Playoffs/Séries éliminatoires

Four teams with best winning percentage qualify for postseason. Top seed plays fourth seed and second seed plays third seed in best-of-five series. Winners meet in best-of-five championship series.

Roster Rules/Règles pour l'alignement

The roster limit for a Can-Am League club is 22 players, with a minimum of 19 active players. An additional two players may be on the disabled list during the regular season. Of those 22 players, a minimum of five must be rookies and a maximum of four may be veterans. The remaining players will be designated limited service (LS) players, and of those LS players, only six may be LS-4. Two of the LS-4 players may be an LS-5.

During the pre-season, a maximum of 28 players may be under contract at any one time without regard to classification. The 22 active player roster must be met two days before the start of the regular season.

Definitions

Year of Service: A year of service for Can-Am League players is 75 official at bats or more in a National Association or independent league or leagues, or 30 innings or more pitched in a National Association or independent league or leagues, in any season prior to the present calendar year. For independent and short season/rookie league service, the first two years of service equals one National Association year. For foreign leagues, the classification and salary level will be determined by the league office.

Rookie: A player with less than one year of service.

LS-1: A player with less than two years of service.

LS-2: A player with less than three years of service.

LS-3: A player with less than four years of service.

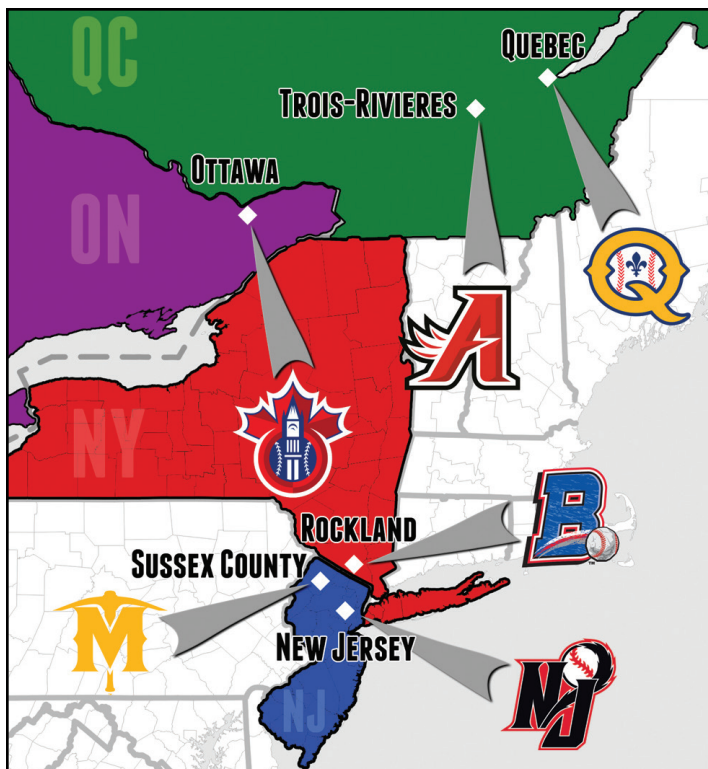

LS-4: A player with less than five years of service. 1 of the 6 LS-4s may be an LS-5.

LS-5: A player with less than 6 years of service.

Veteran: A player with six or more years of service. If a player has six or more years of service but has not reached the age of 26 by September 1 of that season, he will be considered an LS-4. If he has not reached the age of 24 by September 1 of that season, he will be considered an LS-3.

Field Manager/Gérant Brooks Carey

The 2015 Frontier League Manager of the Year, Brooks Carey joins the Jackals for his 11th season in professional baseball. In five seasons as the Normal CornBelts' skipper, Carey posted a 248-230 record. His biggest success came in 2015, when Normal was 26 games over .500 and earned its first playoff berth as champion of the West Division. The award-winning season marked a 12.5-game improvement from 2014.

Prior to Normal, Carey's coaching history began in the Can-Am League. In 2008, Carey got his first taste of coaching pro ball as the pitching coach for the Sussex Skyhawks. Carey's first season turned

out to be a rousing success, as he and skipper Hal Lanier guided the Skyhawks to the Can-Am League championship.

Carey served again as the Skyhawks' pitching coach in 2009 before moving with Lanier to Normal and serving as the CornBelts' pitching coach from 2010-11. Carey then left Normal and Lanier in 2012 to become the pitching coach for the Frontier League's Evansville Otters.

The native of Key West, Fla., spent five seasons in professional baseball in the Cincinnati and Baltimore organizations after being drafted out of Florida State in 1978.

