2013 NLL MEDIA GUIDE AND RECORD BOOK

The 2013 NLL Media Guide and Record Book is a production of the National Lacrosse League. The guide was designed by Eric Rhew. Data was provided by Rob Benson, NLL Head Statistician. Editorial assistance provided by Doug Fritts and Jeff Baker. Photos provided by Craig Abel, Ward Laforme, Larry Palumbo, John McCabe, Michael Martin, Brad Watson and Bill Wippert.

INTRODUCTION TO THE NLL

The National Lacrosse League Guide and Record Book profiles the league's history and sets the scene for the 2013 season, the 27th season of professional indoor lacrosse. The league played its inaugural game in January 1987, in what was first-known as the Eagle Pro Box Lacrosse League. In 1988, the name was changed to the Major Indoor Lacrosse League (MILL). The MILL became the National Lacrosse League (NLL) following the 1997 season. All of the statistics and records in this book encompass all 26 seasons of the league's existence. Therefore, a League Record is one that covers all three names and the league's entire 26-year history. A complete timeline of the major events in league history can be found in this book.

The National Lacrosse League plays indoor lacrosse. The game is a hybrid, combining parts of box lacrosse (played inside the confines of an ice hockey rink on a turf surface or concrete surface, more prevalent in Canada) with field lacrosse (played on an outdoor field, either on grass or turf, more prevalent in the United States). Indoor lacrosse was designed to combine the most exciting elements of box and field lacrosse. The game is played inside the confines of an ice hockey rink, with glass and rink boards intact. The playing surface is artificial turf, which is placed directly over the arena's ice surface. Each team plays with five runners and a goaltender. The combination of the confined playing area and the physical play leads many fans to describe indoor lacrosse as "like hockey, on foot, with more scoring."

25 goals are scored in the average NLL game. Indoor lacrosse is similar to basketball in terms of its frequent scoring, use of a shot clock (30 seconds), and use of the over-and-back rule. When teams are on offense, they often spread the floor and pass the ball around in a manner similar to that of basketball.

The NLL game is also played in four quarters, each 15 minutes in length. Games that are tied at the end of regulation are decided in overtime, where the first team to score wins the game. There are no tie games and there are no points or credit awarded for an "overtime loss" in the NLL. The standings and team records are strictly Wins-Losses.

Each team plays a 16-game regular season schedule. The NLL schedule is structured in a similar fashion to that of the National Football League. All games are played on the weekends. The weekends of the schedule are numbered. Opening weekend of the season is Week #1.

As the League has grown, so has the schedule. Here is a look at schedule growth in recent League history:

1996: 10-game schedule	1997: 12-game schedule
2001: 14-game schedule	2002: 16-game schedule

The Champion's Cup Playoffs are single-game elimination. An explanation of the Playoff Format can be found on the next page.

LACROSSE TALK

Assist - Awarded to the player or players (maximum of two) who touched the ball prior to the goal, provided no defender plays or possesses the ball in between.

Body Check - Slowing or stopping an opponent in possession of the ball. The check must be above the waist and below the shoulders.

Breakaway - One-on-one scoring opportunity with the offensive player and the goaltender.

Cradling (the ball) - The back and forward motion of the stick with the ball in the pocket. The cradling keeps the ball inside the pocket, making it difficult for the defender to dislodge or take it away.

Crease - Nine-foot radius area which surrounds the goals at each end of the playing surface. A goal is disallowed if a player scores while standing inside this area or steps on the line that defines the crease.

Cross Check - Using the shaft of the stick between his hands, the defensive player tries to push on the opponent's arm forcing a poor pass or shot.

Face-Off - At the start of the game, any quarter of play, and after a goal is scored, the ball is placed in the center circle and two opposing players face each other in a scrum of possession.

Goal - Awarded to the last player on the scoring club to touch the ball prior to the ball entering the net.

Hidden Ball Play - A player without the ball starts to cradle his stick drawing the attention of the defense while another teammate candidly passes the ball or shoots on net.

Loose Ball - There is no possession and the ball is bouncing, rolling or rebound off the boards or goaltender. Loose balls are also sometimes referred to as ground balls.

Major Penalty - Five minutes in length. Penalty time expires on the scoring of three goals, but penalized player must remain in penalty box for full five minutes.

Man Down - A team is considered this, or short-handed, when they must send out a four- or three-man unit as a result of having one or two of their players in the penalty box.

Minor Penalty - Two minutes in length. Penalty expires upon the scoring of a goal; penalized player returns to floor.

