The winningest coach in San Antonio Silver Stars history, Dan Hughes returns for his eighth season in 2013. In his dual appointment as head coach and general manager, Hughes oversees the Silver Stars' basketball staff, the team's roster development and all player acquisitions, while also coaching the team. Hughes stepped aside as head coach to assume a full-time general manager role for the 2010 season and resumed his dual roles in 2011.

In 12 years as a head coach – of the Charlotte Sting, the Cleveland Rockers and San Antonio – Hughes has led his teams to nine playoff appearances, four Western Conference Finals and one WNBA Final. He has collected the third most wins in WNBA history and also is the winningest coach in the history of both the San Antonio and the Cleveland Rockers franchises.

Hughes is the only coach in WNBA history to take three different franchises to the playoffs. He guided the 2008 Silver Stars to a 24-10 mark, earning the best record in the league and the franchise's first Western Conference Championship and its first trip to the WNBA Finals. Additionally, Hughes has been named WNBA Coach of the Year – most recently in 2007 – or finished as runner-up four times.

A member of the five-person USA Basketball Selection Committee for the 2010 World Championships and the 2012 Olympics, Hughes is also serving as a member of the selection committee for the Kay Yow Award. He has also spent time working as a broadcaster on San Antonio Spurs telecasts, as well as on men's and women's college games.

During his eight seasons with San Antonio Hughes has guided the Silver Stars to six-consecutive postseason appearances. In total, he has helped Silver Stars players earn eight WNBA All-Star nods, seven All-WNBA honors, five All-Rookie Team selections, three WNBA All-Defensive Team accolades, two Kim Perrot Sportsmanship Awards and a WNBA Top 15 selection.

In his role as general manager, Hughes is responsible for assembling the foundation of the Silver Stars franchise - he selected now four-time WNBA All-Star and three-time All-WNBA selection Sophia Young in the 2006 WNBA Draft and orchestrated the 2007 trade that brought now seven-time WNBA All-Star and WNBA Top 15 honoree Becky Hammon to the Alamo City. During offseason free agency, Hughes has picked up notable veterans including Tully Bevilaqua, Chamique Holdsclaw, Vickie Johnson, Delisha Milton-Jones and Tangela Smith while acquiring the likes of Ruth Riley and now-perennial Sixth Woman of the Year contender Jia Perkins in trade scenarios. He also utilized San Antonio's draft position to select Jayne Appel – who earned WNBA All-Star recognition as a rookie – and 2011 All-Rookie Team selections Danielle Adams and Danielle Robinson.

Prior to joining the Silver Stars, Hughes spent a year as the Mid-American Conference (MAC) Assistant Commissioner for Men's Basketball Operations. Before joining the MAC's athletic office, he served as the head coach of the now-defunct Cleveland Rockers from 2000-03.

During his four-year stint with the Rockers, Hughes posted a 66-64 record with three trips to the playoffs. His overall record with the Rockers made him the winningest coach in franchise history. In his first season in Cleveland, Hughes directed the team's resurgence from a 7-25 season in 1999 to a 17-15 finish in 2000 and was voted WNBA Coach of the Year runner-up. The following year, Hughes was named 2001 WNBA Coach of the Year after leading the Rockers to a 22-10 record and to their second straight playoff appearance. The 2001 Rockers were one of the best defensive teams ever, posting defensive statistics that still rank amongst the best in the WNBA record books. Cleveland led the league in three defensive categories during the 2001 season, including opponents' points per game (55.9 ppg, first in league history), opponents' field goal percentage (.381, second in league history) and opponents' total rebounds (27.84 rpg). The Rockers finished second in point differential (+6.8 ppg) and opponents' defensive rebounds (18.56 drpg). Hughes' Rockers kept 11 teams to 50 points or less, three teams to fewer than 40 points and five teams to their franchise low, including a WNBA record 34 points vs. Washington on May 31, 2001.

Hughes earned his first shot at coaching in the WNBA with the Charlotte Sting. While serving as an assistant coach during the 1999 season, Hughes took over as head coach midway through the season; he helped the Sting improve their standing in the Eastern Conference from fourth to second place, posting a 10-10 record. He led the team to its third consecutive playoff appearance and its first ever playoff series victory. In addition to his coaching responsibilities in Charlotte, Hughes was a scout for the Charlotte Hornets during the offseason.