Field Manager/Gérant Hal Lanier

Former National League Manager of the Year Hal Lanier returns for his fourth season as the Champions' skipper in 2018.

Previously, Lanier was the skipper of the Frontier League's Normal CornBelters in 2010 and 2011. He had also managed the Can-Am's Sussex Skyhawks from 2008 to 2009, leading the club to the league championship in 2008. In addition, Lanier spent ten seasons at the helm of the Northern League's Winnipeg Goldeyes.

From 1986 to 1988, he managed the Houston Astros, guiding the team to a 96-66 record and the division championship in 1986, earning NL Manager of the Year honors. Prior to Houston, Lanier served as the third-base coach for the St. Louis Cardinals for five seasons, including for their 1982 World Series and 1985 NLCS squads.

As a player, Lanier spent ten seasons in the big leagues, eight with San Francisco and two with the New York Yankees. As a rookie for the Giants in 1964, he batted .274 and was named to the Topps All-Star Rookie team.

Jackals du New-Jersey - Brooks Carey

Le gérant de l'année 2015 dans la Ligue Frontier, Brooks Carey, se joint aux Jackals comme gérant. Il en sera à sa deuxième fois comme gérant, et ce, à sa 11e année dans le baseball professionnel. En cinq saisons comme gérant des Cornbelters de Normal, Carey a conservé une fiche de 248 victoires et 230 défaites. Son plus grand succès est survenu en 2015, lorsque les Cornbelters ont terminé la saison avec 26 matchs au-dessus de .500. Ils ont aussi obtenu leur premier accès aux séries éliminatoires en étant champions de la division ouest.

Avant de se joindre à Normal, la carrière de Carey comme entraîneur s'est amorcée dans la Ligue Can-Am. En effet, lors de la saison 2008, Carey a obtenu sa première chance, alors qu'il était en charge des lanceurs pour les Skyhawks de Sussex. Cette formation était alors menée par le gérant des Champions d'Ottawa, Hal Lanier. Lanier et Carey ont connu beaucoup de succès, puisqu'ils ont gagné le premier championnat des Skyhawks cette année-là.

Champions d'Ottawa - Hal Lanier

Gérant de l'année dans la ligue Nationale en 1986, Hal Lanier est à sa quatrième saison dans ligue Can-Am à titre de gérant des Champions d'Ottawa après avoir mené l'équipe au championnat de la ligue en 2016.

En 2010 et 2011, Lanier était à la barre des Cornbelters de Normal de la ligue Frontier. Auparavant, il a dirigé les Skyhawks de Sussex de la ligue Can-Am pendant deux saisons (2008 et 2009), mettant la main sur le championnat de la ligue en 2008. De plus, Lanier a également été à la barre des Goldeyes de Win-

nipeg de la ligue Northern pendant pas moins de dix saisons.

De 1986 à 1988, Lanier a occupé le poste de gérant des Astros de Houston. En 1986, Lanier a été élu gérant de l'année dans la Nationale après que la formation texane eut compilé un dossier de 96-66 en 1986, ce qui leur a valu un championnat de division et une participation aux séries de fin de saison. Avant son passage à Houston, Lanier a été instructeur au troisième but pendant cinq saisons avec les Cardinals de St-Louis.

Sur le terrain, Lanier a disputé dix saisons dans les majeurs : huit avec les Giants de San Francisco et deux avec les Yankees de New York. Lors de sa saison recrue avec les Giants en 1964, il a maintenu une moyenne de ,274 et a fait partie de l'équipe d'étoiles des recrues Topps.

Capitales de Québec - Patrick Scalabrini

Patrick Scalabrini amorce une neuvième saison à la barre des Capitales. Depuis sa nomination au poste de gérant en 2010, le Sherbrookoïse d'origine a compilé un dossier de 464-308 en saison régulière, un pourcentage de ,601.

En huit saisons à titre de joueur chez les professionnels, Scalabrini a conservé une moyenne de ,293, amassant au passage 74 circuits, 397 points produits et 750 coups sûrs. Il a terminé sa carrière avec les Capitales de 2007 à 2009, disputant même les deux dernières saisons à titre de joueur-instructeur.

Auparavant, il a passé une saison au sein de l'organisation des Orioles de Baltimore en 2005. À ses débuts chez les pros en 2002, Scalabrini a été élu recrue de l'année dans la division Est de la ligue Northern avec Québec, fort d'une moyenne de ,325 avec sept circuits et 45 points produits. Il a joué son baseball universitaire à l'Université d'Hawaii et à l'Université Seminole State, en Oklahoma.

