To the greatest lacrosse fans in the world –

Welcome to season 13 of Major League Lacrosse!

Congratulations, we are officially America's "It" sport! Wherever you travel today, lacrosse is being played everywhere throughout this great country of ours. From the West coast to the East, the North to the South and everywhere in between, boys and girls youth programs, club and school programs, indoor and outdoor, the sport of lacrosse is on a roll. These are very exciting times for Major League Lacrosse!

This summer we've got games in Atlanta, Boca Raton, and Tampa. And we're bringing the 2013 All-Star Game to Charlotte and look forward to some great southern hospitality.

Last year we saw the addition of the Charlotte Hounds and the Ohio Machine and this year we will see the newly re-branded New York Lizards take the MLL into New York City. It's great to see the commitment the Lizards' ownership has to expanding its footprint beyond Long Island and into the whole tri-state area!

Our sport has better television coverage than ever thanks to Major League Lacrosse's partners at ESPN and CBS Sports! This year we're back with 6 games on ESPN2, we've increased our games on CBS Sports Network to 20, and we'll air 19 regionally televised games and 25 live games on ESPN3. We'll have 15 games playing on YouTube so you'll be able to watch MLL action anywhere – on your computer, laptop, or any mobile device!

Got a favorite player you met after a game and want to learn more about them? Then be sure to catch "Inside the MLL", our 30-minute magazine show every Thursday night on CBS Sports Network. We take you behind the scenes with player features, highlights, expert analysis and exclusive interviews. And check out our website www.majorleaguelacrosse.com, featuring up to the minute breaking news, the hottest highlights, and exclusive content you won't find anywhere else.

On August 24-25, the 2013 MLL Championship Weekend is being played at PPL Park in Philadelphia. The great state of Pennsylvania is a hotbed for lacrosse and we can't wait to show off the MLL in the city of brotherly LAX!

A big shout out to our sponsors and fans! The MLL family is getting bigger and stronger every day and we couldn't do it without YOU! You're AWESOME!

Dream BIG, Take a Shot, and remember...

Don't Quit!
Jake

The Bayhawks' scored the game's first two goals but Machine midfielder Matt Casey scored the Machine's first ever goal in franchise history to cut Chesapeake's lead to one. About Major League Lacrosse:

During the summer of 1998, Jake "Body By Jake" Steinfeld was inspired to start a professional outdoor lacrosse league after reading a magazine article about the growth of the sport of lacrosse. Steinfeld sought out a contributor to the article, Owner and President of Warrior Lacrosse Dave Morrow, a leading lacrosse equipment manufacturer, to discuss formation of such a league.

In February 1999 Steinfeld and Morrow joined forces with Steinfeld's friend and business associate Tim Robertson, Chairman of Bay Shore Enterprises and former CEO of the Family Channel, to form Major League Lacrosse, LLC, a Virginia limited liability company. In 2003, New Balance Athletic Shoe Inc. came on board as a Founding Member of Major League Lacrosse, as well as an Anchor Level League Sponsor.

Major League Lacrosse began play in 2001 to capitalize on the growing demand for world-class field lacrosse driven by dramatic growth in the U.S. lacrosse market. The MLL was praised and heralded for its on-field play, regarded as the best ever seen. With a year-on-year attendance increase, Major League Lacrosse has continued to lead the sport of lacrosse into the mainstream of competitive team sports.

MLL Teams:

MLL is comprised of eight teams across the US and Canada. The Boston Cannons, Chesapeake Bayhawks (formerly Baltimore and Washington), New York Lizards (formally Long Island) and Rochester Rattlers are original teams starting in 2001. The Denver Outlaws began play in 2006 as part of the League's western expansion. The Hamilton Nationals (formerly Toronto) joined MLL in 2009 as the League's first international team. The Charlotte Hounds and Ohio Machine began play in 2012 as a part of the League's expansion initiative to have 16 teams in the next decade.

TELEVISION: *Past Seasons:* ESPN2 has been the national television home of Major League Lacrosse since 2003, when the two parties agreed on a two-year commitment. In 2004, ESPN aired the New Balance Championship Game, making it the first live national telecast of a Major League Lacrosse competition. Today, MLL and ESPN's relationship is the longest commitment that any television outlet has given to a lacrosse entity. The partnership between the MLL and ESPN continued to grow when on June 9, 2007, ESPN360.com, ESPN's signature broadband network, streamed its first MLL game live from Sports Authority Field at Mile High. ESPN360.com went on to stream 5 more MLL events that season. In 2008, all 64 MLL games, including the All-Star game, both, Semi-Finals, and the NB ZIP MLL Championship Game were streamed live on ESPN360.com. After airing live, the games were archived on the website for a period of one week. In 2008, MLL licensed its broadcast and digital media rights to Lax United Marketing (LUM). The 2008 season also marked the first time in League history that every regular season MLL game was broadcast live on regional sports networks throughout the country. Lax United Marketing syndicated every game not available on ESPN2. In 2010, ESPN2 aired a total of 6 MLL games, including live broadcasts of the All-Star Game (July 8) from Boston, as well as the first Semi-Final game (August 21) and the MLL Championship Game presented by Warrior (August 22) from Annapolis. In 2011, all 36 regular season games in addition to the 2011 Sports Authority MLL All-Star Game (July 9) and the 2011 Sports Authority MLL Championship Weekend presented by Warrior (August 27 and 28), were broadcast in syndication. Every MLL game was streamed live on ESPN3.com in HD, and a total of six MLL games including the All-Star Game and the Championship Weekend were broadcast live on ESPN2. In 2012, MLL announced a major television agreement with CBS Sports Network that brought 14 live games in HD to CBS along with all 18 episodes of "Inside the MLL." Six games also aired live on ESPN2, bringing the total number of nationally televised live games to 20 last season. ESPN3 also streamed 46 live games on ESPN3.com.

This Season MLL recently announced an increase to their television agreement with CBS Sports Network that will bring 20 live games, up from 14 in 2012, in HD to CBS along with all 18 episodes of "Inside the MLL," the league's 30-minute magazine show. Additionally, six games will again be aired live on ESPN2, which brings the total number of nationally televised live games to 26 in the 2013 season.
