Denise Watkins - Owner

After 18 years as a software and systems engineer and director in the satellite and wireless telecommunications industry, Denise Watkins launched her second career as a community volunteer, mother of three and owner of the Stealth. She holds a BS in Mathematics from UC-Irvine.

Watkins' experience in sports management began as a co-founder and owner of the Primal Quest Adventure Racing organization. Primal Quest (PQ) was an expedition-length adventure race that has been called one of the most difficult athletic events in the world and was cited as the most prestigious expedition event in North America. The race once featured the largest prize purse in adventure racing.

Inspired by their children's interest in lacrosse, Watkins and her husband, Bill, became season ticket holders with the San Jose Stealth when the team was relocated to San Jose from Albany, NY in 2003. From the very first game, they were hooked. In June 2007, Watkins and a small group of investors purchased the team from the previous ownership group. Watkins is committed to proving that lacrosse has a place in the Pacific Northwest, and not just as a sport, but also as a tool for child development.

In addition to her responsibilities as an NLL owner, Watkins is active in the community, helping to support several Charities. Currently, Ms. Watkins serves as a trustee on the UC Merced Foundation Board. UC Merced is the newest University in the University of California education system. UC Merced opened in Fall 2005 and has grown to serve over 6,000 students. This exciting University is on track to hit 10,000 students by 2020. The first new American research university in the 21st century, with a mission of research, teaching and service. A majority of the UC Merced students are the first in their families to attend higher education.

She also serves as an officer and chair of the development committee for the Livermore Valley Performing Arts Center (LVPAC). LVPAC has a community art incubator, Art studios and a state of the art 500 seat theater that opened in fall of 2007. Additionally, Watkins is on the board of the Stealth companion charity, Sticks-2-Schools. Under her leadership, the Sticks-2-Schools program delivers lacrosse to local schools and communities in Washington State to get kids active and to fight childhood obesity. Schools are provided sticks, balls, curriculum and on-site support from a player representative so that "soft" lacrosse can be integrated into the schools PE curriculum at no cost to the schools. Sponsors are found to underwrite the costs of the program.

Ms Watkins helped co-found and was president of the Pleasanton Schools Educational Enrichment Foundation, a non-profit organization that seeks to heighten and maintain art, science, and other learning programs for Pleasanton Unified School District for 13 years.

CONTACTS AND CREDENTIAL REQUESTS:

Kevin Berar, Media Relations Coordinator

Office: 604.455.8831, Cell: 604.396.6633, kberar@langleyeventscentre.com

Langley Events Centre Operations: 7888-200 Street Langley BC V2Y 3J4 Fax: 604.882.8877

Accreditation for Langley Events Centre (herein LEC) home teams will be issued to all major local media outlets prior to the start of the season. Media who have not received season passes can apply on a game-to-game basis by contacting the Media Relations Coordinator at least 48 hours prior to game day. All credentials are issued to specific individuals and are not transferable. Credentials are to be used for the purpose for which they are issued, with no exceptions. Failure to comply with this policy will result in ejection from the Langley Events Centre and a ban on future access to LEC home games.

PICK-UP - All single game media credentials can be picked up at LEC Admin on the day before each home game. Passes can also be picked up at LEC Ticket Office on game day at the media will-call located at the LEC Box Office at Gate 1.

MEDIA ROOM

LOCATION - The media booth at the LEC is located in Southwest corner of Level 4 and is accessible from a ground level elevator located inside Gate 3.

PRESS ROOM – located in the Events Office, at the Northwest end of the concourse, next to customer service (Gate 2). Power and data connections available. Media credentials will be required to access press room.

GAME NOTES - Game notes, rosters, media guides, weekly statistics, and game day programs will be available one hour prior to game time. Can be collected from the Media Booth.

STATISTICS - Individual and team statistics will be updated post-game via the Vancouver Stealth website (www.StealthLAX.com).

'DAY BEFORE' MEDIA CONFERENCES

The Stealth will practice at the LEC Fieldhouse the day before each home game. Practices are usually held in the evening but are subject to change. Please call Doug Locker for updated practice times.

GAME-DAY ACCESS

Pre-Game: No on-floor access will be granted to any member of the media with the exception of the host media. There will be no locker room access or media availability on game day with the exception of post-game availability.

In-Game: Media granted floor access shall remain outside the player's box. Any member of the media found inside this area will be removed and their credentials may be revoked at the discretion of the club's management.

POST-GAME MEDIA AVAILABILITY

Following each game, Stealth players will be available for approximately eight minutes at a designated location. Dan Perreault will be available to the media at a designated area approximately 15 minutes after each Stealth home game has concluded.

Home and visiting team rooms at LEC are located on Level 1 (floor level) at the east end of the stadium.

Days Off – The club will, at its discretion, designate days off for players and coaches during the season. There is no media availability on these days and the club's practice facility shall be considered closed to all members of the media. In rare instances where scheduling challenges exist for members of the media, and at the discretion of the communications coordinator, requests for individual players may be accepted.

GAME DAY PHOTOGRAPHERS

The NLL and the Vancouver Stealth employ a strict control policy to keep floor side photography areas free from congestion. Floor side photography is restricted to working media on specific assignment for a recognized sports publication or news service.

All floor side photographers are reminded to stay in designated areas that surround the perimeter of the playing floor and to remain out of the team bench areas. For admission to the floor level, media accreditation must be displayed at all times.

Note: The Vancouver Stealth does not provide accreditation to image gathering services. All image requests can be forwarded to the coordinates above.

MEDIA POLICY - DURING PRACTICE WEEK

PRACTICE FACILITY

The Vancouver Stealth practice once per week at their training facility, the Langley Events Centre Fieldhouse (7888-200 Street, on the East side of the complex, behind the main arena).

