaws a 6-1 lead after the first quarter.

Denver kept scoring, opening the second quarter with markers from Seibald and Sean DeLaney before Chicago could muster another tally. Matt Striebel and Ned Crotty scored consecutive goals for Chicago to bring the Machine back to with five at 8-3. But, Mundorf buried his third goal of the half and Denver took a 9-3 lead into the locker room.

The two teams alternated goals through the third quarter, with Denver's scores coming from Drew Westervelt, Seibald and DeLaney. Chicago's goals were off the sticks of Cahill, Bill McGlone and Mike Leveille. Jesse Schwartzman made three saves in the quarter for the Outlaws, and would finish with seven saves in thirty minutes of action.

With a 12-6 lead entering the fourth quarter, the Outlaws did not take their foot off the gas, striking for four straight goals to open the period. Brown and Seibald converted their second and fourth goals, respectively, and then Dillon Roy and Langtry each put one past Chicago goalie Mike Gabel to give Denver a double-digit lead, 16-6. Crotty scored twice in the final 8:02, finishing with a hat trick, but Mundorf found the net for his fourth goal of the night, and Westervelt added his second to round out the scoring at 18-8. Mundorf received Bud Light MVP honors as he finished with four goals and one assist for five points.

Team USA vs. MLL All-Stars

2010 MLL All-Star Game
Harvard Stadium
July 8 • 7 p.m.

BOSTON — The Outlaws were well-represented at the tenth installment of the MLL All-Star Game, which pitted representatives of Team USA against the MLL All-Stars in a showdown at Harvard Stadium in Boston. For the second consecutive season, a Denver attackman took home the MVP hardware at the annual exhibition, with Brendan Mundorf claiming this year's honors. He scored six goals to lead Team USA to a win. Outlaws attackman Brian Langtry won the MVP Award in 2009.

Three Outlaws found the net in the showcase, as Dan Hardy and Max Seibald joined Mundorf on the stat sheet. Drew Westervelt assisted on two of Mundorf's markers to finish with a pair of points.

Kevin Leveille drew first blood for the MLL All-Stars, scoring at the 6:36 mark of the first quarter, and Hardy added another goal minutes later to help the MLL All-Stars take a 2-0 lead into the second quarter.

The second frame belonged to Team USA, however, as a pair of goals from Ryan Boyle and a goal by Seibald gave Team USA a 3-2 lead early in the quarter. Peet Poillon stopped the bleeding with an unassisted equalizer at 9:33, but the momentum stayed in Team USA's favor. Two goals by Mundorf, with one in the closing seconds of the half, gave Team USA a 5-3 lead at the break. Both of Mundorf's goals were assisted by Outlaw teammate, Westervelt.

Mundorf picked up where he left off in the third, scoring less than two minutes into the frame to pad Team USA's lead, 6-3. The MLL All-Stars roared back, scoring six unanswered in the third to take a 9-6 lead before Matt Zash answered for Team USA. Mundorf added a goal in the final minute of the quarter to cut the deficit to 9-8.

Once again, showing early-action heroics, Mundorf netted a shot in the opening minute of the fourth frame to tie the game, 9-9. The MLL All-Stars answered with three straight of their own to regain the lead, but their sticks would fall silent after that. Team USA scored the final four goals to complete the rally and seal a 13-12 victory.

Background : During the summer of 1998, Jake "Body By Jake" Steinfeld was inspired to start a professional outdoor lacrosse league after reading a magazine article about the growth of the sport of lacrosse. Steinfeld sought out a contributor to the article, Dave Morrow, Owner and President of Warrior Lacrosse, a leading lacrosse equipment manufacturer, to discuss formation of such a league.

In February 1999 Steinfeld and Morrow joined forces with Steinfeld's friend and business associate Tim Robertson, Chairman of Bay Shore Enterprises and former CEO of the Family Channel, to form Major League Lacrosse, LLC, a Virginia limited liability company.

In 2003, New Balance Athletic Shoe Inc. came on board as a Founding Member of Major League Lacrosse, as well as an Anchor Level League Sponsor.

Major League Lacrosse began play in 2001 to capitalize on the growing demand for world-class field lacrosse driven by dramatic growth in the U.S. lacrosse market. The MLL was praised and heralded for its on-field play, regarded as the best ever seen. With a year-on-year attendance increase, Major League Lacrosse has continued to lead the sport of lacrosse into the mainstream of competitive team sports.

The Teams: The MLL is comprised of six teams located in Boston, Chesapeake, Denver, Hamilton, Long Island and Rochester. The Boston Cannons, Long Island Lizards, and Chesapeake (formerly Baltimore/Washington) Bayhawks have been members of the League since its inception in 2001. The Chicago Machine (now Rochester Rattlers) and Denver Outlaws began play in 2006 as part of the League's expansion. The Toronto (now Hamilton) Nationals joined the MLL in 2009 as the League's first international team. The MLL has announced two new teams in Columbus and Charlotte that will begin play in 2012.

