

THE CALIFORNIA FOOTBALL TEAM ALL-STARS

The San Jose Tigers are indeed proud to have placed eight men on the California Football League All-Star Team. The team is picked by Officials of the League, field officials (empire, referee, etc.), and the media. Considering there are roughly 350 players on the eight clubs, and there are only twenty-five players on the first

team, both defensively and offensively, the Tigers made their ability felt throughout the League. Here it is, the 1977 All-Star Team.

Congratulations to each outstanding player.