Please contact Kevin Berar, Media Relations Coordinator for information pertaining to Stealth practices.

All Vancouver Stealth practices are open to the media and the public, unless specifically stated otherwise by the club.

MEDIA ACCESS

Vancouver Stealth head coach Dan Perreault will be available to the media at the conclusion of each practice. Any requests to interview assistant coaches or lacrosse operations staff must first be approved by the Media Relations Coordinator at least one day in advance.

Players will be available for on-floor interviews at the conclusion of each practice as well as inside the Stealth dressing room. Contact with players and coaches during practice is prohibited. Media are also prohibited from the Stealth training room at all times. The filming period consists of fundamental and individual drills only. The filming of all other team drills is prohibited.

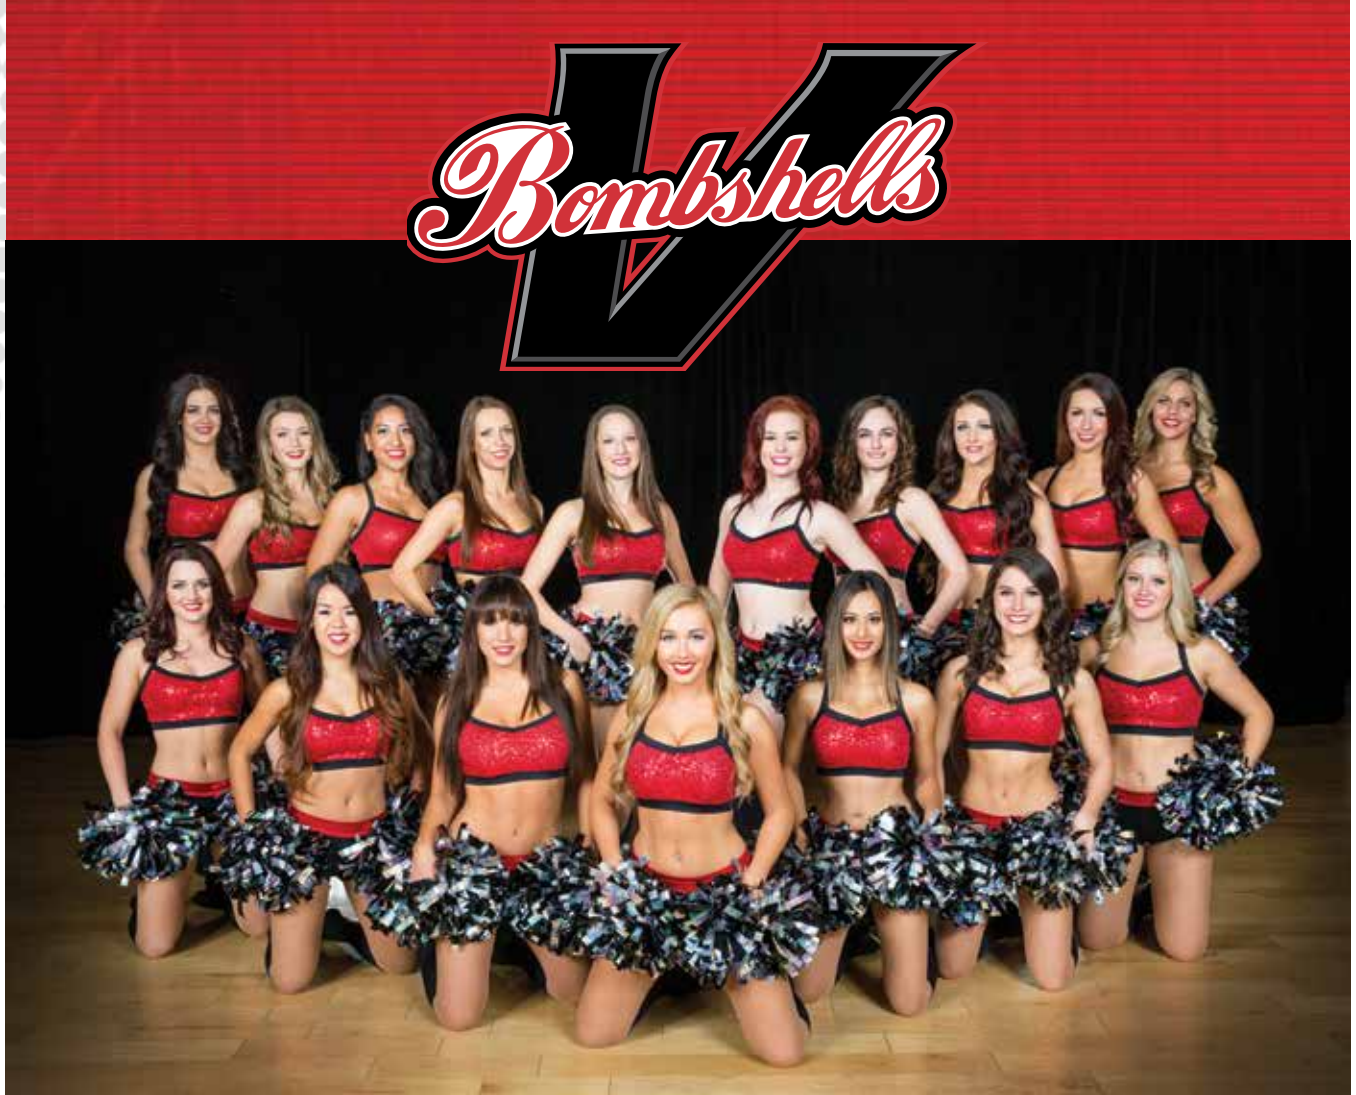

The club will, at its option, prohibit any filming during practice without prior notification. It is suggested that camera operators be on site at least 15 minutes ahead of designated practice times to allow for any change in schedule.