The 2011 MLL All Star game will take place on July 9, 2011 at Harvard Stadium in Boston.

The Game: Major League Lacrosse has implemented some innovative dynamics to the traditional game of field lacrosse that bring the sport into the next millennium. MLL rule changes include the addition of a two-point goal line located 16 yards from each goal and a 60-second shot clock.

Broadcast: All MLL games will be broadcast live on ESPN3.com. Local coverage varries by team.

Sponsorship: A full range of integrated sponsorship packages are available. Partnerships can include league/team category exclusivity, special events rights, corporate branding on player uniforms, national TV commercial units and in-game TV features, field signage, SLASH Magazine ads, web site banners, tickets/hospitality, game footage, photo usages, player appearances, customized activation and cross-promotional programs.

INDEPENDENCE DAY FIREWORKS SHOW

Each season since the team's inaugural year, the Outlaws have played a home game on, or around July 4th that has been capped with one of Denver's most spectacular fireworks shows. Fans have packed INVESCO Field at Mile High each season to see an action-packed game followed by an awe-inspiring fireworks display.

Each game has set an Outlaws attendance record, breaking the record set by the Independence Day celebration game of the year prior. A total of 101, 275 fans have come through the turnstiles at INVESCO Field for the five games that have been played to date. The increased fan support produces results on the field, as is demonstrated by the team's 4-1 record on Independence Day celebration games. This year's game will be played on July 3rd against Boston. Tickets may be purchased at **www.DenverOutlaws.com** or over the phone by calling **303-OUTLAWS**.

LEARNING LAX

Overview:

While lacrosse is America's oldest game, it may be the "freshest" sport in the nation as well. Its unique blend of fast-paced, high scoring, hard-hitting action has made it the fastest growing team sport in the United States. In lock step with this growth, Major League Lacrosse (MLL) was successfully launched in June 2001 as a single entity ownership structure to showcase the best professional outdoor lacrosse in the world. MLL was founded by Jake "Body by Jake" Steinfeld with founding partners Dave Morrow and Tim Robertson. The MLL has ten teams playing in major markets across the United States. MLL teams play 12 regular season games (six home and six away) that begin in May and run through August, including an All-Star game and Championship Weekend, where the top four teams play for top honors. Each team, consisting of twenty-three players, has three attacks, three midfielders, three defensemen and a goaltender on the field during the game. Each team dresses eighteen players per game and the players rotate on and off the field in shifts. The game consists of four 15 minute quarters.

MLL Rules:

Roster: Teams consist of 23 players; each team dresses eighteen players per game (3 attacks, 3 midfielders, 3 defensemen and 1 goaltender on the field during the game).
Time Format: Games consist of four 15 minute quarters, including a 15 minute halftime period.
Faceoffs: To determine possession of the ball at the start of each quarter and after every goal. Two players face their sticks at midfield with a referee placing the ball between the heads of the sticks.
Shot Clock: Changed from a 45-second shot clock in 2005, a 60-second clock begins when a team gains possession of the ball. The offensive team must put a shot on goal during that time or they will lose possession. The clock is reset for a new 60 seconds if the offensive team takes a shot without scoring but recovers the ball.
Slow Whistle (Delayed Penalty): If a defending player commits a minor or major penalty against an opponent in possession of the ball where there is offensive momentum and the opponent doesn't lose possession, the official raises his hand and does not blow the whistle until a shot is taken, the 60-second shot clock expires, or a goal is scored or possession is lost.
Two-Point Arc: The 16-yard radius from the center of the goal line from which goals are worth two points. Also, the line which players have to remain until the faceoff is possessed.
Goals: Are 6' (high) x 6' (wide)
Ball: The ball is colored fluorescent orange and is textured, making it less weather sensitive and gives players a better feel for the ball in the stick pocket. The orange ball helps fans follow the game and enhances televised games by making them more viewer friendly.

Positions:

