Dear Sharon,

Thank you for your letter dated June 18th. First of all, let me apologise to you for the delay in replying back to you. The reason for this was that we wanted to share your letter with everyone in the Drillers organization and it has only just found its way back to me!

Yours is one of the most remarkable letters we have ever received. You are truly one of our greatest fans and you are a wonderful advertisement for the Club!

We are having a difficult time, it is true, and as you say it is rough for the fans too with all the uncertainty going on. But with fans such as yourself and the spirit amongst everybody here in the office and also in the locker room... we can't go wrong!

Yes, we will play for you and all our fans who have supported us over the years. Thank you for your good wishes, and we hope to see you soon. In the meantime, good luck to you, Sharon, and thank you.

Regards,