Boulders de Rockland - Jamie Keefe

Trois fois gérant de l'année dans la ligue Can-Am (2011, 2014 et 2015), Jamie Keefe amorce sa sixième saison à la tête des Boulders, qui ont connu la meilleure fiche dans la ligue en 2015.

Originaire de Rochester, dans le New Hampshire, Keefe a mené les Colonials de Pittsfield de la ligue Can-Am vers une place en série en 2011. Avant son passage à Pittsfield, Keefe a passé neuf saisons à titre de gérant au sein de trois formations de la ligue Frontier, une ligue indépendante. Au total, il compte plus de 450 victoires comme gérant dans le baseball professionnel.

Choix de troisième ronde des Pirates en 1992, Keefe a disputé neuf saisons dans les mineures auprès des clubs-école des Pirates et des Padres, atteignant le niveau « AAA » en 1997.

Miners de Sussex County - Bobby Jones

Originaire de Orange au New Jersey, l'ex-lanceur du baseball majeur, Bobby Jones, a fait ses débuts en tant que gérant avec les Miners de Sussex County en 2016.

Jones a passé les saisons de 2013 à 2015 comme entraîneur des lanceurs avec les Boulders de Rockland, participant à la conquête du championnat des siens en 2014. Il a aussi contribué à la saison régulière record des Boulders en 2015.

Le lanceur gaucher a passé six saisons dans le baseball majeur, soit avec Boston, San Diego, Colorado and les Mets de New York, grimant sur la butte à 99 reprises. En 2000, il a amorcé la partie #4 de la série de championnat de la ligue Nationale entre les Mets et les Cards de St-Louis. Jones, qui a joué pendant 15 saisons dans le baseball professionnel, a été repêché en 44e ronde par les Brewers de Milwaukee à l'encan de 1992.

Aigles de Trois-Rivières - T.J. Stanton

Après avoir pris les rênes des Aigles en juillet 2016, T.J. Stanton amorcera sa deuxième saison complète comme gérant de la formation trifluvienne en 2017.

Auparavant, le gérant originaire de la Floride a dirigé les Grays de Garden State durant la seconde moitié de la campagne 2015. Avant d'entreprendre son rôle de gérant, Stanton était l'instructeur des lanceurs des Capitales de Québec depuis 2013. Il était releveur de fins de matchs avec les Capitales en 2011 et en 2012, cumulant 33 sauvetages en deux campagnes. Il a également passé quelque temps avec les Jackals du New Jersey et les Skyhawks de Sussex. Il est au cinquième rang de tous les temps pour les sauvetages dans la Can-Am avec 44.

Repêché en 2002 par les Braves d'Atlanta, Stanton a joué 11 saisons dans le baseball professionnel, passant également du temps dans l'organisation des Angels de Los Angeles.

LHP Craig Breslow, New Jersey 2004

Reaching the big leagues less than one year after pitching for the Jackals in 2004, Breslow has been one of the majors' most dependable relievers and was a key cog in Boston's championship run in 2013. Breslow signed with Minnesota during the 2016-17 off-season and made the majors out of spring training, before joining the Cleveland Indians in August.

Breslow a été l'un des releveurs les plus constants lors de ses dix dernières saisons dans le baseball professionnel. Il a d'ailleurs été un rouage important de la victoire de la Série mondiale pour les Red Sox en 2013. Il a signé un contrat avec les Twins du Minnesota lors de l'entre-saison 2016-2017. Il a maintenant fait sa place avec les Indians de Cleveland en août dernier.

Umpire alumni / Anciens arbitres

Umpire Will Little, 2007

Little became the first former Can-Am League umpire to reach the major leagues when he worked the Baltimore-Cleveland game at Camden Yards on June 24, 2013. After his stint in the Can-Am League, Little moved to affiliated baseball, where he quickly worked his way up the ladder through the Gulf Coast (Rookie), Appalachian (Rookie), South Atlantic (A), Carolina (A) and Southern (AA) Leagues, before reaching the Triple-A International League in 2011.

Umpire Adam Hamari, 2006

Hamari made his big-league umpiring debut just a day after fellow Can-Am League alum Will Little, manning second base at the Cubs-Brewers game at Miller Park on June 25, 2013. He had previously progressed through the minors, working in the Midwest League (A), California League (A), Florida State League (A), Southern League (AA) and Eastern League (AA). In 2011, Hamari received his first AAA assignment, as he began working in the Triple-A International League. He spent all of 2011 and 2012 as a full-time International League umpire.
