Pat Bowlen

President and Chief Executive Officer
Denver Broncos and Denver Outlaws

Pat Bowlen enters his 31st year as President and CEO of the Denver Broncos and his ninth of the Denver Outlaws in 2014, and he is still the only two-decade owner of a major-league sports team in Colorado history.

The Broncos' and Outlaws' President and CEO has fashioned a powerful reputation among his peers as a bold, dynamic leader who is single-minded in his pursuit of excellence, whether representing the Broncos, the Outlaws, the city of Denver, the state of Colorado, Major League Lacrosse or the National Football League.

His status and reputation as an owner were recognized within the state on April 10, 2007, when Mr. Bowlen was inducted into the Colorado Sports Hall of Fame.

For many years, Mr. Bowlen's reputation as an outstanding owner has been well known nationally. In 1987, he finished second in The Sporting News Executive of the Year balloting. In December 2000, ESPN conducted a fan poll asking which NFL owner would be the best for which to play. Mr. Bowlen finished first among all NFL owners with 44.7 percent of the more than 60,000 votes cast. Mr. Bowlen has been well respected for many years by fans, players, coaches, his peers and NFL executives.

Pat Bowlen was introduced as the majority owner of the Denver Broncos on March 23, 1984, and that announcement triggered a new era in franchise history. Mr. Bowlen and the Bowlen family acquired 100 percent ownership of the Broncos in July 1985, and currently his brother John Bowlen owns a minority interest in the Broncos.

Mr. Bowlen was born in Prairie du Chien, Wis., where he attended high school. He went on to the University of Oklahoma, earning degrees in both business (1965) and law (1968). After successful careers in oil, gas and real estate, he purchased the Denver Broncos in 1984.

He is chairman of the board of the Denver Broncos Charities Fund and in that capacity has donated more than $25 million to charitable organizations in the Denver area since the inception of that fund in 1993. Mr. Bowlen served as the Honorary Chairman of the Colorado Special Olympics for 19 years. He has served as the Honorary Chairman of the Stadium Stampede (formerly the Colorado Family Classic) to benefit St. Joseph's Hospital Foundation for 27 years, and this is his 17th year as Honorary Chairman of the Capuchin Friars Brown Robe Benefit fundraising dinner. He also is Honorary Chairman of the Cherish the Children Gala, chaired the 1989 Centennial Scholarship rally at the University of Northern Colorado in Greeley, Colo. and was Co-Chairman of the Rose Medical Center Critical Care Campaign from 1986-89.

In addition, Mr. Bowlen was elected to the University of Denver Board of Trustees in 1987. He is currently a member of the DU Athletic Affairs Committee. His previous DU committee memberships include the Institutional Advancement Committee and Institutional Advancement/University Relations subcommittee. He also was named to the Colorado Academy Board of Trustees in 1991. He has been a member of the American Ireland Fund Dinner Committee for the past 19 years and a Trustee for the Irish Community Center for eight years. He serves on the Board of Trustees of the Hawaii Maritime Center.

Mr. Bowlen is a member of several other clubs and societies, including the Alberta Bar Association and the Law Society of Alberta. He also was a member of the Young Presidents Organization.

Mr. Bowlen maintains an active lifestyle and exercises extensively as part of his daily regimen. He has competed in the Ironman Triathlon—an event in which one must swim 2.4 miles, ride 112 miles on a bicycle and run 26.2 miles, all consecutively—as well as in other triathlon races and several marathons.

Freeman joined the Broncos in January of 2001 after serving as general manager for the final three years at Mile High Stadium. He possesses experience in every major professional league, having worked in the NFL, MLB, NBA, NHL, MLL and MLS and has worked in every type of public assembly venue including stadiums, arenas, theaters and amphitheaters.

MLL OVERVIEW

BACKGROUND:
During the summer of 1998, Jake "Body By Jake" Steinfeld was inspired to start a professional outdoor lacrosse league after reading a magazine article about the growth of the sport of lacrosse. Steinfeld sought out a contributor to the article, Owner and President of Warrior Lacrosse Dave Morrow, a leading lacrosse equipment manufacturer, to discuss the formation of such a league.

In February 1999, Steinfeld and Morrow joined forces with Steinfeld's friend and business associate Tim Robertson, Chairman of Bay Shore Enterprises and former CEO of the Family Channel, to form Major League Lacrosse, LLC, a Virginia limited liability company. In 2003, New Balance Athletic Shoe Inc. came on board as a Founding Member of Major League Lacrosse, as well as an Anchor Level League Sponsor.

Major League Lacrosse began play in 2001 to capitalize on the growing demand for world-class field lacrosse driven by dramatic growth in the U.S. lacrosse market. The MLL was praised and heralded for its on-field play, regarded as the best ever seen. With a year-on-year attendance increase, Major League Lacrosse has continued to lead the sport of lacrosse into the mainstream of competitive team sports.

