# Thanks to Hair Replacement Centers™ I'm Now Available for Hair Spray Commercials.

Richie Scheinblum, Cincinnati Reds.

My name is Richie Scheinblum. Last year I was the American League right fielder in the All-Star game and led the league in hitting for a while. Despite this, no one has ever called me to do a hair spray commercial. This lack of judgment on their part could have been due to a lack of hair on my part.

So, during the off season I decided to do something about it. I scouted around until I found the league leader in the hair replacement field, Hair Replacement Centers™, of Warwick, R.I. They have a unique cosmetic

invention that gives you a full head of hair in about as much time as it takes to play nine innings. Or, it can be done gradually if you want. And the price won't leave your wallet bald.

See the results for yourself. I can do practically anything. From going to the showers to sliding head first.

Hair Replacement Centers... I tip, my cap to you.

Hair Spray people... I'm ready to tip my cap for you.

ALSO ASK US ABOUT OUR SCALP TREATMENTS FOR THINNING HAIR — WE CAN SAVE YOUR HAIR!!