Attack: The attackman's responsibility is to score goals. The attackman generally restricts his play to the offensive end of the field.
Midfield: The midfielder's responsibility is to cover the entire field, playing both offense and defense. The midfielder is key to the transition game, and is often called upon to clear the ball from defense to offense.
Defense: The defenseman's responsibility is to defend the goal. The defenseman generally restricts his play to the defensive end of the field. A good defenseman should be able to react quickly in game situations.
Goal: The goalie's responsibility is to protect the goal and stop the opposing team from scoring. A good goalie also leads the defense by reading the situation and directing the defensemen to react.
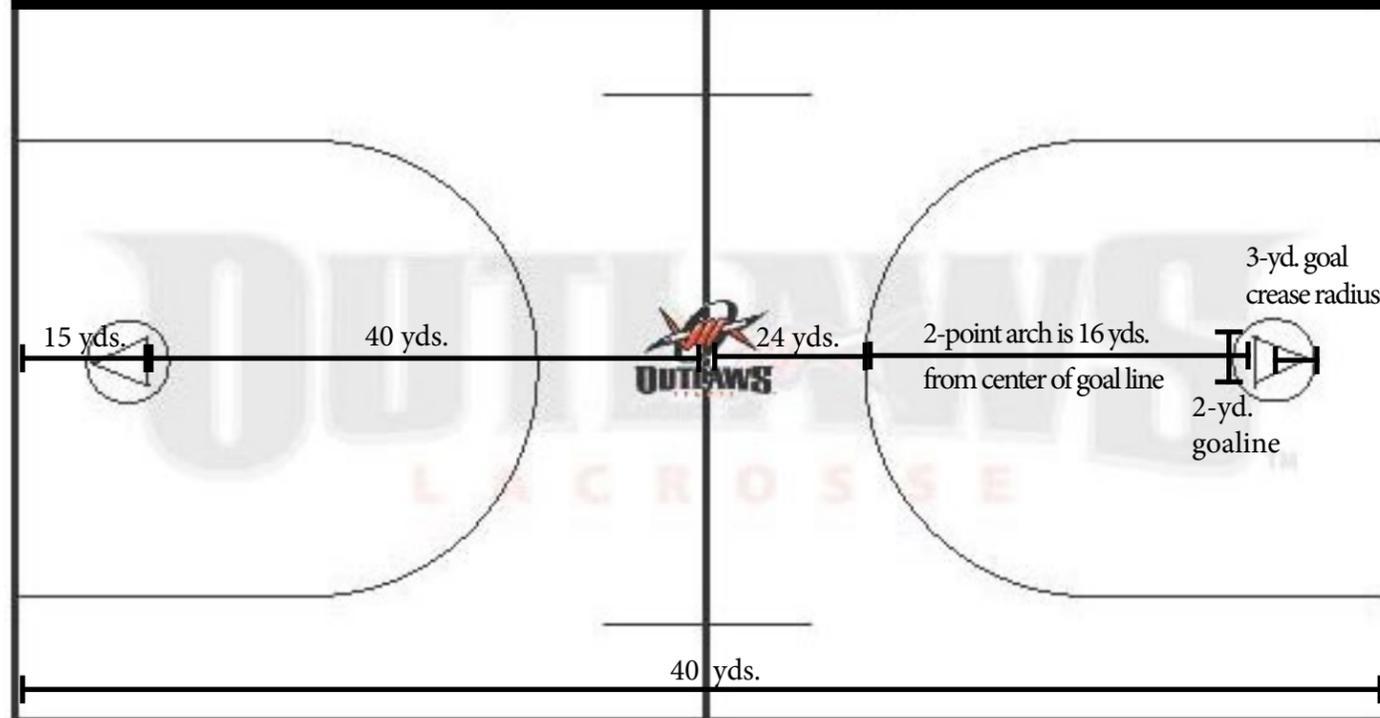

GLOSSARY OF LACROSSE TERMINOLOGY

Body Check: Defensive move used to slow an opponent who has the ball; must be above waist and below neck.

Clear: An attempt by the team in possession to transition the ball from defense to offense.

Cradle: Method used to keep the ball inside the pocket of the stick by rocking it back and forth.

Crease: The nine-foot radius containing the goal in which offensive players cannot enter. Shooters or their teammates cannot stand on (or inside) the line or their goals won't count.

Cross Check: Defensive strategy using the shaft of the stick to push an opponent to force a missed or bad shot.

Failure to Advance: Upon gaining possession of the ball and resetting of the shot clock, the failure of a team to advance the ball from its defensive end of the field within 20 seconds.

Fast break: Like basketball, a transition from a defense-type offense in which the team with the ball gains a man advantage during the transition.

Ground Ball: Occurs when there is no possession and the ball is bouncing, rolling, or deflected off the goaltender.

Outlet Pass: The first pass from the goaltender that begins the transition from defense to offense.

Ride or Riding: Defending a clear; an attempt to stop the team in possession from clearing the ball.

Roll Dodge: Typical of an attackman's move; driving with the stick in one hand, while rolling with back to the defender to free hands for a pass or shot on goal.

Shot Clock Violation: Failure to get a shot on goal - whether it hits the post, rebounds off the goalkeeper or is saved by a defensive player in the crease - in 60 seconds.

Split Dodge: When an offensive player with the ball changes direction by moving the stick from one hand to the other in a crossover motion, to lead the defender in the opposite direction.

Takeaway check: An attempt to strip the offensive player of the ball using the defenseman's stick.