OUR TEAMS:
MLL is comprised of eight teams across the U.S. and Canada. The Boston Cannons, Chesapeake Bayhawks (formerly Baltimore and Washington), New York Lizards (formally Long Island) and Rochester Rattlers are original teams starting in 2001. The Denver Outlaws began play in 2006 as part of the League's western expansion. The Hamilton Nationals (formerly Toronto) joined MLL in 2009 as the League's first international team. The Charlotte Hounds and Ohio Machine began play in 2012 as a part of the League's expansion initiative to have 16 teams in the next decade. In 2013, the League announced the placement of a team in South Florida that will begin play in 2014, replacing the Hamilton Nationals who are sitting out the season.

Current teams include:
Boston Cannons, Charlotte Hounds, Chesapeake Bayhawks, Denver Outlaws, Florida Launch, New York Lizards, Ohio Machine, Rochester Rattlers.

OUR PLAYERS:
Major League Lacrosse boasts the best 230 lacrosse players in the world. They hail from some of the top academic institutions including Princeton, Johns Hopkins, Syracuse, Duke, and Virginia. MLL icons include Casey Powell, Jesse Hubbard, John Grant Jr., Mark Millon and Brodie Merrill.

The League also features current stars in lacrosse such as Paul Rabil, Ned Crotty, Brendan Mundorf, Brodie Merrill, Rob Pannell, Steele Stanwick and Matt Danowski.

OUR SEASON:
The 2014 Major League Lacrosse season consists of a total of 56 regular season games running from April to August with the following league-run special events: The Major League Lacrosse Collegiate Draft (January 10), MLL All-Star Weekend (June 26), and the MLL Championship Game (August 23). The fourteenth season of MLL action begins April 26, 2014.

OUR GAME:
Major League Lacrosse has implemented some innovative dynamics to the traditional game of field lacrosse that bring the sport into the next millennium. MLL rule changes include the addition of a two-point goal line located 16 yards from each goal and a 60-second shot clock.

MLL OVERVIEW, CTD.

SPONSORSHIP:
A full range of integrated sponsorship packages are available. Partnerships can include league/team category exclusivity, special events rights, corporate branding on player uniforms, national TV commercial units and in-game TV features, field signage, SLASH Magazine ads, web site banners, tickets/hospitality, game footage, photo usages, player appearances, customized activation, and cross-promotional programs.

TELEVISION:
ESPN2 has been the national television home of Major League Lacrosse since 2003, when the two parties agreed on a two-year commitment. In 2004, ESPN aired the New Balance Championship Game, making it the first live national telecast of a Major League Lacrosse competition. Today, MLL and ESPN's relationship is the longest commitment that any television outlet has given to a lacrosse entity.

The partnership between the MLL and ESPN continued to grow when on June 9, 2007, ESPN360.com, ESPN's signature broadband network, streamed its first MLL game live from Sports Authority Field at Mile High. ESPN360.com went on to stream five more MLL events that season. In 2008, all 64 MLL games, including the All-Star game, both, Semi-Finals, and the NB ZIP MLL Championship Game were streamed live on ESPN360.com. After airing live, the games were archived on the website for a period of one week.

In 2008, MLL licensed its broadcast and digital media rights to Lax United Marketing (LUM). The 2008 season also marked the first time in League history that every regular season MLL game was broadcast live on regional sports networks throughout the country. Lax United Marketing syndicated every game not available on ESPN2, including the second MLL Semi-Final from Boston to top regional sports networks such as Comcast Sports Net, Fox Sports Net, Cox Sports, Time Warner Cable, Charter Communications, Brighthouse, Charter Sports and CN8.

In 2010, ESPN2 aired a total of 6 MLL games, including live broadcasts of the All-Star Game (July 8) from Boston, as well as the first Semi-Final game (August 21) and the MLL Championship Game presented by Warrior (August 22) from Annapolis.

In 2011, all 36 regular season games in addition to the 2011 Sports Authority MLL All-Star Game (July 9) and the 2011 Sports Authority MLL Championship Weekend presented by Warrior (August 27 and 28), were broadcast in syndication. Every MLL game was streamed live on ESPN3.com in HD, and a total of six MLL games including the All-Star Game and the Championship Weekend were broadcast live on ESPN2.

In 2012, MLL announced a major television agreement with CBS Sports Network that brought 14 live games in HD to CBS along with all 18 episodes of "Inside the MLL." Six games also aired live on ESPN2, bringing the total number of nationally televised live games to 20 last season. ESPN3 also streamed 46 live games on ESPN3.com.

In, 2013, MLL recently announced an increase to their television agreement with CBS Sports Network that brought 20 live games, up from 14 in 2012, in HD to CBS along with all 18 episodes of "Inside the MLL," the league's 30-minute magazine show. INDEPENDENCE DAY FIREWORKS SHOW

Each season since the team's inaugural year, the Outlaws have played a home game on, or around July 4th that has been capped with one of Denver's most spectacular fireworks shows. Fans have packed Sports Authority Field at Mile High each season to see an action-packed game followed by an awe-inspiring fireworks display.

