Accreditation for Langley Events Centre (herein LEC) home teams will be issued to all major local media outlets prior to the start of the season. Media who have not received season passes can apply on a game-to-game basis by contacting the Media Relations Coordinator at least 48 hours prior to game day. All credentials are issued to specific individuals and are not transferable. Credentials are to be used for the purpose for which they are issued, with no exceptions. Failure to comply with this policy will result in ejection from the Langley Events Centre and a ban on future access to LEC home games.

PICK-UP - All single game media credentials can be picked up at LEC Admin on the day before each home game. Passes can also be picked up at LEC Ticket Office on game day at the media will-call located at the LEC Box Office at Gate 1.

MEDIA ROOM

LOCATION – The media booth at the LEC is located in Southwest corner of Level 4 and is accessible from a ground level elevator located inside Gate 3.

PRESS ROOM – located in the Events Office, at the Northwest end of the concourse, next to customer service (Gate 2). Power and data connections available. Media credentials will be required to access press room.

GAME NOTES – Game notes, rosters, media guides, weekly statistics, and game day programs will be available one hour prior to game time. Can be collected from the Media Booth.

STATISTICS – Individual and team statistics will be updated post-game via the Vancouver Stealth website (www.StealthLAX.com).

PRE-GAME – No on-floor access will be granted to any member of the media with the exception of the host media. There will be no locker room access or media availability on game day with the exception of post-game availability.

IN-GAME – Media granted floor access shall remain outside the player's box. Any member of the media found inside this area will be removed and their credentials may be revoked at the discretion of the club's management.

POST-GAME MEDIA AVAILABILITY

Following each game, Stealth players will be available for approximately eight minutes at a designated location. Dan Perreault will be available to the media at a designated area approximately 15 minutes after each Stealth home game has concluded.

Home and visiting team rooms at LEC are located on Level 1 (floor level) at the east end of the stadium.

DAYS OFF – The club will, at its discretion, designate days off for players and coaches during the season. There is no media availability on these days and the club's practice facility shall be considered closed to all members of the media. In rare instances where scheduling challenges exist for members of the media, and at the discretion of the communications coordinator, requests for individual players may be accepted.

GAME DAY PHOTOGRAPHERS

The NLL and the Vancouver Stealth employ a strict control policy to keep floor side photography areas free from congestion. Floor side photography is restricted to working media on specific assignment for a recognized sports publication or news service.

All floor side photographers are reminded to stay in designated areas that surround the perimeter of the playing floor and to remain out of the team bench areas. For admission to the floor level, media accreditation must be displayed at all times.

Note: The Vancouver Stealth does not provide accreditation to image gathering services. All image requests can be forwarded to the coordinates above.

MEDIA POLICY - DURING PRACTICE WEEK

PRACTICE FACILITY – The Vancouver Stealth practice once per week at their training facility, the Langley Events Centre Fieldhouse (7888-200 Street, on the East side of the complex, behind the main arena).

Media are also prohibited from the Stealth training room at all times. The filming period consists of fundamental and individual drills only. The filming of all other team drills is prohibited.
