LACROSSE OPERATIONS

Tom Mariano Head Coach

Tom Mariano joins the Florida Launch as the second head coach in team history.

Mariano's experience comes from both the college ranks where he currently serves as head coach of Pace University and the professional level where he served as an assistant coach for the Chesapeake Bayhawks. Prior to joining the Bayhawks, he worked as an assistant coach for the Ohio Machine.

In 2015, he led the Pace men's lacrosse team to their first NE-10 Conference Tournament in five years. Before leading the Setters, he had a successful 17 year run as head coach of Sacred Heart University men's lacrosse. As head coach, he led the Pioneers from Division II to Division I as well as overseeing a move from the Metro Atlantic Athletic Conference to the Colonial Athletic Association, and eventually the Northeast Conference. In 2013, he led Sacred Heart to the NEC playoffs which earned him Coach of the Year honors.

Mariano holds a Master's Degree in Teaching with a concentration in Elementary Education from Sacred Heart University. He graduated from Nazareth College in 1994 with a Bachelor's of Science Degree in Business Administration. As a player with Nazareth, he won the 1992 NCAA Division III Men's Lacrosse National Championship team.

Chris Burdick Assistant Coach

Burdick joins the Launch to serve as Mariano's top assistant. Coach Burdick currently serves as an assistant for the University of Tampa men's lacrosse program. In his stint with UT, he has helped the Spartans to three consecutive Sunshine State Conference championships since the league added lacrosse in 2013.

Prior to UT, Burdick served as head coach of Providence College men's lacrosse program for 14 seasons (1999-2012). After 11 seasons of play in the Metro Atlantic Athletic Conference, he oversaw the transition into the Big East Conference. While in the MAAC, he earned the distinction as the most decorated coach in conference history with more championship teams than any other coach. Under Burdick's tenure, the Friars qualified for nine straight trips to the conference tournament (2001-09), won four regular season titles (2003, 2005, 2006, and 2008), and claimed the MAAC Championship three times (2004, 2006, and 2007). Before Providence, Burdick served as an assistant for Notre Dame, Delaware, UMass, and Cornell. Outside of coaching, Burdick has served as the president of the MAAC Lacrosse Coaches' Association and has been a member of the regional advisory committee for NCAA tournament selection.

Brian Duncan Assistant Coach

Coach Duncan currently serves as head coach of Flagler College men's lacrosse club.

Prior to joining the Saints, Duncan served as offensive coordinator for Division II Florida Tech men's lacrosse program. At FIT, he helped the team to a 12-4 record as they finished ranked 15th overall in the USILA coach's poll. The Panthers reached the Sunshine State Conference tournament and championship game for the first time in school history. FIT boasted seven all-conference players after their historic run. Before joining FIT, Duncan served as head coach and director of all lacrosse programs at the Bolles School in Jacksonville, FL. The Bulldogs were 18-16 under Duncan's direction as they earned two District Championships with 10 players making the 1st All-District team.

Previously, he spent three seasons at Jacksonville University as an assistant coach and defensive coordinator for the startup program. In just the second year of the program, the Dolphins made the MAAC Final Four in their first year of competitive play. In his longest tenured position, Duncan spent 10 years with the Community College of Baltimore County – Essex. Under Duncan's leadership, the Knights won the NJCAA National Championship in 2004. His title run earned him NJCAA National Coach of the Year honors.

As a player, Duncan was a midfielder for the University of Maryland, Baltimore County from 1989-92.

Matt Dugan
Director of Player
Analytics

Matt Dugan becomes the first person in team history to serve in an analytics role. Dugan is currently in his third season as an assistant coach for the University of Tampa men's lacrosse team. He previously served as an assistant Tompkins-Cortland Community College. With TC3 in 2014, Dugan helped the Panthers to a record-setting year and the second playoff berth in school history. Dugan has also held positions at camps with Marist College and Hamilton College. He graduated in 2013 from Marist College with a business-finance degree and was a member of the men's lacrosse team. With the Red Foxes he was a starter for three years and led the team in face-off percentage and ground balls.

Jesse Vanatta
Equipment Manager

Jesse Vanatta has served as the equipment manager for the Florida Launch since the team's first season in 2014 but this was far from his first experience with lacrosse. Jesse, an alum of Palm Beach Atlantic University, played for four seasons with the Sailfish (2008-2012). He served as team captain and was named an SELC All-Conference selection. After his stint with the team, PBAU honored Jesse's contributions to the team by retiring his #23 -- an honor he and only one other alumni have earned. When not working with the Launch, Jesse is a marine biologist and a youth lacrosse coach here in South Florida.
