BUDWATCHING: Native Victorian RANDY LAMPRECHT is the newest Rosebud. A lefthanded-hitting Catcher, RANDY, a former star player at Rice University, figures to bring power to the 'Bud lineup. JIM GATTIS has begun to sting the ball this past week to join the RBI binge which has produced better than eight runs per game for the 'Buds over the last six games. MONTE BOLINGER is the top RBI man, continuing his season-long rampage with six vs Corpus Christi June 30th.
