It is the Alan Gallaghers who will ultimately prosper. They do not go lightly into retirement with several \$120,000-a-year contracts from baseball behind them . . . It is a rude shock to many. At least Alan Gallagher is prepared.

*The New York Times Magazine*  
July 16, 1972

“The Lone Star League is the league of the future, the liberation of the player from the antiquated farm system — the master/slave relationship.”