Thirty-two of Hughes' former players and assistant coaches from his 12 years as a WNBA head coach have gone on to join the coaching ranks at the high school, college and professional levels, as well as internationally. Hughes' former athletes who went on to become Division I head coaches are: Tricia Bader Binford (Montana State), Suzie McConnell-Serio (Duquesne), Wendy Palmer-Daniel (North Carolina-Greensboro), Jennifer Rizzotti (Hartford), Charlotte Smith (Elon) and Dawn Staley (South Carolina). Six of Hughes' former players and assistants are currently coaching professional in the WNBA and NBA: Brian Agler (Head Coach - Seattle), Cheryl Reeve (Head Coach - Minnesota), Sandy Brondello (Assistant Coach - Los Angeles), T.R. Dunn (Assistant Coach - Minnesota Timberwolves), Vickie Johnson (Assistant Coach - San Antonio) and Stephanie White (Assistant Coach - Indiana).

A native of Lowell, Ohio, Hughes has been involved in coaching basketball at almost every level in the Buckeye State. Prior to joining the Sting, he served as the assistant coach with the University of Toledo's women's basketball program (1996-97) and men's basketball program (1991-96). During his tenure with the Rockets' women's team, they posted a 27-4 record, winning the MAC Championship, and made an NCAA Tournament appearance. He also served assistant coaching stints with the men's teams at Mount Union College (1982-84 and 1985-91) and Baldwin-Wallace College (1984-85).

During the 1977-78 season, Hughes served as a graduate assistant at Miami of Ohio, helping the team to a MAC Championship and an appearance in the NCAA Regionals.

Hughes graduated with a degree in physical education and history from Muskingum College in New Concord, Ohio, in 1977. He earned a Master's Degree in education from Miami University of Ohio in 1978.

WNBA PLAY0FF F0RMAT

The top four teams from each conference will qualify for the 2012 WNBA Playoffs. The first and fourth-place teams, and the second and third-place teams, will each play a best-of-three conference semifinal series. The winners of the semifinal series in each conference will then play in a best-of-three conference final.

Tiebreaker Procedure

The following tiebreak procedure shall be used to break ties for playoff eligibility, home court advantage and draft order. In determining draft order, non-playoff teams will always select before playoff teams.

Two-Way Tie Between Teams In The Same Conference

- 1. Better record in head-to-head games
- 2. Better winning percentage in own conference
- 3. Better winning percentage against all teams with .500 or better record at the end of the season
- 4. Better point differential in games head-to-head
- 5. Coin toss

Two-Way Tie Between Teams In The Different Conference

In order to break a tie, the following criteria will be utilized in the order set forth:

- 1. Better record in head-to-head games
- 2. Better winning percentage against teams in the opposite conference
- 3. Better winning percentage against all teams with .500 or better record at the end of the season
- 4. Better point differential in games head-to-head
- 5. Coin toss

More Than Two Teams Tied

As many teams as possible will be eliminated at each step. As soon as one or more teams are eliminated at any step, the process must begin again from step (1).

- 1. Better winning percentage among all head-to-head games involving tied teams
- 2. Better winning percentage against teams in own conference (if all teams are from the same conference) or better record against teams

in the opposite conference (if one or more teams are in different conferences)

- 3. Better winning percentage against all teams with .500 or better record at the end of the season
- 4. Better point differential in games involving tied teams
- 5. Coin toss

Silver & Black # GIVE BACK

Silver & Black Give Back is a 501(c)(3) public charity that began in 1988 when the Spurs were the only team in the Spurs Sports & Entertainment family. Over the years, the SS&E family has grown to encompass three other franchises – the Silver Stars of the WNBA, the Rampage of the AHL and the Austin Toros of the NBA Development League.

Through our unique resources and opportunities, we work to creatively engage young people to enrich their communities. By offering youth sports programs, such as the Jr. Silver Stars, and youth-led service programs like the Team Up Challenge, we've invested in and empowered hundreds of thousands of young people. Silver & Black Give Back is the nonprofit partner of the Spurs Sports & Entertainment family of teams; the San Antonio Silver Stars, Spurs (NBA), Rampage (AHL), and Austin Toros (NBA Developmental League). For 25 years, our players, coaches and staff have been focused on fostering young talent and enriching the community by encouraging local youth to become responsible adults and give back. While sport is our business, community is our passion. Learn more about how you can be involved at www.sbgb.org.

The Summer Team Up Challenge is a youth-led service learning program that gives students a chance to apply learning to the real world, away from the classroom. It connects life experiences with curriculum, bringing education alive in powerful ways.

Congratulations to our 2013 Summer Team Up Challenge semi-finalists! This season our 10 semifinalists are combating such serious issues as obesity, getting fit, going green, and more. These innovative projects are student led and will continue through the summer as our players, coaches, mascots and staff assist the students in accomplishing their goals! In August, three Team Up Challenge Champions will receive \$10,000 each for their work in our community.

2013 Summer Team Up Challenge semi-finalists are: AGK's Angel Foundation; Any Baby Can; ARC; Blue Star Contemporary Art Museum; Boys & Girls Club; Catholic Charities; Girl Scouts of Southwest Texas; Liberty View Church of Christ; Martinez Street Women's Shelter; Respite Care.