Offensive Screen - Legal action by an attacking player to impede the defensive coverage of a defender on an attacking player "without" possession of the ball.

Outlet Pass - The first pass from the goaltender that begins the transition from defense to offense.

Penalty Box - Off-field area, near midfield, where players serve penalty time.

Pick - Legal interference by an offensive player from a set position on a defensive player who is playing defense on the ball carrier. If two players execute the pick, it is referred to as a double pick.

Power Play - When a team has a(n extra) man advantage because of a penalty situation against the opposing team. Power plays can take the form of five-on-four, five-on-three, or four-on-three. Following are some examples of what is and is not considered a power-play goal:

- If a club has an advantage on a minor penalty starting at 2:02 of the quarter and it scores at 4:02, the goal is not a power-play goal.
- If a club scores on a delayed penalty, the goal is not a power-play goal.
- If a club has an advantage due to a five-minute major penalty, that club is always credited with having one more advantage than the number of power-play goals it scores during that advantage; because the penalty does not expire, a new advantage begins after such a power-play goal. For example, if Team A scores one goal during a major penalty, it is credited with two advantages.
- If a club is on a power play for any length of time, it is considered to have had an advantage.
- A double minor constitutes two opportunities.

Screen Shot - A shot on goal that is difficult for the goaltender to see because of the high amount of player traffic in front of the crease area.

Short-Handed Goal - scored by a club while it is at a manpower disadvantage due to a penalty.

Shot On Goal - if a player shoots the ball with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a shot "on goal". Shots which hit either of the goalposts or the crossbar are also credited as a shot on goal.

Technical Penalty - Result in loss of possession of the ball. Minor violation; no time penalty.

Tenths Of A Second - if a penalty or goal occurs in the last minute of a quarter, the time is rounded off to the previous second (i.e. - if a penalty is called with 14.6 seconds left in the quarter, the time is indicated as 14:45, and not 14:46.

2013 DIVISIONS AND PLAYOFF SCENARIOS

The nine teams are divided into two divisions:

East Division	West Division
Buffalo Bandits	Calgary Roughnecks
Philadelphia Wings	Colorado Mammoth
Rochester Knighthawks	Edmonton Rush
Toronto Rock	Minnesota Swarm
	Washington Stealth

The format for the NLL Playoffs is listed below. All playoff games are single elimination.

• Eight teams shall earn playoff berths. There is also a crossover allowed which will allow the 5th place team in the West Division to take the place of the 4th place team in the East Division if the 5th place team has a better record. Each division champion faces the fourth place finisher from their division (or the crossover team should that team qualify for the playoffs). The second place finisher in each division faces the third place finisher from their division in the Division Semifinals. Each game is hosted by the higher-seeded team.

• In the Divisional Finals, the winner of the first vs. fourth place Divisional Semifinal game faces the winner of the second vs. third place Divisional Semifinal game in each division respectively. Each game is hosted by the higher-seeded team.

• The Divisional Final winners shall meet in the Championship Game (East vs. West) with the higher overall seed hosting the game.

Divisional Tiebreakers:

The following is the tiebreaking procedure for clubs having identical won-lost records at the conclusion of the regular season within their division, to determine the order of finish and seeding within the division.

a) Head-to-head record during the regular season (best won-lost percentage in games between tied clubs)
b) Win-loss percentage against divisional opponents
c) Win-loss record against common opponents played an equal number of times during the regular season.
d) Goals for/goals (most net points) against in head-to-head match-ups.
e) Per-game goal differential (goals for minus goals against, divided by games played) within Division
f) Total goals for/goals (most net points) against for the regular season.
g) Coin toss.

Note: Only one club advances to the playoffs in any tie-breaking step. Remaining tied clubs revert back to the first step of the tiebreakers. In the case of a three-way tie or greater, once one of the teams wins the tie-breaker, they advance and the tie-breaking procedure is re-applied to the remaining teams.

Overall Seeding Tiebreakers:

The following is the tie-breaking procedure for clubs having identical won-lost records at the conclusion of the regular season to determine the Overall Order of Finish and Overall Playoff Seeding:

a) Head-to-head record during the regular season(best won-lost percentage in games between tied clubs)
b) Win-loss record against common opponents played an equal number of games during the regular season.
c) Goals for/goals (most net points) against in head-to-head match-ups.
d) Total goals for/goals against (most net points) for the regular season.
e) Coin toss.

-2011-

1-8-11: The league begins its 25th Anniversary season with all teams in action.

