## **Denise Watkins - Owner**

After 18 years as a software and systems engineer and director in the satellite and wireless telecommunications industry, Denise Watkins launched her second career as a community volunteer, mother of three and owner of the Stealth. She holds a BS in Mathematics from UC-Irvine.

Watkins' experience in sports management began as a co-founder and owner of the Primal Quest Adventure Racing organization. Primal Quest (PQ) is an expedition-length adventure race that has been called one of the most difficult athletic events in the world and was cited as the most prestigious expedition event in North America. The race once featured the largest prize purse in adventure racing.

Inspired by their children's interest in lacrosse, Denise and her husband, Bill, became season ticket holders with the San Jose Stealth when the team was relocated to San Jose from Albany, NY in 2003. From the very first game, they were hooked. In June 2007, Watkins and a small group of investors purchased the team from Silicon Valley Sports and Entertainment (SVSE). Watkins is committed to proving that lacrosse has a place in the mainstream sport scene, not just as a sport, but also as a tool for child development.

In addition to her responsibilities as an NLL owner, Watkins is active in the community as co-founder and president of the Pleasanton Schools Educational Enrichment Foundation, a non-profit organization that seeks to heighten and maintain art, science, and other learning programs for Pleasanton Unified School District. She also serves as a board member and chair of the education committee for the Livermore Valley Performing Arts Center (LVPAC). LVPAC has a community art incubator, a state of the art 500 seat theater that opened in fall of 2007, and has plans for a 2,000 seat theater that will be able to host high profile artists and traveling Broadway shows. Watkins is also a trustee of the University of California-Merced Foundation. UC-Merced is the newest addition to the prestigious UC system and opened in Fall 2005. Since that time UC-Merced has grown to over 4,500 students. The first new American research university in the 21st century, with a mission of research, teaching and service. A majority of the UC Merced students are the first in their families to attend higher education.

## **Teresa Agar - Physiotherapist**

Teresa has been working at Trailside Physiotherapy in Coquitlam since starting her career as a Physiotherapist in 2010. She obtained her Masters of Science in Physical Therapy from the University of Alberta in 2009. Prior to that, she acquired a Bachelor of Human Kinetics degree with a major in Exercise Science from the University of British Columbia. Over the past years, Teresa has expanded her clinical knowledge by taking courses in manual therapy, injury prevention and sports first aid. She is currently working towards obtaining her Sport Physiotherapy Diploma certification.

Outside of the clinic, Teresa has spent countless hours working alongside different sports teams in the community. The majority of this time was spent as team therapist with the Coquitlam Junior "A" Adanacs Lacrosse team. In 2010, Teresa and co-therapist Christina Mattiello were part of the Minto Cup Champion Adanac team, and were both recognized as Trainers of the Year by the BC Lacrosse Association. Teresa was new to the sport of lacrosse prior to working with the Adanacs, but it didn't take long for her to gain a great love and respect for the game. Teresa is very excited to be a part of the Vancouver Stealth team this year.

## **Christina Mattiello - Physiotherapist**

Christina earned her Masters in Physical Therapy from the University of British Columbia, after having already graduated from Simon Fraser University with her Bachelor of Science in Kinesiology. Since graduating, Christina has continued her pursuit of clinical knowledge, obtaining additional certification in Anatomical Acupuncture (CAFCI) and taking a variety of other courses to expand her assessment, treatment and first responder skills. Christina currently works out of the Trailside Physiotherapy clinic in New Westminster.

Christina has spent many hours working on the sidelines with teams, ranging from lacrosse to football to rugby, with a few stops in between. In 2010, Christina and fellow therapist Teresa Agar were team therapists for the National Champion Coquitlam Junior 'A' Adanacs, earning the Trainer of the Year Award from the British Columbia Lacrosse Association. Currently, in addition to working with the Stealth, Christina is part of the therapy team for the New Westminster Hyacks Football Program.

When she's not at work or on the sidelines, you can probably find Christina either in the kitchen perfecting a new cupcake recipe, or out exploring all of the great sights and events that Vancouver has to offer.

Accreditation for Langley Events Centre (herein LEC) home teams will be issued to all major local media outlets prior to the start of the season. Media who have not received season passes can apply on a game-to-game basis by contacting the Media Relations Coordinator at least 48 hours prior to game day. All credentials are issued to specific individuals and are not transferable. Credentials are to be used for the purpose for which they are issued, with no exceptions. Failure to comply with this policy will result in ejection from the Langley Events Centre and a ban on future access to LEC home games.

PICK-UP - All single game media credentials can be picked up at LEC Admin on the day before each home game. Passes can also be picked up at LEC Ticket Office on game day at the media will-call located at the LEC Box Office at Gate 1.

STATISTICS - Individual and team statistics will be updated post-game via the Vancouver Stealth website ([www.StealthLAX.com](http://www.StealthLAX.com)).

### 'DAY BEFORE' MEDIA CONFERENCES

The Stealth will practice at the LEC Fieldhouse the day before each home game. Practices are usually held in the evening but are subject to change. Please call Doug Locker for updated practice times.

## GAME-DAY ACCESS

Pre-Game: No on-floor access will be granted to any member of the media with the exception of the host media. There will be no locker room access or media availability on game day with the exception of post-game availability.

In-Game: Media granted floor access shall remain outside the player's box. Any member of the media found inside this area will be removed and their credentials may be revoked at the discretion of the club's management.

## POST-GAME MEDIA AVAILABILITY

Following each game, Stealth players will be available for approximately eight minutes at a designated location. Chris Hall will be available to the media at a designated area approximately 15 minutes after each Stealth home game has concluded.

Home and visiting team rooms at LEC are located on Level 1 (floor level) at the east end of the stadium.

Days Off – The club will, at its discretion, designate days off for players and coaches during the season. There is no media availability on these days and the club's practice facility shall be considered closed to all members of the media. In rare instances where scheduling challenges exist for members of the media, and at the discretion of the communications coordinator, requests for individual players may be accepted.

## GAME DAY PHOTOGRAPHERS

The NLL and the Vancouver Stealth employ a strict control policy to keep floor side photography areas free from congestion. Floor side photography is restricted to working media on specific assignment for a recognized sports publication or news service.

All floor side photographers are reminded to stay in designated areas that surround the perimeter of the playing floor and to remain out of the team bench areas. For admission to the floor level, media accreditation must be displayed at all times.

Note: The Vancouver Stealth does not provide accreditation to image gathering services. All image requests can be forwarded to the coordinates above.

## MY STORY

I'm Bomber the Fox, proud mascot of the best team in the National Lacrosse League, the Vancouver Stealth. Being a part of the Stealth is something I've waited for my whole life.

I've loved lacrosse ever since I was a kit. Growing up with my family in the forest, there were very few lacrosse players to help me practice. I took my lacrosse stick wherever I went. I found a big rock to practice passing and catching, dreaming of the day I could take my skills to the pros.

My heart nearly jumped out of my chest! I loved to hear stories of the Stealth, with players like Rhys Duch and Lewis Ratcliff dominating the other teams in the NLL. And now they are right in my back yard? It was a dream come true.

When my mother and I returned home, she told me I was still too young to leave the den. She said if I was going to try to join the Stealth, I needed to practice my reading every day and live an active and healthy lifestyle.

For a year, I trained for my chance to join the Stealth. When I was old enough, I left the den and headed to the Langley Events Centre to try out for the Stealth. I made the team and got to run out onto the turf to join the team! One of the world's most famous Native artists, Marvin Oliver, even designed a logo of me after I made the team!

I've made so many friends since joining the Stealth and I can't wait to make even more! See you at the Langley Events Centre in 2014!