NBA

Head Coach

SAN ANTONIO SPURS

The San Antonio Spurs celebrated their 40th anniversary during the 2012-13 season. In the summer of 1973 a group of local investors leased the Dallas Chaparrals and relocated the team to San Antonio. Midway through their first season in the Alamo City the group purchased the team outright, and the Spurs have been a mainstay in San Antonio culture ever since. The Silver and Black played their first three season in the ABA before joining the NBA in the summer of 1976, along with the Nets, Nuggets and Pacers.

Over the last 16 years the Silver and Black have enjoyed a tremendous amount of success. Since Tim Duncan joined the team in 1997-98 the Spurs have captured four NBA Championships and have posted the best regular season winning percentage (.703, 888-376) of any team in the four major sports (MLB, NBA, NFL and NHL). During that time San Antonio has posted the NBA's best record four times (1998-99, 2000-01, 2002-03 and 2011-12) and has won 10 division titles. The Spurs record during that span ranks as the best 16-year run of any team in NBA history. Since the 2000-01 season, San Antonio has posted 50-or-more wins in 14 consecutive seasons, the longest such streak in NBA history.

In September 2012, ESPN the Magazine name the Spurs the "Team of the Decade" in its annual Ultimate Standings survey. The Silver and Black have twice been named the best franchise in professional sports (2003 and 2005) and is the only franchise to rank in the Top 10 every year since ESPN introduced its annual survey in 2003.

The Spurs are led by head coach Gregg Popovich who has been at the helm for the past 17 seasons. The longest tenured coach with the same team in all four major professional sports, Popovich holds the third-best winning percentage in NBA history (.681, 905-423). His 905 victories with the Spurs rank second all-time in NBA history for most wins with one team behind Jerry Sloan (Utah Jazz, 1,127).

On the court the Spurs are led by the trio of Tim Duncan, Tony Parker and Manu Ginobili who have won three NBA titles together and have a combined 21 All-Star appearances among them.

In addition to their efforts on the court, Spurs players made over 175 community appearances this past season.

AT&T CENTER

As the premier entertainment venue in South Texas, the AT&T Center opened in November of 2002. The AT&T Center was built by the initiatives of a public-private venture amongst Bexar County, the Coliseum Advisory Board, the San Antonio Livestock Show & Rodeo and Spurs Sports & Entertainment.

The facility hosts four anchor tenants: the NBA Spurs, the AHL Rampage, the WNBA Silver Stars and the San Antonio Stock Show & Rodeo. Additionally, the venue attracts a multitude of concerts, family shows and special events. In 10 years of operation, the AT&T Center has hosted over 1,000 events with entertaining in excess of 15 million guests. George Strait, the Rolling Stones, Billy Joel & Elton John, The Police, Luciano Pavarotti, George Lopez, Cirque du Soleil, Lady Gaga, Justin Bieber, and Bon Jovi are just a few of the musical acts that have visited the AT&T Center. Other events include NCAA Basketball, WWE Royal Rumble, Walking with Dinosaurs, and the Harlem Globetrotters.

The AT&T Center offers diverse events to the San Antonio community and all of South Texas thanks in part to its various seating capabilities, building configurations, curtaining system and technology upgrades. Configurations from an ice show, to basketball, to rodeo, to boxing, to theater can all be accomplished at the AT&T Center. Complementing every event held at the venue is a 360 in-arena LED ring, four video/scoring panels to the Scoreboard, two Lobby LED Color Matrix displays and over six hundred LCD HDTVs throughout the arena.

To leverage its ancillary meeting spaces and exhibition/trade configurations, the AT&T Center offers MSEs, Meetings and Special Events, throughout the year. This additional amenity further illustrates the facility's full-service approach and has resulted in non-traditional bookings such as Toyota's 2007 National Dealer Meeting and Product Launch, Ford's Customer Appreciation Concert with Toby Keith, and AT&T's 2007 National Leadership Meeting.

Built in a "ranch tech" style, the AT&T Center is designed to present a sense of place, both inside and out. The external view, in addition to its distinctive architecture, features park-like landscaping that's both visually appealing and environmentally friendly. Inside, the design continues to capture the South Texas ambiance with festive colors and imaginative details. Adding to the interior appeal of the AT&T Center is a collection of fine art commissioned by Spurs owners Peter and Julianna Holt. The diverse collection is valued in excess of one million dollars and features Texas modern and basketball styled themes.

"We are enormously proud of the AT&T Center and what it brings to the community," said Holt, chairman of Spurs Sports & Entertainment. "We're proud to have been part of the effort. Now we can provide South Texas with some of the best sports and entertainment available anywhere in the U.S."