2-19-11: John Tavares becomes the first player in league history to reach 1,500 career regular season points. The league's all-time goals and assists leader reached the milestone with an assist on a goal scored by Brendan Thenhaus in the first quarter of a Buffalo Bandits home game against the Philadelphia Wings.

5-12-11: Calgary Roughnecks transition player Jeff Shattler wins the Most Valuable Player Award for the 2011 season. Shattler becomes the first transition player and the first player in Roughnecks franchise history to win the MVP award.

5-15-11: The league's 25th Anniversary Season concludes in thrilling fashion, as the Toronto Rock & Washington Stealth meet in the Championship Game for the second consecutive year. Playing his final game before retirement, Rock goaltender Bob Watson makes 46 saves and is named Championship Game MVP as Toronto holds off Washington 8-7 before a crowd of 14,488 fans at Air Canada Centre. The game airs live across North America on VERSUS & TSN.

9-20-11: Bob Watson is inducted into the NLL Hall of Fame, the lone member of the Class of 2011. The Toronto goaltender and six-time champion wins induction in his first year of eligibility.

9-21-11: At the 2011 Entry Draft, the Philadelphia Wings select Kevin Crowley of Stony Brook University with the first overall selection.

11-14-11: The league and CBS Sports Network announce a two-year broadcast partnership for regular season and playoff games to air live and in primetime on Saturday nights.

-2012-

1-21-12: Colorado Mammoth forward John Grant, Jr. becomes the fifth player in NLL history to record 1,000 career points with an assist on the game-winning goal in a 13-12 overtime win over the Calgary Roughnecks.

1-27-12: Toronto Rock captain Colin Doyle ties Steve Toll for the NLL ironman record by playing his 188th consecutive game. Doyle's streak was snapped the following week and surpassed by Shawn Williams later in the season.

2-25-12: The 2012 NLL All-Star Game is held in Buffalo, NY for the first time at First Niagara Center, home of the Buffalo Bandits. The West All-Stars defeated the East by a score of 20-18 in front of 13,466 fans while Calgary's Geoff Snider was named ASG MVP.

3-2-12: Colorado Mammoth forward John Grant, Jr. becomes just the third player in NLL history to score 500 career goals, joining Gary Gait and John Tavares.

3-10-12: Edmonton Rush forward Shawn Williams becomes just the sixth player in league history to record 1,000 career points, joining Gary Gait, John Tavares, Colin Doyle, Josh Sanderson and John Grant, Jr.

3-17-12: Edmonton Rush forward Shawn Williams passes Colin Doyle and Steve Toll to set the new NLL record for consecutive games played with his 189th consecutive game. Williams finished the season with an active ironman streak of 196 games.

3-31-12: Toronto Rock forward Garrett Billings becomes the first player in NLL history to record a point on each of his team's goals (minimum 10 goals) after recording 15 points (4+11) in Toronto's 15-9 win over the Buffalo Bandits.

4-7-12: The NLL makes its debut on CBS Sports Network with a live telecast of the Buffalo Bandits 17-7 win over the Philadelphia Wings in Buffalo.

4-28-12: Two significant NLL records were broken on the same night. Colorado Mammoth forward John Grant, Jr. set the single-season scoring record with his 116th point of the season on his league-high 50th goal to surpass the 115 points recorded by John Tavares in 2001. Toronto's Garrett Billings set the new single-season assist record with his 82nd assist of year, surpassing Philadelphia's Dan Dawson, who finished 2012 with 78 assists. Both players broke Dawson's previous record of 74 assists shared with Josh Sanderson, both set in 2009.

5-19-12: The Rochester Knighthawks defeated the Edmonton Rush at home by a score of 9-6 in the 2012 NLL Championship Game at Blue Cross Arena. Knighthawks forward Cody Jamieson was named game MVP after recording four goals and four assists. The game marked the fifth different NLL team to win the championship over the last five years and the fifth consecutive year in which the home team won the title.

10-1-12: At the 2012 NLL Entry Draft, the Edmonton Rush selected Mark Matthews from the University of Denver with the first overall pick. With the second, third and fourth overall selections in the first round, the Minnesota Swarm became the first team in NLL history to hold three of the first four draft picks.

10-2-12: Steve Dietrich is inducted into the NLL Hall of Fame as the lone member of the Class of 2012. The 18-year veteran goaltender won a championship with Rochester in 1997 and became the first goalie in NLL history to be named league MVP in 2006.

11-12-12: The NLL, in partnership with The Lacrosse Network, announces that the league's online game broadcasts will air live on YouTube during the 2013 season.