Each game has set an Outlaws attendance record, breaking the record set by the Independence Day celebration game of the year prior. A total of 189, 606 fans have come through the turnstiles at Sports Authority Field for the six games that have been played to date. Last year's attendance of 31,019 set a Major League Lacrosse record. The increased fan support produces results on the field, as is demonstrated by the team's 6-2 record on Independence Day celebration games. This year's game will be played on July 4th at 7 p.m. MDT against the Boston Cannons. Tickets may be purchased at **www.DenverOutlaws.com** or over the phone by calling **303-OUTLAWS**.

LEARNING LAX

Overview:

While lacrosse is America's oldest game, it may be the "freshest" sport in the nation as well. Its unique blend of fast-paced, high scoring, hard-hitting action has made it the fastest growing team sport in the United States. In lock step with this growth, Major League Lacrosse (MLL) was successfully launched in June 2001 as a single entity ownership structure to showcase the best professional outdoor lacrosse in the world. MLL was founded by Jake "Body by Jake" Steinfeld with founding partners Dave Morrow and Tim Robertson. The MLL has ten teams playing in major markets across the United States. MLL teams play 12 regular season games (six home and six away) that begin in May and run through August, including an All-Star game and Championship Weekend, where the top four teams play for top honors. Each team, consisting of twenty-three players, has three attacks, three midfielders, three defensemen and a goaltender on the field during the game. Each team dresses eighteen players per game and the players rotate on and off the field in shifts. The game consists of four 15 minute quarters.

MLL Rules:

Roster: Teams consist of 23 players; each team dresses eighteen players per game (3 attacks, 3 midfielders, 3 defensemen and 1 goaltender on the field during the game).
Time Format: Games consist of four 15 minute quarters, including a 15 minute halftime period.
Faceoffs: To determine possession of the ball at the start of each quarter and after every goal. Two players face their sticks at midfield with a referee placing the ball between the heads of the sticks.
Shot Clock: Changed from a 45-second shot clock in 2005, a 60-second clock begins when a team gains possession of the ball. The offensive team must put a shot on goal during that time or they will lose possession. The clock is reset for a new 60 seconds if the offensive team takes a shot without scoring but recovers the ball.
Slow Whistle (Delayed Penalty): If a defending player commits a minor or major penalty against an opponent in possession of the ball where there is offensive momentum and the opponent doesn't lose possession, the official raises his hand and does not blow the whistle until a shot is taken, the 60-second shot clock expires, or a goal is scored or possession is lost.
Two-Point Arc: The 16-yard radius from the center of the goal line from which goals are worth two points. Also, the line which players have to remain until the faceoff is possessed.
Goals: Are 6' (high) x 6' (wide)
Ball: The ball is colored fluorescent orange and is textured, making it less weather sensitive and gives players a better feel for the ball in the stick pocket. The orange ball helps fans follow the game and enhances televised games by making them more viewer friendly.

Positions:

Attack: The attackman's responsibility is to score goals. The attackman generally restricts his play to the offensive end of the field.
Midfield: The midfielder's responsibility is to cover the entire field, playing both offense and defense. The midfielder is key to the transition game, and is often called upon to clear the ball from defense to offense.
Defense: The defenseman's responsibility is to defend the goal. The defenseman generally restricts his play to the defensive end of the field. A good defenseman should be able to react quickly in game situations.
Goal: The goalie's responsibility is to protect the goal and stop the opposing team from scoring. A good goalie also leads the defense by reading the situation and directing the defensemen to react.

GLOSSARY OF LACROSSE TERMINOLOGY

Body Check: Defensive move used to slow an opponent who has the ball; must be above waist and below neck.
Clear: An attempt by the team in possession to transition the ball from defense to offense.
Cradle: Method used to keep the ball inside the pocket of the stick by rocking it back and forth.
Crease: The nine-foot radius containing the goal in which offensive players cannot enter. Shooters or their teammates cannot stand on (or inside) the line or their goals won't count.
Cross Check: Defensive strategy using the shaft of the stick to push an opponent to force a missed or bad shot.
Failure to Advance: Upon gaining possession of the ball and resetting of the shot clock, the failure of a team to advance the ball from its defensive end of the field within 20 seconds.
Fast break: Like basketball, a transition from a defense-type offense in which the team with the ball gains a man advantage during the transition.
Ground Ball: Occurs when there is no possession and the ball is bouncing, rolling, or deflected off the goaltender.
Outlet Pass: The first pass from the goaltender that begins the transition from defense to offense.
Ride or Riding: Defending a clear; an attempt to stop the team in possession from clearing the ball.
Roll Dodge: Typical of an attackman's move; driving with the stick in one hand, while rolling with back to the defender to free hands for a pass or shot on goal.
Shot Clock Violation: Failure to get a shot on goal - whether it hits the post, rebounds off the goalkeeper or is saved by a defensive player in the crease - in 60 seconds.
Split Dodge: When an offensive player with the ball changes direction by moving the stick from one hand to the other in a crossover motion, to lead the defender in the opposite direction.
Takeaway check: An attempt to strip the offensive player of the ball using the defenseman's stick.
