STAR NEWS

By Denny MacGougan

Dallas.

The hated Sidekicks.

Here we go again

A not-so-funny thing happened on our way to the jewelers, to get measured for our championship rings, last year. Maybe you remember. Maybe you've been able to forget. But it's there in black and white in the indoor soccer archives.

Tacoma led Dallas 3-1 in the MISL championship game with less than three minutes to go.

Dallas won the game 4-3 in overtime.

It was to cry. Wait 'til next year, we said.

Hey, it's next year. Those are the green-clad Dallases (Dalli?) down there on the pitch. Tatu ("Look boss, da plane!") and Co. The "Fantastic Armadillo"—a nickname that may never catch on, but the young Brazilian is one heck of a soccer player. He led the league last year in goals, points, and thrown shirts.

He has a lot of help, too. Does the name Joey Papleo ring a bell? The Sidekicks not only stole the championship, they spirited our goal keeper away last summer.

But this is next year. We have more-than-capable Mike Dowler in goal, and most of your favorites back. Never mind that the Stars are 0-4 in season-opening games. This year we're going undefeated!

As the Isuzu guy says, "You have my word on it!"

Besides your favorites from yesteryear, there are some new faces to check out on the Stars' roster.

No. 18 is Bernie James, a Kirkland native and former Seattle Sounder. Bernie leads the MISL in career blocked shots—he's at 550 and counting. Bernie edged Neil Megson for last year's league lead.

No. 8 is Peter Ward, another former Sounder who was a North American Soccer League MVP. Ward (and Alan Hinton) led the 1982 Sounders to the Soccer Bowl. Ward and James spent the last three years with the forceful Cleveland Force.

Then there is No. 17, Mike Getchell, who was on the roster last year as an amateur. Mike was a star of the UCLA team which won the NCAA championship in the Kingdome in 1985. In eight overtimes.

CATCH THE STARS ON KOMO RADIO AM 1000

Listen to all the Stars games, home and away, on "The official Radio Station of the Stars," KOMO AM 1000. The "Voice of the Stars," Dick Calvert will be back in the booth for his 10th season in the MISL, joined at home by KOMO's Bill Swartz, and the Stars' Jimmy McAlister.

Norm Gregory's "Tailgate Parties" can be heard from 5-7pm, before all Wednesday home games.

KOMO's signal reaches from Vancouver to Vancouver, so wherever you are, you won't miss a single boot on KOMO AM 1000.

SEE THE STARS ON KIRO-TV, CHANNEL 7

You can see the Stars in action live on the road on KIRO TV, Channel 7, December 6 vs. Cleveland; January 10 vs. St. Louis; and February 13, again with Cleveland. That's three evenings of exciting MISL action on KIRO TV.

COMING EVENTS IN THE GALAXY OF STARS...

"The World's Largest Indoor Soccer Slumber Party" is scheduled for Friday and Saturday, December 11 and 12. Children age 8-14 are invited to spend the night in the Tacoma dome, see two Stars games and have a whole lot of foot-stompin' fun. For more information, call the Stars office at 627-8474.

"The Holiday Breakfast of Champions," is on tap for December 13, in the Tacoma Dome convention center.

JACK IN THE BOX "WIN YOUR HEIGHT IN BURGERS" CONTEST...

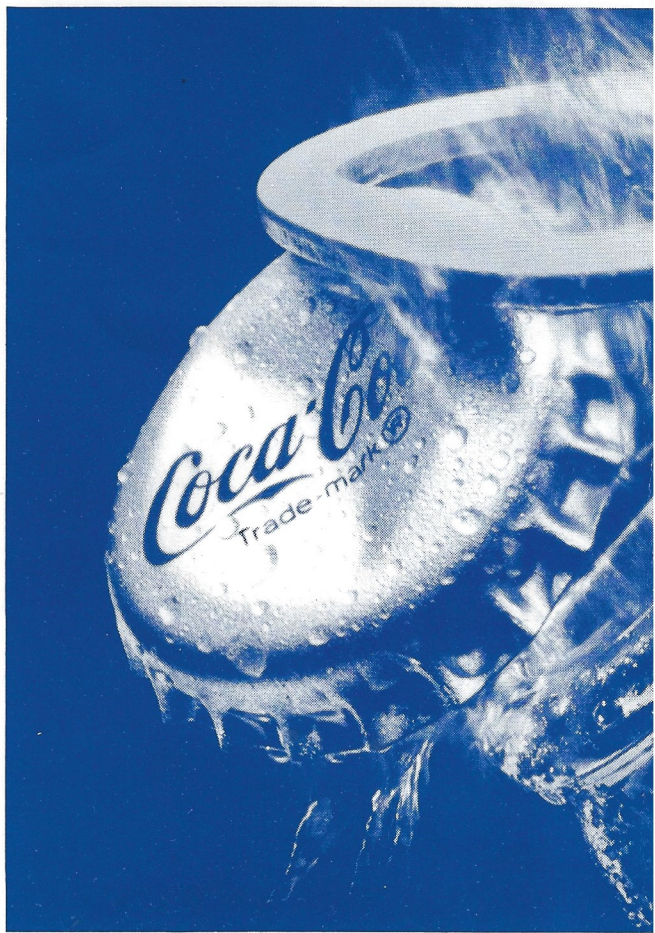

Jack In The Box restaurants will sponsor the first quarter at all Stars home games this season, which means at the end of the opening stanza in the Tacoma Dome, four lucky Stars fans will get a chance to win their height in Jack's hamburgers.

So if you're about eight inches tall, that's right around three burgers... If all seven feet six inches of the NBA's Manute Bol shows up, well you do the math.

The four lucky contestants will take a shot at an empty goal from the red line at the opposite end of the field. A successful shot wins the scorer his or her height in luscious, delicious, and delectable, Jack in the Box hamburgers.

BUY A NEW CAR, BE A STARS SEASON TICKET HOLDER

Buy a new Chevy or Honda from South Tacoma Motors, and they will buy a pair of Stars season tickets FOR YOU! This special offer is good only through November, so hurry in to South Tacoma Motors and drive your new car to all of the Stars' home games in the Tacoma Dome, including the MISL All-Star game, February 17.

TO THE STARS

KICKS FOR KIDS

Again this season, First Interstate Bank sponsors the "Kicks for Kids" program. Each time the Stars score a goal, a children's club will get ten complimentary tickets to an upcoming Stars game. We thank First Interstate Bank for their community support.

STAR ★ NEWS continued

The Stars have 10 (10, count-em, 10!) MISL All-Stars (past and present) on their roster this year. Especially appropriate since the Stars will play host to the MISL All-Star game in the Dome Feb. 17. Hinton will coach the Western All-Stars.

★ ★ ★

The last two times these teams met, MISL attendance records were demolished. Game five of the championship series drew 20,200 fans. Which established a record which lasted until Game Seven, when 21,728 showed up.

That's a record which can only be broken in Tacoma. Unless some league city builds a bigger arena.

★ ★ ★

Net Notes: Steve Zungul needs just 19 points to become the first (and only) player in MISL history to score a thousand points. Steve has 584 goals and 397 assists... The Stars' celebrated laser show has a sponsor this year, Pay Less. It will start promptly at 7:15 preceding each home game, with the kickoffs scheduled for 7:35... Stars' schedule posters for '87-88 feature an art-deco rendition of Gregg Blasingame, doing his famous backflip off the boards. Suitable for framing. Probably will be valuable someday.
